Proceedings

One Hundred Fifty-ninth Annual Session
Liberty Baptist Association

TUESDAY AFTERNOON - SEPTEMBER 24
FIRST BAPTIST CHURCH
Denton, North Carolina

"The Tie that Binds" was the theme for the 159th annual session of the Liberty Baptist Association.

Moderator Gary Myers called the opening session to order. Rodney Douglas led us in the singing of hymns "Standing on the Promises" and "Onward Christian Soldiers."

Joyce Garris led in a meaningful time of worship. God provides and cares for us. God bound himself to us through Jesus Christ.

The annual session was constituted and the program was accepted as the order of business. Chairman of the Nominating Committee Randy Stewart nominated Mrs. Judy Wood as Clerk. The nomination was seconded and carried.

Our Director of Missions, Leonard Rollins, introduced and recognized the new pastors and full-time staff members: James Stuart White, Carolina Memorial; Stephen Caudill, Community; Charles Penley, New Friendship; Bill Davis, Park Place; Edwin Waddell, Minister of Youth and Education, Wallburg; and Greg and Tracy Dickens, Youth Ministers, Coggins. Serving in interim positions, Hoke Coon, Reeds; R.N. Hardin, Churchland; Kenneth Miller, Colonial; and Charles Tanner, Mills Home.

Reports were given by Roy Cantrell, Missions Committee; Charles Penninger, Treasurer; and Judy Wood, Executive Committee. Copies of all reports follow.

Rodney Douglas introduced Marlene Ferguson from Park Place Church as our pianist for the session. The congregation sang, "When We All Get to Heaven."

Debbie Campbell represented the Philpott Parent Aide Program at Mills Home. The Parent Aide Program is a ministry of the NC Children's Home of Thomasville and works with families considered to be a high risk for child abuse and neglect. They help parents with proper care, clothing, diet, new ways of discipline, etc. It is their purpose to help parents to show their love for the child; this in turn reinforces the child's self-esteem. As of June 30, 1991, 42 families with 90 children had been in the program.

In the absence of pastor Vern Peterson of Denton First, Earl Rogers gave a word of welcome from First Baptist Church of Denton.

Morris Hollifield, Chairman of the World Missions Conference, reported that 26 churches in our association will participate in the World Missions Conference. He announced dates and time of special events and encouraged everyone's participation.

There was no miscellaneous business.

Brenda Emmons, director of Migrant Missions in our Association, gave an interesting exciting report of a very productive summer program working with the migrants in our area. A full report follows.

Joe Walters reported on the Alpha Omega club at Davidson County Community College. This Baptist student union type organization has been active in mission projects and student activities for nine years.

The time of the annual sermon began with scripture reading from I Corinthians 13 by Rev. Charles Dickens of Faith church. Rodney Douglas presented a solo of "I'll Tell the World That I'm a Christian.

The annual sermon was delivered by Roy Queen of Holloways church. He elaborated on our theme. The tie that binds is a love that will motivate, and that will hold us together. We love God because he first loved us. It is with that love that we should love one another.

R.N. Hardin led in a prayer of blessing as we dismissed for the evening meal.

The evening session began with congregational singing of "All Hail the Power of Jesus' Name," and "Love Divine, All Loves Excelling."

Dewey Snider of the Denton church led in a devotional worship. He read from I Corinthians 1:12-14, 26. Each of us has our own unique differences; but we are all saved by the blood of the same Christ and serve the same God. We need one another. Let us love one another.

Historian Vernelle Green read the history of First Baptist Church, Denton.

Roy Cantrell reported from the Missions Committee that this year Osbert has been the topic. He announced that two years have been cut from the length of time we were committed financially for Osbert's support. When they go back home they will be without jobs, and basically have only their clothes. The Missions Committee is hopeful that churches will invite Osbert and Margaret to speak during this last year and contribute to a love offering. He then introduced Osbert James.

Osbert expressed profound gratitude and a dream realized as he reflected on the progression of events that led him to study in our country. What was started by our bringing Osbert and Margaret to be among us and study at Wingate then at Southeastern Baptist Theological will not stop with their leaving and returning home. His hope is to go back and serve not just one church but hopefully a whole association. His challenge to us as an Association was that this type ministry that has begun with Osbert will not end here but that we will see what it is that God has planned for us.

Rodney Douglas introduced Lee Hayes as our organist for the evening. He then led the congregation in singing "The Church's One Foundation." Special music was presented by the choir of Denton First.

Leonard introduced our preacher for the night session, Clovis confirmed that we have gained 20 years on our work in Brazil in the past three years. Clovis reported on the enormous growth of churches and Christian professions of faith during our partnership with Brazil. The need is still great. The people are hungry for the gospel of Jesus Christ.

Clovis' first word was a word of gratitude for the ability to grow churches. His second word is to challenge us to continue working for two more years. A dream would be to have a big center for Baptists and to build a church for 800 people. His third word is that what shows our love for God more is our love for missions. He finished a most challenging and inspiring message formed from his love and conviction for missions by reading Acts 1:8.

Gary Myers led in a prayer of benediction as the evening session ended.

WEDNESDAY MORNING, SEPTEMBER 25
MILLS HOME BAPTIST CHURCH

The Wednesday morning session began with the singing of "He Keeps Me Singing" and "Lead on, O King Eternal." Helen Bowman accompanied at the organ and Mary Lou Dickey at the piano.

Gary Myers called the session into order.

F.T. Bowman led in worship. He used as scripture reading Phillipians 1:27-2:18; being as Christ would have us be, if we are to bless God we must exercise a humble spirit. The devotion was followed by words of welcome to Mills Home Church.

Randy Stewart presented the recommendations of the Nomination Committee. Officers and committees were accepted as recommended.

Jeff Vogler gave the Resolutions Committee report.

Earle Rogers reported for the Place and Preacher Committee. In 1992 the opening session will be held at Wallburg Church and the second day at Abbotts Creek Church. The annual sermon will be brought by Charles Dickens with R.N. Hardin as the alternate.

Vernelle Green gave the history of Mills Home Church.

Charles Penley reported for the Evangelism Committee.

Miscellaneous Business

Leonard asked for the adoption of the Book of Reports as printed. This was adopted.

The question was asked if there was time set aside to respond to the challenge as presented by Clovis Martinov to extend the partnership two more years. Leonard addressed the question as follows:

> Leonard took Clovis to Cary to meet with O.D. Martin and Roy Smith. Clovis asked for an extension of the partnership. He was told there is a strong possibility that the NC/Sao Paulo Partnership may be extended. Leonard made an appeal that the decision of our Association to commit to this extension go through the Missions Committee followed by the Executive Committee. An extension of the partnership will come to us through the Foreign Mission Board and down through the Baptist State Convention. A motion was made to accept Leonard's appeal. Motion was seconded and carried.

There were not further matters of business.

Marcus Campbell led in a time of memorial for dear friends, loving family members, and servants of God that have gone to be with the Father since we last met. He gave a reading from Hebrews 11:1-3. The congregation followed by singing "Great Is Thy Faithfulness."

Herb Davis gave a report on the NC Baptist Men's Medical/Dental Bus that was in our Association this July. The bus and many faithful volunteers provided free medical, dental and eye care to the Migrant Workers at Abbotts Creek Church as well as providing these services for homeless shelter residents at Lexington First. Child Care was provided as well as counselors to witness. Health Care kits, a New Testament, and a meal were also provided. We are looking forward to bringing the bus back to our Association next year.

Wayne Murphy gave an update on services provided by NC Baptist Hospital and Frances Baker represented NC Baptist Retirement Homes.

Morris Hollifield introduced Dr. Jerry Surratt, Director of History and Religion at Wingate College who brought the morning message. His message suggested that with tough minds, tender hearts, and trained hands we can be God's instruments of peace and love.

At the close of the meeting a motion was made to adjourn. Issac Terrel offered a benediction and prayer of blessing for the lunch meal.

Respectfully submitted,
Judy Wood, Associational Clerk

They are trained in working with Sunday School, Discipleship Training, and WMU. She explained of her availability to assist churches in any of these areas. This new concept is to supplement the work of the staff of the Baptist State Convention. The greatest is in Discipleship Training and churches who need a boost in Sunday School or WMU.

LEONARD

Leonard reported on special efforts of the Evangelism Committee.

1. Summerville Church hosted the Evangelism Committee in their very successful efforts at the Threshers Reunion. Mike Motley explained of the good exposure that our Association received. Good witness for the Lord was given, gospel tracts and New Testaments passed out, and nearly 20,000 cups of ice water.

2. FBC, Welcome is host church for the Committee's efforts at the DC Fair which began today. An 8x10-foot booth has been set up. In only a couple of hours 500 cups of water were given out. Forty-two volunteers have agreed to work in the booth.

3. Edward Pigg and Charles Penley will have our Associational Tent (10'x20') set up at the Wednesday meeting of our Association. This tent will be available for churches to use for Backyard Bible Clubs and other purposes.

Reflecting back onto the S.S. Rally, Leonard reported that in his estimation this was the very best Kenneth Hemphill has ever done. He expressed regrets attendance was so small. Months after the rally a man came to Leonard to thank him for this rally and to say that this was the best experience he'd ever had.

Pastors need to respond to the Banquet and Dialogue with Keith Parks at the Missions Fest.

Clovis Martinov is in our Association speaking at seven churches or meetings. George Brice from High Point is his interpreter.

There will be eight from our Association leaving October 2. They will be divided into teams of four. There are five preachers going on this trip. We have had a total of 50 people (37 different people) representing 10 churches going to Brazil. After the October trip there will be a total of 61 people going and 13 churches represented.

The partnership is scheduled to end December 31, 1991. We need to work diligently for two groups to go next June and October. The trip this October will be Leonard's fifth trip to Brazil (including 30 days in 1965).

Following a recent break-in and theft at Oak Hill Church, Gary Myers asked that we be very cautious about building and property security.

Meeting adjourned with prayer by Leonard Rollins.

Respectfully submitted,
Judy Wood, Associational Clerk

Roy asked Barbara to open our meeting with prayer. Minutes of the last meeting were read and approved.

We discussed what type of gift would be appropriate for Osbert and Margaret as they leave home next year. We were reminded of the $5,000 deposit made with Southeastern when Osbert entered. Because of his heavy class load, he is not able to work the usual 20 hours a week. We will provide an opportunity to contribute to a love offering for Osbert by sending gifts to the Associational Treasurer.

LEONARD REPORTED:

1. Our evangelistic effort at the Thresher's Reunion in Denton on July 4 was very successful. Nearly 20,000 cups of ice water were given away.

2. The DC Fair opened today (September 16). Our booth looks very good. Dennis Tafano and Charles have worked hard to set it up.

3. We have received confirmation from Everybody's Day in Thomasville on September 28, and from the Lexington BBQ Festival on October 26.

Clovis has arrived in our Association. We have agreed to reimburse him $1,272.30 for the cost of his airline ticket. We need to reimburse George Brice for mileage as well as contribute to an honorarium. $1,375 has been sent through our Association, State Convention, etc. to support a pastor in San Francisco.

We discussed the potential hardships of continuing our partnership with the Brazil Association beyond the five-year commitment from our State Convention. The work in scheduling, lose if special airline rates, and broken links in communication needed to organize team trips as we have had in the past. If a motion comes from the floor that we extend this partnership, Roy will come with a prepared statement of our unresolve in this decision.

The meeting was closed.

Respectfully submitted,
Judy Wood, Clerk

CALLED MEETING
AUGUST 13, 1991

Roy opened the meeting with prayer.

Two special interests have contacted the Finance Committee for funding from our 1992 budget.

1. A PASTORAL CARE COUNSELING CENTER - This will be a satellite center under the supervision of NCBH Pastoral Care. Liberty Association will provide space and secretarial support. The Finance Committee is asking our support and approval of a $2,000 line item in the new budget.

2. THE ALPHA PREGNANCY SUPPORT, INC. - Dennis Tafano gave explanation of the newly formed Christian counseling service for crisis pregnancies. There is no charge to those seeking guidance from this agency. He was asking for $1,200 to help with financial obligations of this organization that will serve our county.

A motion was made by Jimmy Lancaster that we pledge our support to these organizations and that the recommendation of the Finance Committee be accepted. The motion carried.

We briefly discussed the fact that this is Osbert's last year with us. Our commitment in bringing him to the states for a formal education was for seven years. He will be graduating and leaving us two years early. We were asked to be thinking about what we will want to do to help him get home and get settled there. Churches will be encouraged to have Osbert and Margaret for a visit and take a love offering.

Meeting adjourned.

Respectfully submitted,
Judy Wood, Clerk

APRIL 22, 1991

Roy Cantrell opened the meeting with prayer.

Minutes of the last meeting were read and approved.

It was reported that Byron Barker and Brooks Hunt don't feel they are still on the "New Work Committee." Suggested that we refer back to the Nominating Committee.

Leonard reported that 26 churches have responded to the World Missions Conferences.

Osbert James started his collegiate studies at Wingate College in June of 1987 and graduated in June of 1990. He is scheduled to graduate from Southeastern Theological Seminary in May of 1992. We expressed a desire to recirculate him as much as possible in our churches before his return to Grenada.

The Evangelism Committee reported on four established county-wide events in which Liberty Association will be involved.

1. The Threshers Reunion, July 3-7 in Denton (tracts, ice water, witness)
2. The DC Fair, September 16-21 (host a booth)
3. Everybody's Day in Thomasville, September 28
4. The BBQ Festival in Lexington on October 26

The Sunday School Rally is planned for May 16, 7:00 P.M. at Rich Fork church. Leonard will check on the possibility of Rich Fork providing a nursery.

Charles Penley closed with prayer.

Judy Wood

Missions Committee

JANUARY 21, 1991

Roy Cantrell opened the meeting with prayer.

Judy Wood shared information from the Director of Missions of the association in which Jim Tillman is now working. He agreed with our hesitations and reasons for resisting Jim's plan to start a new work in the way in which he described. Leonard is to contact Jim about our decision not to sponsor a non-traditional Southern Baptist Church in this association.

Roy and/or Leonard are to ask Byron, Brooks, and three members of this committee to investigate Gary's motion, "that we would pursue the idea of establishing a Mission point(s) that would lend itself towards the traditional Southern Baptist Mission instead of a Non-traditional Mission."

Morris Hollifield announced the dates of the World Missions Conference, October 20-27. A letter will be sent to pastors to enlist churches and determine the number of missionaries we will need. The intent will be to pair up churches for Sunday through Wednesday evenings and Thursday through Sunday evenings. We will need $200 per church including a Saturday evening meal for missionaries and the church's representatives.

Liberty Baptist Association has sent O.D. Martin $750 in response to his request for financial assistance for publicity for the 1991 Evangelistic Crusades in Brazil. At this time there are nine people with an interest in participating in the June trip to Brazil and four for the October trip.

Five participating churches (in the Brazil project) have agreed to pay $1,200 for pastor support in Brazil.

Hayward Calvert of Jeffersonville, Indiana is to send Leonard information about his request for a Mission VBS Team and Leonard will talk with Keith Brown.

Finally submitted by,
Judy Wood, Associational Clerk

NOVEMBER 18, 1990

There was a called meeting of the Missions Committee for the purpose of meeting with Jim Tillman who has a desire to start new work in our Association. Present were: R.N. Hardin, Gary Myers, Charles Penley, Leonard Rollins, Barbara Foster, and Judy Wood. (Gary didn't wear a tie.)

Jim Tillman will graduate in May 1991 from Southeastern. He has felt a strong burden for a new work in the area of Liberty Baptist Association. He had previously shared convictions with Leonard about this new work.

He described his "Vision" for this new church to be a relaxed and less structured form of worship. A goal will be to reach people who are not being reached by the traditional church. It is his desire for the 44 churches of Liberty Baptist Association to share his vision of a new church.

A study will need to be made to determine the area most susceptible to this ministry. A ministry that would provide for "Flock or Cell groups." In the early stages these would be for Sunday School and later for nighttime Bible study in the home.

He proposes that the preacher will dress casual hoping to appeal to their personal needs (we decided Gary was right for the job!). The atmosphere would be spiritual with contemporary music; praise songs as primary music along with traditional hymns.

Jim was received well by the group attending. We are to meet again January 17, 1991.

Respectfully submitted,
Judy Wood, Clerk

JANUARY 17, 1991

There was a special meeting of the Associational Missions Committee to discuss with greater detail the request of Jim Tillman.

The committee has reservations about the potential for a "non-traditional" Southern Baptist Church in our Association. We are convinced of Jim's sincerity, dedication, and commitment to his calling as a Minister/Pastor. We question his willingness to compromise in establishing a "traditional" Southern Baptist Mission.

Gary Myers made a motion, "that we pursue the idea of establishing a Mission point(s) that would lend itself towards the traditional Southern Baptist Mission instead of a Non-traditional Mission." The motion carried.

Liberty Baptist Association Migrant Ministry

Ephesians 3:20: *"Now unto Him that is able to do exceedingly abundantly above all that we ask or think, according to the power that worketh in us."*

A planning meeting was held on April 14, 1991, to discuss ideas and goals for the summer migrant work. On June 11, visitation teams went out by two's to contact the farmers and the migrants who had already come to the area. The first meeting of the season began on Sunday, July 14, at Abbotts Creek Baptist Church, and the last meeting in their fellowship hall. The program consisted of singing in Spanish/English together, slide presentation, testimonies from Hispanics, and presentation of plaques. These were given in appreciation and recognition to all the 10 regular summer volunteers who have helped in past summers as well as this year.

On Sunday, July 28, 1991, a first-time and historical event took place with the migrant work. Dr. and Mrs. Herb Davis coordinated the Medical/Dental Bus which ministered to 34 patients seen between the hours of 2:00 and 8:00 P.M. Due to the thorough planning and contacts, over 35 volunteers representing local churches, two county social service agencies, community volunteers and interpreters from Kernersville Union Grove Baptist

Church, and from Lexington and Thomasville; making this a successful outreach. The Medical/Dental Bus was set up on July 29 at First Baptist Church, Lexington, to reach those in need in that area.

Food was prepared and served by the following groups: Wallburg Baptist Women provided snack meals for several weeks of meetings in July, hosting also on July 28; First Baptist, Welcome on July 21; First Baptist, Thomasville on September 16; and New Friendship on September 28. Abbotts Creek Baptist Women served during the month of August. A big thank you goes to all these and all who contributed in any way.

Excitement grew as attendance stayed with an average of 22 Hispanic men each week in July and August. At one preaching service held by Rev. Oliveros, approximately 13 men made professions of faith. One man received Christ on July 28. Many of these men remained faithful, and would bring their Spanish New Testaments that Rev. Roy Cantrell provided for them.

God has truly blessed and we look forward to next year with anticipation as to what the Lord is going to do!

Director of Missions Report

The 1990-91 associational year will be remembered for the Associational Sunday School Rally with Kenneth Hemphill and the fourth year of the Brazil Partnership. We are committed to the Center North Association and will continue to call for volunteers through December 31, 1992. The Lottie Moon Christmas Offering reached $131,241.77, and a number of our churches participated in mission trips. The migrant mission program, under the direction of Brenda Emmons, continues to be alive and vibrant, and we were able to secure the Medical/Dental Bus for two days, July 28-29. The total number of patients seen by local dentists and doctors was 47. Osbert James, our seminary student from Grenada, plans to graduate at Southeastern Seminary in May of 1992.

In the kind of ministry that is carried out on a regular basis, I have been in 35 of the 44 churches for at least one meeting during the calendar year. In addition to regular preaching services, I taught the Book of Acts at Churchland, Reeds, Center Hill, and Liberty. I taught the Home Mission Study 10 times: at Carolina Memorial, Coggins Memorial, Mountain View, Center Hill, New Friendship, Southside, Welcome, First, Reeds, Smith Grove, and Trading Ford (Rowan Association). I attended at least one revival service in nine churches, three weddings, four Homecomings, and seven wedding anniversaries. I assisted in five funerals and attended five other funeral services.

I spoke at the dedication service for the new building at Abbotts Creek, a "This Is Your Life" service at Reeds for John Pace, Dedication Day at Colonial Baptist Church, special service at Carolina Memorial to name Carl Hemphill Pastor Emeritus, Centennial Celebration at First Baptist, Denton, Homecoming at Colonial, and shares the Brazil experience at Jersey, Southgate, and Trinity.

I have participated in the following special events: Progam at Jersey on the Forrest Feezor Auditorium at Brookridge, "Friends of Children" Committee on Mills Home Campus in Thomasville, World Missions Conference in the Buncombe Association, Ninth Annual Baptist-Catholic Dialogue at Catholic Conference Center in Hickory, Multi-housing Roundtable Conference at Caraway, dedication services at First Baptist, Welcome, Central Carolina Civitan Club Clergy Day at the Lexington YMCA, 100th Anniversary at Mills Home, 10th Anniversary meal at Trinity, 80th birthday party for Earl Rogers, retirement celebration for Boris Helvey, Board of Ministers' Conference at Campbell University, and regional planning meeting for North Carolina Baptist Men in Winston-Salem. I served on the Lexington Challenge Task Force dealing with the Quality of Life and the Cities' Image, and led the invocation for the 20th anniversary of the U.S. Postal Service at the Post Office in Thomasville.

I was involved in the January Bible Study Preparation at Wake Forest, Convention Staff/Associational Staff Planning Sessions at Caraway, and Key Leadership at

Ridgecrest. I also attended the Baptist State Convention in Winston-Salem, D.O.M. and Spouse Fellowship at Caraway, Evangelism Conference in Greensboro, State Vacation Bible School Clinic in Statesville, Southern Baptist Convention in Atlanta, D.O.M. Conference at Wingate, and the Listening Session on 1991 Cooperative Program Budget at Pritchard Memorial Church, Charlotte.

I have given assistance to the Pastor Search Committees at Reeds, Churchland, Carolina Memorial, Community, and Park Place. I also helped the Program Committee, Resolutions Committee, Finance Committee, and Nominating Committee.

We have had the privilege of the ministry of Clovis Martinoff, our Brazilian pastor, in our association, and he has spoken in six of our churches, in addition to the annual meeting.

Leonard Rollins

Evangelism Report

Reaching people with the Gospel of Jesus Christ is the challenge that confronts the Church in every age. As we have entered the decade of the nineties, that challenge remains greater than ever. Christians live, work and play in a society where conflicting value systems compete for the shaping of our lives. The Church must seek to witness in a society no longer strongly influenced by Christian morals and values. Never has the need been greater for those who will accept the assignment of our Lord to be "a light that shineth in a dark place." (2 Peter 1:9)

This past spring churches in our association were given the opportunity to participate in the Witnessing-Giving Life emphasis. The call to be good witnesses, coupled with being faithful stewards of our material possessions was issued with renewed concern from a number of the pulpits in our association.

The most recent challenge to the Churches in our convention comes from a book by Dr. Darrell Robinson, Vice-President of Evangelism, Home Mission Board. The book entitled *Total Church Life* calls upon churches to Exalt the Savior, Equip the Saints, and Evangelize the Sinner. In doing so churches are urged to help reach our nation for Christ by accepting responsibility for sharing the gospel within a specific geographic area. This book will be the focus of attention at the Regional Evangelism Conference for pastors and church staff, September 30 through October 25, 1991.

On behalf of the Evangelism Committee, let me express sincere appreciation to the host churches and to every volunteer who has helped or who will help at one of the four county-wide events. Our plan has been to provide a Christian witness at the following events this year: The Thresher's Reunion in Denton, July 3-7; The Davidson County Fair, September 16-21; Everybody's Day in Thomasville, September 28; and the Barbecue Festival in Lexington, October 26. These events attract thousands of individuals, many of whom are not-yet Christian. It has been our goal to offer a free cup of cold water in the name of Christ, a gospel tract, and a Christian witness.

Pray that every church in our association will accept the continuing challenge to reach its community with the message of hope that JESUS CARES FOR YOU!

Respectfully submitted,
Charles Penley, Chairman

Student Ministry Report

DCCC campus ministgry ALPHA-OMEGA fellowship

The 1991 Alpha-Omega fellowship began September 5 with a meeting on the DCCC campus. A very enthusiastic group of students attended this first meeting and shared many ideas for future missions and recreational activities.

Several new students have joined the fellowship this fall and have expressed appreciation for the ministry and what it means to have it available each week.

The group has activities planned for the remainder of the quarter and is very enthusiastic about participating in our associational churches. They are available to lead youth lock-ins, retreats and help with missions activities. Several of the students are very talented musically and are very willing to share their gifts.

Here is a brief look at some events that are scheduled by the Youth and Campus ministries division of the Baptist State Convention. These are activities that Alpha-Omega fellowship is considering for participation:

Dec. 28-31 Global Concerns Conference -Washington, DC
Jan. 24-26 NC General BSU Retreat -Laurel Hill
Mar. 27-29 BSU Spring Conference -Caraway

Please keep in mind that these students are eager to lead youth events in our associational churches. If you desire such an event, please contact me at home or the church.

Also, if you are aware of students from your church who are beginning DCCC this fall, please steer them in our direction. We would be delighted to have them.

Thank you for your prayers and support of this very important work at DCCC.

Joe Walters, Volunteer Campus Minister

Woman's Missionary Union Report

During 1990-1991 W.M.U. has focused on "Empowered" with Ephesians 3:20-21 as our watchword for the year. "Volunteers for Missions" was kept before our organizations. In our annual meeting in April with the Wallburg Church, we recognized many people who were volunteers for various fields. Several of these shared their testimonies with those present. One hundred and forty-two people attended, representing 20 churches in the association.

In May Baptist Women gathered at the Summerville church for a salad supper, program and a shower for the expected baby of Margaret and Osbert James. This was planned by Betty Bradshaw and Barbara Foster, the Baptist Women's Director and Assistant Director. Shower gifts and money were given. Gifts of money totaled $513.50, thus giving them the joy of buying for their expected child. They were so grateful and really overwhelmed.

The Associational Council continues to meet Quarterly. The director and all new officers took training at Caraway in June. Later in the summer workshops were scheduled in various areas of the state for all officers. These were conducted by state leaders.

During September two workshops were held for local W.M.U. leaders. These were held with Jersey and Abbotts Creek churches.

The *"Liberty Belle"* is our quarterly newspaper through which we continue to communicate with the local W.M.U. organizations. Our hope and dream as we serve the Association is that every chuch will have an active W.M.U. as we "Labor together with God," he continues to bless our efforts.

Respectfully submitted,
Mary Kesler, W.M.U. Director

First Baptist Church, Denton

On January 21, 1890, the few members of Old Tom's Creek Missionary Baptist Church, located a few miles to the east, voted to relocate in town. Trustees were elected and instructed to purchase a building lot in town and dispose of the old church house to best advantage. Two acres were purchased in August 1890 from A.A. Snider for 24 dollars. This is the present site of First Baptist Church. The little church continued to struggle for its existence and, for reasons unknown to us today, decided it would be best to dissolve the old church and begin as a new church called DENTON MISSIONARY BAPTIST CHURCH. This dissolution took place on the third Sunday in August 1891.

The new church was constituted a week later on August 30, 1891, by the same presbytery that had overseen the dissolution of the Tom's Creek Church a week earlier. The charter membership of the new church was composed of most of the membership of the Old Tom's Creek Church with the addition of 15 new members from Summerville plus a few from other churches.

It is not known exactly at what point the congregation of the new Denton Church occupied the house of worship begun by the Tom's Creek Church, but that structure was remodeled in 1915 and again in 1919 adding Sunday School rooms and changing the facade from two separate entrances to a single entrance flanked on each side by a single window. By the late 1930's, that original frame building had fallen into such a state of disrepair that it was deemed advisable to tear it down and replace it with a new, modern brick building. The congregation held its last service in the old sanctuary on October 31, 1937, shortly after the Rev. H.M. Stroup arrived on the field to begin his pastorate. On Monday morning, November 1, workers, many of them volunteers from the church itself, began dismantling the old structure. Much of the material from the old church was preserved for use in the new building. Work progressed well through the winter with few interruptions, during which time the congregation met for worship in the auditorium of the old elementary school building which stood just across the street. The first service in the new sanctuary was held on April 24, 1938. Only 25 Sundays was the church without the use of its own building.

More Sunday School rooms were added in 1961-62 with the addition of an educational building which initially housed a fellowship hall, nursery, pastor's study, and young people's classes. Over a period of years, the upstairs of this new structure was finished so that it now additionally houses children's classes, library, Woman's Missionary Union room, and some adult Sunday School classes. The first floor of this building has been made available on weekdays for many years for the operation of the Community Day Care for which the church provides an oversight committee.

Two pastor's homes have been built during the course of the church's history. The first was a white frame structure built in 1912 southwest from the church. This was replaced in 1956 by a modern four-bedroom, brick home which also includes a pastor's study, kitchen, dining room, den, living room, and partial basement.

The first pastor was Rev. Hezekiah Morton who served the church from 1891 to 1895. Since then 23 others have served the congregation of First Baptist Church, Denton, in a permanent capacity. They are: Haywood Morris, Jefferson Lanning, John Monroe Bennett, C.E. Owen, Soloman Davis Swaim, James Floyd Fletcher, Henry Sheets, Hoyle Love, Elisha South Ivery, William Amos Hough, Luther Allen Connell, Paul Berry, Malicus Addison Adams, Dr. Graham Anderson Martin, William Van Carroll, Holcomb McLean Stroup, Ernest Cicero Roach, Fred Allen Duckett, George Edward Shore, Herbert Marshall Baker, Sr., Wesley Thomas Garner, Willard Clinton Hardee, Jr., and the present pastor Vernon Wayne Peterson. In addition to these gentlemen, Gary Parker served as Associate Pastor from 1977 to 1979.

On August 24 and 25, 1991, this church celebrated its Centennial Anniversary. This was a BIG EVENT for not only the church family but the Denton Community as well. Many old artifacts were displayed in the Civic Center for viewing. Many former pastors and children of former pastors were present for the occasion. A picnic supper provided on Saturday evening as well as lunch on Sunday was enjoyed by all that attended. The historical drama written by the author of this history was presented during this time that was most enjoyable. On Sunday a time capsule was planted near the cemetery to be opened in the year 2041 which should prove to be very interesting. Rev. Leonard Rollins

was the guest speaker on Saturday evening. Dr. Jerry Surratt, a native son, was guest speaker at the Sunday morning worship hour.

I am indebted to Dewey L. Snider, church historian, for the many hours and miles driven in compiling and writing this history.

Respectfully submitted,
Vernelle Snider Greene, Historian

History of the Mills Home Baptist Church

John H. Mills called a group of Baptist neighbors together at his home and organized the Rich Fork Baptist Church on December 30, 1884. He was Founder and General Manager of the Thomasville Baptist Orphanage which admitted its first child on November 11, 1885. A deeply religious man, one of his first concerns was a spiritual home for "his orphanage children." The Lea Chapel (which stood where the home of our resident director now stands) was erected in 1886 and was the center of the religious life of the orphanage community. John Mills appealed to the orphanage trustees for the formation of a church for the orphans and workers (staff) but was turned down. The Baptist State Convention also rejected his plea on the grounds that Rich Fork Church was just three miles from the campus and Thomasville First Baptist Church was only a distance away. Mr. Mills then tried to get Thomasville First Baptist Church to build a mission close by the campus but was refused. He then secured the services of Reverend J.N. Stallings, a teacher in Thomasville, to act as chaplain at the orphanage. Following the resignation of Reverend Stallings, Reverend Henry Sheets of Lexington was invited to serve as chaplain. In July of 1888 the orphanage board of trustees elected Reverend Sheets as assistant manager of the orphanage, assistant editor of *Charity & Children* and chaplain. His compensation was $250.00 per year.

In May of 1888 Reverend G.W. Gwaltney came and preached a number of days at the orphanage which resulted in the conversion of five boys and nine girls. On Sunday, June 3, Mr. Mills took them to Rich Fork as candidates for church membership. On Monday, June 4, they were baptized in the pond below Marble Springs on the orphanage campus. These children and others on campus attended Rich Fork Baptist Church regularly with Mr. John Mills.

John Mills required the children and workers to attend worship services each time the bell tolled on campus. These averaged 92 services each month; but Mr. Mills still insisted that the children needed their own spiritual Home. At 3:00 p.m. on Tuesday, April 28, 1891, the Orphanage Church was formed with 27 charter members. The organizing presbytery consisted of Reverend Thomas Carrick and Reverend J.D. Newton (son-in-law of Mr. Mills). Charter members were the 14 children from the orphanage baptized into membership at Rich Fork Church: Minnie Wells, Georgia Faircloth, Nellie Wheeler, Emma Southern, Linnie Judd, Melissa Brockwell, Mattie Cook, Sallie Farrior, Pattie Pope, Edwin Coble, John Gay, Thomas Belch, Tyler Wheeler, David Coble. Others were Cape Fear Church, Mrs. Isabella Cecil; Shelby Church, Miss Kate Durham; Concord Church, Reverend J.D. Newton; Beulah Church, Virg E. Moore, Ella J. Moore and William H. Moore; Durham Church, Miss Ida Christmas and Mrs. Octie D. Thomas; Oxford Church, Miss Ella Thomas; joining under watchcare awaiting letters were W.P. Pickett, Mrs. Aldell Pickett, and Mrs. J.D. Newton.

Rev. J.D. Newton was elected pastor, Miss Ella Thomas was elected first church clerk after Mrs. Newton declined to serve. Deacons were elected 10 months later. This first deacon board consisted of William P. Pickett, deacon and Mrs. Nannie Williams, deaconess. We quote from Dr. B.W. Spillman's book **The Mills Home**: *"When the Orphanage Church was constituted there was considerable opposition locally, especially in the Liberty Baptist Association. In the fall of 1893 it united with the association."*

Reverend J.B. Boone was known as *"the builder"* due to the growth of the orphanage during his administration. When Central School Building was completed June 7, 1897, he used it both as a place of worship and as a school. The Orphanage Church had outgrown its small meeting place in Lea Chapel. As the orphanage family grew in size, the Orphanage Church increased in membership.

During Dr. M.L. Kesler's administration, which began September 1, 1905, and ended with his death on August 19, 1932, the orphanage family grew and grew until over 550 children were being cared for at Mills Home. In Davie County was a practicing medical doctor, S.W. Little, who didn't belong to any church but supported the Thomasville Baptist Orphanage with gifts. In his legacy he left enough money to erect an auditorium, a need he had learned from Dr. Kesler. The Little Auditorium was completed and put to use as both a place of worship and school progress on April 19, 1915. This auditorium stood almost exactly where our present sanctuary stands.

Thomasville First Baptist Church and the Orphanage Church were both seeking pastors so they formed a field and called Reverend W.H. Rich in 1896. This arrangement lasted 29 years until the Orphanage Church called its first full-time pastor on September 7, 1924. Reverend E. Norfleet Gardner began his duties January 1, 1925.

The church membership voted to change the name of the Orphanage Church to Mills Home Baptist Church on November 25, 1929, because Thomasville Baptist Orphanage had changed its name to Mills Home.

During the administration of Dr. I.G. Greer (1932-1948) a non-church member from Winston-Salem heard him speak over the radio one Sunday morning. He sent word to Dr. Greer that he would like to see and talk with him. As a result of their meeting, Robert M. Idol left over a half million dollars designated to the Baptist Children's Homes of North Carolina. A church building was erected along with an educational plant in 1953, honoring Mr. Idol's mother. The Sarah Maston Idol Church Building made it possible for the first time in Mills Home Baptist Church's history to have a place to worship for that purpose only. Again God proved in a most unusual way that he will provide for His children by seeing that they had a beautiful place of worship.

As John Mills envisioned, the Children's Home and the church have been closely linked by history and a common interest. While an autonomous Baptist church in the Liberty Baptist Association and supported by the tithes and offerings of its membership, the church does receive a financial supplement from the Children's Home. Thus, the Church and the Home share the mission of ministering to children, youth and adults in the name of Christ.

Mills Home Baptist Church has been a blessing to multitudes of people through the years. Many former students and staff have gone on to serve as pastors, missionaries, medical doctors, nurses, and in many other service related vocations.

In the past decade the campus has undergone significant change in its programs and policies, which continue to impact the Church's ministry and membership. Because the Church's ministry is primarily to the students and staff on campus, any changes which occur within the agency and its child-care program directly affect the Church.

As Mills Home Church begins a new century of ministry, the challenge remains greater than ever to proclaim the love and acceptance of Jesus Christ for all persons.

In April, 1991, Mills Home celebrated their centennial anniversary. There were many activities that were enjoyed by everyone.

Constitution

(Adopted September 29, 1954 - Revised October 1, 1969 and October 1, 1975)

PREAMBLE

We, the churches of the Liberty Baptist Association, unite ourselves according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the Baptist State Convention of North Carolina and the Southern Baptist Convention, according to the following Articles:

ARTICLE I — NAME

The name of this body shall be the Liberty Baptist Association.

ARTICLE II — MEMBERSHIP

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and Bylaws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III — MEETINGS

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

ARTICLE IV — COMPOSITION OF MEETINGS

Section 1. The official voting body shall be composed of messengers from the member churches as follows. Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of the messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

ARTICLE V — OFFICERS AND THEIR ELECTIONS

Section 1. Officers of the Association shall be *Moderator, Vice Moderator, Clerk, Treasurer, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Church Music Director, Evangelism Director,* and *Historian.*

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. He shall be elected for a one-year term. Other officers shall be elected on the last day of the annual meeting for terms of one year each. They shall be contacted and nominated by the Committee on Nominations (Bylaws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Woman's Missionary Union as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

ARTICLE VI — TRUSTEES AND THEIR ELECTION

There shall be three trustees of the Association, one preferably a lawyer, serving of six years each in a rotating system. Upon nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

ARTICLE VII — THE EXECUTIVE COMMITTEE

This Committee shall be composed of all Associational officers, the Director of Associational Missions (ex officio), each active pastor, church treasurer, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice Moderator, and Clerk.

ARTICLE VIII — POWERS AND PRIVILEGES

This Association of churches shall have no power to infringe upon the rights of usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2.)

ARTICLE IX — AMENDMENTS

The Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

Bylaws

BYLAW I — PARLIAMENTARY RULES

Where the Constitution and Bylaws and special orders of the Association do not prescribe otherwise, *Robert's Rules of Order, Revised* shall be followed as the Association's rules for conducting its deliberative assemblies.

BYLAW II — ASSOCIATIONAL YEAR

For the purpose of determining the period of time to be covered by the annual re-

ports of the Associational officers and church letters to the Association, the Associational year shall begin September 1 and close August 31.

BYLAW III — NEW CHURCHES

Section 1. Any church seeking admission to the membership of the Association shall petition in writing the Executive Committee at least three months before the annual meeting of the Association, which petition shall be referred to the Missions Committee for its study of the petitioning church's covenant, articles of faith, history, practices, cooperative spirit, its relations to other churches of the Association and its willingness to abide by the Constitution and Bylaws of the Association. The Missions Committee shall then report to the Association with a copy thereof submitted to the Associational Executive Committee at least thirty days prior to the annual meeting of the Association, its findings and recommendations for Associational action at the next annual meeting.

Section 2. Each church applying for membership in the Association, upon approval shall be received under the watchcare of the Association for a period of one year. Each church received under a watchcare relationship shall submit a quarterly report to the Mission Committee of the Association and also submit the annual Associational letter at the end of the year.

BYLAW IV — DUTIES OF OFFICERS

Section 1. The *Moderator* shall preside over the meetings of the body according to the Constitution and Bylaws, appoint the Committee on Nominations at the closing session, shall be chairman of the Executive Committee and be an ex officio member of all other committees. As presiding officer he shall discharge such other duties as may be given him by the Association.

Section 2. The *Vice Moderator* shall preside in the absence, or at the pleasure of the Moderator and shall be Vice Chairman of the Executive Committee.

The *Clerk* shall send annual report forms to the member churches at least a month before the Association's annual meeting; distribute at the annual meeting mimeographed copies of the composite record of the member churches taken from their annual reports; make accurate record of the proceedings of the Association; supervise the printing and distribution to the member churches copies of the minutes as soon as possible after the annual meeting; keep in file and turn over to his successor the printed minutes and other records and documents of the Association; and shall be secretary of the Executive Committee and a member of the Missions Committee.

Section 4. The *Treasurer* shall receive and bank all funds of the Association; distribute the same upon instructions from the Association, its Executive Committee oras designated; render a mimeographed, itemized report of receipts and disbursements for distribution at the annual meeting of the Association; keep his books always in shape and available for examination of the Executive Committee, and be a member of the Finance and Missions Committee.

Section 5. The *Historian* shall collect and preserve historial data on the Association and its churches, and shall make a written report to each annual meeting of the Association.

Section 6. The *Associational Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director,* and *Church Music Director* shall promote their work in keeping with Southern Baptist Standards for their respective organizations, make a written report to the annual meeting of the Association, and serve on the Missions Committee.

BYLAW V — DIRECTOR OF ASSOCIATIONAL MISSIONS

Section 1. The Association shall, when possible and expedient, employ a Director of Associational Missions. His selection shall be upon recommendation of the Mis-

sions Committee and on vote by the Association at its annual meeting, or between the meetings of the Association, by its Executive Committee. He shall be a member of all committees and organizations of the Association in a serving and advisory capacity. The relationship between the Association and its Director of Associational Missions may be terminated by either party upon the giving of reasonable notice.

Section 2. The Director of Associational Missions shall, under the direction of the Missions Committee, promote the work of the Association and denomination, cooperating with the churches, their pastors and officers, and Associational committees and organizations. He shall make oral reports to the Missions and Executive Committees in their quarterly meetings. He shall also make a written report to the annual meeting of the Association.

Section 3. He may assist the Clerk, by mutual consent, in preparing the composite record of member churches taken from the annual reports, and in preparing the annual minutes of the Association.

BYLAW VI — ANNUAL REPORTS

The persons to prepare reports for the annual meeting of the Association shall present the same in writing for inclusion in the printed Book of Reports, these reports to be limited to 250 words each.

BYLAW VII — TRUSTEES

The Trustees' duties shall be to hold title to the property for the Association and to handle the legal matters of the Association with the Association's foreknowledge and approval; and to comply with the Constitution and Bylaws of the body, and with state laws as they affect the Association. The trustees shall be responsible for keeping the property in good state of repair at all times, but shall not exceed expenditures of more than $500.00 on any major item without approval of Association.

BYLAW VIII — COMMITTEES AND THEIR DUTIES

Section 1. THE EXECUTIVE COMMITTEE:

(1) The duties of this committee shall be to act for the Association in all matters of business and activities between annual meetings, to call the Association in special session when necessary, to fill any vacancies that may occur between annual meetings among the Associational officers, the Executive Committee or the Committee on Nominations. It may elect the Director of Associational Missions when a vacancy occurs in accordance with Bylaws VI, Section 1. It shall present a written report to the Association in annual meeting for its approval.

(2) The Executive Committee shall meet at least quarterly, the first meeting being as soon as possible after the annual meeting of the Association, on call of the Moderator of the Association (Bylaw IV, Section 1), and the last meeting being as near as possible to the next annual meeting of the Association for approving its report to the annual meeting.

Section 2. COMMITTEE ON NOMINATIONS:

The Committee shall seek to avoid duplications and to distribute as widely as possible the obligations and privileges of service called for in this section. The duties of this committee shall be:

(1) To contact and nominate to the next annual meeting of the Association, on the last day, the officers of the Association, and its standing committees, naming their chairman, (Missions, Program, Place and Preacher, Resolutions, Finance, Memorials, Ordination Examining Council, and Christian Life and Public Affairs) these committes serving for the year following their election.

(3) To nominate such other special committees as may be authorized unless otherwise provided.

(5) To fill vacancies which may occur between annual meetings of the Association on committees and among persons to prepare or bring annual reports which are nominated by this Committee on Nominations.

(6) This committee's nominations, however, shall not preclude other nominations from the floor.

After their election one new member shall be elected each year to serve for a period of four years. It shall supervise and work with the Director of Associational Missions in promoting the work of the Association and lead and assist in organizing new churches.

(2) It shall meet once a quarter to receive a report from the Director of Associational Missions and make helpful suggestions to him concerning his work.

(3) If advice is sought, it shall advise a group seeking to organize a new church, or seek to help any member church desiring assistance in its problems.

(4) It shall perform the duties prescribed for it in Bylaw III and Bylaw V, Section 1.

Section 4. THE PROGRAM COMMITTEE

This committee shall be composed of three members and Moderator, Clerk, Church Music Director, and host pastors. It shall prepare a printed program for the annual meeting of the Association which shall be sent to all persons on the program at least 10 days before the annual meeting. It shall, in the opening of the annual meeting of the Association, present the printed program for adoption and serve through the session when adjustments in the program become necessary.

Section 5. THE PLACE AND PREACHER COMMITTEE:

This committee shall be composed of five members. It shall receive or solicit invitations for the place or places of meeting for the next annual meeting of the Association, and shall recommend the place or places. It shall also recommend the preacher and alternate for the annual sermon.

Section 6. THE COMMITTEE ON RESOLUTIONS:

This committee shall be composed of five members. It shall draw up and present to the Association resolutions of appreciation and any other resolutions it may deem expedient. Also, all resolutions and recommendations for consideration presented at the annual meeting shall be referred to this committee.

Section 7. THE FINANCE COMMITTEE:

This committee shall be composed of five members and the Treasurer. It shall study the Association's financial needs for an adequate program, present a budget to the Association for the following year, devise plans for securing the cooperation of the churches in the raising of the budget, audit the Treasurer's books at the close of the Associational year, inform member churches of their record of giving, and make a written report to the annual meeting.

Section 8. THE COMMITTEE ON MEMORIAL:

This committee shall be composed of five members. It shall bring a suitable report at the annual meeting and shall lead in a memorial service in memory of those reported by the churches to have died since the last annual meeting.

Section 9. THE ASSOCIATIONAL COORDINATING COMMITTEE:

This committee shall be composed of the Director of Associational Missions, who shall serve as chairman, the Moderator and directors of associational organizations. Its duties shall be to plan and correlate the activities of the Associational organization.

Section 10. CHRISTIAN LIFE AND PUBLIC AFFAIRS COMMITTEE:

This committee shall be composed of three members, whose duty it shall be to keep the Association informed of matters pertaining to civic righteous and public morals.

BYLAW IX — AMENDMENTS

Amendments to the Bylaws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

Standing Resolutions

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in annual meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church on regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.

2. Sponsoring church to work in cooperation with Associational Missions Committee.

3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.

4. Sponsoring church to call Mission pastor and select all workers in the Mission.

5. Sponsoring church to encourage Mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.

6. Sponsoring church should insist upon a full and well-defined program of Southern Baptist Work in the Mission, using the Southern Baptist literature.

7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.

8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

One Hundred Sixtieth Annual Session
Liberty Baptist Association

Tuesday Afternoon, September 29, 1992
WALLBURG BAPTIST CHURCH
Wallburg, North Carolina

"The Association: Looking to the Future" was the theme for the 160th annual session of the Liberty Baptist Association.

Moderator Gary Myers called the opening session to order. Rodney Douglas led us in the singing of hymns "To God Be The Glory" and "Come Thou Almighty King." Sandy Douglas accompanied on the piano.

In keeping with the theme of looking to the future our worship times were lead by youth ministers of the association.

Greg Dickens, Youth Minister at Coggins Memorial, looked at the future of the local church. The future of the church is based on family values. He guided us to look at God's word, to the Creator of the family, for those values. The annual session was constituted and the program was accepted as the order of business. Chairman of the Nominating Committee, Brooks Hunt nominated Mrs. Judy Wood as Clerk. The nomination was seconded and carried.

Our Director of Missions, Leonard Rollins introduced and recognized the new pastors and full-time staff members in our Association: Bruce Blanton, Minister of Music and Activities, Jersey; George Williamson, Associate Pastor, Rich Fork; Chris Byrne, Youth Director, New Friendship; Steve Martin, Pastor, Churchland; Randy Stewart, Pastor/Chaplain, Mills Home; John Gwaltney, Minister of Music, Rich Fork; Tom Wray, Pastor, First Baptist Welcome; Jack Rose, Associate Pastor, Abbotts Creek; Daryl Triplett, Minister of Youth and Education, Carolina Memorial Reports were given by Roy Cantrell, Missions Committee; Charles Penninger, Treasurer; and Judy Wood, Executive Committee. Copies of all reports are included in this annual.

Rodney Douglas led in the singing "Stand Up, Stand Up for Jesus."

Mike Motley, pastor of Summerville Church gave a very positive report from the Alpha Omega Pregnancy Support Group. Last year was the first year our Association included this ministry in our budget. On behalf of Lee Ann Bethel with the Support Group, Mike reported of over 232 young women receiving Christian Counseling during this past year. Transportation was provided for 212 clients and baby items were given out 187 times. This report was accepted as information.

Brooks Hunt welcomed messengers and visitors to Wallburg Baptist Church. He was happy to have us be a part of the 100th year celebration of Wallburg Church.

Brenda Emmons gave an enthusiastic and meaningful report of the Migrant/Hispanic Ministry. An extended report as it was accepted is included in this annual.

Byron Barker gave personal testimony of an exciting new ministry being supported by our Association. The eleventh Satellite Counseling Center of the Pastoral Care Department of the NC Baptist Hospital will open at the Thomasville Community General Hospital in November. In the beginning the Counseling Center will be open two days a week. As the need dictates the Center will extend to a full week. Garry Cook will be the pastoral
counselor for the new center.

R.N. Hardin, Interim pastor at Liberty Church gave a reading of the scripture from Matthew 9:35. Rodney Douglas provided special music followed by the annual sermon by Charles Dickens, pastor at Faith Church. Rev. Dickens directed our attention to worship and working together as an Association to reach the lost.

Gary Myers offered a prayer at the close of the afternoon session and of thanksgiving for the meal.

Following a delicious meal the evening session convened by the singing of "Lead On O King Eternal" and "Blessed Assurance."

Mark Blair introduced Tom Wray, former Youth Minister at FBC, Welcome (has recently been called as pastor at Welcome), to lead the opening worship time. Rev. Wray read from Deuteronomy and spoke of the church is the family of God. We are to share in the task of distributing to them (the youth) the mantle of faith.

Attendance was announced as 208 messengers and 45 visitors for a total of 253 people.

Nicole Whitman, a member of the youth group at Wallburg Church along with youth and Ed Waddell, narrated a skit that re-enacted what could have been the conception and birth of Wallburg Baptist Church. The skit was followed by a reading of the church history by Vernelle Greene. Rev. Leonard Rollins gave his Director of Missions Report which is included in its entirety in this annual. Following his report Leonard read the following:

"One of the hardest things that a Christian is called upon to do is to discover and carry out the will of God in his or her life. As Christians we are called upon not to question but to do the will of the Lord.

On the front page of the *Liberty Baptist News* for April, 1963, I wrote these words: 'I have come to this work with the firm conviction that the Holy Spirit led the Missions Committee and the Executive Committee to turn in my direction. I did not seek this position, but I am ready, to the best of my abilities, to give it all of my energy.' And this is what my wife and I have done for thirty years. We have tried to build here in Liberty Association a fellowship that is person-centered and not programcentered.

Looking back on 30 years as Director of Missions for this association, the thing that stands out more in our minds than anything else is the relationships that have developed through the years with both lay persons and ministers. Long after other things have been forgotten, those relationships will remain fresh in our minds. We thank God for the friends that have come our way in this association. Looking ahead it is obvious to us that 'there is much land to be possessed' by the Liberty Baptists.

In II Timothy 1:16 we find these words: 'The Lord give mercy unto the house of Onesophorus; for he oft refreshed me.' So all of us have experienced. There have been scores of people who have often 'refreshed' us. A handshake, an embrace, a word fitly spoken, a note aptly written, a prayer uttered, a crumpled check, an opportunity,a genuine smile. In the midst of discouragement, we have often been refreshed. Thank God for 'refreshers.' We have helped bury your dead and marry your youth. We have struggled with you when difficult decisions faced your church.

Many of you have spoken words to us that we have filed in our memory banks and hope never to forget. Thank you for allowing me to be your Director of Missions for thirty years.

We plan to continue to live in Lexington, but the past is over. We will support

with full energy the new Director the association select.

Mr. Moderator, I submit my resignation as Director of Missions to this body of messengers assembled at Wallburg Baptist Church and ask that it become effective on December 31, 1992. My wife will leave her position as part-time secretary for the
association at the same time."

Moderator, Gary Myers gave the following response:

"We as the Liberty Baptist Association meeting in our 160th session have heard Leonard's expressed desire that we accept his resignation in light of his retirement. I am sure that we all feel mixed emotions in regard to his request, however we would certainly want to abide by his wishes however reluctant we may be.

Many of you have been serving this association when on February 4, 1963, the missions committee recommended to the association that Reverend Leonard Rollins be called as our Associational Missionary. It was on March 11, 1963 that he began those duties. For almost thirty years he, along with Polly, has faithfully served us.

He has led us far beyond the point where the association had to borrow from one of the churches to pay his salary, far beyond the one room office at Erlanger Baptist, and Mills Home, to the beautiful facility that now houses our associational office, far from the favorite ancient typewriter that Polly first used to communicate with us while being paid $1.00 per hour. Yes, Leonard has directed our steps over much new terrain. Under his leading we have seen our receipts from churches grow from $8,818.08 in 1963 to $85,419.10 in 1992. We have also seen church membership grow from 9,957 in 1963 to 12,838 in 1992.

Other notable events would be: A) Leonard sent on overseas missions work 10 times and he still comes back B) A Grenandian student (Osbert James) supported by the association for college at Wingate and seminary education at Southeastern Baptist Theological Seminary, which was just completed C) 70 volunteers from 15 churches participate in building and evangelism in Brazil D) Completion of a partnership in Togo E) A Medical/Dental Bus Ministry F) Hispanic ministry G) A counseling center H) A pregnancy support center, plus many other projects too numerous to mention.

It is because of this leadership that I ask of you, the Liberty Baptist Association to join in support of Leonard and Polly in this milestone in their lives. They have been faithful to all of us in times of crisis, in times of experiencing growing pains, and in times of rejoicing. We will always remember their service, dedication, listening ears, loving hearts, guiding hands, and most of all, their prayers on our behalf.

Now a new phase of their life emerges in retirement years. May they continue to be blessed with ministry opportunities as they continue to follow the Lord's leading. In all they do may they know our love and our prayers.

Liberty Baptist Association, I ask you to join me in acceptance of Leonard's resignation by standing in approval."

The body stood and applauded in expression of love and support for the ministry team of 30 years, Leonard and Polly Rollins.

The Moderator also announced that Sunday evening, November 29, 7:00 PM at First Baptist Church Lexington there will be a service of worship and love for Leonard and Polly. The Executive Committee approved at their September meeting a receiving of a Love Offering for Leonard and Polly to be given at that service.

To enter into a time of worship Rodney Douglas lead us in the singing of "When We All Get To Heaven." The Wallburg Church choir sang "The Little Brown Church in the Vale".

Leonard introduced Charles McMillian, Director of Missions to the Raleigh Associa-

tion to deliver the evening message. Rev. McMillian delivered a very meaningful message challenging us to cultivate our relationship with God by our daily walk, to develop a God-sized faith, and to not go back. God has called us into the future and away from the past.

Gary Myers lead in a closing prayer and the evening session was closed.

WEDNESDAY MORNING, SEPTEMBER 30
ABBOTTS CREEK BAPTIST CHURCH

The Wednesday morning session began with preludes played on the organ by Pam Delappe and on the piano with Kim Moss. Rodney Douglas led in the singing of "All Hail the Power of Jesus Name" and "At Calvary."

Mark Blair, Program Committee Chairman, introduced Chris Bryne, Minister of Youth at New Friendship, who led in the opening worship time. Chris gave readings from Joshua 1:1-5 and the tenth chapter of John. He inspired us with God's promise of victory as we consider our future.

Roy Cantrell welcomed messengers and visitors to Abbotts Creek Church. Brooks Hunt presented the Nominating Committee report. It was accepted.

On behalf of the Resolutions Committee, Jeff Vogler expressed words of appreciation to the host churches and all their volunteers, to the Program Committee, the Associational Officers, and Committee members who worked in preparations for this 160th annual session. He also called for God's blessings for Polly and Leonard as they enter a new phase of their ministry together.

R.N. Hardin, chairman of the Place and Preacher Committee announced the preachers and alternates for next years meetings. The first day at Southside Church in Thomasville, Rev. Gary Myers will bring the message with Rev. Charles Penley as alternate.

Vernelle Greene presented a written history of Abbotts Creek Church. Charles Penley, chairman of the Evangelism Committee focused our attention on leading others to Christ. He noted an increase in baptisms over last year and that four young ladies had become Christians as a result of the Alpha Omega Pregnancy Support Group. Simultaneous Revivals for 1995 have been announced and the theme will be "Here's Hope—Share Jesus Now."

Miscellaneous business was as follows:

Roy Cantrell proposed a Constitutional Change as recommended by the Missions Committee. The Missions Committee, with the approval of the Executive Committee, wishes to make a motion to change the wording of the Constitution of our Association concerning the wording of what we now refer to as the Missions Committee. The proposed change is BYLAW VIII—COMMITTEE AND THEIR DUTIES Section 3: THE MISSIONS COMMITTEE. In order to conform to the North Carolina and the Southern Baptist Conventions, and the Home Mission Board we propose that the Missions Committee hereby be referred to as the ASSOCIATIONAL MISSIONS DEVELOPMENT COUNCIL. This proposal and motion carried.

Leonard has previously informed the Missions Committee of his intent to formally and officially announce his retirement of December 31, 1992. The Missions Committee was alerted to their responsibility of the role they are to play when our DOM announces his resignation as stated in our Constitution. The Missions Committee met and decided that a sub-committee could best serve for this purpose. The Executive Committee approved the following people to serve on a Search Committee: Roy Cantrell, Brenda Emmons, Lynn Garner, R.N. Hardin, Charles Penley, Judy Wood, Janet Sharpe, and Gary Myers, Chairman.

Jimmy Lancaster expresses a strong desire for the annual meeting to take on a different program format. He asked if individuals could have input into the program for next year. His suggestion was for the annual meeting to be more of an evangelism rally than a time of reporting and transacting business.

Marcus Campbell, program committee chairman for next year, committed to publizing the date of the planning meeting for the program committee at least one month in advance. This notice will be mailed to all the churches with an invitation for individuals to contribute their ideas for the meeting.

The Book of Reports was accepted as information.

Leonard Rollins reported that the partnership with Brazil will officially end in December of 1992. The November 92 trip did not materialize due to a lack of volunteers. There is a possibility of planning an evangelism trip in March of 93 in conjunction with the two day celebration of the Brazil/NC partnership.

Marcus Campbell led in a time of memorial for those within our churches who have passed away during the past year. He rendered a reading of Psalm 116 and Rodney Douglas lead the congregation in singing "He Keeps Me Singing."

Ida Brinkley of FBC, Thomasville reported on the Deaf Ministry in our association. She said that there are more than 1,200 hearing impaired people in the Liberty Baptist Association. The deaf speak a language that is not dependent on the voice but is spoken with the hands and heard with the eyes. In NC more than 70 churches are involved in deaf ministries.

Leonard Rollins recognized Rev. Bill Yates, Director of Church and Community Relations at NC Baptist Hospital. Bill extended grateful appreciation for the $424,000 given to the Mother's Day offering. He told of ways in which these gifts have relieved families of financial burdens relating to extended hospital stays and enormous bills to be paid.

Special music was provided by a mens chorus from Abbotts Creek Church. The "No Name Men" sang "Beulah Land" and "Shall We Gather At the River."

Leonard introduced Roger Williams who delivered the morning message.

Rev. Williams has been vital in the Liberty Baptist Association and NC Baptist Children's Homes during the past, and is a former pastor at Mills Home Church. He talked about caring persons in a care-less world. He used Luke 4:16-19 and Psalm 142:4 as his focal passages.

Gary Myers expressed appreciation for the opportunity to serve as moderator these past two years. He then called on Charles Penley to voice a benediction and blessing on the lunch meal.

Morris reported that while the William Leathers were with us for the conference their house in Gaza was broken into. All non-furniture items were stolen. Morris expressed grateful appreciation to Edward Pigg, Dennis Tafano and Roy Cantrell for their help with transportation. The missionaries reported positive experiences and the pastors' support was overwhelming. He offered suggestions for future conferences: 1.) All churches participate the 1st part of the week 2.) The cost will be doubled, therefore the Long Range Planning Committee will need to explore this possibility with the finance committee. Appreciation was expressed to Morris Hollifield and all his helpers.

Missions Committee—A recommendation was made that Roy Cantrell, Leonard Rollins, and Mary Keesler serve as coordinator for plans to designate a date for a Love Offering and Recognition Sunday for Osbert and Margaret James. Herb and Newell Davis along with Brenda Emmons are making preparations for the Medical/Dental Bus to be in our Association in March for the Homeless Shelter in Lexington, and July for the Migrant Workers.

New Business—At the Pastors conference a motion was placed on the floor that worship be enhanced at the Associational meetings. It was suggested that more churches be involved and that there be program changes. An invitation was given to share any suggestions with the Program Committee. All ideas and suggestions will be considered by the Program Committee.

Leonard—At the annual Associational meeting as was stated that we would address the possibility of extending our Brazil partnership beyond the 12-31-92 agreement. Leonard had hoped that the Baptist State Convention would have made their intent known for a partnership in addition to Poland and New York. Leonard has been assured that the State Convention intends to end the Brazilian partnership as planned in 1992.

After lengthy discussion of heart-felt concerns a motion was made by Roy Queen to table the discussion until the January 1992 meeting of the Executive meeting. The motion carried.

OLD BUSINESS:

The discussion concerning the continuation of the Brazil partnership that was tabled in the November meeting was re-opened. Leonard shared the following additional information: On January 19 an interest meeting was held at the Associational office for receiving of information. As a result, June 3-17, 1992 there will be a construction and witness team to go to Sao Paulo. There are five people available to go. Clovis had requested 14 for June of 92 and 15 for October of 92 (no one has committed to the October trip). Liberty Association will commit for 12 reservations along with a $25 nonrefundable deposit. Leonard reported

that the Poland partnership was still a question. That there was a need for a project for a seminary. There is not enough information available regarding the New York project at this time. The NC BSC strongly suggest and encourages participation for New York. There are open fields and needs for interim pastors.

Leonard expressed his desire that we convey work to Clovis Martinov of an official action from Liberty Baptist Association that we are not to extend the Brazil partnership past December of 1992.

Following thorough discussion, Charlie Foster made the motion that we do not extend and that we accept the 12-31-92 closure date for our partnership. The motion was seconded and carried.

Leonard expressed regrets the ending of this partnership but expressed heart-felt appreciation for thoughts and prayers offered into this meeting.

Gene Smith made a plea for brick layers for June. Roy Queen committed $200 towards a volunteer's expenses along with $200 from the Holloways church.

Several boys won ribbons in events held at these meetings. Liberty Association had 11 boys that won in our track meet and went on to the State Track meet. Cedar Lodge, Liberty and Summerville had boys that won ribbons in the State track meet. October 31 is the Wake Forest R.A. Day. The football game is Wake VS Clemson. Long Range Planning Committee—In the absence of Chairman Robert Cook, Brooks Hunt made a motion that the Association purchase a Lanier #6517 copier for $2,595. Trade in value on the old copier was placed at $1,000. The motion was accepted and carried.

Medical/Dental Bus—Newell Davis gave a report and the work involved in scheduling the bus and volunteers needed. She and her husband Herb have been organizing the appointments in Lexington. She gave witness to the ministry provided to those served. It is an excellent mode of witness and fellowship and provided an opportunity for church members to experience one on one witnessing. This planning/preparation involved many people. Newell volunteered to serve as Chairman of a committee to work with the bus and made the following suggestions for committee members. She suggests a person from Lexington and Thomasville for each position: Assistant Project Director (for working other than with migrant ministry.)

Lay volunteer coordinator (coordinate help with children, transportation, etc.)

Professional Volunteer Coordinator (contact dentists, doctors, nurses, etc.), Secretary/Promotional, Health Kit Coordinator.

Food Coordinator Lamar Moore made a motion that the Moderator be empowered to appoint people to this project taking input from anyone who can assist. Motion carried. Newell was also to project a budget for 1993.

Missions Committee—Roy Cantrell reported that the Missions Committee be given the new title of Associational Missions Development Council in order to coordinate with information from the BSC. This will require a Constitution and Bylaw Change at the annual meeting in September. The $5,000 deposited at Southeastern when Osbert began school there has accumulated interested and will be held by Southeastern until June 20. He noted that we have covered the expenses for the relocation for Osbert and Margaret and that the Missions Committee recommends that we make a gift of the $5,000 (plus interest) to them to assist in their getting settled in their homeland and begin their ministry there. Motion was seconded and was carried.

Leonard—The new mailing address for the Associational office will be Route 8, Box 610 Thomasville 27360. Leonard made a motion that we add the following members to the Sunday School Assist Team: Sandra Johnson—Youth, Lewis Peacock- Outreach, Tony Hyde—Singles, and Stewart White—Adults. Motion carried. Leonard has learned of Dennis Tofano's recent resignation at Welcome First. He has not received an official resignation from Dennis. Dennis is currently serving as Chairman of the Budget and Finance committee. Since we will not meet again until September Leonard asked that Brooks Hunt be allowed to serve as chairman of the committee for the unexpired term of Dennis. Brooks has served on the committee for the past five years. This request was granted. There are nine people leaving for Brazil on June 3. A group of people from Tennessee have furnished a prefab building at a cost of $6,500. Brooks Hunt expressed gratefulness to Gene Smith for his leadership in this mission project. Gene thanked the churches for their support of their volunteers and for prayers. A total of 70 people have participated in the partnership. Several volunteers have made several trips.

Brenda Emmons was excited that she has the cooperation of two more Hispanic volunteers for the summer. The work this summer is extended two weeks. The dates are June 21-October 4.

The meeting was adjourned with prayer by Morris Hollifield.

Sunday School—The Sunday School Assist Team will be leading workshops for Churchland and Victory churches. If your church would like the Assist Team to hold a Sunday School leadership workshop please call Rick Cockrum.

Program Committee—Mark Blair previewed the program for the annual meeting.

Nominating Committee—Brooks Hunt asked that Sandra Johnson's name be deleted from the Youth Sunday School Leadership

Missions Committee—Roy Cantrell made a motion that the Executive Committee recommend the following change in the Constitution at the annual meeting: that the Missions Committee be given renamed the Associational Missions Development Council in order to coordinate with information from the BSC. Motion carried. Leonard has informed the Missions Committee of his intent to formally and officially announce his retirement of December 31, 1992 at the annual meeting in September. The Missions Committee was alerted to our responsibility of the role we are to play when our DOM announces his retirement as stated in our Constitution . We have met twice along with Leonard and have begun to look at this responsibility and how we are to carry it out. At the first meeting we felt a sub-committee could best function and bring back to the entire committee a recommendation. We wish to recommend the sub-committee Roy Cantrell, Brenda Emmons, Lynn Garner, R.N. Hardin, Gary Myers, Charles Penley, Janet Sharpe, and Judy Wood. On behalf of the Missions Committee Roy Cantrell made the motion that these people serve as the Search Committee for the Association. Motion carried.

Leonard—The Nominating Committee has asked to call Diane Stewart as Youth leader. Motion was made and carried. There will be an interest meeting for volunteers to work with the Medical/Dental bus at the Associational Office 9/15 at 7:00 PM. Brochures and bookmarks for the Philpott Parent Aide program were distributed. On behalf of the Long Range Planning Committee a motion was made that a burglar alarm system be installed at a cost of $1,480. This system from Protection Systems of High Point will alert the Sheriff's Department if the alarm is set off. Charles Tanner also made a motion that the Long Range Planning Committee consider additional security at the doors for the Secretary. These motions were approved. Motion carried to have Sure Coat Sealer and Stripping Company put a sealer on our parking lot at a cost of $592. This would include cleaning off debris, grass, oil spots, etc. The Long Range Planning Committee are in the process of securing a custodian to cut the grass, trim shrubbery and clean the inside of the building beginning January 1993. Because of a lack of volunteers the November trip to Brazil will probably be canceled. Leonard requested prayer for this. Leonard expressed appreciation for support indicated to the Search Committee and a thank you to the committee for understanding the time element concerning his intent to resign at the annual meeting.

In Leonard's absence, Charles Penninger on behalf of the Long Range Planning Committee had not made a decision for a retirement/love gift for Polly and Leonard. It was the feeling of the committee that that decision should come from the Executive Committee. A motion was made and carried that following Leonard's annoucement at the annual meeting that it be announced that a Love Offering will be received for them. This love gift will be presented at a reception on November 29 at FBC, Lexington.

The meeting was closed with prayer.

Missions Committee

NOVEMBER 18, 1991

We opened with prayer by R.N. Hardin.

We discussed Margaret and Osberts leaving. A Sunday in February or March will be designated to receive a love offering for them. This announcement will be put in the Associational newsletter. We are recommending that we give them the $5,000 deposit made with Southeastern in addition to the cost of air fare and cost of shipping books, etc. to Grenada. Brenda Emmons made a motion seconded by R.N. that a date for the love offering be set. Roy Cantrell, Leonard, and Mary Keesler will coordinate this love offering and a Recognition Sunday.

Brenda reported that Herb and Newell Davis are willing to get the Medical/Dental Bus back in our association in March (for the Homeless Shelter in Lexington) and in July (for the migrants).

Leonard shared his concerns and convictions regarding the Brazilian partnership. There have been 61 people representing 13 different churches to participate. The request for 1992 filed with the FMB is for 29 people; 14 for June and 15 for October. O.D. Martin said that he did not have the total cost for 1992. There will be a request for $25 non-refundable deposit for each reservation. In 1991 we lost $225.

Guy Key, Paul Stoffer's replacement, said that it cannot be done (volunteers, etc.) without a Southern Baptist missionary in Brazil. He said he would be responsible for air line tickets, interpreters, ground transportation, but cannot guarantee price.

Leonard's deep concerns are: 1.) He will not be available after 1992 to be coordinator. He explained that there is a lot of paper work involved. 2.) We have made a good impression with the Association in Rio Preto and he is very cautious not to do anything that would endanger that reputation and relationship. He doesn't want to commit to extend the partnership and then it fail. 3.) He asked that the extension not exceed two years if it is the intent of the body to extend the partnership.

Meeting adjourned,

Roy Cantrell, Chm.
Judy Wood, Clerk

The Love Offering for Osbert and Margaret will be April 5 and the special recognition service will be May 3, 3:00-5:00 PM at Abbotts Creek Church.

Brazil partnership Update: a.) There was an interest meeting 1/19 2:30 PM. Information will be provided through the Associational newsletter, pastors conference and personal contacts. R.N. made a motion that we give advanced deposit for 16 people to go in June. b.) Leonard had attended a two day meeting in Cary. The partnership with Brazil is scheduled to end in 1992. A big celebration is planned for March of 1993. At the annual meeting of the NC BSC in November there will be a time of recognition for all who have been a part of the partnership.

Our new partnership will be in eastern Europe. The NC BSC has a desire to close the Sao Paulo relationship and concentrate on New York and eastern Europe. Any association who chooses to continue with the Brazilian partnership is asked that they not exceed one year past 1992.

An assessment of the involvement is that the partnership contributions for NC to Brazil has brought Brazil forward 20 years. The Missions Committee will recommend, "that we, based on known facts, not extend the partnership with Sao Paulo, Brazil past the 12-31-92

deadline."

We talked about sending Leonard and Gene to the celebration in March of 1993.

On March 8 the NC Baptist Men's Medical/Dental Bus will be at First Baptist Church Lexington. Care will be extended to the homeless and those in the community that have a need.

MAY 25, 1992

The meeting began with prayer by Janet Sharpe. Minutes of the last meeting were read and approved.

At our next meeting we will discuss the matter of Gene Smith and Leonard returning to Brazil in March of 1993.

Update on the status of Osbert and Margaret is that Roy talked with a number of pastors and received their consent and approval to pay $2,104 to American Airlines for moving expenses for them. We are required to leave the $5,000 at Southeastern until June 20, 1991. The love offering received for them totaled $4,537.10. The motion was made and accepted that we give Osbert and Margaret the $5,000 deposit at Southeastern (plus interest) in addition to paying for their moving expenses.

We officially elected the name of Associational Missions Development Council as suggested by the BSC of NC. This will not effect any responsibilities or membership to the Missions Committee at this time.

We also decided that at the appropriate time a sub-committee will be chosen to serve as a search committee for a DOM and will then report to the Associational Missions Development Council for approval.

Meeting was closed.

JULY 27, 1992

The Missions Committee met for the called purpose of making a decision regarding an Associational Search Committee.

The meeting began with prayer by Roy Cantrell. Roy then stated our purpose and read from the Associational Constitution as to our responsibilities regarding the appointment of a candidate for Director of Missions.

The Associational Search Committee will be composed of those on the Missions Committee who attend regularly. Roy Cantrell, Gary Myers, Judy Wood, Janet Sharpe, Lynn Garner, Brenda Emmons, R.N. Hardin and Charles Penley. Roy Cantrell was asked to serve as Chairman.

After discussion we decided that the Search Committee will present a candidate to the Missions Committee for approval. Following that approval and according to the Constitution the candidate will then be presented to the Executive for the call.

Judy will contact several Associations who have called a new DOM during the past year to get a copy of guidelines, procedures, etc. which they followed in their search.

Our next meeting will be 7:00, August 27 at the Associational Office.

Brooks Hunt has asked the Missions Committee to bring a recommendation to the Finance Committee concerning the continued support of Osbert and Margaret James. After discussion we will recommend to the Finance Committee that they consider using the State Mission refund each year as our amount of financial support to Osbert and Margaret for the

next two years. We will need to designate an amount for the budget. We are suggesting $200 a month minimum.

SEPTEMBER 14, 1992

Leonard reported that Stewart White in addition to two ladies are the only people who have expressed an interest in the November mission trip to Brazil.

Leonard discussed the possible complications in planning the March 93 trip: group rates may no longer be in effect, plans being made are for two days only. At the November meeting of the Executive Committee we will make a recommendation concerning the March trip and the possibility of financing Clovis and Mrs. Martinov to come to our annual meeting in September of 1993.

Migrant/Hispanic Ministry

I Corinthians 3:7

So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase.

vs 9A *For we are labourers together with God;*

vs11 *For other foundation can no man lay than that is laid, which is Christ Jesus*

The initial meting held at Abbotts Creek Baptist Church began on June 21, 1992 with 32 Hispanic men present. Each week there were between eight and ten volunteers who came to help with the meetings. The meetings began with a time of fellowship, Bible Study, English lessons, singing, and ended with a meal provided each week by various Baptist Women groups in our association. They were as follows: Carolina Memorial, Center Hill, Cedar Lodge, New Friendship, Reeds, Summerville, Wallburg, Welcome First, Tyro, Thomasville, First, and Abbotts Creek. A special thank you to the Welcome First Youth who came to play volleyball also.

A highlight was the Medical/Dental Bus which came on August 30 and saw a total of 45 patients (21 medical and 24 dental). There were over 40 volunteers who assisted. It was wonderful to see the community and Christian laypeople working together to meet these medical needs. Much appreciation goes to Dr. and Mrs. Herb Davis for co-ordinating this ministry.

Over 100 health kits were distributed when we visited the Migrants and 45 of these were given out on August 30, 1992. A thank you goes to all the Baptist Women who gave so generously the health kit items as an associational Mission Action Project.

As stated in the scripture above, WE are all "labourers together with God" so in closing, I want to say thank you so much for your willingness to share your time, talents and resources to make this ministry possible. It is our desire in all that we do, our Heavenly Father may be GLORIFIED!

Director of Missions Report

This is the last report that I will submit as Director of Missions for Liberty Baptist Association. It is impossible to put down on the printed page the feelings of thirty years of ministry, both in victories and defeats. Thank you for allowing me to serve since March 1963.

The 1991-92 year will be remembered for the two weeks in the Center North Association in Brazil, South America, and the World Missions Conference in our association. Osbert James graduated at Southeastern Seminary in May and has returned with his family to Grenada. The Hispanic Mission program, under the direction of Brenda Emmons, continues to be alive and vibrant, and we were able to secure the Medical/Dental Bus once again.

In the kind of ministry that is carried out on a regular basis, I have been in 39 of the 44 churches for at least one meeting during the calendar year. In addition to regular preaching services, I taught the Book of Isaiah at Greenwood, Coggins Memorial, Center Hill, Reeds, and Liberty. I taught the Home Mission Study seven times: at Coggins Memorial, Stoner's Grove, New Friendship, Mountain View, Churchland, Fork Church in Davie County, and Mt. Olive in King, North Carolina. I attended at least one revival service in six churches and preached in revival services at Cedar Lodge and Currytown. I attended three Homecomings and preached on Homecoming Day at High Rock, Faith, and Coggins Memorial. I attended six weddings, performed one wedding ceremony, and attended one 50th and one 25th wedding anniversary. I assisted in two funerals, conducted three funerals, and attended ten other funeral services.

I spoke at the Davidson County Chapter of AARP, Baptist Men's Day at Lexington, First, IMC Banquet at Lexington YMCA, Groundbreaking for new building at Coggins Memorial, Open Forum on Cooperative Program at Reeds, Easter Sunrise Service at Liberty, Church Constitution and Bylaws at Summerville, Associational Missions Week at Southgate, Wallburg for their Centennial Celebration, 75th Anniversary at North Lexington, and 165th Anniversary at New Friendship. I also shared the 1991 Brazil experience at Southgate and Liberty. I gave the invocation for the Olympic Flag Raising Ceremony at the Thomasville Post Office and conducted one baptismal service at Floyd Baptist Church. I also participated in the Senior Games and won a gold medal in horseshoes.

I attended Missions Fest in Greensboro, Friends of Children Committee at Mills Home, January Bible Study Seminar at Wake Forest, Baptist State Convention in Asheville, DOM and Spouse Fellowship at Caswell, Convention Staff-DOM Retreat at Caraway, State Evangelism Conference in Greensboro, State VBS Clinic in Charlotte, Key Leadership Conference at Ridgecrest, Southern Baptist Convention in Indianapolis, Indiana, and the Dirctors' of Missions Conference at Wingate.

Inside the association I attended a Baptist Men's Day breakfast at Churchland, Sweetheart Banquet at Southgate, Central Carolina Civitan Club Clergy Day at Lexington YMCA, farewell reception for Osbert and Margaret James at Abbotts Creek, National Day of Prayer service, Ordination service at Victory, Baptist women Salad Supper at Carolina Memorial, dedication service at Jersey for multi-purpose building, Groundbreaking at Mills Home for the Fleshman-Pratt Education Center, and note-burning ceremony at Colonial.

I have given assistance to the pastor Search Committee at Reeds, Welcome, First, Mills Home, and Lakeview. I also helped the Nominating Committee, Long Range Planning Committee, Evangelism Committee, Finance Committee, Program Committee, and the Search Committee for a new Director of Missions.

Looking ahead it is obvious to me that "there is much land to be possessed" by Liberty Baptists. I will support with full energy that new Director the association selects.

Respectfully submitted,
Leonard Rollins

Evangelism Report

In his recent book entitled *Building an Evangelistic Church,* Paul W. Powell writes, "For a church to be strong, all its acitivites and programs must focus on winning and discipling people for Jesus Christ."

Powell is right on target. As individual churches in the Liberty Association it is imperative that all of our efforts are focused toward one goal - bringing people to Christ.

I am pleased to report an increase in baptisms over the previous year. We praise God for those who continue to be lead to Christ through the churches in our association.

Every Christian is under divine obligation to witness. If we have received the forgiving, saving grace of Christ, then we have a message of hope to share with a lost world. We are reminded in I Peter 3:14 to "always be prepared to give an answer to everyone who ask you to give the reason for the hope that you have."

Proclaiming that message of hope which we have been given is the theme for our next Simultaneous Revival Emphasis scheduled for 1995. "Here's Hope! Share Jesus Now" is a timely theme which will keep us at the task of evangelism.

Again this year, I want to thank the host churches and every volunteer who has helped or will help at one of our county-wide events. We have tried once again to provide a Christian witness at the following events: The Thresher's Reunion, The Davidson County Fair, Everybody's Day in Thomasville, and the BBQ Festival in Lexington.

As we enter a new associational year and a new era of work in our association, may God press hard upon our hearts the great challenge to be His "ambassadors" in the world.

Hopefully submitted,
Charles Penley, Chairman

Woman's Missionary Union

The 1991-92 WMU focus has been Called and Accountable. Our permanent watchword is "Laborers Together with God" (I Cor. 3:0). The annual WMU meeting was held April 27, 1992 at First Baptist Church, Lexington. Osbert and Margaret James were our special guest in the evening service.

In May, the Baptist Women's Salad Supper was held at Carolina Memorial. A special program to roast Leonard Rollins was held.

Our Associational Council meets on a quarterly basis. The Council met for training at Camp Caraway. This was conducted by state leaders.

On September 21, associational WMU training was held at Southside. Training was available for each age level director in our 44 churches.

The *Liberty Belle* is our quarterly newsletter. It is sent to local WMU organizations in our association to keep them informed of upcoming events. Our prayer as the WMU Council for the Liberty Baptist Association is to meet the challenge of "called and accountable."

Wallburg Church History

On September 3, 1982 the church at Wallburg was officially organized. There were fourteen charter members. In the covenant of Faith, the church was referred to as the Church of Christ at Wallburg. In May of 1893 the name was changed to Piney Grove, and it is recorded in the minutes as the "Church of Christ at Piney Grove" until 1907. The name was then changed to Wallburg Baptist Church.

Brother Samuel D. Yokeley gave land for a church building and cemetery. The initial sermon was preached in May of 1892. The following Monday Mr. Yokeley died and was the first to be buried in the cemetery. This new building served until 1913 when Brother J.H. Yokeley's motion to build a new church carried. A later motion was passed stating that the new church must not cost more than $5,000. The minutes of the Liberty Baptist Association of 1916 showed a brick building with a seating capacity of seven hundred. The original building was moved across the road to the Tuttle property where in 1947 it was taken down by the King family. During this process the family discovered a plank with the following inscription: "Built by Committee in 1892 by C.H. Teague, P.N. Motsinger, G.W. Wall, C.C. Smith, Andrew Hine, J.F. Yokeley." This board remains with the church today, as a small tangible piece of the history of its first building.

From 1916 to 1937 the new building of locally hand-made brick served the church family well. In the ensuring years a new furnace was installed, a new roof was put on, additional Sunday School rooms were finished and space was provided for the choir. But on April 11, 1937, fire destroyed this building. Again, church was conducted in the school - this time Wallburg High School. It is believed that no services were missed for want of a building.

Three months later, the church voted and approved plans for rebuilding the church. On August 14, 1938, the church moved back into its own rebuilt church and that day, the second Sunday of August, became the official Homecoming Day. The new building was dedicated on August 14, 1940.

By 1943, a fund for the building of a parsonage was established. On May 29, 1949 the church dedicated its new parsonage. Within seven years, Wallburg witnessed the "laying of the cornerstone" for its educational building. In 1959 the space between the educational building and sanctuary was enclosed providing a larger and more beautiful sanctuary. The church approved plans for a Fellowship Hall in March of 1974 and laid the cornerstone on Homecoming Day, August 11, 1974.

Lest one think the history of Wallburg Baptist Church as simply a parade of buildings, one need only remember that the very concept of a church at Wallburg was in the minds and hearts of its people. Pastors have stretched through an entire century now. Each one led God's people, and each one left an imprint on the church through his ministry.

Rev. J.N. Stallings served one year. Rev. Henry Sheets served for 1893 to 1907. Rev. E.E. Jenkins was given a recommendation to "lecture" in 1907. Rev. Thomas Carrick was pastor from 1907 to 1910. In 1920, Rev. G.L. Kirksey was pastor. Brother Frank Hare served as pastor in 1921, but was forced to leave because of ill health. Rev. E.L. Mumford was pastor "half time" in 1922. Rev. Ira F. Furguson succeeded Rev. Mumford and served as pastor from 1934 to 1941. He was followed by Rev. B.A. Mitchell. In 1948 Brother O.W. Rhodenhiser began his service as pastor. He was succeeded by the Rev. Julian Pentecost. Next Rev. William H. Spradlin, Jr. came as pastor in November 1953. He was followed by Rev. Robert Nation in September of 1955. Rev. Jack Byrd was called in March of 1963. In July 1972 the church called Rev. Dalphon Thompson as pastor. Rev. Albert S. Hale served as interim pastor until the church called Dr. Brooks L. Hunt in 1979.

Dr. Hunt began work on his Doctor of Ministry degree in July of 1984 at Drew University, Madison, New Jersey. Soon after he completed his residency at the seminary and returned home. Colleen Hunt, his wife, became ill with Lupus. She died in July of 1986. The church family discovered how hard the work of a pastor is as they sought to minister to him with love and compassion. His life in handling this tragedy was perhaps his greatest sermon. He graduated from Drew University in October 1987. Two years later, the church

membership witnessed the marriage of Brooks L. Hunt and Linda Adams.

A church wide census was conducted in 1968, a community wide census in 1979, and a people search in 1984. The information gathered was used to locate prospects for the church. Freda Middleton Tricarico served as Minister of Youth and Education during the people search of 1984. In Septmber of 1985, the Deacons recommended that a committee be appointed to study the feasibility of hiring an Associate Pastor. Appointed in November of 1986, the committee recommended calling Gary Bodford, in May of 1987, as the first Associated Pastor. Upon his resignation, the church decided to again use the position as Minister of Youth and Education, and Edwin "Ed" Blake Waddell filled this position in June of 1991.

A Sunday School was organized as early as 1908. It had a furnished nursery at that time. The Sunday School was and is the Bible teaching organization of the church with classes for all ages. Vacation Bible Schools have been held through the years, first as an intensified study of the Bible for children. Recently, adults and youth have had programs as well. Church training, by its very name was based upon the need to prepare Christians for service in their church. From the minutes of 1937, we learned "that about thirty-five members were present for Baptist Training Union when the fire was discovered." Now there are Master Life Study Groups and Children's worship services. All of the preceeding programs help members become more effective Christians in today's world.

A "committee of young sisters collected $10.35 for foreign missions." The date and names were never recorded in the minutes, but it was the birth of the WMU in the church. This organization covers all age groups and was organized for missionary service and education. With the mission work of the WMU and the Baptist Men, the church has promoted and supported volunteers to mission fields.

The Senior Citizens of our church organized and promptly named themselves "The Friendly Club." They are involved in many projects which promote not only the well-being of our senior adults, but also our church.

Music has been a vital part of worship in the church for a very long time. Mrs. J.W. Tuttle was an early encourager. Claude Cook, a church member, became the first choir director. Two music directors, Elma Wall and Libby Murray, served until 1955. They were followed by O.M. Blake, Arthur Lippert, and Richard Conrad. Kay Wiggs was then called as music director and church secretary. She was followed by Eddie Gaddy. Twanna Casstevens came as full time music director. Winona Hayes followed and then Eddie Kiefer came to Wallburg in 1975, first as choir director. He served as Youth Summer Worker in 1976 and specialized with the Youth Choir in 1980. Richard Ryan served as Summer Youth Director and worked with the music program. Rev. Jim Martin came as part time Minister of Music. Mrs. Becky Bell served from 1978 to 1984. She was followed by Janice Hines from 1984 to 1986. Rev. Jim Martin and Denise Harrod each served from 1986 to 1989. Eddie Kiefer was called again as Minister of Music in 1989 and still serves the church in that position.

An Organ and Piano Fund was established in 1983. On January 4, 1987, the Deacons, recommended that the church accept an anonymous gift of $10,000 for the purchase of a new organ. With $4,000.26 already in the Fund, the church met the challenge of underwriting the additional cost within six months.

Mrs. Mae Ila King, church pianist for many years, gave monies through the church for piano lessons for students wanting to study piano or organ. On October 13, 1991 a Music Scholarship Fund was established.

We have had three of our own licensed to preach. Brother G.G. Wall was licensed to preach in 1910, Don Williard in 1955, and Carroll Marshall in 1967.

As early as 1962, we had a "bell in the belfry." The old bell from Liberty Piedmont Institute (later Wallburg High School) was installed by Roland Rothrock, a member of our church and a builder by profession. In 1988, the bell tower was topped with a steeple made possible through many designated memorial gifts. The toll of the bell on Sunday mornings and the steeple rising above the village serve as memorials to those faithful ones who have gone before us and as beacons to those who come after us.

Many memorials have come to the church during the one hundred years of its existence. Some are of beauty, others are of usefulness. Plaques are placed in the Memorial Room in memory and in honor of loved ones.

A new Building Fund Account was started in February, 1989. In 1991, a transfer of all undesignated funds was made to the Ethel and Hubert Rothrock Building Fund. This fund was designated for a new sanctuary.

The church library is located in the choir room. Many books have been given to the church as memorials. Rev. R.O. Bennett gave his private collection of books. These have been catalogued and are available for use.

The church Council has been effective in coordinating the many activities of the church. They adopted the theme "United Ministries - A Decade of Growth for the Decade of the Nineties."

No history would be complete without mentioning two documents related to our beliefs. The first, the Covenant of Faith, was written and adopted by the fourteen charter members. The second, the Constitution and Bylaws, was proposed by the Rev. R.O. Bennett, a retired minister. In his presentation for the need of such a document, he reminded the membership that "every church has a constitution, either written or implied, and that it is better to have it written and in place before the need arises." Rev. Bennett chaired the work of this committee and saw the adoption of the Constitution and Bylaws in January of 1979, with full implementation by october of 1979.

Finally, acknowledgement is due the appointed History Committees who prepared Wallburg Baptist Church Histories.

Serving on those committees were:

Jimmie C. Hines, Mae Ila King 1965
Rev. Robert Nation, Clyde Lynn Reece, and Roby Clodfelter 1983
Everette Swaim, Mrs. Elizabeth Wyre and Mrs. Sarah Hines 1992

We, the History Committee of 1992 in conjunction with the Centennial Committee dedicate the writing of this history to Commemorate the past, Celebrate the Present, Focus on the Future of Wallburg Baptist Church.

Abbotts Creek Baptist Church History

James Younger was leading worship services in the Abbotts Creek community by the year 1756. Feeling inadequate to do this, Younger urged the people to seek out a pastor who could be their spiritual leader. A group from the unorganized congregation, including Younger, went to the Sandy Creek Baptist Church were Elder Shubal Stearns was preaching and a great spirit of revival prevailed. Stearns' brother-in-law, Daniel Marshall heard the request and accepted the challenge to become pastor at Abbotts Creek. This congregation organized into a church in 1756 as the first "arm" from Sandy Creek.

The anti-missionary, anti-Sunday School forces, in the late 1820's and early 30's grew very strong, thus dividing the church. The majority were against missions while thirteen felt they could no longer be a part of a church heading in such a direction. In keeping with an association policy, an outside presbyter was called in to deal with the crisis. This group reported the minority were following the previous practices of the church and were entitled to the building and land, including the cemetery.

Both groups used the same building for worship, alternating weekends for about two years. The majority arrived for their Saturday afternoon worship time and business only to find the doors locked. Being barred from their place of worship, they crossed the street and reportedly used a brush arbor for a time as their place of worship. The missionary group formally organized themselves as the Abbotts Creek Missionary Baptist Church on July 4, 1832.

Recent minutes (1977, 1982) carry additional history of our church. The years since 1982 have been very eventful years for our church. From 1983 until the present, Abbotts Creek

has been involved with plans for and building new facilities. There has been much involvement in mission trips and youth honors. Two pioneer R.A.'s served as pages to the Southern Baptist Convention: Chris Cantrell in 1983 in Pittsburg and Michael Gann in 1986 in Atlanta. They also served on the state R.A. Executive Committee as did Darren Spurgeon. Tonia Wheeler and Tracy Spurgeon served on the state Acteen advisory panel with Tonia being selected as an Acteen Top Teen in the Southern Baptist Conventon in Las Vegas in 1988.

In 1985 Michael Gann went to Coasta Rica with other pioneer R.A.'s from North Carolina on a mission trip. J.C. Alcon went to Equador on a work trip. Twenty from this church along with five others from Liberty Baptist Association went to Jamaica and Grenada teaching Vacation Bible School in seven different churches. Work trips to Union, West Virginia had men and women including several R.A.'s helping construct a building as part of the North Carolina/West Virginia partnership.

These Bible School teaching trips followed with our members and others from the association for several years, ministering to churches in the island nations of Trinidad, St. Kitts, Nevis, Antiqua, and St. Eustatius. Also, members from our church were involved in the Liberty Association's partnership with Brazil. The Acteen Activators went for several days to Cherokee and another youth group to East St. Louis to assist in the Christian Activity Center for inner city youth.

In 1988, Wayne Bullard was selected to serve on the General Board of the state convention, the first member from Abbotts Creek with that honor and responsibility.

On August 10, 1983, the church voted to begin a building program which was to involve some new educational space plus renovation of the present buidings and sanctuary.

On January 17, 1988, the church voted to proceed with the renovation as new construction plans had been presented and accepted by the church. Ground breaking ceremonies were held on April 24. A horse pulled scoop pan owned by the late Marion Bodenheimer was used, allowing several members to pull it by the attached rope. It was the same pan used to help remove dirt for the former fellowship hall, constructed almost sixty years earlier.

As the building plans developed, problems came. A new educational building had been constructed and in attempting to renovate the old section workmen has uncovered the need to tear down and start that section anew, which was done. In trying to determine the best way to renovate the sanctuary, structural problems surfaced in the truss and attic areas. County inspectors immediately condemened the balcony. The building committee sought ways to solve the problem only to find the cost to renovate the sixty year old buiding might exceed the cost to remove the old and build a new structure. The committee presented this motion to the church. It was not an easy matter, nor was the vote unanimous, but it passed.

Unable to move as rapidly as the county inspector wanted, the church was cautioned not to use the building because of the possible dangers. The old sanctuary was raised the first few days in July 1989. On June 11, the church had begun using the educational sections for Sunday School and two morning worship services, which they continued doing for sixteen months.

The first service in the new sanctuary was held on October 14, 1990. The sermon topic was "What Mean These Stones?" Dedication services were held two weeks later on October 28. There was a cost overrun with several things yet to be done. The Baptist Men and Woman's Misisonary Union of the church carried out various fund raising projects. This enabled the church to completely furnish the kitchen, pave the remaining half of the parking lot and take care of some unfinished matters.

Abbotts Creek has a future filled with excellent possibilities, limited only by lack of vision, commitment and unwillingness to accept the challenge that God has entrusted to us.

A total of 32 ministers have served Abbotts Creek Baptist Church well over these many years. Roy Cantrell is present pastor, to whom I'm indebted for his help in writing this history.

Respectfully submitted,
Vernelle Snider Greene, Historian

PREAMBLE

We, the churches of the Liberty Baptist Association, unite ourselves according to the plan and for the purpose and work of the New Testament churches in our world, and to this end to cooperate to the fullest extent possible with the Baptist State Convention of North Carolina and the Southern Baptist Convention, according to the following Articles:

ARTICLE I — NAME

The name of this body shall be the Liberty Baptist Association.

ARTICLE II — MEMBERSHIP

Section 1. The membership shall be composed of the Baptist churches now holding membership and any other Baptist churches which may be received into the Association according to the subsequent provisions of this Constitution.

Section 2. The Association shall be sole judge of its membership and may receive churches or reject churches according to its Constitution and Bylaws. Member churches may also withdraw at their pleasure. Any church in the Association which fails to cooperate with the Association for a period of two consecutive years shall be contacted by a committee appointed by the Association, to ascertain the wishes and desires of the church relative to continuance in the Association.

A cooperating church is one which sends a report to the Annual Session, sends messengers to the Annual Session, and contributes to the financial program of the Association.

ARTICLE III — MEETINGS

Section 1. The Association shall meet annually on Tuesday and Wednesday following the fourth Sunday in September.

Section 2. Special meetings may be called by the Executive Committee, provided sufficient notice is given the member churches to permit them two Sundays between the call and the meeting.

Section 3. In emergencies, any change in the time and/or place of meetings shall be determined by the Executive Committee.

ARTICLE IV — COMPOSITION OF MEETINGS

Section 1. The official voting body shall be composed of messengers from the member churches as follows. Five messengers from each church for its first one hundred members or fraction thereof, one additional messenger for each additional fifty members or fraction thereof up to 1,000 members, and one additional messenger for each additional hundred members or major fraction above 1,000; all ordained ministers of member churches; and the officers of the Association.

Section 2. The names of the messengers printed in the minutes shall include only those actually attending and registering at the Association from the number elected by the churches.

ARTICLE V — OFFICERS AND THEIR ELECTIONS

Section 1. Officers of the Association shall be *Moderator, Vice Moderator, Clerk, Treasurer, Sunday School Director, Church Training Director, Brotherhood Director, Woman's Missionary Union Director, Church Music Director, Evangelism Director,* and *Historian.*

Section 2. The election of the Clerk shall be the first item of business in the first session of the Association. He shall be elected for a one-year term. Other officers shall be elected on the last day of the annual meeting for terms of one year each. They shall be contacted and nominated by the Committee on Nominations (Bylaws 8, Section 2, (6), which shall consider the duly elected heads of the Associational Woman's Missionary Union as the committee's nominees for election as the Association's Officers also.

Section 3. Officers shall assume their duties at the close of the Associational meeting at which elected and shall serve until the close of the next annual meeting or until their successors are elected.

Section 4. Any person serving or having served two full annual terms as Moderator shall be ineligible for re-election to this office for a period of two full years.

ARTICLE VI — TRUSTEES AND THEIR ELECTION

There shall be three trustees of the Association, one preferably a lawyer, serving of six years each in a rotating system. Upon nomination by the Committee on Nominations, one new trustee shall be elected at the annual meeting in each even year to fill the vacancy created by the expiration of the term of one of the three; no trustee being eligible to succeed himself until after the lapse of two full years. The expiration date of each trustee shall appear by his name in the Associational minutes.

ARTICLE VII — THE EXECUTIVE COMMITTEE

This Committee shall be composed of all Associational officers, the Director of Associational Missions (ex officio), each active pastor, church treasurer, and one lay member chosen by each member church from its membership and certified to the Association in its annual report. The officers of the Executive Committee shall be the Associational Moderator, Vice Moderator, and Clerk.

ARTICLE VIII — POWERS AND PRIVILEGES

This Association of churches shall have no power to infringe upon the rights of usefulness of any church or churches. All churches of the Association remain independent and sovereign. Cooperating churches unite here only that they may more effectively promote Christ's cause throughout the world. The Association may advise or offer recommendations for their adoption and guidance, but these cannot be binding on the churches in any way. (This is not to be interpreted as in conflict with Article II, Section 2.)

ARTICLE IX — AMENDMENTS

The Constitution may be amended at any regular session of the Association by a two-thirds vote of the messengers present, provided the proposed amendments are presented in writing and read at one session, as due notice, to be acted upon at a subsequent session.

BYLAW I — PARLIAMENTARY RULES

BYLAW IX — AMENDMENTS

Amendments to the Bylaws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

Standing Resolutions

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in annual meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church on regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.

2. Sponsoring church to work in cooperation with Associational Missions Committee.

3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.

4. Sponsoring church to call Mission pastor and select all workers in the Mission.

5. Sponsoring church to encourage Mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.

6. Sponsoring church should insist upon a full and well-defined program of Southern Baptist Work in the Mission, using the Southern Baptist literature.

7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.

8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

Proceedings

One Hundred Sixty-First Annual Session
Liberty Baptist Association
Tuesday Afternoon, September 28, 1993
SOUTHSIDE BAPTIST CHURCH
Thomasville, North Carolina

"Heritage and Hope" was the theme for the 161st annual session of the Liberty Baptist Association.

In the absence of Moderator Charles Penley, Bruce Hill called the opening session to order. Rodney Douglas led us in the singing of hymns "Because He Lives" and "Victory in Jesus." Sandy Hanner accompanied on the piano and Sandy Douglas accompanied on the organ.

Bruce Hill asked for prayer requests, mentioned Sarah Martz, missionary to South Africa and Polly Rollins' nephew's wife recovering from cancer surgery; Rev. J. A. Richardson, pastor at High Rock Baptist Church, recovering from heart surgery; and Mrs. Bernice Cross in Salisbury Hospital, member of Lexington First Baptist and long time supporter of the WMU and Liberty Baptist Association. Bruce Hill then led in the opening prayer, praying for those mentioned and unspoken requests.

Coley Rimmer, Jr. new pastor from Reeds Baptist Church brought a message from John 5:24-25. Our hope is that we will live the heritage that we have as Christian people; that we will use our heritage to give hope to others. Rev. Rimmer brought out the example of Oliver Sacks who gave his live working with the chronically and mentally ill, those who were not expected to ever improve. The movie "The Awakening" was based on his life. Much of his story corresponds to what God is trying to do with the church. He has been trying from the beginning to get people to trust in Him, to accept Him, to actually live by letting the spirit of God live within them. We all need God to have a radical transformation in our lives, to change at the very depths of who we are and need to be.

Judy Wood of Reeds Baptist Church made a motion that those messengers who had registered those who will register constitute the 161st meeting of the Liberty Baptist Association. The motion was seconded and carried.

Marcus Campbell, pastor of Victory Baptist Church made a motion that the Program be adopted for the 161st Annual Meeting of the Liberty Baptist Association. The motion was seconded and carried.

Morris Hollifield, pastor of Jersey Baptist Church expressed appreciation to Judy Wood for her tenure as Clerk. She was the first woman to serve as clerk and has served the association well. Rev. Hollifield made a motion that Mrs. Gail S. Beck, a member of Liberty Baptist Church, be asked to serve as Clerk for the coming year. The motion was seconded and carried.

Dr. Richard H. Capps, the new Director of Missions, stated that at the annual session, once a year, we really begin to understand who we are as God's people. We know who we are in our individual churches, we know what God is doing in our particular field, now...today, tonight and tomorrow we hear what God is doing through 44 churches who are called together into ministry. He stated that he is looking forward to what God is going to do for our association. Dr. Capps recognized those who were new in the association: Coley Rimmer, Jr., Reeds

Baptist Church; John Singletary, Liberty Baptist Church; John Pace, Sr., Interim Pastor at Park Place; Allen Lefler, Lakeview Baptist Church; and Hugh Whitfield, Smith Grove Baptist Church. He also recognized Gail Beck as Administrative Secretary in the Associational Office and expressed his appreciation to her and asked those present to pray for her as well as others in the association.

The Treasurer's Report was presented by Charles Penninger and approved. Charles Penninger also stated that at a Finance Committee meeting on September 22, he was authorized to place $30,000.00 of the checking account of $61,505.89 into a money market fund and this was accomplished on September 23, 1993.

The Finance Committee Report was presented by Raleigh York, Jr., of Carolina Memorial and he thanked those who served on this committee, Leonard Rollins and Dr. Capps; Judy Wood of Reeds of Baptist Church presented the Executive Committee report as follows:

DOM REPORT: Leonard's report will be forthcoming.

At the 1st Executive meeting with our new DOM, we were very impressed that Dr. Capps took only 10 minutes to give his report. We appreciate Rev. Rollin's sense of humor through the years as we always gave him a hard time about talking too long. This clerk is glad that Dr. Capps also has a sense of humor - he'll need it to work with this crowd!

At that first meeting, Dr. Capps gave testimony to the wonderful things that the Lord has done recently in his life and the life of his family. He asked for prayerful patience as he commutes on weekends to be with his wife and mother-in-law. He is excited and thankful for the opportunity to serve God here in Liberty Association.

CLERK'S NOTE: As the role of Associational Clerk and Associational Secretary is changing this concludes my service as Associational Clerk which has spanned into 10 years. I will always be grateful for my call into the ministry which provided me this opportunity. To Rev. John Pace, Rev. Morris Hollifield, and Rev. Leonard Rollins for their significant and meaningful influence as I served as Associational Clerk. Thank you to all with whom I have served for you guidance and prayerful support through these years. It has been my privilege to make many friends, and to work with some of God's most faithful servants. May the Lord bless you and keep you, be gracious unto you, may the Lord make his face to shine upon you, and give you peace.

BROTHER MODERATOR I MOVE THE ADOPTION OF THIS REPORT.

Dr. Richard Capps presented a plaque to Judy Wood: "With grateful appreciation, presented to Judy Wood, Associational Clerk, Liberty Baptist Association, Thomasville, North Carolina. Years of service: 1984-1993. Presented at the 161st Annual Session, September 28-29, 1993." The congregation responded with appreciation in a standing ovation.

Rev. Morris Hollifield, Jersey Baptist Church, presented the Nominating Committee report and expressed appreciation to those serving on this committee. Members of the Long Range Planning Committee, appointed to serve until a new Director of Missions was in place, were recognized. New committees were

indicated: Personnel Committee, Migrant Ministries Council, Constitution and Bylaws Committee, and the Building and Grounds Committee. The 1993-94 Nominating Committee Report was adopted.

Rev. Roy Cantrell, Abbotts Creek Baptist Church, presented the report on the Associational Missions Development Council.

Copies of all reports presented are included in this annual.

Rodney Douglas led in the singing "Praise the Lord, Ye Heavens Adore Him." He also thanked the pianist and organist and urged church members to be appreciative of those who provide music.

Mrs. Marlene Lambeth presented a report from the Alpha Pregnancy Support (copy included in annual.)

Rev. Tommy Wagner, pastor of the host church, Southside Baptist Church, welcomed those present.

Mike Motley directed attention to an Evangelism Questionnaire and asked everyone present to complete the questionnaire and return it at the end of the meeting. Dr. Capps also pointed out a handout inviting everyone to attend the ordination of Charles Garner at First Baptist Church in Denton.

Brenda Emmons presented report on Migrant/Hispanic Ministries; Rev. Garry Cook reported on the Satellite Counseling Center; and Sandy Motley told about the very meaningful and useful ministry of Davidson Medical Ministries Clinic (included in annual.)

Bruce Hill, Vice Moderator, gave a reading of the scripture from Genesis 12:1-7 and Romans 4:16-25. Sandy Motley provided special music, "In Heavens Eyes" which was very inspirational.

Rev. Gary Myers, pastor at Oak Hill Baptist Church, presented the Annual Sermon about heritage using Abraham as an example of faith to all generations. The 44 churches of Liberty Baptist Association are united under one God, serving one God, directed by one spirit. As we do this, we have a heritage that has been given to us as Christians first, as members of Liberty Baptist Association second. We come together as an Association to celebrate our heritage.

Rev. Phillip Morrow from the Baptist Children's Homes, offered a prayer at the close of the afternoon session and gave thanks for the meal to follow.

Following a delicious meal served and prepared by the ladies of Southside Baptist Church, Rodney Douglas led in the singing of "At the Cross" and "Redeemed."

Rev. Allen Lefler, pastor of Lakeview Baptist Church, offered worship using Scripture from Revelations 2. The church at Ephesus was used as an example. Heritage and hope should inspire us to let our light shine to others that they might see the love of Christ working in our association. We should not allow differences to influence us to leave our first love as the church of Ephesus did, our love of Christ.

Vernelle Greene presented the history of Southside Baptist Church followed a report from Rev. Leonard Rollins, Interim Director of Missions, which is presented in its entirety in this annual. Gary Myers then gave a report from the DOM Search Committee and thanked those members who served on this committee. Prayer was the priority of this committee in each meeting. The committee recommended that the call be extended to Dr. Richard Capps from the South Roanoke Association. The response was positive and Dr. Capps assumed the position as Director of Missions on September 1, 1993. Rev. Myers also asked that the Association bind together in prayer in the future and catch the vision of where God would have us to go as an Association. He also expressed appreciation to Rev. Leonard Rollins for his past leadership.

Rodney Douglas led in singing "O Worship the King", followed by special music, "For Those Tears I Died," provided by Sandy Idol and Ava House of Southside Baptist Church.

Dr. Richard Capps presented the evening message which is included in its entirely in this annual. The text was Jeremiah 33:3 and Hebrews 12:1-3.

Bruce Hill led in closing prayer and the evening session was closed.

Wednesday Morning, September 29, 1993
FAITH BAPTIST CHURCH
Denton North Carolina

Charles Penley, Moderator opened the Wednesday morning session by thanking Bruce Hill, Vice Moderator for filling in for him on Tuesday during his illness.

John Pace led in the singing of "Love Lifted Me" and "All the Way My Savior Leads Me." Bobbie Pace accompanied on the piano.

Charles Penley led in prayer, again remembering Sarah Martz, Rev. J. A. Richardson and Mrs. Bernice Cross.

Rev. Steve Martin, pastor at Churchland Baptist Church brought a message from Acts 20:6-12. Rev. Martin very humorously pointed out the problem we have with attentiveness in our church services. We as Christians are often too proud to consent that our spiritual obedience and attentiveness is not what it ought to be; we are often too week to truly commit our lives to the service of Jesus Christ. There are those who look upon their church experience as a convenience rather than a commitment; as something they have to do rather than something they desire to do. Our Association must awaken itself to the new vision and build upon the rich heritage of missions and evangelism for the future.

Rev. Charles Dickens, pastor of Faith Baptist Church, welcomed those present for the Annual Session. He thanked members of Summerville church for helping with the preparations for the meal.

Rev. Morris Hollifield presented the Resolutions Committee Report, expressing appreciation to the host churches, the Program Committee and the Officers of the Association. He also thanked Rev. Leonard Rollins for his service as Interim Director of Mission from January through August of this year and expressed gratitude to Dr. Richard H. Capps for his coming to serve as the new Director of Missions. Mrs. Judy Wood was commended for her years of service as Associational Clerk. The Resolutions Report was adopted.

On behalf of the Place and Preacher Committee, Rev. John Pace, Interim Pastor at Park Place, announced that the Annual Meeting will be on September 27-28, 1994, the first day at Rich Fork and the second day at Oak Hill Memorial in Thomasville. Rev. Byron Barker, pastor at Rich Fork will bring the message and the alternate is Rev. Tommy Wagner, pastor at Southside Baptist. The report was adopted.

Vernelle Greene presented the history of Faith Baptist Church followed by the Evangelism Report by Mike Motley.

Rev. Morris Hollifield brought a matter of miscellaneous business, recommending that Mrs. Peggy O'Kelley be approved to serve on the Constitution and By-Laws Committee. On behalf of the clerk he asked that everyone check the information in the reports for accuracy and moved that the Books of Reports be adopted as a permanent part of the Association records.

Dr. Richard Capps directed the attention of those present to the invitation to attend the ordination of Charles Garner at First Baptist Church of Denton on October 3, 1993.

Rev. Lowell Askins, pastor at Coggins Memorial, led in a time of memorial for those within our churches who have passed away during the previous year. He read Scripture from Joshua 4:1-9. Rev. Leonard Rollins led in prayer for the families of those who died this year (listing of these members is a part of this annual).

Rev. John Pace led in singing "I Love to Tell the Story"; the Davidson County Community College Campus Ministry Report, prepared by Cindy Burris, was presented by Leonard Rollins.

A report from the North Carolina Baptist Hospital was presented by Bob Dunning, Director of Patient Relations; and Brad McIlwain, Associate Director of Brookridge Retirement Community reported from North Caroilna Baptist Retirement Homes.

Director of Missions, Dr. Richard Capps, invited Association members to attend the Service of Commitment, Installation and Dedication on November 7, 1993 at First Baptist Church of Lexington. This is to be a service of worship as he

and his family begin their ministry here. He then recognized all of the officers of the Association and commended them for their willingness to serve and led in prayer for these officers.

Special music was provided by Rev. John Pace who sang "My House if Full, but My Fields are Empty."

Rev. Bill Morrow, Director of Church Relations and Planned Giving for Baptist Children's Homes, covering the western part of the state, presented a message concerning the care and concern given through Baptist Children's Home. Scripture was taken from Luke 18:15-17. Rev. Morrow related many of his very moving experiences with children through the years.

Benediction and blessing for the noon meal was given by Charles Penley.

Director of Missions' Address - Annual Session

HERITAGE AND HOPE

Jeremiah 33:3 - "Call to Me and I will answer you, and I will tell you great and mighty things, which you do not know."
Hebrews 12:1-3 - "Therefore, since we have so great cloud of witnesses surrounding us, let us also lay aside every encumbrance, and the sin which so easily entangles us, and let us run with endurance the race that is set before us, fixing our eyes on Jesus. For consider Him who has endured such hostility by sinners against Himself, so that you may not grow weary and lose heart."

I. **"Heritage"** - a joy of what God has done through our faithfulness.

- 44 churches on missions and ministry
- Organized programs of missions and ministry
- Persons participating in missions endeavors such as Disaster Relief, WMU Resource book for ministry
- Persons serving in Brazil and other Mission Partnerships-Overseas Missions and Home Missions
- Support of a student from Grenada and continued support of his work as he has returned to Grenada
- Church support and training
- Financial resources to reach out in missionary ministry

II. **It is important to know <u>Who</u> we are in Liberty Baptist Association.**

1. Southern Baptist are 16% of total population and 29% of believers in Davidson County. Southern Baptist/Methodist/Church of Christ make up 71% of total Christian population of Davidson County. Much Responsibility is Ours!
2. Davidson County has a 45.3% lost index-4 our of 10 people we meet on the street are lost...enough to fill our churches..
3. Population: 129,386-1990; 136,162-Projected 1997. Represents a 6% growth.

   Minority groups present in our County:
   1 - 584 Permanent Hispanics
   2 - 12,973 Blacks
   3 - 753 Asians

   51% of the population are between ages of 21-54. These are "Baby Boomers" with the largest of this bracket - 25-34, a challenge to the churches. There is also a significant number of the population ages 6-13 as well. Senior Adults-65 and up are 12% of the population, this percentage is to be stable for the same group through 1997.
4. Median Income:

1980	1992
$15,264	$30,507

5. MINISTRY CAN NOT BE DONE AS ALWAYS AS USUAL.
   24% of total housing in Davidson County are persons who rent and are somewhat transient. 30% of the total housing in Davidson County is considered Multi-Housing...90% of these residents are unchurched.
6. Our statistics from our churches reveal the following information:

<u>1992</u>	<u>1993</u>	
17,367	17,735	Church members increased
4,534	4,641	VBS increased
9,207	9,285	Sunday School enrollment increased
331	303	Baptisms decreased

   It took 31 Sunday School members to win one lost person. It took

57 church members to win one lost person. We grew, as an association of churches 2.5% but the general population in Davidson Country grew at a rate of 6%. We did not grow at the same rate of the general population-a trend that can cause us to lose our place of spiritual leadership in the County.

III. **"Hope" Hebrews 11:1** - "Now faith is the assurance of things hoped for, the conviction of things not seen."

1. The church must believe in hope and the challenge to do our best for Christ.
   - Executive Committee authorized the Missions Development Council and Chairpersons of ministry committees to form Transition Committee to give direction to preparing for the turn of the century.
   - Each church must have a deep conviction concerning our mission field of Liberty Baptist Association-supporting volunteers and finances. SBC/BSCNC suggest 5% of the undesignated income to the association as a reasonable goal. No church gives more than it is able to support when it gives using a percentage of undesignated income.
   - Raise the level of participation in mission ministry.
   - Believe we are a "family of churches"-we "hurt" for each other, pray for each other, help each other.
   - Increase our friendship and fellowship among our churches.
   - Help each church fully understand its unique place in God's Kingdom in our Associational Family-develop and utilize the gifts or each congregation.
   - Help me enhance my role as Director of Missions.
     1. Mission Strategist-design and plan how we reach the unreached and meet the needs of the hurting.
     2. Church Consultant-available to assist pastors, staff ministers, day leadership, and do all God would have us do in ministry.
     3. Ministry Catalyst - I must be a part of the conscience of our churches to remind them what we must be about for Christian ministry outreach.
2. <u>Three words we fear most in church life</u> - Change, Creativity, Innovation - all of which Christ embodied.
   Jeremiah 33:3 - "Call on Me, and I will answer you, and I will tell you great and mighty things, which you do not know."
   Hebrews 12:3 - "For consider Him who endured such hostility by sinners against Himself, so that you may not grow weary and lose heart."

I pledge to you my very best to do all I can to be used of God here as your Missionary. I ask your prayers for all God has yet for <u>ALL</u> of us to do for Him.

LIBERTY BAPTIST ASSOCIATION REPORTS

Alpha Pregnancy Support, Inc.

This past year has been a very productive and challenging one for those involved with the ministry at Alpha Pregnancy. We have a total of 18 trained volunteers which consists of peer counselors, receptionists, and drivers. We have a Jobs Program workers assisting with clerical and general office help. We have been fortunate in being able to provide counseling for over 500 girls since our ministry began in 1991. We have provided support services on over 475 different occasions for our clients including distribution of clothing, baby items, milk, maternity clothes, and cribs. We have assisted clients in getting proper prenatal care with transportation to those appointments when they had no other way. We have been able to see 16 babies saved from the horrors of the abortion clinics. We have also seen many girls accept Christ as their Savior. All in all, this has been quite a year and we feel that we are moving on.

It is very apparent to me that this crisis pregnancy center which we call Alpha Pregnancy Support is indeed a HOME MISSIONS opportunity if I have ever seen one. The need in Davidson County and in our association is tremendous. We have here to offer quiet, discreet support to girls facing crisis pregnancies and as we do that we get the opportunity to present the truth in love to them about the sanctity of human life at the same time - we have a message of hope for them. Then we have the perfect chance to tell them about Jesus Christ and how He can fill the emptiness in their lives. And we get to minister to their families and be good samaritans in the best sense. Then we try to send them on to become involved in local churches. So, we are all working together as part of God's family.

We appreciate all the Liberty Baptist Association has done to support this home mission effort and what will be done in the future. Since we receive no federal funding whatsoever, we depend on the local churches and individuals to help us keep our ministry going. Thank you.

Respectfully submitted,
Marlene Lambeth

Associational Developmental Council Report

Since most of what we did in the meetings of the Associational Development Council was carried through the Executive Committee, we will not report that. I do want to call to your attention a couple of matters.

In our July meeting, we voted to ask the Finance Committee to reconsider leaving in the budget the amount to help the Osbert James' work in Grenada. The committee has done so.

Let me share about their work. He is now Pastor of the St. George's Church. She is Director of Music. They are using their automobile for transporting people to and from church for the evening church services (Sunday, Mid-week). This has helped to increase attendance but puts them having to provide money for the transportation. He shared putting in eight gallons of gasoline had cost over forty dollars (gasoline is selling for over five dollars per gallon). He is using the evening service as a teaching time discussing issues and matters of concern for growing Christians.

Margaret has led in a choir retreat for the churches of the association. It was seen as a great accomplishment for the first time. Talk was immediate for making this an annual affair.

This continues to give expression as being one of the finest projects ever undertaken by the Liberty Association.

The second matter concerns a possible ministry. One of the newest ministries being done in our state is "The Rest Stop Ministry." With a rest area on Highway 85 between Lexington and Thomasville, we have a chance to be a part of this. We will need churches to take the lead and help from many volunteers.

Respectfully submitted,
Roy Cantrell

Associational Discipleship Training

The mandate from Scripture in the Great Commission is to make disciples through equipping believers to carry out in their day to day life the principles of Christianity. Many churches are doing great things in creative approaches to discipleship training. No longer is it considered to be a weekly event that occurs on Sunday evening, but it occurs anytime there are people deepening their faith commitment.

Over this past year, we continued the experience of Bible Drills, with this year Aaron White going to the State finals in the Youth Speakers tournament. Rev. Stuart White, pastor at Carolina Memorial Baptist Church has been leading the development of associational churches in the area of Children and Youth bible drills. If a church is interested in preparing for this process which occurs in the Spring of every year, please contact Rev. White.

This year the Baptist State Convention identified several associations for beginning new starts in Discipleship Training. Cathy Hopkins worked with Oak Hill, FBC Welcome, Trinity, Rich Fork, Faith and Victory in a consulting role, exposing them to the different methods of training and then helping them choose a definite approach for their individual church. For each church that participated in this event on March 22-25, they received $100.00 of free literature in discipleship training.

In the 10/17/86 issue of Christianity Today, it said, "If we win the battle for evangelism, but lose the battle of discipleship, we have lost the next generation." There are many opportunities for churches to fulfill their purpose in training, and discipleship training is where it should begin!!

Brotherhood

During the year twelve (12) Brotherhood leaders received Key Leadership Training at Caraway. Sixteen (16) Mills Home children enjoyed Christmas because of the generosity of Baptist Men. Two men spend two weeks in the Ukrain helping build a seminary to train Russian pastors. Three groups assisted in mission work in Indiana and West Virginia; another two groups spent time in New York helping build a church, provided blankets and clothing to the homeless and taught back yard Bible Schools. Three groups assisted int he cleanup and rebuilding of a medical clinic in Missouri after the mid-west flood. All Brotherhoods assisted in numerous local mission projects: repairing homes, reroofing, cleaning yards for the elderly, delivering hot meals to families, painting homes and church interiors and building a picnic area for a church. Our thanks to our men and boys for making missions a part of their daily lives.

Respectfully submitted,
R. N. Hardin

DCCC Campus Ministry

Baptist Campus Ministry at DCCC has existed for more than a decade. The Baptist Student Union at DCCC (AA Alpha Omega) has had many Volunteer Directors over the years to help it continue to function. Since DCCC is a commuting, two-year college, many unique problems have surfaced over the years. Fortunately, the past Volunteer Directors have found ways to overcome them. Because DCCC is only a two-year college, student turnover is vast and stability within any organization is difficult to obtain when membership changes with each quarter's enrollment. This had led to lack of activity in the 1992-1993 academic year. We hope to bring changes this year.

In June, 1993, Phil Norwood (a Pastor of a SBC church in Salisbury, Instructor at DCCC and HPU and also a Volunteer Director), Leonard Rollins (Interim DOM), Joe Clontz (NC Director of Volunteer BSUs), and Cindy Burris met to discuss the past history of Alpha Omega and how it links into the Liberty Association Student Ministry Committee. The manner in which the Association wants to help with Student Ministry is amazing because many associations expect the State Convention to always be responsible for BSU Organizations when it is not always possible.

Alpha Omega is ow in a reorganizational process. Meetings have been held but with low attendance. Approximately six (6) people are extremely interested but a common time to meet has not been found. For this reason, officers have not been elected nor have any plans been made for the year. Students did not attend the Fall student convention at Ridgecrest but hopefully they will attend the Volunteer BSU Ski Retreat in January. Without "left-over" members from last year, reorganization has been slow and difficult.

Cindy Burris

Davidson Medical Ministries Clinic

It's not often that we are privileged enough to dream big dreams and then see them become reality, but that is exactly what happened with Dr. Jim Slyman almost 4 years ago. His dream was that people in Davidson County who had no health insurance and limited funds be able to go to the doctor, get the medical and dental attention they need as well as medications to treat those conditions. For senior citizens who often spend over one-half their fixed incomes on the medications necessary for life to be able to get some of the free.

Reality was the birth of Davidson Medical Ministries Clinic. A non-profit privately funded medical-dental-pharmacy clinic. DMMC receives no government funding, but rather depends 100% on the belief that God's plan was not for people to be dependent on the government for all our needs but for people to care about people.

Our logo: Helping Hands to those in need very simply states our philosophy. Those who can help those who need. Our clinic is open two nights each week and we rely on the skills of 13-15 professional and lay volunteers to keep it operational. We see approximately 20 medical patients, 10-12 dental patients and fill over 100 prescriptions between 6-9 pm.

Reality also can be a difficult pill to swallow. Difficult when you realize the needs are greater than the resources available. Difficult to accept that you can't do it all. Difficult to look at people who need your help and have to tell them you can't.

Reality is also realizing that without DMMC many people with chronic conditions like diabetes, high blood pressure and seizure disorders would go untreated until it became life threatening. Reality that common conditions like colds, strep throats and ear infections do not have to be treated in the emergency rooms at hospital rates. While I know that we can't see and help everybody that may need us or quality for services, I can help some. We can make a difference in the lives of some.

Since our opening February 14, 1992...Thus far DMMC has over 1,200 clients and we have done the equivalent of $209,000 of medical/dental services. We have filled the equivalent of $300,000 in medical prescriptions. How? Because people

are willing to help people by volunteering their time and talents. Because churches, businesses and individuals have made a commitment to support our ministry. And because I believe with all my heart God is blessing our work daily.

I ask that you take back to your congregations these basic facts. That you take and read the patient information brochures provided. That you consider the fact that people in your congregation possibly and most certainly in your community have needed or will need our services. And that you consider how you/your church can be an active participant in Helping Hands to those in need.

Sandy Motley

Evangelism

As the 1992-93 Associational year comes to a close, the Evangelism Committee of the Liberty Association has an excellent opportunity to evaluate the past work and explore present and future possibilities.

The past year has been a challenge, with half our committee lost due to ministerial moves, but the personal evangelism work through our ice water/gospel tract booths continues on. The booths at the July 4th Thresher's Reunion Event in Denton; Everybody's Day in Thomasville; Barbecue Festival and Davidson County Fair in Lexington have ministered to many people. These projects have been effective, but host churches for each project have assumed greater responsibility in the work, with less participation of volunteers from other churches. Our desire is to see this special ministry continue, but to also look for new possibilities as well of expanding our efforts on behalf of Associational Evangelism.

The future holds many bright possibilities including the upcoming *"Here's Hope, Share Jesus Now"* emphasis for 1995. Also we have given thought to an Associational Evangelism training event which would offer opportunities for education as well as inspiration and motivation. We ask for suggestions as to other events or emphasis that would make us more effective as an Association in the area of Evangelism.

In closing, we feel that our task of facilitating Liberty Association to do our best in Evangelism is an important one. May God remind us that through special events, witnessing education, simultaneous revivals or any other method, we are seeking to be obedient to Christ's command to proclaim the Good News to all the world.

Respectfully submitted,
Mike Motley

Stuart White encouraged participation in Bible Drills & Speakers Tournaments.

Vernelle Green asked that churches send a copy of their historical files to the Associational Office. She is setting up a file in the Associational for this collection.

The Program Planning Committee will meet May 25 at 7:00 at the Associational office. An invitation was extended for suggestions regarding the annual meeting in September.

INTERIM DOM: The Computer is in place. Work is being done to provide proper furniture for the computer and printer.

There are six churches which have not yet contributed to the 1993 budget.

The Nominating Committee and Program Committee are at work.

Coy Privette of the Christian Action League has notified the Association of house bill number 1289 that will make provision for canned cocktails to be available in our retail stores. You may express you desire regarding this action to Jaybird McCrary at his Lexington number on Tuesday or at 919-733-5780.

The next regularly scheduled Executive Committee meeting is September 13 at 7:30 PM.

Meeting was adjourned with prayer by Stuart White.

Executive Committee
Special Called Meeting
July 20, 1993

Forty-four people were present for a special meeting of the Executive Committee called by the Associational Missions Development Council.

Moderator Charles Penley called on Rev. Charles Tanner to lead in prayer. He then recognized Chairman of the Associational Search Committee, Rev. Gary Myers who have a summary of the meetings of the Associational Search Committee and the work that had been completed.

Gary introduced Dr. Richard Capps. Dr. Capps introduced his wife and daughter Elizabeth, who shared in song, "Love in Any Language." He followed by giving a historical background about himself and his family. He shared words of testimony, goals, accomplishments, and visions for the future.

There was a time for questions and answers. Dr. Capps maintained throughout the evening his intention to help churches understand how they can best serve God where they are in whatever way the Lord calls them. He has great ambitions for local missions and well as participation in state and foreign missions. Associational Missionary is a term used 30 years ago but is the title that Dr. Capps thinks best describes himself.

When there were no further questions, Rev. Penley reminded the body of the eligibility for voting at this meeting. Judy Wood read the recommendation from the Associational Missions Development Council "...that we pursue the calling

of Dr. Richard Capps as Director of Missions." There was a call for a standing vote. The recommendation carried on a vote of 42 to 2 in favor of calling Dr. Capps.

Dr. Capps, Joyce, and Elizabeth returned to the room. Charles Penley extended the call of the Liberty Baptist Association to Dr. Capps to accept the call as our Director of Missions. He humbly accepted.

The meeting was closed with prayer by Dr. Ray Howell.

Executive Committee
September 13, 1993

Moderator Charles Penley welcomed new members of the Executive Committee. A moment of recognition was given to Clerk Judy Wood who has served as Associational Clerk since 1984. A call for prayer request was given. Rev. Lamar Moore lead in prayer.

Minutes of the last meeting were read and approved.

Charles Penninger gave the treasurers report as information (attached). On behalf of Raleigh York chairman of the Finance Committee, Mr. Penninger asked to establish a petty cash fund checking account for the associational office. This account would be accessible to the secretary to make necessary purchases for the office. This account will not contain more than $300. Motion was made and carried.

WMU director, Lynn Garner reported that the associational council has met twice and are doing their yearly planning. There will be a WMU leadership training meeting at Center Hill Church on September 20. There will be a Prayer Retreat at Mills Home on Saturday October 13.

RA'S: Charlie Foster reported that the two young men from Summerville church who served as pages for the Southern Baptist Convention in Houston had a great experience. They worked very hard, but had an enjoyable time. RA week is November 7-13th. RA Day at Wake Forest is November 13. There will be a football game, cost $9.50 and lunch $3.00. March 4 is Lad & Crusader Car Races; March 25-27 is Challenger and High School Baptist Young Men's Convention; April 16 is Lad & Crusader Congress.

EVANGELISM: Mike Motley reported plans to distribute surveys at the annual meeting. The survey from the evangelism committee will be to get recommendations and ideas from members of the association. Volunteers are still needed for the county fair for Saturday night, September 25.

SENIOR ADULTS: Evelyn Kepley reported dates for Senior Adult Retreats. Evelyn is available to talk with anyone interested in organizing events for Senior Adult groups. There are special exercise programs for Senior Adults. The Smile Program integrates exercise for Sr. Adults with a healthy lifestyle.

ASSOCIATIONAL MISSIONS DEVELOPMENT COUNCIL: Chairman Roy Cantrell asked that a Transition Committee be put into place. This committee would serve for one year to give direction and information to the new Director of Missions concerning the work and ministry of Liberty Baptist Association. The 16 member committee will report to the Executive Committee and make any needed recommendations. Motion was made to accept the recommendation and carried.

The AMDCA recommended that the Nominating Committee recommend four new committees and persons to serve in these positions. These new committees will be Migrant Ministries Council, Constitution/By-Laws Committee, Building and Grounds Committee, and the TACMO Council. Motion was made and carried.

The last recommendation was that the Association secure an additional telephone line. This would be an estimated $800 year increase in the budget. Motion was made by Steve Martin and carried.

We were very impressed that Dr. Capps took only 10 minutes to give the DOM report. We appreciate Rev. Rollin's sense of humor through the years as we always gave him a hard time about taking too long. This clerk is glad that Dr. Capps also has a sense of humor - he'll need it to work with this crowd!

Dr. Capps gave testimony to the wonderful things that the Lord has done recently in his life and the life of his family. He asked for prayerful patience as he commutes on weekends to be with his wife and mother-in-law. He is excited and thankful for the opportunity to serve God here in Liberty Association.

There will be an ordaining council meeting with Charles Garner at FBC, Denton on September 21 at 7:30 PM.

The meeting was closed with prayer by Rev. Coley Rimmer.

ANNUAL SESSION HOST CHURCHES HISTORIES

Faith Baptist Church

Faith Baptist Church's history began when twenty-four people met on February 3, 1973 to discuss the need for a new church in the community. Everyone agreed to begin services the next Sunday in the old store building at the corner of Briggs Road and Highway No. 8. A collection of $220.00 was collected to get started.

The first service was held on February 11, 1973 with thirty-seven people present. Rev. Jack Alexander was the first pastor. On the following Sunday the mission was named Faith Baptist Church since the church had been started on faith. On June 23, 1973 the church was organized with the following charter members: Jack Alexander (Pastor), Opel Alexander, Nickie Brown, Ted Byerly, Mildred Byerly, Randall Byerly, Darleen Combs, Betty Edwards, Obra Edwards, P. H. Edwards, Ovelia Edwards, Ronald Edwards, Etta Frank, Essie Mae Hedrick, Jonah Ingram, Nannie Mae Ingram, Colon Lovette, Beverly Lovette, Gary Haywood, Peggy Haywood, Roy Shipton, Shirley Shipton, Joanne Shipton, Wayne Tysinger, Essie Mae Tysinger, Kenneth Tysinger, Chester Tysinger, Linda McDaniel, and Lee Workman.

Land was acquired in July 1974 to build the church. The Ground Breaking Ceremony was held on October 20, 1974 and in September 1975, a new piano was purchased. The first service was held in the new building on October 5, 1975. The cost of the building, including furnishings, and a new well was approximately $59,000.00. $32,000.00 of that amount had to be borrowed.

After the resignation of Rev. Alexander in April 1976, the church was without a pastor until Rev. Jimmy Edwards came in July of the same year. He served until his death in 1982.

A steeple was added to the building in 1979. The men of the church donated their time and material to build a picnic shelter during that year.

Rev. Martin Smith became Interim Pastor in early 1982. In December of that year, Rev. Charles Dickens became pastor. Under his leadership new Sunday School classrooms were built upstairs and in 1984 the church became debt free! The people had indeed accomplished a lot in only eleven years!

In November 1987 a public address system was purchased and installed. This addition greatly enhanced the worship services.

Faith Baptist Church was certainly growing and again on faith, construction was begun on a new fellowship building and classrooms in January 1988. The cost of $82,000.00 included paving the parking area. $30,000.00 of this amount was borrowed. Six months later a dedication service was held for the new additions.

A new organ was purchased in 1990 and in December 1992 a note burning ceremony was held. On FAITH, the church was again debt free.

Thank you, Mildred Byerly for your help in compiling this history.

Southside Baptist Church History

In 1913 members of the Southside Baptist Church, Thomasville, began work on a mission in the south side area of Thomasville. On June 19, 1913, the Amazon Mission was organized with 24 charter members.

Land for the first church building was donated by Mr. Solomen Petree, and the first church was the original building of the First Baptist Church-being

moved to the forks of Fisher Ferry Street and Bryan Road. Several additions were made to this building over the years. In 1920, The Amazon Mission, now known as the Southside Baptist Church, applied for membership into the Liberty Baptist Association. The report was adopted and thus the Southside Baptist Church became a member of the Association.

The Reverends G. A. Martin, Hezekiah Morton, Chambers and C. E. Chrissman were the first pastors of Southside. Services were held on the first and third Sundays.

In 1924 Southside secured a new pastor, E. W. Byerly. He held worship services every Sunday. In 1924 E. C. Roach came to Thomasville to serve as pastor of Southside and Oak Hill Baptist Churches. Worship services were then held the second and fourth Sundays of each month.

In 1930 Southside acquired another new pastor, R. L. West. Once again services were held every Sunday. that year, Mrs. R. L. West organized the Women's Missionary Society. A pastorium was purchased also in 1930.

A house next to the church was purchased in 1943 to serve as pastorium.

In 1952, the Southside had outgrown the old church and work was started on the new church building. Soon, this brick church was completed and the indebtedness was retired by 1956.

In 1962 work was started on a three story building to join the church building. Also in 1962, the old church property and pastorium were exchanged for a six room brick house located on Rosedale Drive for the new pastorium.

Tommy Wagner began his ministry in December 1982 at Southside and during his ministry the church adopted a Constitution and By-Laws. For the first time the church adopted a budget. Southside purchased a new bus and built a shed for it to be housed in. The Church is now debt free!

Southside has completed studies of deaconship, calling a pastor, and the church covenant. A Historical committee has been appointed, which has been working very hard to secure more information about the history of the church. This committee plans to prepare a book with all the information made available to each member.

Southside has grown not only with new work on the church but in SPIRIT. We now have a drive-thru around the back of the church, the sanctuary has been remodeled, and a new sign has been placed in the church yard. The membership continues to grow in 1993.

I would like to thank Esther House for compiling this history.

Hunger Awareness

"Thou has not give water to the wear to drink, and thou hast withholden bread from the hungry." (Job 22:7) With these words Eliphaz suggested that Job was surely deserving the difficulties he was experiencing. Though we may not agree with Eliphaz' theological understand, surely we would agree that we are accountable unto God for ministering to the needy of our world (Matt. 25:34ff).

Opportunities for such ministry abound in our day. From the starving in Somalia and Croatia to the street orphans in Sao Paulo, Brazil and the homeless in our own country come the cry for help.

UNICEF reports that 124 million children under the age of five die annually from hunger and malnutrition while another 150 million live in such poor health that they cannot mentally and physically mature properly. In the United States one out of eight children under the age of twelve is hungry part of the time while 34 million persons live below the poverty level.

Causes of hunger are extremely varied. Weather conditions, military actions, underdeveloped economics, improper emphasis on government spending, etc. contribute to the hunger problem. The U.S. is ranked first in military spending while holding a dismal 22nd ranking (out of 142 countries) in infant mortality.

God's people must address this crucial issue! What can a person do? Several suggestions seem appropriate:

1. Become informed about hunger; its causes and solutions.

2. Volunteer time and energy to combatting this evil.
3. Pray for God's help and wisdom.
4. Inform others and attempt to influence government policies.
5. Fully participate in World Hunger Day activities on October 10 this year.
6. Initiate projects designed to raise hunger funds. (One local church recently planted 400 pounds of seed potatoes for sell and raised over $800.00 for World Hunger.)

Interim Director of Missions Report

After announcing my retirement at the 1992 Meeting of the Liberty Baptist Association, I continued to serve as the Director of Missions until December 31, 1992. During that period time, I had the opportunity to be in sixteen of our churches for a least one service. Outside the association I attended the Baptist State Convention in Winston-Salem and the Directors' of Missions and Spouse Fellowship at Caraway. I worked with the Long Range Planning Committee and stayed on as a participant in the Ministers' Support Group that meets at Jersey Baptist Church. The Special Retirement Service for me and Polly was held at First Baptist, Lexington, on Sunday, November 29, 1992.

The Director of Missions Search Committee asked me if I would be willing to stay on as the Interim Director of Missions, and I told them that Johnny Carson said: "thirty years is long enough to do anything." And then sweet little Janet Sharpe said: "But, Brother Leonard, Billy Graham said: (I knew then that I was in trouble) "You don't ever retire in God's service." And so I agreed to stay on. I served in this capacity from January 1, 1993, until August 31, 1993, and that completed the entire associational year for 1992-93. My total years of service was 30 1/2 years.

During the eight months as Interim, I was in fifteen of the churches for at least one service. I taught the January Bible Study at Center Hill, Reeds, and Liberty. I taught the Home Mission Study at Mountain View, Churchland, Coggins Memorial, New Friendship, Reeds, and First Baptist Church in Kannapolis. I also preached in Fellowship Baptist Church in the Pilot Mountain Association. I had a part in the "Challenge to Build" Banquet at New Friendship and the dedication service for the new sanctuary at Coggins Memorial. I gave assistance to the Nominating, Finance, Program and Evangelism Committees, and also the Davidson County Community College Ministry. I assisted in the conducting of six funeral services.

Outside the association I attended the Associational/Convention Staff Meeting at Caraway, State Evangelism Conference in Winston-Salem, Baptist Children's Homes Friends of Children trip to Kennedy Home and Cameron Boys Camp, Key Leadership at Ridgecrest, Retirement Service for Eugene Hager in the South Yadkin Association, Week of Christian Study/Fellowship at Mars Hill College, Directors' of Missions Conference at Wingate, and the Board of Ministers Meeting at Campbell University. I won my second gold medal in horseshoes in the Davidson County/Lexington Senior Games, and won the pool shooting tournament at the Directors' of Missions Conference at Wingate. In April Mayor V. G. Price of the city of Lexington named me to the Lexington Human Relations Commission. The twelve members of this commission have as their goal to make "the quality of life in Lexington second to no other city in North Carolina." I accepted an Interim pastorate at First Baptist Church in Cooleemee in May where I continue to serve.

You have a new leader for Liberty Baptist Association. He has the experience and the qualifications to do an outstanding job. It is my earnest prayer that you will give to him and his family the same confidence, trust and love that you invested in me and my family across all of these years.

Respectfully submitted,
Leonard Rollins

Migrant/Hispanic Ministry
Summer, 1993

This year marks the end of the fifth season here in Liberty Baptist Association. Meetings were held each Sunday afternoon from 3:00 to 5:00 P.M. during the months of July through September. Abbotts Creek Baptist Church is the host church for the ministry and much appreciation goes to the many volunteers

from the church who help each week and to Rev. Roy Cantrell who was initially instrumental in getting the migrant ministry started in the association.

The Medical-Dental Bus came on August 15, 1993 and there were 24 medical patients and 25 dental patients seen during the hours between 2:30 p.m. and 8:30 p.m. Health kits, clothing, a meal and spiritual helps were all provided in the church while the patients were being seen on the bus. Thanks go to Dr. and Mrs. Herb Davis for organizing the bus ministry.

A special blessing was in store for us this summer as the Lord provided the ministry with three Southern Baptist Missionary couples! They were: Mike & Ethel Ledbetter-retired missionaries to Mexico; Francis & Bonnie Smith-missionaries to Chili; and Steve & Paula King-missionaries on furlough from Argentina. This provided a variety in the services, complete with English lessons, music, and each meeting ended with a fellowship meal prepared and served by the following Baptist Women groups: Summerville, Tyro, Trinity , Abbotts Creek, Wallburg, Carolina Memorial, First Baptist, Thomasville, Center Hill, Oak Hill, Mills Home and the Cedar Lodge Baptist Youth II. Also, Mt. Zion Weslyan Bible Study group came and served a meal.

Our thanks to all who helped in any way during the summer and for Doris Yates who faithfully assisted. The average attendance for migrants was between ten and twenty each Sunday. Ethel Ledbetter shared that about 14 men either became a Christian or re-committed their life to Christ this summer. We thank God for what He is doing!

Please continue to pray for the council as plans are being made for the 1994 season and we ask for your continued support as volunteers. May God richly bless!

November 16, 1992

The meeting was opened with prayer by Rodney Douglas. Minutes of the last meeting were read and approved.

Rev. Rollins discussed participation in the celebration of March 27, 1993 in Sao Paulo. He has talked with Gene Smith and they feel it would not be profitable to go to Sao Paulo for this one day. The cost of the trip does not justify going for one day. Leonard has given thought to some kind of an evangelistic team going to Rio Preto for the week, in conjunction with the celebration. Guy Key will be on furlough and Bob Erwin will be our contact person. Guy instructed Leonard to lay the ground work for a trip and that the cost of the trip would be the same as in the past and has decided to make a selection of those churches he feels as best prospects for having volunteers and deal directly with them to recruit a team for the March 93 trip.

Clovis wants to come here, along with his wife, to be a part of our annual meeting. We decided that it would not be good stewardship of our money to bring them here for one day. Taken into consideration was the fact of the closing of the partnership and the money needed to initiate interest in the Ukraine. Rodney & Charles made a motion that we not extend an invitation to Mr. & Mrs. Martinov to come here in 1993.

Rev. Rollins will start the process with selected churches to see how much interest there is. In January we will decide of we can put a team together and then make a decision regarding Leonard and Gene going in '93.

The meeting was opened with prayer by Mike Motley. Minutes of the last meeting were read and approved.

Rev. Rollins explained that on November 24 he had written to our Southern Baptist Missionary Bob Erwin as well as Clovis Martinov expressing

our desire to send an evangelism team to Brazil March 25 - April 6, 1993. As of this date he has not received any word of invitation or confirmation from either of them. There has been interest shown from 4 pastors and 4 lay people from our association but only one firm commitment. After discussion we decided that with such a short time before departure date, no invitation or confirmation from Brazil, and lack of adequate commitment from volunteers, we would discontinue pursuit of this project.

Roy Cantrell opened the meeting with prayer.
Minutes of the last meeting were read and approved.
Leonard reported that there has been no communication with Brazil.

Rev. Cantrell made a motion that we support a national pastor in the Ukraine. The motion was that we instruct the Finance Committee to consider a line item in the budget for the next three years. The amount is around $65.00/mo or $780/yr. The motion carried and will be taken to the Executive Committee.

In conjunction with Roy's motion of pastoral support in the Ukraine, he made a motion that we designate the $1,364 refunded to us from the Brazil program to be used for this support. Motion carried.

R. N. Hardin made a motion that we ask the Finance Committee to consider putting $2,400 in the budget for car expense for Osbert James. This will be for one year. Motion carried.

Two R.A.'s from Summerville church have been chosen to represent NC at the SBC in Houston. Summerville church has not been able to raise all the funds needed to pay their way. Janet made a motion that we pay a total $231.00 for their support. This would be one-half of their expenses. This will be taken to the Executive Committee.

Rev. Cantrell has received information for a Rest Area Ministry and would like to share it with volunteers.

Judy Wood chaired the meeting. The meeting was opened with prayer by Charles Penley.

Gary Myers introduced the development of the Search Committee and summarized their work since August 27, 1992. After sharing of information and responding to questions from the Missions Committee Jimmy Lancaster recommended that the Associational Missions Development Council recommend to the Executive Committee of the Liberty Baptist Association that we pursue the calling of Dr. Richard Capps as Director of Missions. The motion was seconded by Mike Motley and carried unanimously.

The meeting was adjourned with prayer by R.N. Hardin.

Chairman Roy Cantrell opened the meeting with prayer. Minutes of the last meeting were read and approved.

Rev. Cantrell will share about Rest Area Ministries at the annual meeting. He has also shared this with Byron Barker seeing it as a ministry that would be physically located closed to Rich Fork Church.

Brenda Emmons reported lower attendance this year for the migrant ministry. There were as many as 20 people averaging 10-13 per Sunday. She was very pleased

to have the opportunity to work with three missionary couples working with them this summer.

Mike Motley brought up the idea of a survey at the annual meeting. The purpose would be to find out what is expected of the Evangelism Committee. Would there be interest in evangelism training, rallies, water booths at city events, other interests? Volunteers are still needed to man the water booth at the county fair Saturday evening September 25.

Dr. Capps explained his desire for a Transition Committee (see attached). Mike made a motion that we present this to the Executive Committee. Motion carried.

Mrs. Wood made a motion that we ask the Executive Committee to request that the Nominating Committee recommend the four new committees as outlined in the attached. Motion carried.

We started running out of time and I had to type an addition to a list of committees and do not know who made the motion, but we will recommend to the Executive Committee that we add an additional phone line at the Associational office.

We'll folks it's been real. In the famous words of Porky Pig - "Tha tha, tha tha, tha that's all folks." My job as Associational Clerk is complete.

Satellite Counseling Center

Conceived in vision, prayer, and faith, and born of sweat, toil, and hope the Pastoral Counseling Center of Thomasville had its open house in October of 1992 and officially opened its doors in November of 1992 to those seeking help with regard to matters of the mind, emotion, relationship and spirit. Since that opening day the Pastoral Counseling Center of Thomasville has helped individuals, couples and families with matters related to depression, anxiety, work difficulties, relationship difficulties and martial problems, problems with making adjustments, family issues, grief and complicated bereavement, low self-esteem, loss of hope, faith, and meaning. Through the support of the churches in the Thomasville area, the Pastoral Counseling Center has attempted to offer to members of this community guiding, healing, sustaining, and reconciling through its ministry of pastoral counseling each Tuesday when its office is open. To date, the churches of the Thomasville area have made possible 200 hours of pastoral counseling ministry and have additionally supported this ministry by giving away $3,020 worth of service in the form of financial assistance for client fees, None of this would have been possible without the prayerful and financial support of the Thomasville area churches. The counselor, the center, and its Board respectfully request continued prayerfulness of this body as the Pastoral Counseling Center seeks to meet the challenges before it; those challenges include issues related to physical plant needs, financial support, and promotion of the knowledge of the center's presence among the people of the Thomasville area. Thank you for your support.

Lead On

The theme for the 1992-93 WMU year was Lead On. This special emphasis was followed during the September leadership training at Southside Baptist Church in Thomasville. Twenty-five churches were represented at this training.

In October, Beth McDonald, Board Member for Camp Mundo Vista, held a Prayer Retreat at Mills Homes Baptist Church. Fifty-four ladies attended from fifteen churches. During November our churches collected soap for the Women's Correction Center in Raleigh. This worthwhile project has almost 100% church participation. We always collect over the amount we pledge.

In May we had a Baptist Women's Salad Supper at Abbotts Creek Baptist Church. Our main focus still remains on Enlistment/Enlargement. The WMU Council is trained and willing to help any church begin organizations they do not have. Please contact us for assistance.

BAPTIST STATE CONVENTION OF NORTH CAROLINA REPORTS

Baptist Children's Homes of North Carolina, Inc.

Chris starts college at North Carolina State this fall on a football scholarship. After leading Thomasville to a state championship in 1991, Christ also earned national honor society recognition, was active in the community counseling drug abusers...and became a Christian at Mills Home.

Kathy married a Christian young man who was a volunteer at Broyhill Home, where she lived. She continued her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are members at Woodland Baptist Church, where she was active in leading children's programs, even as a Broyhill resident.

Ashley was growing up too fast...and her parents didn't know how to handle it. They wanted to treat her like a child; she wanted adult freedoms. When their constant clashing came to blows, they knew they needed help.

Through the family clarification program at Mills Home, both Ashley and her parents learned the roles they played in the family conflict, and how to listen, forgive and adjust in the future.

"We're very grateful to Baptist Children's Homes," said Ashley's mother, Victoria. "I don't know what we would have done. I don't know what would have happened to Ashley. I've had friends say to me, 'I never knew there was a place like that.'"

Well, there is a place like that. *Thank God!*

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses;seven emergency care homes; two homes for behaviorally troubles girls; therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist Churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH's $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare took a giant step June 27 when the new $1 million, 10,000 sq.ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers, and two-year olds.

During dedication, Robin Britt, N.C. Secretary of the NC Department of Human Resources, said BCH is "a true model of how young children can be shaped, nurtured and loved," and that "we will be looking at institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to replicate."

T. Winfield Blackwell, president of the Fleshman-Pratt Foundation, whose lead gift started construction of the building, said, "Think how many children will be raised and shaped by dedicated staff who serve here, and surely a goodly number will be developed, not only to be good citizens, but active ministers in God's service."

Churches interested in beginning or improving their daycare ministry can get free help from director Mary Lou Dickey. *Call (919) 472-3503.*

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July 1, echoes that promise. "Baptist Children's Homes has been a cutting-edge ministry for North Carolina Baptists since 1885. As a disintegrating society moves the edges further and further, we're honing our ministry sharper and sharper. Thank you, North Carolina Baptists, for your support."

Did you Know that: In 1993, North Carolina reached place number ten (10) among all the states in the United States in regard to the size of its adult population over the age of sixty-five (65).

That one-half of all the people who have ever lived to be sixty-five (65) are now living.

The fastest growing segment of North Carolina Baptist life is composed of those adults eight-five (85) and older and that by the year 2000 that age category will double in size.

That by the year 1996 North Carolina's "Baby Boomers" will be turning fifty-five (55) every 18 seconds.

That by the year 2010 one out of every two people living in North Carolina will be fifty (50) years of age or older?

What do figures like those above mean for North Carolina Baptists? They point to the fact that one of the greatest needs facing our Convention as we move into the year 2000 is the provision of quality, affordable long-term care services to functionally impaired Older Adults through the expansion of existing long-term care facilities, and through the development of creative approaches to long-term care such as rural home health services, community day care programs, and respite programs for homebound care providers.

In an attempt to meet the above mentioned need, Baptist Retirement Homes of North Carolina, Inc. in 1993: Opened the Rickman Nursing Care Center in Asheville, North Carolina (a 100 bed Medicaid certified nursing care facility). The Rickman Center is a state-of-the-art long-term care facility that has been developed to meet the needs of the poor elderly in Western North Carolina. (80% of the resident population will be recipients of benevolent funding.)

Renovated the Albemarle Baptist Home in Stanley Baptist Association and renamed it the Taylor House. The Taylor House has no financial requirements for admission and is designed to provide care to the assisted living level of care resident, regardless of his/her ability to pay for the long-term care services provided.

Developed a new addition to the Brookridge Health Care Unit in Winston-Salem in order to provide an area for small group work with residents suffering from dementia. This state-of-the-art program will enable Baptist Retirement Homes' staff to improve the quality of life experienced by members of its resident community who are mentally impaired.

Baptist Retirement Homes is keenly aware of the fact that without the support of North Carolina Baptist none of the above would have been possible. As a result of the prayers and funding that the "Homes" receive through the Cooperative Program and the North Carolina Offering for Older Adults, it has been able to offer hope to many Older Adults whose future would have been uncertain without the caring involvement of North Carolina Baptists. It is because of you that our institution has been able to make life for many Older Adults in 1993...The Best of Times.

Thank you North Carolina Baptists for your support!

Christian Education

According to data reported in 1992, more than 20,000 students were enrolled in our Baptist colleges. These figures reflect the enrolment at Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, and Wingate College. Wake Forest enrolment is not included in these figures.

We, as North Carolina Baptists, can be proud of the heritage and educational level of our Baptist colleges. North Carolina Baptists are meeting the needs of today's youth by providing quality education in a setting that is based on the ministry of the Gospel of Jesus Christ. The support that our Baptist churches give to our colleges allows many of our young people to attend these fine institutions. A combined total of nearly 10 million dollars was given in student financial aid during the 1992 academic year.

Support our Baptist schools by continuing your financial gifts, by sending students from your church to these colleges, and by praying for students, faculty, and staff members.

North Carolina Baptist Foundation

The North Carolina Baptist Foundation works diligently in service to Christ as directed by the agency's Mission Statement:

"The North Carolina Baptist Foundation is an agency of the Baptist State Convention of North Carolina committed under the guidance of the Holy Spirit to serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

And further, the Baptist Foundation Staff and Board of Directors are committed to being scrupulously moral, legal, efficient and accurate in carrying out the intent of each donor and trustor whose funds are placed under management of the Foundation as a means of sustaining a tangible and perpetual involvement in presenting the Gospel, meeting human needs and strengthening all bodies of Christian fellowship where Christ is the Head."

The total market value of the assets of the Foundation at the end of 1992 was $41,880,638., an increase of almost $5.6 million over the end of 1991. Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income to be paid to Baptist causes in perpetuity. Additionally, the Foundation offers fund management for Baptist causes on a revocable basis.

Earned income distributed and paid to Baptist churches, institutions & mission causes during fiscal year 1992:	$1,182,203
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1992:	$1,024.007

In 1992, and continuing into 1993, the Long Range Planning Committee of the Board of Directors met extensively to lay the groundwork for the Foundation's goals and objectives for the next five years. The previous five years were quite successful with ambitious financial goals being met early on. It is anticipated that the Board's work in evaluating the past and present status and in laying a road map for the future will result in exciting times ahead.

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The office is located in Cary next to the Baptist State Convention building. Visitors are welcome and are encouraged to stop by for professional assistance or just to say hello.

North Carolina Baptist Hospital

Founded in 1992, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING: Our healing team consists of 5,852 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806 bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. with 15-40 chaplains present at various

times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

POINTS OF EXCELLENCE:

(1) The Joint Commission on Accreditation of Healthcare Organizations ranks Baptist Hospital in the top 9% of all hospitals in the nation.
(2) We performed our first pancreas transplant and first double organ transplant (pancreas and kidney) this year.
(3) We are one of only 26 comprehensive cancer care centers in the nation, treating more cancer patients than any hospital from Baltimore, MD to Atlanta, GA.
(4) Quality infant through adolescence care in our Brenner Children's Hospital.
(5) Our neonatal transport team is the largest in N.C. and one of the 10 largest in the U.S.
(6) Our Level I (highest awarded) Trauma Center has 2,100 admissions a year.

SUPERB FINANCIAL STEWARDSHIP: In the midst of escalating health-care costs, we have a proven record of excellent stewardship.

(1) The latest report of the N.C. Database Commission comparing hospital major services charge vs. Baptist Hospital reveal, for our most frequent diagnoses: Duke-36% higher; Carolina's Medical Center (Charlotte)-36.5% higher; UNC-Chapel Hill-28% higher; Average statewide-9% higher
(2) We are one of only 17 similar hospitals nationally with a "AA" bond credit rating.
(3)Averaging the last two years and the projection for 1993, the Consumer Price Index will average 3.9% and the Medical CPI will average 9.7%. Baptist Hospital charge increases for the same period will average 3.3%, well under both the above mentioned indexes.

BAPTIST BENEVOLENT CARE FUND: Last year Baptists across our state gave $422,000 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals helps make this ministry possible and we are grateful.

In conclusion, it is readily seen that this healing ministry we share together says to our patients and their families: "We care about your health-care needs, your spiritual and emotional needs, and your financial burdens, and we express our caring through service."

Remarks to Liberty Baptist Association by Bob Dunning, Director of Patient Relations:

I bring greetings from NCBH in Winston-Salem, and from my co-worker, the Rev. Bill Yates, director of Church and Community Relations at the hospital. He sends his regrets that a previous commitment prevented him from being here this morning, but I am pleased that he asked me to come in his place.

For those of you who have been to our facilities recently you know that it is indeed a busy place. It seems as if growth and change has been a vital part of the hospital's existence since it opened it's doors in 1923-with 80 beds. The growth has been phenomenal over the years and now we are a major medical center-a facility of 806 beds.

*specialized pediatric care for children in our Brenners Childrens Hospital.
*an elite group of being one of only 26 Comprehensive Cancer Centers in the United States
*a trauma center aided by the Air Care medical team where a helicopter

frequently flies to various locales around the state and region to air lift severely ill or injured individuals back to the hospital for treatment.

*we have established a Health on Call program-where you can call and talk to a health care professional and receive guidance, have someone answer your health questions or make an appointment to see a doctor.

*there are 70 specialty areas of medicine represented at the Medical Center.

At the same time, all that we are doing with our care is done with good cost-conscious practices and financial stewardship. We have one of the lowest per patient costs of any of the teaching institutions in our state. On average, our costs are about 10% lower than all the hospitals in North Carolina who provide similar care.

So a lot of growth and change have already taken place but more is yet to come. Presently, another addition is being made which will house a larger, expanded emergency department, an 800 seat cafeteria and will change our room availability from 30% private rooms to 70% private. Completion is expected in 1995.

*Construction continues at the Medical School on the Center for Research on Human Nutrition and Chronic Disease Prevention. When completed, this 58 million dollar facility will explore ways of preventing illness by studying the relationship of disease to what we eat.

*And yet to come is the start of construction on the J. Paul Sticht Center for Aging which will be a 90 bed facility providing specialized care for our elderly population.

This continued growth over the years has been possible largely through the generous financial support and the prayerful support of Baptists throughout North Carolina. The major purpose of my visit today is to say thank you again for your continued support in both these areas. Financially, in 1993, the 3,500 churches in the state have contributed over $1,000,000 to the ministry and care provided by Baptist Hospital. These funds are used in two major ways:

1. To support the school of Pastoral Care where chaplains are trained to go into churches, institutions and a variety of other ways in which they can fulfill their call.

2. The Mother's Day offering goes to provide benevolent care which is administered through the office of Church and Community Relations. These funds are used for people who for a variety of life circumstances are unable to pay all of their hospital bill. After extensive scrutiny and checking on other available resources, this money historically has been used to help those who otherwise may have lost their homes, automobiles or had to file bankruptcy. Their stories are numerous and often heartbreaking but your offerings provided help and thus rescued them from potential devastation.

On behalf of those hundreds/thousands of people you have helped through both your financial and prayerful support of our institution, I thank you and say God Bless You!

State Missions

North Carolina Baptists have never faced a greater challenge for missions than is before us today. Over 2,000,000 people in North Carolina are unchurched. More than 50,000,000 people visit our resort areas every year, each one representing an opportunity to share the Gospel of Jesus Christ. Our state is becoming a haven for families who want to settle between the cold winters of the north and the hot summers of Florida. Many of these families are unchurched. The number of people with special needs, such as visually and hearing impaired and mentally handicapped, continues to grow. Our prisons are bulging with over 20,000 inmates. The multi-ethic population of the state is growing faster than any other segment of our population. Already over 100,000 Hispanics have settled in our state. The Asian segment of our population will grow by over forty percent by the year 2000. Many of the multi-ethic calling North Carolina home are without Christ as Lord and Savior.

Assisting churches and associations of the Baptist State Convention in

reaching people for Christ and ministering to them is the task of the Mission Division. Our mandate comes from the Baptists of the state who hold missions up as a cornerstone of our Baptist Heritage. The Division organizes its work through its departments to meet the mission needs of the state.

Over 100 Southern Baptist Chaplains in the state are supported through the chaplaincy work of the division. New language missions are started in our language department and existing ones are continuously supported. We now have 97 language-mission churches in the state. People with hearing impairments are assisted through our deaf ministries. We have several deaf churches in the state. Our special ministries work also touches the lives of visually impaired and mentally handicapped people. Seminary extension courses are offered through over 100 training centers in the state. Bivocational ministers receive special assistance for their work. Eighty-four new mission-type churches were started in Anglo communities last year. Existing churches that are plateaued or declining receive special assistance for assessing current needs and projecting long-range possibilities. Multi-housing communities are touched through consultants who work across the state. The work of Baptist Associations is strengthened through the association development programs of the division. Through training Missions Development Councils, Baptists all over the state are discovered in that every Christian can be a missionary. Families in military communities experience the love of Christ through our military ministries.

"The fields are white unto harvest"....and the Mission Division of the Baptist State Convention seeks to point to the fields and lead Baptists in reaping the harvest. Your continued support through the Cooperative Program and the State Mission Offering is essential to achieving the vision Christ set before us.

Respectfully submitted,
Carol Johnson

SOUTHERN BAPTIST CONVENTION REPORTS

Christian Literature

We as Southern Baptists are most fortunate to have literature available to teach and train us in all areas of our Christian growth and ministry.

In Sunday School we have material written and designed for each age level from toddler to senior adults. The Scriptures are explained in terms that we today can understand and relate to. For ease in reading, the senior adult quarterly is in large print. There is also a choice of Convention Uniform, Life and Work, or Bible Book series available.

Every member of the family can find their place in Disciple-ship Training. There is material for learning all about what Baptists believe and how to use that knowledge to win others to Jesus for all age groups.

Through our Home Mission Board and Foreign Mission Board we have many publications to inform us about what our missionaries are doing, where they are serving and their needs. Some of these are *The Commission*, *Missions USA*, *Royal Service*, *Contempo and Dimension* to name a few. From toddler to teen to adult there is material to teach us how to..."Go ye therefore and teach all nations.." Matt. 28.19.

For help in daily living and devotional time we have *Open Windows*, *Mature Living*, *Home Life*, *Singles Magazine*, *The Student* plus many more. Each is written for a specific age level with articles to inform and instruct us in daily Christian living.

Vacations Bible School is a time of Concentrated study. We have scripture lessons and a wide variety of resource materials to aid in the learning process for all age levels. Also there is material for helping in most positions of service within the church, such as for the Pastor, Youth Leader, Church Clerk and the Music Ministry.

In North Carolina we have the *Biblical Recorder* to keep us up to date on local church news, as well as what Baptists in North Carolina and the Southern Baptist Convention are doing. The Recorder also offers Church News Service which

allows churches to use the Recorder cover as a weekly newsletter.

With all these resources from which we can learn, study and grow as Christians we as Baptists should be very thankful. We have freedoms and opportunities which for many are unheard of. Let us "Study to show ourselves approved unto God..." II Tim. 2:15

Foreign Missions

Most of this report is taken from the Foreign Mission Board annual report for 1992: "Your Bridge to the World: Yesterday, Today, and Tomorrow."

The basis thrust of our work overseas is to lead lost persons to know Jesus Christ as Savior and Lord and to bring them into New Testament churches. Let's look at some of the increases the Lord has brought about.

Baptisms and churches: There were 251,901 new Christians who were baptized through churches related to Southern Baptist efforts. Moreover, 1,606 churches were begun, bringing the total number of churches related to our work to almost 33,000 - plus about 24,000 preaching points. Total membership of these churches and preaching points is nearing 3.5 million persons.

Volunteers: More than 11,000 Southern Baptists served as volunteers alongside missionaries and other overseas Baptists. North Carolina Baptists have begun a partnership with the Baptists of the Ukraine.

Missionaries: The Board appointed 414 missionaries, bringing the total at year end to 3,893. (At the end of June, 1993, there were 3,978 missionaries serving directly in 129 countries and assisting in about thirty other countries.)

Financial Support:

Lottie Moon Christmas Offering - $81.4 million
Cooperative Program Gifts - $69 million
Relief and Hunger Funds - $ 7.4 million

Leadership: Dr. Keith Parks, President of the Board, retired in 1992 and was followed by interim president Dr. Don Kammerdiener. On June 14, 1993, the trustees of the Board elected the Reverend Jerry Rankin as president.

Challenge: As we move towards the goals of Bold Mission Thrust, how bold are we? How bold when we keep most of the financial and personnel resources in our own homeland? How bold when we neglect to pray for the millions who have never heard of Christ? How bold when we expect the Lord to call others without laying our own lives on His altar?

Lord, help us to be truly bold!

Roy E. Snell

Home Missions

To reach the entire world with the Gospel by A.D. 2000 is the goal which was set by Bold Mission Thrust, the emphasis adopted by the Southern Baptist Convention in 1978.

Some of the highlights of our Home Missions and Special Ministries include: We have 41,922 missionaries and personnel supported by the Home Mission Board. There were 44,030 people led to profess faith in Jesus Christ in 1992. More than 71,700 Southern Baptist adults, college students and youth group members volunteered to do home mission work in 1992. The Home Mission Study for 1993 was about how Southern Baptists can expand their missions force by multiplied thousands through the use of long-term and short-term volunteers. We now endorse 567 chaplains and pastoral counselors to using agencies. Now altogether more than 2,293 Southern Baptist serve as chaplains and pastoral counselors.

In 1992, the United States experienced one of its' worst disasters ever when Hurricane Andrew hit Dade County, Florida. It left a quarter of a million people homeless. State and home missions coordinated and sent 14,000 volunteers who served two million meals, helped rebuild houses and churches and ministered to many of the elderly from the nursing homes.

Our workers in 23 Crises Pregnancy Centers received Home Mission Board

training to work with mothers pregnant with unwanted children. As a result of their work, 2,164 babies were born and 834 women made professions of faith.

The Annie Armstrong Easter Offering for Home Missions raised over 37 million dollars in 1992, This was up 5.89 percent over 1991. The goal for 1993 was 38 million and every dollar will go directly to missionary support. North Carolina gave $4,118,427 to the Home Missions Offering. Any money beyond the 38 million in 1993 will be used to start churches. 1,138 new congregations were formed 1992 in the Southern Baptist Convention, compared to 1,021 in 1991. Statistics show that 50 percent of Americans do not attend church. Nationwide, 325 counties have no Southern Baptist Churches. Seventy percent of Southern Baptist Churches have plateaued or declining in membership.

(1) The duties of this committee shall be to act for the Association in all matters of business and activities between annual meetings, to call the Association in special session when necessary, to fill any vacancies that may occur between annual meetings among the Associational officers, the Executive Committee or the Committee on Nominations. (5) To fill vacancies which may occur between annual meetings of the Association on committees and among persons to prepare or bring annual reports which are nominated by this Committee on Nominations.

BYLAW IX — AMENDMENTS

Amendments to the Bylaws may be made at any session of the annual meeting of the Association when presented in writing and approved by a majority of the messengers present and voting.

Standing Resolutions

Ordination of New Ministers

It is strongly recommended as the position of this Association:

1. That, when a church desires to put forth a candidate for examination and approval for ordination to the full work of the Gospel Ministry, an Examining Council composed of a committee of five elected by the Association in annual meeting, plus the pastors and one layman from each cooperating church in the fellowship of the Liberty Baptist Association, be summoned by written invitation of at least one week in advance from the church nominating the candidate.

2. That the examination of the candidate be conducted by the Examining Council and that a report of its findings be given to the nominating church. If the report is favorable the nominating church will set the date of ordination and notify the member churches.

3. That we ordain only those who have received a definite call to become a pastor, an associate pastor, or an educational director of a Baptist church on regular standing in the Association or those who have felt a call to the mission field, the chaplaincy of our armed forces or the chaplaincy of a public institution whose church shall have requested in writing his ordination before the call of the ordaining council shall be approved.

Policies for the Establishment of Missions

1. Definite sponsorship by an established church.
2. Sponsoring church to work in cooperation with Associational Missions Committee.
3. Sponsoring church to retain control of Mission until such time as the church and the Associational Missions Committee agree that the Mission is self-sufficient.
4. Sponsoring church to call Mission pastor and select all workers in the Mission.
5. Sponsoring church to encourage Mission from the beginning to give a definite percentage of the offering plate dollar through the Cooperative Program and Associational Missions.
6. Sponsoring church should insist upon a full and well-defined program of Southern Baptist Work in the Mission, using the Southern Baptist literature.
7. Sponsoring church to work with the Associational Missions Committee in properly locating the Mission.
8. Sponsoring church to work with the Mission in planning of new buildings, using the services of the Church Planning Department of the Baptist State Convention.

Organization and Admission of New Churches

Recognizing the right of the Association to determine its own membership and being aware of the importance of the manner in which the churches are organized, we recommend that any group of individuals desiring to organize themselves into a new church with the purpose of seeking recognition of and fellowship and cooperation with the Association be requested to meet the following standards:

1. Notice shall be given to the Moderator of the desire to organize a church before any such organization takes place. The Moderator will then ask the Missions Committee to study and pass upon the need for and the practicability of such an organization.

2. That the location of said church shall be sufficiently removed so as not to interfere with the work or encroach upon the territory of the churches already affiliated with the Association. This will be determined by the Missions Committee.

3. Upon being approved by the Missions Committee the group will then request this committee to examine the church covenant, articles of faith, and constitution (if a constitution has been adopted) of the proposed church. Should the committee approve the covenant, articles of faith, and constitution, the group will proceed at a later date to be constituted into a Baptist church of the same faith and order.

One Hundred Sixty-Second Annual Session

Liberty Baptist Association

Tuesday Afternoon, September 27, 1994

RICH FORK BAPTIST CHURCH

Thomasville, North Carolina

"Here's Hope - Share Jesus Now" was the theme of the 162nd annual session of the Liberty Baptist Association.

Charles Penley, Moderator, called the opening session to order. Rodney Douglas led in the singing of hymns "Joyful, Joyful, We Adore Thee" and "The Wonder of It All".

Rev. Hugh Whitfield, Pastor of Smith Grove Baptist Church, brought a message using text from Acts 8:26-38. People are wondering today-"where's the hope?" They are searching for something to fill the void in their lives. He has called us as Christians to share Jesus as the Hope of the world. The message is urgent and we have the responsibility to share Jesus now!

Gail Beck, Associational Clerk, made a motion that those messengers had registered, and those who would register constitute the 162nd meeting of the Liberty Baptist Association. The motion was seconded and carried.

Rev. Byron Barker, Pastor of Rich Fork Baptist Church, gave a formal welcome to those present for the meeting and gave direction for the various facilities of the church.

In the absence of Lowell Askins, Byron Barker, representing the Program Committee, recommended the adoption of the Program for the 162nd Annual Meeting of the Liberty Baptist Association. The motion carried.

Rev. Coley Rimmer, Jr., pastor of Reeds Baptist Church, made a motion that Mrs. Gail S. Beck, a member of Liberty Baptist Church, be elected as Clerk for the coming year. The motion carried.

After making a correction to the list, which is a part of the Book of Reports, Dr. Richard H. Capps, Director of Mission, recognized the New Pastors and Staff: Darken Battle, Interim Pastor, Thomasville, First, Thomasville; Chris Bitterman, Missions Pastor, Central, Lexington; John C. Brock, Minister of Music/Youth, Jersey, Linwood; Hollis Gunn, Lay Involvement Minister, Churchland, Lexington; R. N. Hardin, Interim Pastor, Stoner's Grove, Southmont; Gerald Hewitt, Interim Pastor, Trinity, Welcome; Brooks Hunt, Interim Pastor, Liberty, Thomasville; Bob James, Minister of Education/Administration, Rich Fork, Thomasville; Mike Lee, Interim Associate Pastor, Thomasville, First, Thomasville; Kip McBride, Pastor, Tyro, Lexington; Fred Miller, Pastor, Floyd, Lexington; Bill Morrow, Interim Pastor, Victory, Thomasville; David Shaffer, Associate Minister of Education and Outreach, Coggins Memorial, Lexington; Markus Sink, Pastor, Park Place, Thomasville; Walt Thompson, Interim Pastor, Clearview, Lexington; and Vernon Williams, Interim Pastor, Cedar Lodge, Thomasville.

Rev. Gary Myers, Chairman of the Missions Development Council, recognized those who had served during the previous year on the Missions Development Council and the Transition Committee. He gave highlights from the meetings which were held during the year (minutes are included as a part of this annual). A recommendation was made to the Annual Session from the Missions Development Council and Transition Committee combined, that we accept the restructure of the association as set forth on Page 49-50 of the Book of Reports. The motion passed. At the conclusion of his report, representing the Credentials Committee, Rev. Myers read a letter received from Walter's Grove Baptist Church addressed to the Director of Missions: "In accordance with Article 2, Section 2 in the Constitution of the Liberty Baptist Association, which states, "Member churches may also withdraw at their pleasure", our church, the Walter's Grove Baptist Church, voted in conference on September 14, 1994 to disassociate ourselves and to no longer be represented in the Association, either by person or by Letter, and respectfully request that the name of our church be removed from your mailing list. This action was put before our church as a recommendation from the Deacons. It received a motion and a second and the congregation was given opportunity to discuss the motion. When the vote was taken, it was unanimous. There was no vote of opposition. We ask that you please remove our name. Thank You. Respectfully, Pastor, Tim Gammons." Rev. Myers made the motion that the request for withdrawal from the Association be accepted and that a letter be sent to them thanking them for past support. The motion was seconded and carried.

Charles Penninger, Jersey Baptist Church, presented the Treasurer's Report and it was approved. Dr. Richard Capps presented a plaque of appreciation to Charles Penninger for his nine years of service to the association. The inscription was as follows: "With sincere appreciation, presented to Charles Penninger, Treasurer, Liberty Baptist Association, nine year of faithful service 1985 to 1994. Annual Meeting, Liberty Baptist Association, Rich Fork-Oak Hill Baptist Church, September 27-28, 1994. 1 John 2: 5, Acts 1:8." Dr. Capps commended Charles for his service and his wife, Vera, for her support. A monetary gift was also presented to them for personal use.

The Finance Committee report was presented by Raleigh York, Jr., Carolina Memorial Baptist Church. He recognized the members of the finance committee and thanked them for their assistance: James Beck, Charles Penninger, Earl Rogers, Lional Wall and Larry Yarborough. He also thanked Richard Capps for his assistance and Gail Beck for her secretarial assistance. He proposed the adoption of a new budget for the year 1994-95 and pointed out the note pertaining the suggestion for the church to support Associational Mission by giving a percentage of undesignated income. The request being for a maximum of 5%, with each church increasing their percentage by 1/2 to 1% a year until the goal of 5% is reached. This would allow the Association to be self-supporting in all the ministry endeavors. Since this budget is much higher than the previous year, Rev. Roy Queen, Holloways Baptist Church, raised the question of where adjustments would be made if the funds were not forthcoming to meet the budget. Dr. Richard Capps pointed out that there several items which were spent last year which were one time items i.e. moving expense, office machinery. The budget is a guideline to be used and hopefully our churches will respond to the suggestion made to increase the percentage of undesignated offerings. After discussion, the Budget was approved by a standing vote.

The Executive Committee report was presented by Gail S. Beck, Associational Clerk, as follows:

EXECUTIVE COMMITTEE REPORT

November 1993 - September 1994

FINANCE COMMITTEE: In February, Theresa L. Matthews, CPA, completed the audit of the Association books. Raleigh York, Jr. presented a recommendation from the Finance Committee that member churches be asked to include in their 94-95 budgets a designation for the support of the Association with an ultimate goal being five percent (5%) of undesignated offerings. Finance Committee recommended that we again retain Theresa Matthews, CPA, to do a review and audit of the Association books for the year 1994.

Finance Committee Policy Statements were adopted and become a part of the Policy Manual: 1. Reimbursement of travel expenses in accordance with IRS guidelines; 2. Written requests for travel expenses prior to trips with review by Finance Committee; 3. Standing Program Committees and Councils requested to submit written requests for line items in budget; 4. $300 petty cash checking account established for office; 5. Association to maintain a Reserve Account for major emergency expenditures.

MISSIONS DEVELOPMENT COUNCIL: Recommended we enter into the NY partnership time with Thousand Island Baptist Association, New York. Recommended the use of used church literature and religious books/hymnals by sending them to book-link for use by Home and Foreign missionaries.

Migrant Ministries

(1) Request funds up to $800.00 for expenses of Summer Workers in our Migrant Ministry from BSCNC State Missions Offering-Summer, 1994. (2) Request a Cooperative Agreement of $800.00 for Migrant Ministries from BSCNC for Summer, 1995. (3) Request of the Language Missions Division, BSCNC, a Summer Worker, 1995 from the Hispanic Seminary, San Antonio.

Made a request to the Language Missions Division BSCNC for start-up funds for a Cambodian Mission to be sponsored by and housed in North Lexington Baptist Church, Lexington. Requested that our DOM contact Bob Watson, Church Extension, BSCNC, to sponsor a People/Population Probe of Davidson County to discover the needs...lifestyles, unchurched people, ethnic kinds of people and numbers, etc. After the information is compiled, pastors and two lay people from each church would be invited to attend a meeting and receive the information.

Recommended Central Baptist Mission be accepted under the Watchcare of Liberty Baptist Association.

TRANSITION/MDC JOINTLY:

1. Organizational Structure of Liberty Baptist Association (Policy Manual Item) (Page 49)
2. The Area Church Groupings (Policy Manual Item) (Page 48)
3. Leadership Chart (Policy Manual Item)
4. Policies for the Establishment of a Mission/New Church (Policy Manual Item)
5. Policies for the Sponsoring of a Mission/New Church (Policy Manual Item)

TRANSITION COMMITTEE: Carol Newsome, Carol's Cleaning Service of Lexington be employed to clean the office twice a month. The Transition Committee recommends in the future that we have an Associational Council. The organizational function is where you address the issues related to the program areas of the Association, you set your calendars dates, you set your priorities, work together and have dialog between the different Councils. The Mission Development Council will now become our missions implementation organization.

BROTHERHOOD: The Brotherhood emphasized the necessity of providing salary for Ukraine pastors at $69 per month. Holloways Baptist Church offered to purchase a vehicle (6'x12') equip it, provide maintenance and storage, provided Liberty Baptist Association fund the cost of the equipment which will be approximately $2500. This has been accomplished as evidenced by the dedication of this vehicle later today.

EVANGELISM: The Evangelism Council is moving forward in preparation for the Here's Hope revivals which will take place in the spring of 1995.

PERSONNEL COMMITTEE: Recommended the acceptance of the Job Description of the Director of Missions. The Job Description of the Administrative Secretary/Clerk will be presented at the November Executive meeting.

YOUTH MINISTRY COUNCIL: For the first time, the Youth Ministry Council sponsored a Youth Retreat July 11-15, 1994 at Look-Up Lodge in Traveler's Rest, SC with Michael Capps, a Christian entertainer and youth Bible preacher, as leader of the retreat.

CONSTITUTION AND BYLAWS: The Constitution and Bylaws Committee recommended the adoption of the Resolution for Procedure for Incorporation. This comes as a joint recommendation from the Constitution and Bylaws Committee, the Transition Committee and the Missions Development Council. The Constitution and Bylaws Committee recommends that there be three feedback meetings for discussion of the Bylaws and Incorporation: October 6 at Coggins Memorial; October 20 at Denton, First; and October 27 at Oak Hill. After these meetings there will be a called Annual Meeting of November 21, at Rich Fork, for the purpose of voting on Incorporation. We will have given opportunity at three meetings for discussion and they will take under advisement anything which has been discussed or recommended at these meetings.

OTHER BUSINESS: In the February meeting, Dr. Capps shared a letter received from the Pastoral Care Counseling Center that the center would be closed due to lack of referrals and the fact that it may not be financially feasible to keep it open. For the first-time a Multi-Housing Conference was held Thursday, February 24, 1994. This provided opportunity for the Association to see how we can minister to those areas which are so closed to the church...apartment complexes, mobile home areas, low income housing, condos, resort property, etc. Also a first, a commitment, dedication and orientation service for the Migrant Ministry will held on May 22, 1994 at the Association Office for all leadership of our Summer Migrant Ministries.

DIRECTOR OF MISSIONS: (Dr. Capps will be presenting his report later)

Mr. Moderator, I move the adoption of this report. The motion carried.

Coley Rimmer, Jr., Reeds Baptist Church, recognized the members of the Nominating Committee: Byron Barker (Rich Fork), Dallis Lewis (New Friendship), Marvin Atkins (Carolina Memorial), and former member Marcus Campbell (Victory). He also thanked Gail Beck and Richard Capps. Andrew Royal, Jr. (Southgate) was added as a member of the Evangelism Council. Recommendation was made by the Nominating Committee Chairman that the report be adopted as amended. The motion carried.

Rodney Douglas led in the singing of "There's Power in the Blood." Afterwards Mrs. Marlene Lambeth presented a report from Alpha Pregnancy Support, Inc. (copy included in annual.)

During the time of Miscellaneous Business, Moderator Charles Penley, pointed out the Nominating Committee for 1994-94 which is a part of the Book of Reports. A survey was given as a part of the materials given to each person attending. The survey pertains to the meeting dates and times of the annual meeting. Each individual was asked to complete the survey which will be used to help determine the best possible times for meeting.

Richard Capps pointed out the division of the Book of Reports into two areas-those pertaining to the our Association and those pertaining to State and National Convention. Dr. Capps emphasized the information given pertaining to Mundo Vista, correcting the previous figure needed from $25,000 to $20,500 due to the use of volunteer labor, and encouraged churches to participate in the work at Mundo Vista.

Brenda Emmons presented the report from the Migrant Ministries Council, also showing slides from various aspects of the ministry. Mike Rinehardt, also on the Migrant Ministries Council, thanked those members of Liberty Baptist Church who provided transportation for the migrant workers. Sandy Motley presented the report from Davidson Medical Ministries Clinic (copies included in annual.)

Rev. Byron Barker read scripture from Proverbs 29:13 and John Gwaltney provided an inspirational solo "I Bowed on My Knees and Cried Holy."

Pastor of Rich Fork, Rev. Byron Barker, presented the annual sermon. He pointed out that the church of the 90s that God is blessing is the one that exalts the worship of a living God, captured a vision of reaching people with the gospel, and a church that is willing to take risks.

Charles Penley shared prayers requests: Debbie & Barry Wagner, children of Rev. and Mrs. Tommy Wagner (pastor at Southside) who are in Britthaven Nursing Facility; Mrs. J. A. Richardson who has cancer, wife of Rev. J. A. Richardson, pastor of High Rock Baptist Church; Mrs. Mary Jones, mother of Rev. Roy Queen, pastor of Holloways Baptist Church; Rev. Lowell Askins, pastor of Coggins Memorial, recovering from out-patient back surgery, and Mrs. Ruby Lowman, who has cancer, aunt of Gail Beck. Rev. Penley dismissed with prayer for the

evening meal.

Following a delicious evening meal served by members of Rich Fork Baptist Church, Rodney Douglas led the congregation in singing "To God Be the Glory."

Rev. David Shaffer, Associate Pastor of Coggins Memorial Baptist Church, shared the Theme Interpretation message and took his scripture from I John 3:1-5. How do we, as the people who have hope, go forth and share Jesus Christ so that we can see revival in our land today? Hope is among God's people and it is our responsibility to share the good News of Jesus Christ with the world.

A history of Rich Fork Baptist Church was presented using a video showing the beginnings or Rich Fork, pictures of the devastation caused by the fire which destroyed the church in 1986, and the present day building program which is in progress. Today Rich Fork is know as the "Fellowship of Excitement!"

Judy Wood, Chairperson of the Constitution and Bylaws Committee, presented the report, which included a recommendation for incorporation of Liberty Baptist Association. (**Note: Proposed Articles of Incorporation and Bylaws are on pages 92-110)** James Snyder, Jr. then presented a Resolution for Incorporation which is as follows:

RESOLUTION OF EXECUTIVE COMMITTEE
FOR PROCEDURE FOR INCORPORATION

WHEREAS, the Executive Committee of the Liberty Baptist Association appointed a Constitution and By-Laws Committee to study the relative merits of incorporation by the Association; and,

WHEREAS, said committee diligently has gathered required information and has recommended such incorporation and pursuant thereto has drafted proposed Articles of Incorporation and By-Laws for the Association in corporate form; and,

WHEREAS, it is deemed in the best interests of the Association that the Executive Committee recommend to the Association incorporation by said Association and an established procedure to provide to the messengers of the Association (and therefore to their respective churches) full and adequate information and opportunity for feedback and discussion with regard to the issue of incorporation and the particulars of required corporate documents.

NOW, THEREFORE, BE IT RESOLVED:

A. That the Executive Committee recommends to the full Association that it consider and favorably resolve that the Association adopt a corporate form;

B. That the proposed attached documents required for incorporation, including but not limited to the Articles of Incorporation and By-Laws, be reviewed and adopted;

C. That a full and ample procedure be provided to the messengers of the Association and the respective member churches to offer feedback to the Constitution and By-Laws Committee of the Association; and

D. That the Constitution and By-Laws committee and others with knowledge provide information to messengers (and therefore directly and vicariously to member churches) that will edify them regarding the incorporation process and the relative merits with regard thereto, and in furtherance thereof that the following procedures be adopted by the Association at its annual meeting and adhered to as a process for considering and voting on whether to incorporate, and in the event of corporation, the content of required documents, which procedures should be as follows:

1. The Director of Missions would disseminate to each member church a number of copies equal to the number of messengers of each respective church.

2. Three special meetings of the Association, duly called, would be held on October 6, 1994 at Coggins Memorial Baptist Church in Lexington; October 20, 1994 at First Baptist Church in Denton; and on October 27, 1994 at Oak Hill Memorial Baptist Church in Thomasville (all meetings will begin at 7:00 pm), to be denominated "Feedback Meetings of Liberty Baptist Association for Discussions Regarding Incorporation".

3. That the aforementioned three meetings would provide full, adequate and ample opportunity for messengers and therefore member churches to receive information and make recommendations regarding incorporation and the content of corporate documents.

4. That all information received at said three meetings would be of a recommendatory nature to the Constitution and By-Laws Committee which would do all within it ability reasonably to attempt to conform proposed corporate

documents to the desires of majority of messengers of the Association and therefore member churches of the Association.

5. That any votes on specific matters at said meetings would be non-binding but would be utilized by the Constitution and By-Laws Committee in every reasonable manner to effect the desires of the messengers and therefore member churches of the Association.

E. That two special sessions of the Association would be held on November 21, 1994, the first to effect discussions and make amendments, if any, to proposed corporate documents and the second to vote on the issue of whether to incorporate and to approve or disapprove of a final draft of proposed Articles of Incorporation and By-Laws of the Liberty Baptist Association as an incorporated body. Any new information brought forward during the first session on November 21, 1994 shall be referred to the Constitution and By-Laws Committee for consideration at the next annual meeting of the Association.

F. In the event a majority of those messengers in attendance at the second November 21, 1994, special session of the Association in the affirmative approve incorporation of the Association and approve adoption of the corporate documents proposed, the Association would move to incorporate and utilize the proposed corporate documents approved at the earliest time thus signifying the legal organization of Liberty Baptist Association as a corporation and approving the transition of the current Liberty Baptist Association into Liberty Baptist Association, a North Carolina Corporation, and the ultimate transfer of all assets of the current Association to the Association in corporate form.

The Constitution and Bylaws Committee presented this recommendation, it was seconded, and passed unanimously by standing vote. (Copy of proposed Articles of Incorporation and Bylaws are included as part of the Minutes).

Richard Capps, Director of Missions presented his report using scripture from I Cor. 10:31-33. R. N. Hardin presented a report and video on the Disaster Van, thanked Rev. Roy Queen and the members of Holloways Baptist Church for their initiation efforts. The recovery vehicle was dedicated for service to others wherever it may be needed. Rev. Hardin also pointed out that the vehicle was parked outside the entrance to the church for everyone to view it. Rev. Roy Queen gave directions as to the location of the van and had the dedication prayer. Lynn Garner and Hazel Fritts presented a video and information on Mundo Vista (see complete report on Camp Mundo Vista) and encouraged everyone to participate in the renovation projects and efforts to raise $20,250 needed to refurbish a cabin which has been adopted by the Association.

Carl Hunt then presented a video about the International Seminary at Prague and gave information about a trip to Prague which will be in February.

Rev. Baker had an inspiring message about our need to "Share Jesus Now!" We are equipped with the power and truth of the Holy Ghost and He sends the comforter to be with us in all circumstances. Scripture was taken from Matthew and Proverbs.

Annual Sermon Highlights - September 27, 1994

The Church That Grows

Proverbs 29:18

1. The church in the 90's is the church that exalts the worship of a living God. Isaiah 6:1. People want an encounter with a living God. Their encounter with God is their encounter with us.
2. The church of the 90's is the place of hope. In a world of disorder, God gives us the answer-hope in Jesus Christ-the answer to man-the church that has a vision for reaching people. Nothing is more important than reaching people. Visionary leadership must be found in the life a pastor. Pastor and people need to dream the same dream. We are here to reproduce and reach people. Ministry begins outside the walls of the church.
3. The church of the 90's is the church that is willing to take risks. A growing church risks-not to be comfortable. Methods must change-the message stays the same. The eternal destiny of people is riding on our ability to dream.

LIBERTY BAPTIST ASSOCIATION REPORTS

ALPHA PREGNANCY SUPPORT, INC.

Alpha Pregnancy Support is a crisis pregnancy center like those all over this country, seeking to serve Christ by ministering to those desperately in need, and in particular-those facing an unplanned pregnancy. We service all of Davidson County including Thomasville, Lexington, Denton, Welcome and the surrounding areas. We have one paid staff member and the remaining trained counselors and office helpers are volunteers. We are operating on a budget of around $38,000. We have been receiving monthly support from several Baptist churches in this association, for which we are grateful. We also very much appreciate the annual pledge of $1,200 from Liberty Baptist Association.

We feel that this ministry is definitely a Home Mission effort. If the Lord were here on earth now, we feel that He would surely reach out with compassion to the girls we see who are frightened and desperate as they face the consequences of their actions. We don't judge, but we do point to the standards which God has given us. Since we receive no government support whatsoever, we are free to witness to our clients and we try to take every opportunity to apply lifestyle Christianity and direct witnessing as we feel the Lord leads.

We have seen over 350 clients in the last three years and have been able to point many girls to the Lord as well as prevent many girls from turning to the only option they thought they had-abortion. We see anywhere from 13 to 30 girls a month and try to offer free pregnancy testing, assist getting together the needed baby items, and occasionally provide temporary housing in emergency situations. We refer to maternity homes, adoption agencies, social services, and professional counseling as needed. We also do post abortion counseling and offer support groups for our clients.

All in all, there is a lot to do with few to do it, and limited funds, but with the Lord's help-we are making a difference in our area. It is our dream to find a larger facility and to be able to increase our budget to allow for an additional part-time employee. Thank you for your continued support and encouragement.

Respectfully submitted,
Marlene Lambeth, Director

ASSOCIATIONAL BROTHERHOOD

The Brother has enjoyed a great year during 1994. The Baptist Men were involved in numerous local mission projects as well as state, home and foreign mission projects. Several crews journeyed to Albany, Georgia to assist in the cleanup after flood waters began to recede; to Gardner-Webb University to assist in clean-up and repair after a storm hit; and to Lexington, South Carolina after a tornado struck. Our teams accepted each tragedy as an opportunity for missions and what a job they did!

A major project was the purchase and equipping of a Recovery Vehicle to be used by teams assisting after a disaster has truck. Rev. Roy Queen and members of Holloways Baptist Church challenged the Brotherhood that they would purchase a vehicle if the Baptist Men would provide $2,500 to equip the vehicle. The challenge was accepted, money was collected and the vehicle was fully equipped. During the annual meeting of the Association this vehicle was on display was dedicated during the evening service as an instrument in ministering to those in need.

Our thanks to all who helped to make 1994 a great year for Liberty Baptist Association Brotherhood.

Respectfully submitted,
R. N. Hardin, Brotherhood Director

ASSOCIATIONAL DISCIPLESHIP TRAINING

In Ephesians 4:12 we are reminded of the importance of "equipping the saints for the work of the ministry." One of the tasks of the Church is the spiritual development of believers.

Discipleship Training has as its primary purpose developing of believers for the work of ministry. Every church needs a Discipleship Training Program in order to better develop believers.

Many wonderful options in training are available through the Discipleship Training Department. It is the goal of the Liberty Baptist Association Discipleship Training workers to assist our churches in developing a Discipleship Training program which will meet the individual needs of each church. Our desire is to see believers prepared for and involved in service to our Lord Jesus Christ.

Respectfully submitted,
Stuart White, Discipleship Training Director

ASSOCIATIONAL EVANGELISM

Evangelism is set forth as a top priority in the New Testament. What place do we give it in our own lives? Your Associational Evangelism Council, through Festival Ministries, Here's Hope event, prayer and planning, has tried to make it a priority. While local evangelism projects are being continued, the major thrust of the Evangelism Council has been preparation for the upcoming HERE'S HOPE, SHARE JESUS NOW emphasis. This current Here's Hope simultaneous event unites all participating Southern Baptist Churches in 60 days of personal witnessing and soul winning efforts from January 9th through May 9th of 1995. It then follows with a Spring Harvest Revival effort. To help implement this in Liberty Baptist Association, we will be having a training opportunity for local church steering committee leaders in October, a WIN School for witness training in November, and a Prayer Breakfast in December. As your Associational Evangelism Council, we are excited about the great possibilities these events hold for the churches of Liberty Baptist Association. It is our prayer that churches and church members will catch the vision of what a concentrated witnessing effort can accomplish. The Evangelism Council would be happy to assist you in any way we are able as we work together to reach others for Christ.

Respectfully submitted,
Mike Motley, Evangelism Director

CAMP MUNDO VISTA

Our North Carolina WMU camp served approximately 1600 GAs and Acteens again this summer. During the past 26 years about 50,000 girls have attended summer camp at Mundo Vista, many of whom had life-changing experiences there.

Baptist Men and other volunteers added windows and doors to all twenty cabins. This is a part of the project to update Camp Mundo Vista and ready the facility for year-round use.

Additional work is currently being done in preparation for finishing the cabins and adding bathrooms to each. Some of the long range plans for Mundo Vista are dining hall renovations, add an additional dining area, an infirmary, a camp store, a swimming pool bath house, and a maintenance building. There are also plans for an adult lodge to be operated separately from the camp...the location being about half way down the mountain.

A fund-raising committee issued a challenge to each WMU lady to give $25 a year for three years-the equivalent of a fast food meal per month plus a dollar on the Lord's birthday. GAs and Acteens were challenged to give quarters at their meetings for a total of $5 over the three year period.

In response to the challenge to associations to adopt a project, Liberty Baptist Association adopted Cabin A in Unit 4. Our goal is to provide the funds ($20,250.00) and the volunteer labor to complete this cabin.

We feel that Mundo Vista is owned by God, managed by WMU and faithfully supported by the Brotherhood. We are "laborers together with God."

DAVIDSON MEDICAL MINISTRIES CLINIC

Here's Hope...but what is hope? Webster says it is "when you expect good to happen." But what happens when there is no hope left, when you have been turned down for help and resources are exhausted, when there is much more month left at the end of money, and when you are sick?

Most of us know what it is like not to get something that we want. All of us have had to make choices between things we would like to have and things we really need. Some of us even know what it is like to have more month than money, but few of us really know what it is like not to be able to hope. To feel like tomorrow holds no promise of being any better than today and probably worse. If we want to be really honest we don't even want to admit that it's happening right here in Davidson County and in the lives of our neighbors and in our church families. BUT IT IS! I see it every day.

Every day in my office at Davidson Medical Ministries Clinic I hear the stories of people with little or no hope. Mothers with small children that are sick and crying with no money to go to the doctors. People with chronic health problems like diabetes and high blood pressure that need to go to the doctor on a regular monthly or bi-monthly basis and need to be on medication for a lifetime. People that have put off going to the dentist until the pain is so bad that something must be done now and there's no option left but to pull their teeth. People that live on fixed incomes of approximately $500 a month and have medication bills over $200.

These are the people I listen to on a daily basis. There are thousands of them in Davidson County. Most when they call are desperate. Frustrated with a system that doesn't work like it could, depressed over current situations, and LOSS OF HOPE! These sounds I hear over the phone and see the expressions on their faces.

On any given day it is estimated there are at least 10% of the county without health insurance and access to healthcare. There are many more than cannot access the system that is supposed to help them. And yet, many more that manage to get to the doctor, but cannot get the medications they need to make them well or to sustain their lives.

Jesus taught by example. By His example he showed us that we are to care for the physical needs of our fellowman. He showed us that the physical and the spiritual are all intertwined and you cannon reach one and the other be left out.

If we are going to take seriously the them "Here's Hope...Share Jesus Now", then we have to take seriously the fact that people need us to help them see the doctor, the dentist and get the medications they need.

Davidson Medical Ministries is a non-profit, 501-C-3 charitable organization that is totally dependent on the aring of other people to be able to help. There are rules to follow, there are limits to services, and then there is eality! We cannon be all things to all people all the time. People that need help don't always get it. The need utweighs the resources.

BUT SOME DO GET HELP! This year our 3rd quarter statistics tell me we have over 2,300 patients. We ave filled over 7,000 prescriptions and we have done and estimated value of services of over $300,000 on less than 150,000 in actual receipts.

That is only possible because people like you are willing to care. Churches, individuals and businesses that ake DMMC part of their regular budget. Baptist men and women, Acteens and Challengers like some of you who re willing to donate four hours per month to roll up their sleeves and work!

Can we do more? You Bet! Are we the Best we can be? Not Yet! Reality sets in and tells me I have to cknowledge that clinics get closed because of a lack of key volunteers. And that right now we have reached well elow our emergency limits and we are not able to purchase any medications for our pharmacy. Our message of ope to the hopeless is weak right now. Can it be strengthened? Yes!!! But only if we take the challenge to share he love of Jesus like he showed us to those who hurt.

Sandy Motley, RN, Clinic Administrator

II. This year of transition has brought about healthy growth:

1. Commitment to Home Missions in the form or our New York partnership to Thousand Island Baptist Association.; to Foreign Missions by supporting the Ukraine and Grenada partnerships and by our commitment to send volunteers to the International Seminary in Prague.
2. Development of an Associational Council, Program Councils, Missions Development Council and Administrative Committees.
3. Employed Mrs. Gail Beck as Administrative Secretary.
4. We welcomed Central Baptist Mission, Lexington and the Cambodian Mission, which is sponsored by North Lexington Baptist Church, Lexington, as missions of the Association
5. Associational Youth Retreat at Look-Up Lodge in Travelers Rest, SC and saw 11 professions of faith, 22 rededications, and one commitment for foreign mission service.
6. The planned revision of Constitution and Bylaws with 13 new program councils and committees expanding the variety of ministry opportunities and training.
7. The development of a Reserve Fund for emergency expenditures and cash flow needs. A Petty Cash Fund using checks for a reimbursement system was done.
8. The Disaster Relief Recovery Trailer was built and furnished.
9. We increased the Support of Mission Ministries Section of the Budget by 55%.
10. The Development of a Policies Manual for the Association.
11. We also distributed an Annual Sessions Program Committee survey to determine the best for our annual meetings.

III. Now, we have challenges before us:

1. We must give careful consideration to incorporating our Association and the messengers are to review the proposed Articles of Incorporation and Bylaws as submitted by the Constitution and Bylaws Committee. A special called Annual Session November 21, will consider these documents.
2. Implementing our new program councils and committees work-especially the Association Council and Missions Development Council.
3. Encouragement of our churches to adopt a 5% support level and goals based on 1993 or 1994 undesignated income. The chart in our annual will be revised when 1994 income is reported.
4. The development of a children's Camp Ministry to focus on 4th-6th graders.
5. Here's Hope-Share Jesus Now-60 days witnessing. Here'e Hope-Jesus Cares for You revivals in Spring of 1995.
6. Associational Probe to discover where people live and potential new works or additional ministries for existing churches.
7. I plan to visit any churches I have not been to as of yet and also visit each pastor/staff minister, listening to their dreams and needs. I went to churches this year as invited. This kept my calendar full. I was in 32 different churches in our Association..
8. Bass Tournament Outreach at High Rock Lake in Summer of 1995.
9. International Seminary, Prague, Czech Republic and Ukraine/New York Partnership involvement.

Pray, serve and give - your support is a source of real blessing as I serve as your missionary in the Associational setting. Thank you for the opportunity to serve with our family of churches.

MINUTES OF THE EXECUTIVE COMMITTEE

November 22, 1993

Charles Penley, Moderator was unable to attend the Executive Committee meeting because he had to be at a uneral home in Winston-Salem. Stuart White, Vice Moderator, was also unable to attend due to a prior ommitment out of town. In their absence, Gary Myers was elected as temporary moderator.

Gary Myers called the meeting to order and asked for prayer requests. Rev. Lowell Askins led in prayer. Minutes of the last meeting were approved.

Copies of the financial report were distributed. There being no questions, motion was made and carried that the eport be accepted. The Finance Committee will be meeting on a quarterly basis prior to the Executive Committee and any requests should be provided them prior to their meeting. Gary Myers provided the following nformation: The railings are in place for the building and minor repairs (door bell and shelving) made for the Associational office. Since there has not been an auditor's examination of the Association books in the last everal year, it was recommended that we obtain an auditor to prepare a report. Gary Myers talked to three PAs personally who recommended that a procedure called Copulation and Review be performed. Mr. Payne of carboro in Thomasville gave an approximate figure of $400.00. Charles Penninger said the auditor he had nowledge of would charge $300.00. Gary also spoke with a Ms. Matthews, CPA in Thomasville, and she said he would give a review for a church or a non-profit organization at no charge. What she said she would do is he same as was indicated by the other CPAs. Gary made a motion to have Ms. Matthews prepare an audit and resent a report to the Executive Committee. R. N. Hardin seconded the motion and recommended that Ms. Matthews be sent a letter of appreciation from the Association. It was also recommended that she be given a gift r honorarium, determined by the Finance Committee, for her to use as she sees fit. The motion carried.

EVANGELISM: Rev. Mike Motley reported that the Associational Evangelism Council is meeting and is very usy. There was an insert in a recent mailing about Marriage Retreat of January 21-23, which is co-sponsored vith North Lexington Baptist Church. Dr. Bob Floyd can provide more information. Evaluation of missions rojects continues, giving out gospel tracts, ice water, the most recent being the barbecue festival in Lexington. Working with Here's Hope simultaneous Revivals and 60 days of soul winning emphasis which will be taking lace in the early spring of 1995. Video was shared about the World Championship Bass Tournament to be held t High Rock Lake in the summer of 1994. Dr. Capps further explained about this ministry about bass fishermen vho attend tournaments and share the gospel. Terry Chupp contacted the Association to promote an vangelistic outreach at High Rock Lake and at the Greensboro Coliseum. Mike Motley made a ecommendation on behalf of the Evangelism Council and the Missions Development Council to negotiate with Terry Chupp Evangelistic Association/Piedmont Baptist Association for sponsorship of ministry at the World Championship Bass Tournament-High Rock Lake, August 7-13, 1994. It was understood that other details vould be presented at a later time and it was also pointed out that we are negotiating and this is not a binding ontract. Dr. Capps stated that the presentation to the Executive Committee was simply to see if we want to do his. Piedmont Association has been notified but has not agreed to co-sponsor. Terry Chupp is going to contact he Home Mission Board to see if they will provide New Testaments and also the State Mission Board will be ontacted about funds. Piedmont Association will be approached to try to obtain the War Memorial Auditorium or the concluding event. The motion was carried.

MISSIONS DEVELOPMENT COUNCIL: The recommendations are as follows:

1. Enter into the NY partnership time with Thousand Island Baptist Association, New York. Dr. Capps told bout this ministry which is located in the northernmost part of New York close to Canada and has been going on for 1 1/2 years. We want to make them aware that we will supplement what they are doing in any way we an..youth groups, revivals, music groups, backyard bible clubs, etc. Most will be on a volunteer basis rather han a financial obligation. This is to begin a relationship with them and let them know of our willingness to help n any way we can. Two years probably left in partnership. The motion carried.

2. Discussion with BSCNC concerning Cooperative Agreements-Migrant Ministry, Hunger Projects. Dr. Capps xplained that 40 to 50 per cent of the money to State Missions goes into Cooperative Agreement relationships. Each year the State Convention makes portions of this money available to Associations who request it for the kinds

of ministries they are doing. Dr. Capps wants permission to negotiate with BSCNC for funds in 1995 for Migran Ministry and the Hunger projects, both with BSCNC and the Home Mission Board. It was also pointed ou that this funding could be available to ministries already in place such as the Davidson Medical Ministries, which i in need of funding. The motion carried.

3. Use of used church literature and religious books/hymnals by sending them to book-link for use by Home an Foreign missionaries. The WMU and Brotherhood Councils will be meeting and hopefully will agree to furnis money for postage to send the materials. In addition to books, pictures are needed. The motion carried.

TRANSITION COMMITTEE: Recommended that Carol Newsome, Carol's Cleaning Service of Lexington b employed to clean the office twice a month. Cost not to exceed $45.00 for each cleaning. The cleaning supplies vacumn cleaner, etc. are provided by her. The motion carried.

Dr. Capps thanked those who had contributed shampoo for the prison ministry. These will be sent to Raleigh.

BROTHERHOOD: Rev. R. N. Hardin expressed his appreciation to the Brotherhood groups...Greenwood' Brotherhood is being rejuvenated. Liberty Brotherhood for their barbecue which raises money for mission projects He has sent letters to all the Brotherhood organizations recommending that Brotherhood organization sponsor a chil at Mills Home for Christmas; that the Brotherhoods sponsor a minister for the Ukraine at $69.00 per month; and tha we provide an annual love offering to help defray the cost of the Baptist Mens' medical/dental bus.

OTHER BUSINESS: Roy Queen read a statement: In response to a request from the North Carolina Baptist Me that each Association acquire and equip a vehicle to be used in disaster relief efforts, Holloways Baptist Church offer to purchase a vehicle (6'x12') equip it, provide maintenance and storage, provided Liberty Baptist Association fun the cost of the equipment which will be approximately $2500. Because of other projects, this funding would nee to be obtained by May 15, 1994. The vehicle will be used to respond to any disasters situations in our area. Thi is an offer not a motion. Equipment needed would be generator, chain saws, hand tools, etc. R. N. Hardin state this had the full support of the Brotherhood. Coley Rimmer suggested that this go through the Brotherhoo organizations to promote and raise the necessary funding. Motion was made by Coley Rimmer that the Executiv Board recommend the Brotherhood promote this. Motion was seconded and carried.

DIRECTOR OF MISSIONS REPORT: Dr. Capps thanked those for being present. In the two months he ha been DOM, he stated he had participated in one revival, preached in more than seven churches, visited four churche in special recognitions services, not counting the barbecues. Led in one foreign mission study with two more to go participated in regional Brotherhood Conference and the Disaster Relief conference. He has had many pastoral call and counselling contacts. Asked that he be notified of any special needs of the pastors in the association. He ha met with Transition Committee and asked them to read J. C. Bradley's book about a Baptist Association. He aske that everyone pay attention to the three-month calendar in the newsletter each month for any changes that may b necessary. Dr. Capps reported on pastors' families or retired ministers who had illnesses which have caused them to have difficulties in preparing Thanksgiving meals. In the last Ministers' Conference, they voted to use the mone in the flower fund to provide meals for these three families. He did not share the names, but shared the response of love from the families. He asked any who could to go with him on Wednesday morning to deliver the meals Neither of these families would have had a Thanksgiving meal without this provision.

An Agenda will be provided each month and Dr. Capps asked that those who would be sharing reports let him kno prior to the meeting so it could be listed on the Agenda. He commended Charles for giving the financial report. Dr Capps pointed out that Rev. Garry Cook provided the direct phone number (919/472-6500) for the Pastora Counseling service. Also pointed out the explanation for NC Baptist Men Construction Teams which is include with the copy of the minutes. Dr. Capps also pointed out the literature racks in the vestibule, which were provide by Coggins Memorial Baptist Church and invited everyone to look at the literature provided. It was announced tha Jimmy Lancaster has resigned as Associational Discipleship Training Director and that he was accepted the pastorat at Jerusalem Baptist Church in Mocksville. Dr. Capps requested prayer for his family and said they will be movin here December 8, 9 or 10th. Joyce has still not secured employment and prayers are coveted on her behalf. Copie of the Ministers'/Staff list were available for those who may need it. Pastors have already been provided a copy o this. Information was provided about a Pastor/Spouse/Congregation conference at Caraway, sponsored by Counci on Christian Life and Public Affairs and Center for Congregational Health located in Winston-Salem. He also aske

hat the Associational office be made aware of changes or errors so our records can be up-to-date and accurate. Gary Myers recognized those attending the Executive Meeting for the first time and expressed appreciation for their ttendance. Motion was made and seconded to adjourn. Richard Capps closed the meeting with prayer.

Respectfully submitted,

EXECUTIVE COMMITTEE
February 3, 1993

Charles Penley, Moderator, called the meeting to order and asked for prayer requests. Rev. Stuart White led in prayer. Minutes of the last meeting were approved.

Copies of the financial report were distributed. There being no questions, motion was made and carried that the report be accepted. The Finance Committee will be meeting on a quarterly basis prior to the Executive Committee and any requests should be provided them prior to their meeting.

FINANCE COMMITTEE: Charles Penninger stated that Theresa L. Matthews, CPA, had completed the audit of the Association books and a copy of her letter has been made available to each person present. There were three items which she did not include as a part of her letter: 1. To make sure that the minutes of the Annual Meeting included the adoption of the budget. The minutes had not previously shown that the budget had been approved; 2. We had not been using vouchers for disbursements in the past and sometimes an invoice was not available to show what the monies were for. When Richard Capps came as Director of Missions, the voucher system was implemented immediately; 3. She also found that we have no Capital Asset File which would indicate the amount of property owned by the Association and the value of these properties. Ms. Matthews recommended that this be done. Charles Penninger stated that when the Finance Committee meets, this will be discussed. Copies of the Financial Report were distributed to those present and also line-by-line report indicating disbursements. Charles Penninger recommended the adoption of this report, it was seconded and the motion passed.

TRANSITION COMMITTEE: Rev. R. N. Hardin submitted the report in the absence of Chairman, Gary Myers. The Transition Committee has been meeting for quite some time and will continue to meet through the latter part of the year. The Committee members have been reading a book, A Baptist Association-Churches on Mission Together, which gives adequate outlines for the various areas of function within the Association. One thing that has been noticed is that the Missions Development Council has been functioning as the Associational Council. The Transition Committee recommends in the future that we have an Associational Council which will function as the Associational Council is structured. The Constitution and Bylaws Committee will eventually need to revise the Constitution and Bylaws accordingly. Richard Capps elaborated that we need to establish a clear delineation between Administrative Committees and Program Councils in our Association. The organizational function that brings all the heads of the Councils together is called the Associational Council and is the same as the Church Council in the churches. It is where you address the issues related to the program areas of the Association, you set your calendars dates, you set your priorities, work together and have dialog between the different Councils. This communication among our different program leadership is needed to have this type planning. The other side is to develop the Administrative side, the different committees...Finance Committee, History Committee, Annual Session Program Committee, etc. What we will be doing as we move to implement the Associational Council, those program areas which are Councils will be adjusted to be sure that is what they are called. Committees remaining will be called Administrative Committees because that is what they are. These are suggestions to bring the Association in line with those who have studied what an Association should be. The Mission Development Council will now become our missions implementation organization.. They have about 30 to 40 things to be looking at the in next four to five years and will not have time to deal with other program areas, but to deal with the areas of mission challenges. All of this will be fully implemented and put into black and white before the annual meeting and the official recommendation will be made. The motion was made by R. N. Hardin to make this change, it was seconded and passed.

MISSIONS DEVELOPMENT COUNCIL: In the absence of Gary Myers, Rev. R. N. Hardin presented the

following recommendations:

1. Migrant Ministries-(1) Request funds up to $800.00 for expenses of Summer Workers in our Migrant Ministry from BSCNC State Missions Offering-Summer, 1994. (2) Request a Cooperative Agreement of $800.00 for Migrant Ministries from BSCNC for Summer, 1995. (3) Request of the Language Missions Division, BSCNC, a Summer Worker, 1995 from the Hispanic Seminary, San Antonio. Cost to LBA in 1995 will be approximately $800-$1000 to provide the expenses of workers (meals, travel, lodging). This will come from the 1995 State Missions Rebate. Salary will be provided by HMB/BSCNC.

Motion was made and seconded to give permission to the Director of Missions to pursue these areas of assistance for the Migrant Ministries. The motion passed.

2. Cooperative Agreements from the BSCNC as follows: (1) Hunger Funds-George Reed $3,000.00 - To provide a fund to help our rural churches have funds for hunger for hunger needs in their communities. (2) Church and Community Ministry (Up to $3,000.00) in support of Davidson County Medical Ministries, Davidson County Prison Ministry, and Alpha Pregnancy Center. Motion was made and seconded to give permission to the Director of Missions to request these available funds. Dr. Capps said the opportunity is there for churches or organizations to secure Hunger Funds. One thing we have not had was any emphasis for hunger within our Association as a family of churches. Dr. Capps met with George Reed about three weeks ago and learned that our Association could make application and most likely receive $3,000 per year to help those churches who do not have the funds on their own. This fund would be administered through our Missions Development Council. If the funds are used up quickly we may go to a quarterly request for funds. After a years time, we would be able to see if the funds are being used. The motion passed.

3. Request of the Language Missions: Division BSCNC for up to $2,000 start-up funds for a Cambodian Mission to be sponsored by and housed in North Lexington Baptist Church, Lexington. It was pointed out that there are approximately 75 families in the area, which could possibly be as many as 280 to 300 individuals. The motion was made, seconded and passed to have the Director of Missions pursue this means of financial assistance for the Cambodian Ministry.

4. Request that our DOM contact Bob Watson, Church Extension, BSCNC, to sponsor a People/Population Probe of Davidson County to discover the needs...lifestyles, unchurched people, ethnic kinds of people and numbers, etc. After the information is compiled, pastors and two lay people from each church would be invited to attend a meeting and receive the information. $500 to $800 would be needed for expenses, such as maps. There would be 12 zones and each zone would have a consultant to help. This has a wonderful potential for helping the churches and their ministries. This will also clearly help the Missions Development Council discover where new work is needed.

The motion was made and seconded to have the DOM proceed with contacting Bob Watson and have him start the procedures for this probe of our County and area. The motion passed. Dr. Capps stated that this is a very extensive research which will allow the churches of the association to know how to bridge the gaps and reach those in our County who need to be reached with the Gospel. Rev. Coley Rimmer pointed out that his church is paying $100 for a study of just his area, so the cost of $500 to $800 for a much broader area is an excellent price. After discussion, the motion passed.

WMU: Lynn Garner was not present; however, Dr. Capps pointed out that the Council is to meet on Sunday, February 6. They are also going to discuss and emphasize the local prison ministry, possibly by doing some gift boxes for the inmates of the prison. With the funding for prisons which is being requested by the Governor, the prison facility in our area will be upgraded to a major prison facility so we need to continue to have some groundwork ministry in place. The Chaplain will become full time and there will be many things which will suddenly be available for us to do.

BROTHERHOOD: R. N. Hardin expressed his gratitude to the churches for the participation in helping to equip the Recovery Van. Holloways Baptist Church has agreed to purchase the vehicle and the other churches of the Association will have six months to accumulate $2,500 to purchase the equipment for the van. R. N. Hardin has accepted the challenge from Holloways. Many churches have already made donations. Also, the Brotherhood has emphasized the necessity of providing salary for Ukraine pastors, which is only $69 per month. Some churches have already committed to provide salary for a year. The Ukraine commitment is for three years, we are in the first year.

EVANGELISM: Council is continuing to work on Here's Hope Revivals. The Steering Committee has been appointed and information will be coming soon on their progress.
Rev. Coley Rimmer made a motion from the Nominating Committee (Rev. Rimmer, Marcus Campbell, Byron Barker, Dallas Lewis and Marvin Atkins) that Rev. Roy Snell, member of Trinity Baptist Church fill the vacancy left by Rev. Jeff Vogler. Rev. Snell is a retired missionary. The motion was seconded and passed.
Charles Tanner brought up a matter of old business and stated that several months ago he had recommended that some type security be placed on the door wherein the secretary could press a button to give anyone admission to the building; however, nothing was ever done about this. Gail Beck said she had not had an opportunity to research the minutes to see when this recommendation was made. Charles Penley stated this was turned over to the Long Range Planning Committee and now this would be the responsibility of the Building and Grounds Committee. Richard Capps was to see that this was brought to the attention of this Committee.
DIRECTOR OF MISSIONS REPORT: Richard Capps gave information about Charlie Wilson who is serving as the Cooperative Services International Director in the far East, Hong Kong, for the last four years and is currently in Thomasville on furlough. He was the speaker at the last Minister's Conference and we were able to learn the extent of his work, which is a tremendously significant ministry. He has been responsible for helping to place in China all of our mission work not considered really mission work, but IT IS mission work as we have been providing teachers to teach English and other projects. Dr. Capps referred to the pass-out sheet which described the emphasis being made now in China and introduced some of the things being done. It also described the China Leprosy Mission Project, which would have a group of 21 students and faculty from Carson-Newman College of Tennessee, go to China from February 24 through March 11, 1994. This is a most challenging ministry because working with the leprosy ministry in China is like working with Aids patients in the United States. This is a significant ministry of our Christian people going to work with people in China which China virtually wants to have nothing to do with. We would be breaking down barriers and opening doors for ministry, with the potential for doing one of the greatest things possible because the goal in China is to eradicate leprosy. Charlie Wilson has asked that all the churches please pray for this ministry during the period of February 24 through March 11 and Dr. Capps asked that those present please pass this very important prayer request on to the ministers so that prayers may be requested during the Sunday morning worship services. Also, Charlie has asked for any non-prescription drugs that he may carry with him back to China. These need to be brought to the Association office by February 21. Dr. Capps then passed out a sheet having different projects of the Cooperative Services International and asked that everyone read through the suggested projects and indicate the five items which they felt to be most important. This information would be turned over to Charlie Wilson for evaluation. Charles Penley stated that he was thoroughly impressed with Mr. Wilson and his presentation to the Minister's conference. Charles stated that the questionnaire gave him a feeling of knowing that we can't do it all but we have to make a decision about what we can do, even though we would like to do everything, it is not possible so a choice must be made. Dr. Capps said Charlie Wilson is available to speak at churches or organizations, along with Kim Dickey, who is also on furlough and has been an English Teacher in China. We have had a request from North Lexington Baptist Church for clothing. They have a Clothing ministry and are desperately in need of large/extra large men/women clothing and baby/children's clothing birth to five years. Dr. Capps said this indicates that we are a family in Liberty Baptist Association and we need to support each other in our different needs. We have two churches, North Lexington and Liberty, in need of organists and requested people to call the office if they know of anyone who may be available for these positions.
There will be special needs as we continue to move into the Cambodian ministry and the Migrant ministry. Brenda Emmons stated she has had no response as yet about the availability of church vans and drivers. Someone will ride with the drivers to show them where they need to go, but we need drivers and vans. We will be needing Spanish Bibles and have contacted Gideons about this. Also this would be excellent projects for the mission organizations, to provide contributions for Bibles and possibly even personally present them to the Cambodian families, with a personal message written in the Bible, and participate possibly in a joint service for the dispensing of the Bibles. Rev. R. N. Hardin said he had contacted a person who had twelve Spanish Bibles and he was going to purchase them at a cost of $1.75 and give them to the Migrant Ministry. Dr. Capps explained that in the past the newsletters had been sent to those persons of leadership in the churches and at the end of each year, when leadership changed, those of

previous leadership were dropped and replaced with those people then filling the positions. We want everyone to get the newsletter who wants to receive it. It is the means of communicating with each other who we are and what we are and what our needs are. He asked if anyone present is not receiving the newsletter to please sign a list tonight. He pointed out the three month calendar in the newsletter and urged everyone to check the calendar for different events, planning and changes. He also urged churches to provide Church News each month...ideas, announcements, revivals, etc. The news is needed by the 10th of each month, and probably limited to three items per church. Dr. Capps stated that after this year if you are on the mailing list you will not be removed and eventually all those will be covered who should be receiving the newsletter.

Gail Beck also asked that people notify the church office about address changes because the Post Office does not return those newsletters which cannot be delivered and also the Post Office will not forward these.

Dr. Capps shared a letter which he had received from the Pastoral Care Counseling Center about the possibility that the center would be closed due to lack of referrals and the fact that it may not be financially feasible to keep it open. The Association was also thanked for the contribution made to the Center. Dr. Capps pointed out that ministers were not equipped to deal with many of the psychological problems presented to them and they should refer these matters to the professionals available at the Pastoral Care Counseling Center. This is a tremendous tool to be used in our Association and asked the pastors to communicate with him about their feelings about the Center. Dr. Capps said he was going to communicate further with the Center.

The Evangelism emphasis is April 2-9, 1995 for the Here's Hope revivals and full training will be given. The materials are here and will be distributed at the Banquet which will be the kickoff for the event. If the churches participate during this time, they will have the advantage of the free publicity which will be on television, but if it is done outside of this time, it can be tied into it.

Brochures were passed out concerning Look-Up Lodge. A number of the churches are not going to be able to go to Caswell this year. The Youth Ministry Council has decided to offer a retreat for the LBA youth at Look-Up Lodge, Traveler's Rest, SC, on July 11-15, 1994. This facility has all of the recreational activities anyone could want. The maximum attendance is 216 and the entire facility can be available to the Association. The cost would be $150 which is almost comparable to Caswell. The Youth Ministry Council asks the Association to advance 10% of the total cost to Look-Up Lodge to reserve the facility but there are no specific fund available in the budget. The Youth Ministry Council will contact every church within the next four or five days and get a feel of those who are interested. Charles Penninger said this money could be withdrawn from the Money Market account. This money would be returned to the Association as reservations are made. If we do not obtain enough to reserve the entire facility, the Lodge could find others to fill the remainder. This retreat would be open to anyone in our communities who would want to attend. The second stage would be a 30% payment approximately two months prior to the event. We would begin as soon as possible to get deposits toward the reservations. Depending on the response from the churches, Dr. Capps made a motion that these funds be advanced from the Money Market Account, with reservations only being made for the number who have indicated interest. If reservations are made for 185, then the entire facility can be reserved and we would be responsible for filling up before the event. Rev. Mike Motley pointed out that it is difficult to get youth to commit to free events and especially when money is required. Dr. Capps said there were 100 or more which could not go to Caswell, so many churches have looked favorably on this. This information was included in the newsletter. There is a possibility this will be opened up to other Associations as space is available. The motion was seconded, carried and authorization given to the treasurer to advance the funds needed.

The Multi-Housing Conference has been rescheduled for Thursday, February 24, 1994 at 7:00 pm. This is an attempt for us to try to see what is in our area and how we can minister to those areas which are so closed to the church...apartment complexes, mobile home areas, low income housing, condos, resort property, etc. All of this will be addressed in the Multi-Housing Conference. The entire church extension staff of BSCNC will be here for this meeting. Dr. Capps reminded those present about the Conference "Activating the Apathetic Church Member" which will be held on March 11-12, 1994 at the Caraway Conference Center. Cost is $15.00 and reservations should be made by February 18. The Ministers'/Spouse Sweetheart Banquet is planned for February 15, 1994, at the Family Resource Center, Mills Home. Mrs. Steve (Mary) Martin will be providing entertainment, provided the twins do not make an appearance before then.

On a personal note, Dr. Capps shared that Joyce Capps accepted a position at Friendly Avenue Baptist Church in Greensboro, as Preschool Program Director. She will begin her service there in February. When seeking God's will, we go through doubts, Joyce had made a commitment to help through registration with her former employer and decided that even if something opened up, she would ask them to let her be gone the week of February 4-10. When she began talking with Friendly Avenue three weeks ago, they said they would not need her before February 14. Almost to the day, she finished up on Friday and began on Monday at the new position. So it was another one of the phases of God's will being accomplished in His time. Dr. Capps expressed his appreciation to Southside Baptist Church for allowing he and his family to use the parsonage. He thanked everyone for their prayers and assistance in every way.

Charles Penley recognized those attending the Executive Meeting for the first time and expressed appreciation for their attendance. Motion was made and seconded to adjourn. Charles Tanner closed the meeting with prayer.

Respectfully submitted,
Charles Penley, Moderator
Gail S. Beck, Clerk

Special Note: Correction to the Executive Committee Minutes of November 22, 1993. In the fourth paragraph it states: "Gary Myers made a motion to have Ms. Matthews prepare an audit and present a report to the Executive Committee." Raleigh York made this motion...not Gary Myers.

EXECUTIVE COMMITTEE
May 23, 1994

Charles Penley, Moderator, welcomed the representatives from the various churches and called the meeting to order. It was requested that anyone present who has a new address, put their name and new address on a list to be given to the office secretary. Charles asked for prayer requests and then led in prayer.

Minutes of the previous meeting were distributed and approved as written.

FINANCE COMMITTEE: Charles Penninger, Treasurer, distributed copies of the Treasurer's Report as of April 11, 1994. At the request of the Director of Missions, Charles Penninger had prepared a report which indicated the amount contributed by each church, and also a comparison of the amount contributed last year and this year. The following special monies have been received: $2,100.00-Recovery Vehicle, paid to Holloways Baptist Church for materials; $897.00-Ukraine pastor support which has not been distributed as yet; $335.00-Migrant Languages; $500.00-"New Song" which has been paid as a deposit; $145.00-Simultaneous revivals; $350.00-Associational Program. There being no corrections, motion was made and carried that this report be approved.

Raleigh York, Jr. presented a recommendation from the Finance Committee that member churches be asked to include in their 94-95 budgets a designation for the support of the Association with an ultimate goal being five percent (5%) of undesignated offerings. This could be accomplished over a period of several years with a one half to one percent increase annually. This objective would help to make the Association self-supporting in mission projects and ministry needs. The Finance Committee recognizes that some churches are strong financially while others are not and their representation from both ends of the spectrum were involved in this committee decision. This recommendation was seconded and the motion carried. The explanation of this recommendation will go out to the various church finance committee chairmen.

TRANSITION/MISSIONS DEVELOPMENT COMMITTEE: Gary Myers called attention to the document entitled "Policies for the Establishment of a Missions/New Church" and asked those present to read the document and ask questions. In the Constitution and Bylaws there is a section called for Policies for the Establishment of Missions. This document which was presented will be the one which we will need to adhere to until the Constitution and Bylaws Committee has an opportunity to revise it totally. These guidelines will cover all new work in the future as well as Central Baptist Mission. Gary Myers recommended the adoption of this report, it was seconded and the motion carried.

Gary Myers asked Dr. Capps to give information about Central Baptist Mission. Dr. Capps said some months ago he was invited, by what was then called Friends Mission Group, to speak and share with them about the

opportunities they could have in seeking God's leadership in whether or not they wanted to form a Southern Baptist Church. This was a very positive meeting with the outcome being they wanted to be accepted under Watchcare of the Association and wrote a letter to the Association requesting this. We are in the process of trying to locate a sponsoring church for them. A Liaison Committee will be formed after the vote at this meeting which will be composed of representatives from the Association, from a sponsoring church, the Missions Development Council, and from the Mission. This committee will work closely and carefully with the Mission. Stoner's Grove Church was approached and have been supportive and have written a letter to the Mission members indicating their prayerful support. As far as a permanent location, two areas of need are present...from Trinity Church to New Friendship (Midway area) in the northern part of the county and the area between Denton and Lexington up to Community Church to Highway 47, Old 64 and New 64. There areas were previously voted upon by the Missions Development Council to be priority areas of new work. Central Baptist Mission has agreed to help us target this area between Lexington, I-85, and Denton. They are currently meeting in a building on Highway 8. Dr. Capps introduced Chris Bitterman, pastor of Central Baptist Mission.

Rev. Chris Bitterman shared his testimony with those present. Chris was born and raised in Pennsylvania, came to Bible college in SC, settled here about six years ago, and began attending Stoner's Grove. Chris and his wife had intended to go to Albania as missionaries; however, since their oldest son has congenital glaucoma and is undergoing treatment, they felt the Lord has shut the door for them to go overseas. He was ordained while at Stoner's Grove and agreed to fill in as pastor of the Mission. The experience at Stoner's Grove has been painful but he has been encouraged with the healing process between Stoner's Grove and the Mission. The Mission has been meeting since October in a building about one half mile from Center Hill. Chris talked with Lamar Moore, pastor at Center Hill about their being so close and received a warm reception and promise of help. They hope eventually to be permanently located on Highway 47. They have agreed to be a Southern Baptist Church and seek the prayers and support of the Association. The number meeting now is approximately 60 for worship service, Sunday School is approximately 40-50. They meet on Sunday night and also Wednesday night for prayer service. They appointed deacons and have two people who will be baptized soon. Lamar Moore volunteered the use of the church baptistry if needed. Gary Myers made the recommendation that Central Baptist Mission be accepted under the Watchcare of Liberty Baptist Association. The motion was seconded and carried.

Associational Emphasis Week Materials had previously been distributed for information. This information has been sent out to the pastors and church staff with a request to ask for prayer in all areas of Association work.

A **Reorganization Explanation and Chart** was also distributed which gives the restructure of the Association. The Transition Committee recommended to the Executive Committee that this be used as the guideline for restructuring the Association this will be presented at the Annual Meeting in September. The motion was seconded and carried.

WMU: Lynn Garner reported that the WMU had good attendance at the WMU Annual Meeting at Cedar Lodge on April 24, and had a lot a mothers and daughters participate in the retreat at Caraway for GAs on May 13-14. The Salad Supper at First Baptist, Lexington on May 19 was successful, with many churches represented (150+ people). The Mission Friends had a day camp at Victory Baptist Church on May 21. WMU voted to give $150 towards the Probe and also $130 to Migrant Ministry. All the new officers are in place and training will be July 8-9 at Caraway. The WMU Council has been meeting with Dr. Capps on a regular basis, setting goals for the new year, and looking at updating the Constitution and Bylaws in the near future. September 19 will be the Brotherhood/WMU Associational Training event at First Baptist in Denton at 7:00 pm.

BROTHERHOOD: R. N. Hardin expressed gratitude to the churches for the response about the Recovery vehicle. Holloways Baptist Church has purchased the vehicle and churches are providing the money for equipping the vehicle. Several teams assisted in the recovery ministry at Gardner-Webb area damaged by a tornado. R. N. has visited several of the churches promoting the work of the Brotherhood. The newly elected leaders are encouraged to attend the training meeting on September 19.

PERSONNEL: In the absence of Bill Morrow, Gary Myers presented the Personnel Committee's recommendation for acceptance of the Job Description of the Director of Mission. The committee worked closely with the Director of Missions and developed the very concise and explicit job description. The recommendation was accepted, motion was made to second and the motion carried. Gary Myers also presented a recommendation from the Personnel

Committee concerning the Association Administrative Secretary/Clerk. Items 1-5 were dealt with separately and motion was made to accept these as written. These items, specifically item no. 5, has not been completed. The job description for the Clerk and the Secretary will be presented at the August meeting. Time spent for the office of Clerk and the office of Secretary will try to be determined and compensation paid accordingly. The motion was seconded and carried. Item No. 6, official employment of Gail Beck, was recommended, the motion was seconded and carried. Gail Beck was employed as the Interim Secretary with the employment on a permanent basis to be determined at the time a full time Director of Missions was employed.

MISCELLANEOUS BUSINESS: Rev. Roy Queen reported that Holloways Baptist Church has purchased the Recovery Trailer, it is outfitted with the shelves and equipment which has been purchased with the $2,100 which has been donated. The necessary paperwork to secure a title has been turned over to the Director of Missions and license plates will be purchased as soon as possible. The trailer will require a towing vehicle which would be able to tow a RV. Richard Capps stated there is a possibility a generator will be donated from Liberty Baptist Church. R. N. Hardin also said we would request $500 for replacement parts for the vehicle from the 1994-95 Associational Budget and contributions..

Charles Penley made a motion to change the time of the Executive Meeting from 7:30 pm to 7:00 pm. The motion was seconded and carried.

DIRECTOR OF MISSIONS REPORT: Richard Capps said the Association has made history tonight because we have taken care of some very important matters of business, set directions for the future in relations with churches and new work, and in trying to do what we can to expand some of the ministry areas that exist in our county. The Association will be soliciting input from individuals in the churches to help us know what you want us to be as an organization and a ministry. Each chairperson of a committee or council will receive a letter asking for input from their group for financial support of ministry needs. You have given the opportunity tonight to proceed with plans. In the absence of Mike Motley, Richard Capps shared information from the Evangelism Council. The Evangelism Council is moving forward in preparation for the Here's Hope revivals which will take place in the spring of 1995. The Steering Committee has received their orientation and will give an introduction to the plans on May 31 at the Enlistment meeting which will be held at Abbotts Creek in the morning and evening. We are encouraging our churches to do something in the way of evangelism from March 1 to September 30, and hopefully it will be called Here's Hope-Jesus Cares. It may be a revival, Bible study emphasis or simply utilizing the 60 days of soul winning emphasis which will be a part of this effort. In January, February and March members will be encouraged to share their testimonies. There are a lot of people who have no idea what a testimony is, much less how to give a testimony. There will be training offered during this time to help people develop and share their testimony. The churches will be asked to implement this revival emphasis in any way possible. On November 14-18, there will be a WIN school at North Lexington hosted by North Lexington Baptist Church and Dr. Robert Floyd, Pastor. This is an extensive study and participants will learn how to witness to others and will actually go out and witness one evening. On December 3, 1994, Summerville Baptist Church will host the Prayer Retreat at 8:30 am. Any effort for the Association and for the Here's Hope revivals must be bathed in prayer. The actual suggested dates for the simultaneous revivals will be April 2-9, 1995. There will be a lot of publicity from the Home Missions Board, SBC for this period.

Dr. Capps called attention to the Youth Retreat which will be July 11-15, 1994 at Look-Up Lodge in Traveler's Rest, SC. Michael Capps, a Christian entertainer and youth Bible preacher, is going to be the leader of the retreat. A program will be designed for the youth which will be fun and spiritually enriching. $150 seems expensive, but when you look at the expense of tapes, cassettes, etc., this seems like a small price for a full week of Christian camp. Each child will receive a tee-shirt which is included in the cost. Dr. Capps urged the churches to encourage their youth to attend this camp. Next year we will try to implement a children's day camp for grades 1-3 to have a week or part of a week. We want to establish an away Children's Camp for 4th-6th grades which will be at one of the Baptist colleges where they will able to meet a foreign missionary, be introduced to missions and introduced to discipleship. Dr. Capps requested prayers as these plans are to be developed.

As an update on the Migrant Ministry on behalf of Brenda Emmons, Dr. Capps reported they were in the midst of visitation programs and have been well received in the camps. English as a Second Language will be taught this year,

the Medical/Dental Van will be available, and the ministry has been extended to include all of June until October 1. For the first time, a commitment, dedication and orientation service will be held on May 22, 1994 at the Association Office for all leadership of our Summer Migrant Ministries. The dedication service will be in memory of Mrs. Aileen Palmer, a deceased member of Abbotts Creek. Mrs. Palmer was an active member of Migrant Ministries since its inception..

The Associational Probe has been delayed until the Spring or May of 1995. The Michael Speck Trio will be performing at Rich Fork Church on June 18, 1994. The choirs of the churches will be invited to participate in this event and to form a mass choir to sing along with the presentation. On July 24, 1994, the WITNESS group will present a concert at New Friendship at 6:00 pm. Share this with the Youth and members of your church.

Motion was made and seconded to adjourn. Coley Rimmer, Jr. closed with prayer.

EXECUTIVE COMMITTEE
September 12, 1994

Charles Penley, Moderator, welcomed the church representatives and called the meeting to order. Charles asked for prayer requests and Roy Cantrell led in prayer.

Minutes of the May 23, 1994 meeting were distributed. There was one correction on page 3 under Miscellaneous Business: "Charles Penley, Jr. made a motion to change the time of the Executive Meeting from 7:30 pm to 7:00 pm." This should be "A motion was made to change, etc." since the moderator cannot make the motion. The remain of the minutes were approved as written.

FINANCE COMMITTEE: Charles Penninger, Treasurer, distributed copies of the Treasurer's Report and the Contributions Received from Churches from September 1, 1993 through August 31, 1994 (copies attached). In the absence of Raleigh York, Jr., Charles Penninger also presented the proposed Budget for 1994-95 as a matter of information only. The Budget will be voted on at the Annual Meeting. Raleigh York, Jr., who came in later, made a motion from the Finance Committee that we again retain Theresa Matthews, CPA, to do a review and audit of the Association books for the year 1993-94. The motion was seconded and carried.

Richard Capps presented Finance Committee Policy Statements (copy attached), which will be a part of the Policy Manual for the Association. Items one and two of the statement deal with travel reimbursement for lay leadership who are working on behalf of the Association. A motion was made and seconded to adopt these two items as a part of the policy statement. The motion carried.

NOMINATING COMMITTEE: Coley Rimmer, Jr., Chairman, presented the report of the Nominating Committee for 1994-95 as a matter of information. The Nominating Committee report will be voted on at the Annual Meeting. The Nominating Committee made a motion that Rev. Wayne Blevins fill the position of Chairman of the Place and Preacher Committee for the remainder of this year. The motion was seconded and carried.

EVANGELISM: Mike Motley reported there are many events coming up which are sponsored by the Evangelism Council. The "Here's Hope" revivals coming up in the spring will be preceded by the 60 day soul-winning efforts. On October 25, there will be a training event at Carolina Memorial which will be for the local church leaders; there will be a WIN school in November at North Lexington, and on December 3, there will be a prayer breakfast sponsored by Summerville.

TRANSITION/MISSION DEVELOPMENT: Gary Myers presented the following items:

(1) Organizational Structure of Liberty Baptist Association (Policy Manual item). Part of the work of the Transition Committee has been dealing with the restructuring process. Gary thanked the members of the Transition Committee for their work during the year. (2) The Area Church Groupings (Policy Manual item) list was presented as a way of combining locations for purposes of training events, emergency events, prayer needs or any procedure which would need the churches to meet, not being in the major body. The plan was patterned after a plan which the WMU already has in place. (3) Leadership Chart (Policy Manual item) shows all of the functioning leadership of the Association. Stuart White suggested the "Pastors' Conference" be changed to "Ministers"" Conference" and everyone agreed this was more appropriate since it is attended by retired, interim and staff ministers also. Roy Cantrell,

President, said he would present this change to those present at the next ministers' conference. (4) Policies for the Establishment of a Mission/New Church (Policy Manual item), and (5) Policies for the Sponsoring of a Mission/New Church (Policy Manual item). The Transition Committee and Missions Development Council recommended these items be adopted, and the recommendation carried.

CONSTITUTION AND BYLAWS: Gary Myers introduced and gave background information on the work of the Constitution and Bylaws Committee. In the process of revising the Constitution to take into consideration the recommended restructuring, the committee agreed that the logical procedure would be for Liberty Baptist Association to incorporate. Jim Snyder, an attorney and member of the Constitution and ByLaws Committee, agreed to develop the Articles of Incorporation. The reason for this document is primarily for Association and church protection and also to keep from working on more than one document in the period of a couple of years should other changes need to be made. The Constitution and Bylaws Committee, the Missions Development Council and the Transition Committee have given extensive consideration to these documents and put in many long hours. Judy Wood, Chairman of the Constitution Committee, stated that all of the changes made during the year needed to be incorporated into a new document. If the current Constitution were revised, then at sometime in the future we decided to incorporate, it would need to be completely redone, so the Constitution and Bylaws Committee, in one of the initial meetings, resolved that we would proceed in the direction of incorporation. Judy Wood recommended the adoption of the Resolution for Procedure for Incorporation (copy attached) and read it verbatim. This comes as a joint recommendation from the Constitution and Bylaws Committee, the Transition Committee and the Missions Development Council.

Jim Snyder, legal advisor, and member of the Constitution and Bylaws Committee, stated that his church, Lexington, First, incorporated last year. Mr. Snyder explained the Advantages of Incorporation (copy attached) and primarily the protection of individuals from a liability standpoint. The members of the churches of Liberty Baptist Association would be the members of the corporation. The Executive Committee would become the Executive Board, with the same structure. Mr. Snyder said he could think of no disadvantages of incorporation and he then explained the Articles of Incorporation. Mr. Snyder reviewed the Bylaws and highlighted various areas. The Constitution and Bylaws Committee recommends that there be three feedback meetings for discussion of the Bylaws and Incorporation: October 6 at Coggins Memorial; October 20 at Denton, First; and October 27 at Oak Hill. After these meetings there will be a called Annual Meeting of November 21, at Rich Fork, for the purpose of voting on Incorporation. The thinking of the Constitution and Bylaws Committee is that we will have given opportunity at three meetings for discussion and they will take under advisement anything which has been discussed or recommended at these meetings. At the special called meeting, there will be no further discussion, only a vote as to whether to incorporate or not. If there are amendments to be made, they will be made next year at the Annual Meeting. The same messengers can serve the special called meeting who were messengers to the Annual Meeting in September.

Discussion followed pertaining to the liability of the member churches in an unincorporated situation-all member churches could be held liable. If incorporated, the corporation is liable as a separate entity. Dr. Capps shared an example involving the Baptist Men of NC who are now involved in a law suit due to an injury. They are incorporated so the corporation, not individuals, are involved in this suit-not volunteers and BSCNC staff.

The Executive unanimously voted to proceed with recommending incorporation.

Richard Capps welcome Rev. Markus Sink, new pastor of Park Place Baptist Church. Also, Brenda Smith, first time visitor from Jersey Baptist Church.

DIRECTOR OF MISSIONS REPORT: Dr. Capps pointed out that this is the one year anniversary of his service as Director Missions. He expressed his deep appreciation for all the kindnesses and invitations he has had during this time. It is gratifying to see what God has done in this year of ministry together, to see us with a new mission in our association, to see us with a Cambodian language mission, to see us in various ways reaching out in unique ways. Dr. Capps expressed his appreciation to the Transition Committee, the Missions Development Council and the Constitution and Bylaws Committee for their dedicated work during the year of transition. If these documents are adopted at the Annual Meeting, a copy will be sent to Bobby Stafford as an example for other associations. Copies of the Annual Program and calendar for 1994-95 were distributed. The dedication of the recovery unit will

take place and also a report from the people who were a part of the Ukraine ministry will take place at the Annual Meeting. Dr. Capps reported that Rev. Chris Bitterman of Central Baptist Mission met with the State Convention representative on September 11, and the representative will proceed with recommending pastoral assistance for the church and Chris to BSCNC. State representatives have met with those from the Cambodian mission and it is hoped to have Rev. Samuel Nuon to come and consider being the Cambodian pastor, possibly to work also in Charlotte and Greensboro. The missions portion of the budget is increasing almost 55% and these monies will be used for mission ministries. There are currently more than 75 families in the Cambodian community in Lexington. Dr. Capps plans to visit those churches in the coming year where he has not had an opportunity to visit. He told of visiting with Colonial Baptist Church and all they have accomplished during the past five years and the anticipation of what it is possible for them to accomplish in the next five years.

Charley Penley recognized Charles Penninger who has served nine years as Treasurer. There being no further business the meeting was adjourned. Stuart White closed with prayer.

ANNUAL SESSION HOST CHURCHES HISTORIES

Oak Hill Memorial Baptist Church History

In the late summer of 1936, a Brush Arbor meeting was held by the Evangelistic Club of Thomasville on Fuller Mill Road. The Evangelistic Club was a band of dedicated Christian men whose aim was spreading the gospel. One of these men was Mr. Will Buesse, a charter member and leader of Oak Hill Memorial during its early years. The response to the meeting by the people of the surrounding area was overwhelming. Many souls were saved, and many recommitted their lives to Christ. Out of this response came an awareness that there was a great need for a Baptist church in the area. A meeting of concerned Christians was held at the home of Mr. Walter Kennedy for the purpose of planning a church. Mrs. Myrtle Braswell recorded the minutes of this meeting. Their plans were to build the church in the Cedar Lodge area, but when they began to look for land, they met with many obstacles. Mr. Walt Kennedy purchased the present land and gave it to the church. He requested at the time that the present church be a tribute and memorial to old Oak Hill Church. The first church was erected on Fuller Mill Road near the present vicinity of Southgate Estates. This church was organized in 1884 and continued until sometime in 1928 or 1929 when the church was destroyed by fire and was never rebuilt. One of the delegates to the first Associational meeting that members of Oak Hill Memorial attended states that some delegate commented that Oak Hill has risen from the ashes; she said their hearts swelled with thanksgiving and pride as they stood for recognition.

While the church building was being erected, the members worshipped with the fellowship of Carolina Memorial Baptist Church. Much of the labor was done by the church members and finally in August of 1939, the first service was held in a small white frame church. Rev. John Cox was called as first pastor, and Mr. Howard Parrish served as first Sunday School Superintendent. The Charter members were: Mr. & Mrs. W. H. Beusse, Carroll Beusse, Mr. and Mrs. Pat Braswell, Mr. and Mrs. Ira Beck, Frances Beck Tysinger, Mrs. Pearl Fuller, Mr. and Mrs. Walter Kennedy, Kinney C. Lambeth, Mr. & Mrs. Lindsay Lambeth, Mr. and Mrs. Raymond Underwood, Sidney Underwood, Mr. & Mrs. Howard Parrish, Marie Parrish Embler, Will Lee, Mrs. Hattie Royal, Roland White, J. C. Creed and Mrs. John Proctor.

Pastors of the church have been Rev. John Cox, who served from 1939 until 1946. he was followed by Rev. David Oldham, who served until 1949, Rev. Clarence Jenkins served from 1949 until 1959. Rev. James Bollick served from 1960 until 1978, followed by Rev. Eugene Elmore who served from 1979 until 1988. Our present pastor is Rev. Gary Myers, who came to us in May of 1989.

The greatest growth of the church came under the leadership of Rev. Clarence Jenkins. Early in his ministry, the sanctuary was enlarged, Sunday School rooms were added, and the church was bricked. Ordained to the ministry from the church have been: Walter Walker, Robert Moore, Grady Blakley, Baxter Gallimore, Archie Hardy, Robert Walker and Franklin Hartman. Through the years, God has showered His blessings on the church, and as we move into the next years to come, may we serve Him with the love and eagerness of the small band who were instrumental

n starting our church.

Thank you, Wanda B. Tysinger, for compiling this history of Oak Hill Memorial Baptist Church.

Rich Fork Baptist Church

Rich Fork Baptist Church was founded by the visionary North Carolina Baptist statesman, John Haymes Mills. Mr. Mills was worshipping at a brush-arbor meeting led by two women exhorters from High Point, North Carolina. He was deeply moved by the spirit of the living God to start a church in the west end of Thomasville. He spoke to his Baptist, Lutheran and Reformed neighbors and shared his dream. A small group of eighteen persons also shared the dream. These charter members were: George W. Leonard, Guy W. Leonard, Sarah F. Leonard, William Freadel (Freedle), Mary Jane Freadel (Freedle), Z. G. Oettinger (Eddinger), Andrew Miller, James Griffen, E. S. Sapp, W. S. Kanoy, Walter Fitzgerald, J. A. C. Oettinger (Eddinger), France Leonard, Marthey Mills, E. W. Mills, J. H. Mills, A. V. D. Leigh, and A. E. Leigh. Mr. Mills donated the land and became one of the driving forces n those early days. At the same time he was providing leadership at Rich Fork, he was leading the way in providing an orphanage for disadvantaged children in Thomasville. Mr. Mills' son-in-law, the Reverend J. D. Newton was the pastor of the church from 1889 to 1890. (Note: These missing years have been covered in the 1962 Annual Minutes.)

The church buildings were destroyed by fire on March 1, 1986. The worship center and three story educational building were gutted by an early morning fire. Due to the heroic efforts of the Pilot Fire Department the Preschool wing was saved from destruction. This wing did experience some water and smoke damage. While the insurance coverage was inadequate to rebuild, God was more than adequate. The church started a building fund with $200,000 from the insurance company. By the time the church family had moved into the buildings in 1991, a 1 1/2 million dollar building had been built with an indebtedness of $350,000. The church body voted to institute a Mortar to Missions campaign. The debt retirement campaign states that 90% of all funds received will go to the retirement of the debt and 10% will go to missions. Because of the scriptural teaching from God's Word, that God will not be a debtor, the indebtedness has been paid; and additional 5 1/2 acres of adjoining property was purchased in 1993 and that debt has also been paid.

In November of 1993, the ground was broken for an Adult Educational Building to be located on the site of the former worship center. This eleven thousand square foot building will house the growing Bible study classes that set the pace for growth at Rich Fork Baptist Church. The church has a strong pastoral staff: Reverend George Williamson, Associate Pastor; Reverend John Gwaltney, Minister of Music/Adult Education; and Reverend Bob James, Minister of Education/Administration. The excellent support staff: Mrs. Inez Smith, Church Secretary and Mrs. Marie Bowers, Treasurer. Since the early days of the founding of the church, Rich Fork has continued a steady growth. The church has had thirty-one pastors with the present pastor, J. Byron Barker, having served since 1983.

Thank you, Rev. Byron Barker, for submitting and compiling this history of Rich Fork Baptist Church.

HUNGER AWARENESS

"Thou has not given water to the weary to drink and thou hast withholden bread from the hungry." (Job 22:7) With these words Eliphaz suggested that Job was surely deserving the difficulties he was experiencing. Though we may not agreed with Eliphaz' theological understanding, surely we would agree that we are accountable unto God for ministering to the needy of our world. (Mat. 25:34ff) Opportunities for such ministry abound in our day. From the starving in Somalia and Croatia to the street orphans in Sao Paulo, Brazil and the homeless in our own country come the cry for help.

UNICEF reports that 14 million children under the age of five dies annually from hunger and malnutrition while another 150 million live in such poor health that they cannot mentally and physically mature properly. In the United States one out of eight children under the age of twelve is hungry part of the time while 34 million people

live below the poverty level.

Causes of hunger are extremely varied. Weather conditions, military actions, underdeveloped economics, improper emphasis on government spending, etc. contribute to the hunger problems. The U.S. is ranked first in military spending while holding a dismal 22nd ranking (out of 142 countries) in infant mortality! God's people must address this crucial issue! What can a person do? Several suggestions seem appropriate:

1. Become informed about hunger, its causes and solutions.
2. Volunteer time and energy to combatting this evil.
3. Pray for God's help and wisdom.
4. Inform others and attempt to influence government policies.
5. Fully participate in World Hunger Day activities on October 9 this year.
6. Initiate projects designed to raise hunger funds. Provide specific food items for the Ecumenical Social Ministries Food Pantry. Involve children and youth groups in projects designed to raise the level of hunger awareness.

Roy Queen

MIGRANT/HISPANIC MINISTRY

Summer, 1994

The summer ministry began on June 5, 1994 and went through September 25, 1994. It was held weekly on Sunday afternoon at Abbotts Creek Baptist Church from 3:00 to 5:00 pm. Attendance averaged 8 to 10 men each week.

Appreciation and thanks to Carl Hunt and the Liberty Baptist men who helped provide transportation and to Molly Hedgecock for transportation and providing tickets to the North Carolina Zoo. This was an outing to the Zoo on the last Sunday in September. It was enjoyed by all. Thanks go to Gene Crawford of Liberty Baptist Church for providing approximately 100 shirt and pants work sets to be distributed to the summer migrant workers. These were given out at the beginning of the summer and again at the Medical/Dental Bus on August 8. Also health kits were provided by the various Baptist Women, Acteens, GA, and Mission Friends groups. Many thanks to Newell and Herb Davis for coordinating the Medical/Dental Bus ministry. There were 20 patients seen by the medical doctors and 20 patients seen by the dentists. The bus ministry consists of volunteer doctors, nurses and interpreters, etc. and much appreciation to all who participated. Rev. Mike Ledbetter and wife, Ethel, served as our Bible study and evangelistic outreach leaders as well as Adam Alvarez. We also thank all the Baptist Women groups who provided meals each week.

We praise God for His guidance and presence as we minister together in the name of Jesus.

MINUTES OF MISSIONS DEVELOPMENT COUNCIL

November 8, 1993

The meeting was called to order by Gary Myers. The first matter of business pertained to the **Ukraine Partnership**. The Association received a refund of $1,364 from the Brazilian Partnership, and this was to be applied to Ukraine at $65.00 per month. The refund would cover approximately 20 months, and then it would need to be included in the budget. Dr. Capps had contacted the State Convention and they were not aware that our association had agreed to support a Ukrainian missionary and stated there was not a missionary available at this time. The motion was made, seconded and carried that our association inform the State Convention of the amount of funds available and have then notify us when a missionary is available giving the name and address. This will be a part of Gary Myers' report to the Executive Committee.

The second matter of business was concerning the **Evangelism Committee**: 1. Evangelism Council is currently working on "Here's Hope, Share Jesus Now" emphasis and this will be promoted throughout the association; 2. New missions areas were discussed-the Midway area and the Handy/Complex area in particular. A map was shown which is marked with pins showing all of the churches in our association. Since this map is old, Gail Beck is

going to contact the Davidson County Planning Department to see if a new one can be obtained. Richard Capps i going to contact BSCNC for demographics on these areas and ask if they have any recommendations for other areas 3. A video was shown about the Terry Chupp Evangelistic Association and the motion was made, seconded an carried to contact our State Convention about helping to fund an effort to work with Terry Chupp in developing ministry for the World Championship Bass Tournament which will be held at High Rock Lake in August of 1994 4. Richard Capps shared with the committee that North Lexington Church has planned a Retreat at the Radisso Hotel in Myrtle Beach for January 21-23, 1994. This is usually for their church only, but they are going to offer thi to all churches in the association. This retreat will focus on "Love and Acceptance" with Dr. Richard Capps as th speaker. The association will help to publicize this event.

Due to the time, items 3, 4 and 5 concerning a Rest Stop Ministry, Backyard Bible Club Training Events, an Summer Missions Involvement were postponed until the January meeting. Richard Capps asked everyone to b thinking about these important items and be prepared to discuss in January.

Richard Capps presented information about **Cooperative Agreements** which is financial support for variou ministries or projects in the association through the Annual State Missions offering made available to Association by request of demonstrated needs. For instance, monies are available up to $1,000 for Migrant Ministry; funds t supplement various Hunger projects for food ministries; and to possibly start a ministry for Cambodian families wh have moved into the Lexington area. The funds, which come from State Missions, in some cases are matched by th Home Mission Board. It was decided to do a mail-out to the churches to try to determine the type food or hunge programs they have in place in our Associational churches.

Richard Capps requested permission to pursue the **New York partnership** and try to get a link-up with a New Yor association needing help. The motion was made, seconded and carried for him to obtain all information available Ministry support for Osbert James was discussed and Richard Capps is going to try to get more information on thi and find out about his status.

We discussed gathering old church literature to be sent to the Home and Foreign Missions Boards. Gary Myers said this had already been approved by the Executive Committee but had not been implemented. A letter is to be sen to the churches asking for their support.

There being no further business, the meeting was adjourned and Gary Myers closed with prayer.

MISSIONS DEVELOPMENT COUNCIL
January 13, 1994

Gary Myers called the meeting to order, asked for prayer requests and led in prayer.

Migrant Ministry - Brenda Emmons said booklets and various materials have been received for the ministry which will be very helpful for training and information. She also stated that workers will cover the weekends for the summer and church vans and drivers will be needed. Abbotts Creeks is serving as the host church but other churches are needed to help supply health kits. A Hispanic worker in High Point has indicated he will help and also the Ledbetters will be here during August and September. Richard Capps stated that North Lexington Church is sponsoring a conference on February 25-26 and March 11-12, "English Is The Secondary Other Language", and perhaps it would be possible for the Association to sponsor such a conference for the Hispanics. Dr. Capps also reported it will be possible in 1995 to secure a student from the Hispanic Seminary in San Antonio to work with the migrants. The Home Missions Board would be responsible for transportation and the Association would need to provide housing, food, and travel expenses while they are on the field. This is for a ten week period. Also BSCNC will provide a student with a portion of the expenses being supplied by State Missions offering. A motion was made by R. N. Hardin for Dr. Capps to ask for the seminary student for 1995 and also to consider using a portion of the 1995 State Missions rebate for the necessary expenses. The motion carried. This recommendation will be presented to the Executive Committee at the next meeting.

Stoner's Grove: Dr. Capps gave a report about the situation at Stoner's Grove Baptist Church: Rev. Reggie Parker resigned as pastor of Stoner's Grove, after which a portion of the membership left, this is primarily a younger

group. This group of approximately 70 people have called Rev. Chris Bitterman to be their Interim and Mission Pastor. They have elected deacons and at the present time are considering locating on Highway 47 (Shemwell Highway) between Lexington and Denton; however, they have not chosen a name for the church as yet. Dr. Capps recommended that the Association encourage them to find a "mother" church and be a part of Liberty Baptist Association. He has contacted Bob Watson with SBCNC and he indicated start-up fund could be made available once the group has decided to be linked with Liberty Baptist Association. The portion of the congregation which remained at Stoner's Grove has called Rev. R. N. Hardin as their Interim Pastor. A motion was made, seconded and passed for Richard Capps to try to find a "mother" church for this group.

Cooperative Agreements for 1995: This is the BSCNC means of dispensing State Missions funds for various programs. Applications must be made for the needs by March 1, 1994 for the 1995 program. Dr. Capps suggested we request a portion for **Hunger Funds** to be administered through the churches who do not have the resources on their own. The churches would also be responsible for investigation into the needs of those applying. R. N. Hardin made a motion for Dr. Capps to pursue this, Janet Sharpe seconded and the motion carried. Dr. Capps stated it may be possible to obtain up to $800 to be used for the **Migrant Ministry** this year, definitely for 1995. This money could be used for materials for the language conference, transportation for worker, meals, day trips, medical-dental van, etc. R. N. Hardin suggested we contact the Gideons about Spanish Bibles. It was also pointed out that Malloy Carrick, a member of Mountain View and owner of Denton Hosiery, has agreed to furnish bi-linquel Bibles. Cathy Rimmer made a motion that Dr. Capps request up to $800 for this year, $800 for 1995. The motion was seconded by Lynn Garner and passed. Mr. Neal Payton has also been contacted about fund for **Church and Community Ministry Funding**. This could involve ministries such as the Davidson Medical Ministries, Counseling Ministry, Alpha Pregnancy, Prison Ministry and the Medical-Dental Van. Gail Beck made a motion to request these funds, R. N. Hardin seconded and the motion passed. Dr. Capps asked if anyone knew of churches who may need **pastoral salary assistance.** At the present time, no one was aware of a need. We presently have approximately 12 bi-vocational pastors and we have five churches without pastors.

Bass Tournament: The tournament has been changed from August to July 23-31. Bobby Stafford with BSCNC has agreed to give financial assistance through Resort Ministries. It was mentioned that there are Bibles especially for those who love the water. Gail Beck made a motion to go ahead and pursue any avenues through the BSCNC, Brenda Emmons seconded the motion and it carried.

Cambodian Ministry: A consultant of the Home Mission Board from Ft. Worth, Texas, has done a survey and found that Lexington has the 3rd largest Cambodian population in North Carolina. The HMB wants to pursue this ministry and is in the process of trying to locate a translator and a Cambodian pastor to work with them. SBCNC can provide $100 a month for salary and money can be obtained for lodging, transportation and meals. It is suggested that mission groups help provide Bibles and possibly make arrangements to present them to the people. It may be possible to find a pastor who could serve the Cambodian population in Charlotte, Lexington and Greensboro. The motion was made by Cathy Rimmer, seconded by Janet Sharpe, to request $2000 in start-up funds. The motion passed. Janet Sharpe gave a report on the contact she had with Osbert James. R. N. Hardin, Brotherhood Directors, reported that money is already being received for the Ukrainian pastors and also for the Recovery Van. Richard Capps reported that we had been in contact with Bob Watson, Church Extension, BSCNC, who suggested the Association sponsor a probe of Davidson County to discover the needs...lifestyles, churched people, kinds of people and numbers, etc. After the information is compiled, pastors and two lay people from each church would be invited to attend a meeting and receive the information. $500 to $800 would be needed for expenses, such as maps. There would be 12 zones and each zone would have a consultant to help. This would be a huge potential for helping the churches and their ministries. Charles Penley made a motion to proceed with having the probe of Davidson County, Lynn Garner seconded and the motion carried. There being no further business the meeting was adjourned and Cathy Rimmer closed with prayer.

MISSIONS DEVELOPMENT COUNCIL
March 1, 1994

Gary Myers called the meeting to order, asked for prayer requests and Charles Penley led in prayer. Richard Capps distributed information pertaining to **"Steps to Becoming a Mission/Church"** and asked those present to read the material. There had been nothing in our previous files regarding the formation of a mission/church. Dr. Capps pointed out that the term "mission" has tended to have a negative connotation, therefore the term referred to in this form will be mission/church. Dr. Capps recommended this document be included and added to the Constitution of the Association as Policy Statements. Dr. Capps also recommended that the Association adopt the Liaison Committee concept which will be a link between the mission/church and the sponsoring church. After much discussion and clarification of the submitted form, Charles Penley made the motion to submit this proposal to the Executive Committee, asking for special permission to operate under these guidelines during the interim period until the Annual Meeting, the motion was seconded and passed.

The next item of business was the discussion of the **"Establishment of Missions"** which appears on pages 79-80 of the 1993 Annual. Dr. Capps recommended this be changed to "Policies for the Establishment of a Mission from a Sponsoring Church." This would be the policies to guide a church who decides to start a mission somewhere within the county.

1. Definite sponsorship by an established member church of the association. 2. Sponsoring church to work in cooperation with Associational Missions Development Council and the Liaison Committee. 3. Sponsoring church to retain sponsorship of the Mission until such time as the church and the Association Missions Development Council agree that the Mission is self-sufficient. 4. Sponsoring church Liaison Committee to participate in the call of a Mission pastor and the selection of workers in the Mission. 5. Sponsoring church to encourage Mission from the beginning to give a definite percentage undesignated offering plate dollar through the Cooperative Program and to Associational Missions. 6. Sponsoring church should encourage a full and well-defined program of Southern Baptist work in the Mission and the use of Southern Baptist Convention literature. 7. Sponsoring church to work with the Associational Missions Development Council in properly locating the Mission. 8. Sponsoring church to work with the Mission in planning of new buildings, making the Mission aware of the services available through the Baptist State Convention and the SBC building consultants.

"Organization and Admission of New Churches," page 80 of the 1993 Annual, was discussed and it was agreed that this portion was already included in the previously expanded portion pertaining to the Establishment of Missions.

Cooperative Agreements for 1995: If the Council agrees, funds will be requested for pastoral assistance for Friends Mission in Southmont. Application has been made for the Hispanic worker from the Hispanic Seminary in San Antonio; application for $3,000 has been made to establish an Associational Hunger Ministry fund (had this fund been in place, money could have been given to Rev. Stephen Caudill for his needs); a request has been made for $2,000 to help with the Cambodian Mission; $800 has been requested for the Migrant Ministry; up to $1,000 has been requested for DCCC Baptist Student Union ministries; $2,500 has been requested for Davidson County Medical Ministries; $2,000 for the Alpha Pregnancy Center Ministry; and $1,000 for the Davidson County Prison Ministry. If we obtain half of these amounts, we will have reason to rejoice.

Dr. Capps stated that he was approached about a month ago by members of Stoner's Grove who no longer attend, about the possibility of being considered a mission church. From the beginning the group struggled with who they were, coming out of reaction to what had occurred at Stoner's Grove. Dr. Capps had several discussions with the leadership of both groups. It was agreed it was best to proceed with forming a mission. Dr. Capps met with members of the forming mission to discuss what it is to be a cooperating SBC church. Church policy and form of church government was also discussed. Questions were asked and answers accepted with eagerness. Dr. Capps spent time helping them to realize what a Southern Baptist Church is and the result was that the mission agreed to apply for membership to the Association and become a SBC church. Dr. Capps also talked with their pastor, Chris Bitterman, about Southern Baptists. Dr. Capps met with the congregation and they had an excellent representation. They have been given 100 wooden chairs to use, a piano and one of their members has built a pulpit so they have all of this furniture and are looking at possibly renting a store building near Green Printing Company on Highway

8. It seems to be the only location available at this time and nothing is available on Highway 47 where they had wanted to be. Dr. Capps then read the letter requesting membership in Liberty Baptist Association which he had received from Rev. Chris Bitterman on behalf of the Friends Group (copy attached). They will be choosing another name and do want assistance from the Home Mission Board, SBC. Dr. Capps said he had hoped to get assistance for Chris Bitterman as a Church Planter. Dr. Capps has approached a church to consider being the mother church and will possibly ask another church. Dr. Capps suggested that if a mission is under watchcare for a year, then they are constituted as a church, they should not be delayed further for another year before being accepted into the Association. At the annual session the issue of "church" and "mission" will need to be addressed. Charles Penley made a motion to recommend to the Executive Committee that we accept this mission's request for Watchcare. The motion was seconded and carried.

Migrant Ministry: Ministry time period is being increased from June to September instead of July to September. We are in serious need of vans or buses to work on an alternating basis during the summer to help with transportation. We are looking forward to having Hose Rustrian from High Point to help in June, Adam Alvarez in July and the Ledbetters in August/September. We are going to try to incorporate a literacy study, teaching English using the Bible, the Gospel of Mark. We are trying to get all of the Migrant Ministry workers trained for this and hope to have an orientation meeting for the workers.

Cambodian Ministry: A pastor from Richmond, Va. has come and they are averaging 12 to 15 each Sunday in Bible study. Things are progressing in this area. They are presently meeting at North Lexington Baptist Church. Dr. Capps recommended a Liaison Committee be established as a link for the Cambodian Ministry. This committee would consist of people from North Lexington and the Cambodian people. Motion was made, seconded and carried to have Dr. Capps write to North Lexington and request that they establish a Liaison Committee.

Key Leadership: Those present decided to attend Key Leadership at Ridgecrest on May 9-10, 1994 and Charles Penley agreed to take the van from New Friendship. Dr. Capps passed out a sheet indicating those who are supposed to attend Key Leadership. By the Executive Committee in March or April of 1995, the Nominating Committee should have leadership in place and these people will be the ones who should attend Key Leadership in 1995.

Mr. Jerry Ledwell, the Child Evangelism Director for Guilford County contacted Dr. Capps and said he is trying to establish a child evangelism ministry in Davidson County. This is an attempt to evangelize children and grows out of a background of a non-evangelical community, it has as its national headquarters Warrenton, Missouri but it has been used primarily in the Northeastern and western part of our country. Dr. Capps said it seems to make the Gospel too simple, they use a handbook and go by a color system, gold for heaven, dark reminds us of our sin, red for Jesus' blood, white symbolizing the washing away of sin, green for growth in God's grace. It is important that a child accept Christ through conviction and this color system tends to make this a shallow decision and faulty decisions may be made by the use of this material. Dr. Capps suggested to Mr. Ledwell that we already have material in place through our Big A Club or Backyard Bible Clubs. Dr. Andy Royals, Southgate pastor, had been approached by this same person. The Mission Development Council felt it would be appropriate for Dr. Capps to contact Mr. Ledwell and suggest he contact independent or non-denominational groups.

Dr. Capps shared material received from the **Multi-Housing Conference** which was held on February 24, 1994. There were five churches represented at the meeting. Dr. Capps stated he would like to see a Multi-Housing Council established for the Association to proceed with working in this area, which would mean the chairperson of that council would sit on the Mission Development Council. Everyone agreed this is something which should be pursued.

Dr. Capps has talked with Garry Cook about the **Pastoral Counseling Center**. Mr. Cook has asked permission to speak to the Minister's Conference about the center. This was begun as an inter-denominational counseling center and there did not seem to be cooperation from the pastor's referring individuals for counseling. In a year and a half, only 30 individuals were seen, and none were seen in Winston-Salem. Our pastors could be getting into some dangerous counseling areas. Garry Cook is interested in re-starting a counseling center but in another location and with input and help from the Association. Gary Myers stated the counseling center in Winston-Salem did not work

well with the financial situations of those referred.
There being no further business, the meeting was adjourned and Gary Myers closed with prayer.

MISSIONS DEVELOPMENT COUNCIL/TRANSITION COMMITTEE
May 16, 1994

Gary Myers called the meeting to order, asked for prayer requests and R. N. Hardin led in prayer. Minutes of the previous Transition Committee meeting were distributed and approved as written.
Richard Capps introduced **Rev. Chris Bitterman, Pastor of Central Baptist Mission**. Two deacons, Lance Scarlett and Ray Hiner also attended the meeting. Rev. Bitterman reported that the people of Central Baptist Mission have been meeting since October in a building next to Food Lion on Highway 8. They would like to have a location on Highway 47 past Central High School toward Denton since there are no Southern Baptist Churches in this area; however, nothing is available at this time. Things are going well for the group and they are praying for a healing between this group and those of Stoner's Grove. Chris said he felt the Lord was accurate in calling his people sheep because they are stupid animals and coming out of the situation at Stoner's Grove, he too feels confused and trying to learn, but God is helping. He asked for continued prayers for Stoner's Grove and Central Mission. The Mission is not self-supporting yet, even though they are paying their bills and have some money in a checking account, they are not in a position yet to purchase land which is a future goal. The main thing is furthering His Kingdom at this time and seeking to win the lost, make disciples, and teach the word of God. Outreach ministries are in progress, they are hoping to have a Youth Rally this summer with the emphasis on evangelism, and working with the elderly. They are meeting Sunday mornings for Sunday school and worship, Sunday evenings doing outreach and visitation, and meeting Wednesday evenings for prayer meeting. The group has not begun the work on the Constitution or Bylaws at this time, just simply trying to seek the Lord's guidance at this time. The attendance at this time is from 50-60 each Sunday for worship service. Ray Hiner said Chris makes the statement "We must keep the main thing the main thing, which is Jesus Christ." His main focus is on Jesus Christ and lost souls.
Richard Capps is trying to negotiate with a church about being a sponsoring church for the Mission. Until they have a sponsoring church, they are in limbo as to their membership, because many of their membership are still listed at Stoner's Grove or wherever they were before they came to the Mission. There will be a Liaison Committee which would meet every other month, a pastor which would be doing some mentoring with Chris, and then to do what we can to give support. Once done, they can proceed with having their membership officially a part of their Mission Church. Unfortunately when trying to approach a church it usually has to go through the deacons and other membership and sometimes take two or three months before an answer can be given. This is very typical and sometimes can stretch into a year before anything can be accomplished. At this time Central Baptist Mission is under the sponsorship of the Mission Development Council. Dr. Capps stated that we would want the Mission to be under the watchcare of the Association only if a sponsoring church cannot be found at this time. Judy Wood said that Colonial was taken under the watchcare of the Association without a sponsoring church. They made quarterly reports to the Association and it was a successful relationship. Charles Penley said that his first church was a very similar situation to the Mission, a group which had pulled away from another church, and they were under the watchcare of the Association for a year. They reported regularly to the Association and after a year they were a full-fledged church. Cedar Lodge also had separated from a church and met in the Lion Club for a year. Dr. Capps said that he would prefer to see them have a sponsoring church but from October until now is a good deal of time. Gary Myers said if they were received under the Association's watchcare, they would go ahead and begin their own church membership roster and this would be a part of the quarterly report submitted to the Association. Gail Beck brought up the question of whether or not the Mission would report on a Uniform Church Letter. Judy Wood said they would not have their own UCL, but if they had a sponsoring church, then the sponsoring church would report them on a Mission UCL. Richard Capps stated his previous Association reported the statistics of the Missions in their reports. Judy Wood suggested the

minutes could be researched to see what was done with Colonial. Richard Capps stated that once the relationship is developed, he could request financial assistance from the BSC for monthly rental and travel expenses for the pastor. They would expect to have monthly reports made to them of the progress. The Mission would need to set up a roll, request letters and form into a church body. At this point, the Missions Liaison Committee would be established which would consist of members from the sponsoring church or MDC and members of the Mission. This committee would keep informed of the needs of the Mission. Dr. Capps also reported that the Probe had been delayed until possibly May of 1995 and he was depending on this to help all the churches but particularly in helping to locate a site for the Mission, but maybe since land is not the major issue now. If the Mission grows to the point of needing to move, it is possible we could get a consultant to come and do a probe of just this area.

Charles Penley made a motion that the Transition Committee recommend to the Executive Committee that **Central Baptist Mission** be taken under the watchcare of the Mission Development Council and the Association while having Dr. Capps to continue to look for a sponsoring church. R. N. Hardin seconded and the motion carried. Charles Penley also stated he felt is was important for Chris Bitterman also be a part of the Executive Committee meeting so he can be introduced. Charles also suggested that Chris be prepared to give information to the Executive Committee about attendance, financial status and physical needs. Chris said at this point they do have furniture, hymn books, PA system, pulpit and a piano. The basic physical needs are met at the present time. R. N. Hardin stated that as soon as the formal request for letters was made to Stoner's Grove, they would be given. Rev. Bitterman, Lance Scarlett and Ray Hiner thanked everyone for allowing them to be a part of the meeting. Before they left, R. N. Hardin again led in prayer for Central Baptist Mission.

R. N. Hardin said a letter had been written from Stoner's Grove, signed by all the deacons, expressing sorrow for the rift which came and for the difficulties generated by hurt feelings. This is an expression of love and support from Stoner's Grove. This will be read on next Sunday at Stoner's Grove and then will be sent to the Mission.

Gary Myers recognized Richard H. Capps and he pointed out the Associational Chart outlining the Associational Council which is a program body, consisting of the directors of the program groups. The Mission Development Council would be responsible for ministry opportunities. All of these groups function and report to the Executive Committee in between Annual Sessions. The Executive Committee has already agreed to this restructuring.

In the absence of Bill Morrow, Chairman of the **Personnel Committee**, Richard Capps discussed the Job Description for the Director of Mission. There will also be a Job Description for the Administrative Secretary later. R. N. Hardin made a motion this be accepted and presented jointly by the Personnel Committee and the Transition to the Executive Committee, Charles Penninger seconded and the motion carried.

Dr. Capps told Judy Wood, Chairman of the Constitution and Bylaws Committee, that these various items need to be incorporated into the Constitution. Judy said her committee would meet and have this completed before the Annual Session.

Dr. Capps said that it had been suggested we have two night sessions for the Annual Session so that more people could attend. Charles Penley said he would like to see this done on a trial basis. Gary Myers said about two years ago the Program Committee studied this, notices were sent out asking for suggestions, and very few responded. If we did go to two night sessions, Charles Penley pointed out we would have to have two large churches to accommodate the people, possibly to serve evening meals both nights, and this would cut off the smaller churches from being able to host the Annual Sessions. Charles Penley also suggested the possibility of meeting twice a year. Dr. Capps said this would mean mid-year having the institutional functions, the first report of the Nominating Committee to get the basic leadership approved for Key Leadership, the annual sermon could be moved to that night. You would end up having two night sessions in the fall and one in the spring. R. N. Hardin pointed out it would be most helpful for the Nominating Committee to have basic leadership appointed so they could attend the Key Leadership Conference and Judy Wood said she felt the Nominating Committee should be instructed to complete this task earlier. After discussion of the Place and Preacher Committee, Judy Wood made the motion that Richard Capps approach them about changing the Annual Session, Brenda Emmons seconded and the motion carried.

The Transition Committee portion of the meeting was adjourned and Gary Myers led in prayer. The next Transition Committee meeting will be August 30, 1994.

Dr. Capps asked Brenda Emmons to remain for the Missions Development Council meeting. Minutes from the last

Missions Development Council were reviewed and approved as written.
In trying to clarify the document which was presented at the last meeting, "Policies for Establishment of a Mission from a Sponsoring Church", Charles Penley said it was his understanding this would replace the present information contained on 79-80 of the 1993 Annual. Gary Myers and R. N. Hardin agreed this was also their understanding. Dr. Capps also asked about Standing Resolutions, what this consisted of and suggested the change to Policy Statements, dealing with the Ordination of New Ministers, Establishment of Missions and the Admission of New Churches. Actually Admission of Churches should in the Bylaws and Establishing Missions should be in the Bylaws and Ordination of New Ministers should be a Policy Statement, your policy of how you operate. These items should be in the Bylaws under Membership. Gary Myers said he did not remember any major changes to the Constitution in the recent years. Standing Resolutions are not defined as to what they are. Dr. Capps suggested the reason may have been that Resolutions could be easily changed rather than the complicated procedure of changing ByLaws. Policy Statements also could be easily changed by majority vote. At the Executive Committee meeting, a change in the Standing Resolutions will be recommended and then it will be a matter of the Constitution and Bylaws Committee recommending that it be changed from Standing Resolutions to a part of the Bylaws relating to Membership. Gary Myers pointed out that actually by recommending the inclusion of "Policies for the Establishment of a Mission from a Sponsoring Church," we have already accomplished this. Charles Penley pointed out that by recommending we accept Central Baptist Mission under watchcare of the Missions Development Council, we have actually gone against what was planned and provisions were not made to receive the Mission without a sponsoring church. Dr. Capps said he still feels it is most important that Central Baptist Mission have a sponsoring church, if at all possible, and he will still work towards this. A Mission definitely needs the leadership, guidance and experience of a sponsoring church. The sponsoring church does not have to be in the same geographical area as the Mission, but must be willing to house their membership, the pastor would serve in a mentor relationship to Chris, be willing to elect representation to be on a Liaison Committee and take seriously the role of being a part of the Liaison Committee, which would be meeting each month to discuss anything relating to the Mission. It would be the role of the sponsoring church to help them prepare their Constitution and Bylaws. A New Church or Mission would obviously appreciate financial report, but this would come when a definite love relationship develops between the sponsoring church and the Mission/New Church. Gary Myers said that Trinity Baptist Church, which came out of Welcome First, was probably constituted a church within six months and given full rights as a church within the Association because they were self-supporting, paying salaries, rents, etc. The situation we now have with Central Baptist Mission is unique because it is a Mission and the Bylaws have to be amended accordingly. Finally, everyone agreed that two more items should be added in order to cover the situation of a Mission not having a sponsoring church but being accepted under watchcare of the Missions Development Council. Charles Penninger made the motion to amend the report from the last Missions Development Council and to add Item No. 9, Lynn Garner seconded and the motion carried. Also, Item No. 10 was added, which defines Watchcare. Gail Beck made the motion this be added, R. N. Hardin seconded the motion and it carried.
Dr. Capps stated that information had gone out to the churches concerning Associational Emphasis Week.
Key Leadership Conference was discussed. Discipleship Training, Evangelism, Music and Clerks need to have a Leadership Conference addressing these various areas. Brotherhood and WMU will have separate training events. Charles Penley has suggested a more involved conference in the future, perhaps having something about Family Ministry as well as the various program areas. This will be reviewed by the Missions Development Council at a later date. The time for the Leadership Conference will be set at a later date probably in the latter part of August.
Lynn Garner reported that the WMU voted to give $250.00 to help with the medical/dental van, take up an offering at the WMU Salad Supper, and issue a challenge to those present to give.
Dr. Capps reported that the **Cambodian Mission** had a revival with Dr. Ronald Hill, Greensboro, a retired missionary from Thailand, and it was very successful. They are having a regular Bible study and the mission continues to grow.
Brenda Emmons reported on the Orientation meeting for the **Migrant/Seasonal Workers** which will be held on Tuesday, Mary 24, and also on the Guidelines for this ministry. All of this information will be presented to the committee and workers present at the meeting on May 24. Brenda said it is very important to realize that we cannot

meet all their needs, and she asked for prayers for the Migrant Ministry Council because there is so much work to be done and plans to be made.
R. N. Hardin reported on **Stoner's Grove** Church. Their average attendance for the first three months was 63 for Sunday School, 105 for worship service and a total offering of a little more than $1250 per Sunday. There has been one new member and one conversion. The first six to seven months gives information on the numerical strength of the church and the average attendance, plus the financial status to see whether they should have a full-time pastor or bi-vocational. The healing process is moving ahead of time. They are very supportive of R.N. and his work there. R. N. requested prayer for Stoner' Grove.
Charles Penley stated that we have received $2,100.00 for the recovery vehicle, which has been forwarded to Holloways. R.N. Hardin said a generator valued at $1,100.00 has been donated by a member of Liberty Baptist Church. $897.00 has been received for the Ukraine pastor, and $335.00 for the Migrant Language work. The check for Osbert James was sent February 14 but it has not cleared the bank as yet, so he talked with Roy Cantrell who contacted Osbert James. Rev. James said he had not received the second check and reported that Margaret had given up her job to be with their child, their services are going good, had 135 chairs in their assembly and had standing room only the second Sunday in May. He sends his best regards to all. Charles will check with bank about stopping payment for the February check.

MISSIONS DEVELOPMENT COUNCIL
September 6, 1994

Gary Myers called the meeting to order, asked for prayer requests and Gary led in prayer. Minutes of the previous meeting were distributed. One correction was noted in the last paragraph, it was stated that "Charles Penley stated that we have received $2,100.00" etc. This should read Charles Penninger. The remainder of the minutes were approved as written.
Richard Capps reported on the **Cambodian Mission** and **Central Baptist Mission**. The Cambodian Mission continues to grow and have regular services with Pastor Samuel Nuon from Richmond, Virginia. We are wanted to proceed with having the Association approach the State Convention to try to seek financial assistance for this pastor. The Cambodian ministry is a part of the Liberty Baptist Association budget this year and also will be included in the budget of North Lexington. It is the hope of the Association, we well as North Lexington, to have this pastor as a joint pastor for the Cambodian ministry in Greensboro, Charlotte and Lexington. Families are still moving into the area. If this arrangement can be made, the pastor would most likely live in Lexington, commute to Charlotte and Greensboro. The average attendance is from 20-25. Charles Penley made a motion to approach the Baptist Convention of NC for financial assistance, R. N. Hardin seconded and the motion carried. Central Baptist Mission recently baptized six in High Rock Lake. They continue to grow and are meeting with the Church Extension Department of the State Convention on Thursday, September 8, to apply to pastoral assistance so that Chris Bitterman may become a full time pastor. They will be interviewing Chris to determine the possibility of receiving financial assistance from the state. Janet Sharpe made a motion to proceed with this, Rodney Douglas seconded and the motion carried.
Richard Capps also brought to the Council a concern about Osbert James and the Grenada Partnership. A letter was distributed which Osbert James had written to Roy Cantrell (copy attached). According to the letter, Rev. James accepted the pastorate of St. George Baptist Church in July of 1993. The Finance Committee chose to refer to the Mission Development Council the matter of financial assistance, currently $2,400 which is in the budget, and it will now be called Grenada Partnership. We do now have Rev. James' phone number and also the number of the missionary who works there, Dr. Carter Davis. Dr. Capps is going to call to talk with Rev. James and the missionary. The money originally given each year to Osbert was for the purpose of buying a vehicle. According to the letter if he leaves his secular job, he will be having a difficult time financially. Janet Sharpe and

Brenda Emmons expressed their confidence in Osbert James and his ministry. R. N. Hardin made a motion that this matter be delayed until the November meeting so more information can be obtained. Brenda Emmons seconded and the motion carried. It was discussed about sending the A.B.Dick machine which is in the office and a machine which Reeds has to Osbert James. Dr. Capps will try to find out the expense of doing this and the procedure. It may be that the cost will be prohibitive.

The proposed **Articles of Incorporation and the Bylaws** were presented to the Missions Development Council and they have been recommended by the Transition Committee. The people present for this meeting reviewed these documents in detail. Dr. Capps shared the changes and corrections which were made by the Transition Committee. Brenda Emmons, Director of the Migrant Ministries Council, suggested the name of her Council be changed to Hispanic Ministries Council since this seems to be the primary work of the Council. They would still have the responsibility of ministering to the needs of migrant and seasonal workers. Dr. Capps pointed out the addition of Policy Manual Items. The legal documents of the Association are the Articles of Incorporation, which can only be amended at an Annual Meeting or a special called Annual Meeting by a two-thirds vote. The Bylaws can only be amended at an Annual Meeting with a simple majority vote. The Policy Manual documents can be amended at any Executive Committee Meeting by a simple majority vote.

It is also recommended that we adopt a corporate seal which will become the logo or emblem of the Association. Richard Capps presented a drawing of a proposed seal. It was decided to try to find someone who does this type work, and the details and artist design will be determined at a later date.

There will be three feedback meetings for discussion of the Bylaws and Incorporation: October 6 at Coggins Memorial; October 20 at Denton, First; and October 27 at Oak Hill. After these meetings there will be a called Annual Session of November 21, at Rich Fork, for the purpose of dealing with the matter of Incorporation. The thinking of the Constitution and Bylaws Committee is that we will have given opportunity at three meetings for discussion and they will take under advisement anything which has been discussed or recommended at these meetings. At the special called meeting, there will be no further discussion, only a vote as to whether to incorporate or not. If there are amendments to be made, they will be made at next year's Annual Session. The same messengers can serve the called meeting who were messengers to the Annual Session in September and the Moderator may make this suggestion at the Annual Meeting. The Executive Committee will meet immediately following the special called Annual Session. The Executive Committee lay representatives from each church will need to be at the Executive Committee meeting. R. N. Hardin made the motion to recommend Incorporation and the new Bylaws to the Executive Committee, Janet Sharpe seconded and the motion carried.

Dr. Capps proposed the adoption of revised "Policies for the Establishment of a Mission/New Church" and "Policies for the Sponsoring of a Mission/New Church." R. N. Hardin made a motion, Janet Sharpe seconded and the motion passed to present these to the Executive Committee.

The following dates have been set for Mission Development Council meetings: November 7, 1994, January 3, 1995, March 13, 1995, May 8-9, 1995, Key Leadership Conference, June 5, 1995, September 5, 1995, November 6, 1995.

Miscellaneous Business: Area Groupings for the churches - combining various churches for the purpose of training groups. The Structure of Liberty Baptist Association reflects the restructuring of the association, and the Nominating Committee has based their report, and the people chosen for the positions, on the restructured leadership. This will need to be presented at the Annual Meeting as a motion from the Clerk. This will need to be presented in the afternoon session and voted on and discussed in the next morning's session under miscellaneous business time.

There being no further business, Gary Myers dismissed with prayer.

MINUTES OF TRANSITION COMMITTEE

November 8, 1993

Moderator Gary Myers called the meeting to order. Prayer requests were discussed and Richard Capps led in prayer. The purpose of the Transition Committee was explained as being a liaison between the Director of Missions and the churches. This committee will be the means of keeping the DOM informed about needs and concerns of the churches, as well as conveying information to the churches. The next year will be a definite time of adjustment for the entire association. This committee will also evaluate Liberty Baptist Association and the need for a Long Range Planning Committee; review various matter to be presented to the appropriate committees; and will serve as a "think tank" for the association.

Future meeting dates were given as follows: January 3, 1994, March 15, 1994, May 16, 1994 , September 8, 1994, and November 7, 1994.

Richard Capps gave a brief review of the book A Baptist Association: Churches on Mission by J. C. Bradley. He asked that if at all possible the members of the committee read the book before the January 3rd meeting and be prepared to discuss it and present thoughts about it. We need to think about who we are, how we function as an association and what we should be doing as an association.

Gary Myers shared that the Search Committee wanted to have a job description on hand at the time the DOM was selected, but had decided to wait so that the DOM would have input into the text of the job description. It was decided that the Personnel Committee would be responsible for preparing a job description for both the DOM and the office secretary. Richard Capps said he would make available to them the DOM job description from the South Roanoke Association and also the office would contact SBCNC for any examples that may be available.

The matter of an office custodian was brought up and the motion was made to contact Carl Newsome of Carol's Cleaning Service to clean the office one time and then if it is satisfactory, to recommend to the Executive Committee that she be contracted to clean every two weeks. The motion was seconded and it carried. Gail Beck is to contact her, ask about insurance, social security and whether or not she is bonded.

Gail Beck also brought up the question about office insurance. It needs to be determined if the insurance is adequate, the computer needs to be covered, as well as other office equipment, and we need to consider getting quotes on the coverage when it comes up for renewal. The Building and Grounds Committee would most likely be the committee to handle this. Gail Beck said she would contact the present carrier to get a copy of the policy and ask them about the computer. There being no further business for the Transition Committee, those who were present for this committee only adjourned.

TRANSITION COMMITTEE

January 3, 1994

In the absence of Moderator, Gary Myers, Dr. Richard Capps called the meeting to order and led in prayer. As the first order of business, Dr. Capps asked for reactions to J. C. Bradley's book, A Baptist Association-Churches on Mission Together. Evelyn Kepley stated that chapter 14 about getting more people involved was important, and she also pointed out that she saw nothing in the book pertaining to senior adult ministry. It was felt the senior adult ministry would fall under Christian Life or Family Ministry.

Mike Motley stated that our association will be what we make it and it should be a live entity. He also pointed out that youth ministry was not specifically mentioned in the book.

According to the chart, our Missions Development Council is functioning as the Associational Council should and our structure needs to be changed. This change came about gradually...first it was called Missions Committee, then Missions Development Committee and finally it was changed to Missions Development Council. The Missions Development Council needs to be concerned solely with the missions efforts of the association and the churches. It needs to give specific directions and aid to the churches for their various mission programs. Our goal for the future should be to have the Associational Council functioning. R. N. Hardin

recommended that the Transition Committee submit this proposal to the Executive Committee. Bill Morrow seconded the motion. Upon approval of the Executive Committee, the Constitution and Bylaws Committee will eventually have to revise the Constitution.

By the time of the annual meeting in September of 1994, all plans should be made and a new organizational chart and plan can be submitted. The annual meeting is to be a "kick-off" for the following year as the association is operating one year ahead of the churches.

Cathy Rimmer stated that she would like to see more recreational activities in the association, such as clowning, puppetry, etc. These can be implemented in all of the missions activities. Gail Beck stated that it would be good if the association could sponsor clinics on clowning and puppetry for the churches.

Dr. Capps pointed out the chapter in the book which pertains to financial support of an association. He would like to see the churches give a percentage of undesignated income to the association with the ultimate goal being 5%. Several ways were discussed as to how to get the churches to go to the percentage method of giving. Cathy Rimmer suggested a flyer or posters showing what is now being done with the money we receive and what could be done if we received more income from the churches. It was felt that we must show the churches what goals and proposed programs we have in order for them to agree to give more. After much discussion, Mike Motley made a motion, R. N. Hardin seconded, that the Transition Committee submit this plan to the Finance Committee and Stewardship Council and they in turn will submit this concept to the Executive Committee.

Due to the late hour, it was decided that the Missions Development Committee will meet on January 13 at 7:00 pm.

TRANSITION COMMITTEE
March 15, 1994

Moderator, Gary Myers called the meeting to order, asked for prayer requests and led in prayer. The minutes of the previous meeting were distributed and were approved as written.

The first order of business was concerning **the Composition of the Missions Development Council.** J. C. Bradley's book, A Baptist Association-Churches on Mission Together, suggested the composition of the MDC as follows: WMU and Brotherhood Representatives; Church Extension-New Work; Language Missions; Interfaith Witness; Chaplaincy; Black Church Relations; Christian Social Ministries: 1. Literacy; 2. Migrant; 3. Disaster Relief; 4. Prison; 5. Hunger; 6. Handicapped; 7. Senior Adults Ministry; 8. Single Adults Ministry. Mr. Bradley suggests there be one individual in each of these positions representing these kinds of mission emphasis. There would be one person for Christian Social Ministries with sub-groups functioning as committees relating to the specific area of ministry. There are also two alternatives as follows: **Alternative 1** - Persons who serve or are interested in these areas serve on the Council as representatives of specific ministry concerns. Example: New Work Representative; Migrant Representative; Interfaith Representative; Hunger Representative; etc. **Alternative 2** - Elect a Council of individuals for no particular concern to deal only with the above areas in total. The Council would have program responsibilities in all these areas as a group. Richard Capps stated we do not have all of these areas, for instance, Black Church Relations, at this time we have no one who is trained or who is giving emphasis to this particular area. We do have the Cambodian Ministry which is a language work as well as the Migrant Ministry, dealing with Hispanics. We have just formed or in the process of having a Mission in the Southmont area, so New Work and Church Extension is being resurrected now. Under Christian Social Ministry there are a number of things to be dealt with. Some of the people are already in place which would be a part of Alternative 1, so it would be a matter of filling the positions which we do not have. The people who are chairpersons of these various areas would then become a part of the Missions Development Council.

After discussion about the suggestions and the alternatives, Charles Penley made a motion to adopt Alternative 1 with those people who are already in the particular positions to be a part of the MDC and others be added as the need arises, Judy Wood seconded and the motion carried. Dr. Capps said he did want to include all of the areas suggested by the Home Mission Board. This matter will be presented to the Executive Committee as a point of

nformation only and not as a motion.

Composition of the Associational Council-J.C.Bradley's book suggests we establish an Associational Council around the various Program Directors positions, that is Sunday School Director, Church Training Director, Music Director, all the program areas of the church, Brotherhood and WMU, even though they will have a representative on the Missions Development Council. This group will plan the calendar for the Association and will be the group to make suggestions to the Finance Committee about specific program area needs. It will meet on a quarterly basis to make sure communication is very clear between the different groups and their planning. It is suggested that the Director of Missions serve as Chairman in much the same way as the Pastor serves as Chairman of the Church Council. In the majority of our churches, the Pastor does serve as Chairman of the Church Council. Then there is a questions of whether of not the Moderator, the Clerk and Finance Committee Chairman should be added as members of the Associational Council. The Moderator because he is aware of all of the aspects of the work of the Association, the Clerk because of various communications with the churches, and the Finance Committee Chairman so that he can be kept aware of the needs of the program areas. The Finance Committee is actually an Administrative Committee, but these people can serve on the Council. The people who would compose the Associational Council are: Sunday School Director, Discipleship Training Director, Music Director, WMU Director, Brotherhood Director, Evangelism Director, Historian, Stewardship Director, Pastoral Ministries Director and the Media Director. The only representative from the MDC would be the WMU and Brotherhood Directors. The office secretary can serve as secretary of the Associational Council. Charles Penley said he felt the Moderator should serve on the Council and the Clerk, and probably the Finance Committee Chairman. The Clerk or the Secretary can be the recording secretary of the group. Judy Wood stated that she did not understand the duties of the Clerk/Secretary and that if this person serves in this capacity, she should be compensated for attendance at these meetings. Charles Penley made a motion to adopt the recommendation for the Associational Council, including Moderator and Finance Committee Chairman, also the Clerk/Secretary with modifications for this position being made by the Personnel Committee. The motion was seconded and carried.

The matter of a **rotation system** for program councils and committees was discussed. Dr. Capps said he was concerned last year that everyone was replaced in the positions. This does not allow transition of duties in the committees. Charles Penley said we should get more people involved in the churches so there is not burn-out for some individuals. We need to find ways to get others involved. Dr. Capps suggested we may want to have a rotation system on the Administrative Committees. The Nominating Committee would set the rotation system and how it would work. They would also need to contact the individuals to see if they would agree to serve for more than one term. The only place we have any form of rotation system is on the Missions Development Council. Traditionally everyone has been replaced and the Moderator has always appointed the Nominating Committee at the end of each Annual Session. Charles Penley proposed that the Transition Committee recommend to the Nominating Committee that they study the possibility of having a rotation system. Once this has been determined or decided upon, the Constitution will need to be amended to include information about the rotation system. At the same time it should be studied about the Moderator appointing the Nominating Committee. Judy Wood seconded Charles Penley's motion and it carried.

By May 5, 1994, the next meeting of the Transition Committee, the **Personal Committee and Constitution and Bylaws Committee** are asked to bring preliminary reports. Judy Wood, Chairman of Constitution and Bylaws Committee, stated that because of her involvement with the Secretaries Association, which has been much more than she anticipated, it would be impossible to have this information by May 5th. Richard Capps suggested that at the May meeting, a discussion of job descriptions by the Personnel Committee could be done and then at the August meeting the Constitution could be discussed. Also, the Personnel Committee needs to make arrangement about the Clerk/Secretary being out of town for two days at the Leadership Conference. Judy Wood said all of the Committees, Personnel, etc. will have to get information to the Constitution Committee so their work can be done. Richard Capps is to get in touch with Bill Morrow about the progress of the Personnel Committee.

Miscellaneous Business: Gail Beck stated she would try to get someone to stay in the office during the time she is at Key Leadership on May 9-10. Charles Penley recommended we contact one or two senior adults to stay at the office these two days. Roxie Beeson comes on Monday so possibly she can get someone to come with her on

Monday and on Tuesday. The meeting was adjourned. Brenda Emmons closed with prayer.

TRANSITION COMMITTEE
August 30, 1994

Gary Myers called the meeting to order, asked for prayer requests and Stuart White led in prayer. Minutes of the previous Transition Committee/Missions Development Council meeting were distributed and approved as written.

Richard Capps stated that it is most important for the members of the Transition Committee to carefully read the documents submitted by the Constitution and Bylaws Committee. Judy Woods was present and represented the Constitution and Bylaws Committee. James Snyder, Jr., a member of the committee and also an attorney, recommended that rather than revise the Constitution and Bylaws, the Association incorporate. He submitted proposed Articles of Incorporation and revised Bylaws. Dr. Capps distributed Reasons for Incorporation. Stuart White said the liability situation alone for individual church members convinced the membership of Carolina Memorial to incorporate. At this time the Transition Committee reviewed, considered, and made corrections in the Articles of Incorporation and the Bylaws which were proposed by the Constitution and Bylaws Committee.

Richard Capps discussed the Policy Manual which will contain the Job Description for the Administrative Secretary/Clerk; a listing of Areas by Churches; Director of Missions Job Description; Guidelines for Volunteers to Seasonal Workers/Migrants; Leadership Chart; Organizational Structure of Liberty Baptist Association; and Policies for the Establishment and Sponsorship of a Mission/New Church (revised copy.

The Job Descriptions have already been adopted. The Area Church groupings are for the purpose of having various meetings, also further divided for the sake of training events. The document pertaining to Seasonal Workers has already been adopted. The Leadership Chart and the Organizational Structure describes the Association, who we are and what we are. The Policies for the Establishment of a Mission/New Church is a new document which the Missions Development Council will review and recommend to the Executive Committee.

Dr. Capps expressed his thanks to the Transition Committee for their work and the accomplishments of the past year. He also asked help in talking about the changes and explaining to church leadership. Gary Myers also expressed his appreciation to the committee.

Judy Wood suggested the Transition Committee join with the Constitution and ByLaws Committee in submitting the changes to the Executive Board. R. N. Hardin made the motion, Rodney Douglas seconded and the motion carried. The changes will be presented at the Annual Meeting, then there will three regional area meetings in October, and a special called meeting in November for the purpose of voting on the changes. The meetings will be in the Thomasville, Lexington and Denton areas for convenience, but will publicized so that individuals can attend any meeting which may be suited for them. At the November meeting, the vote will be "yes" or "no" and no amendments will be accepted. It will be open for amendments at a later date as provided in the Bylaws. There will be 10 copies of the Articles of Incorporation and Bylaws sent to the member churches prior to the meeting in November. In the event incorporation is rejected, then adjustments to the Constitution will need to be made.

There being no further business, Gary Myers dismissed with prayer.

WOMAN'S MISSIONARY UNION

It has been a very productive year for the Liberty Baptist Association WMU. We emphasized our them "Serve in Christ Name" in all our meetings. The WMU Council had training at Caraway and trained leaders in the Association in September at Center Hill Baptist Church. Eighteen churches were represented. In October a prayer retreat was held at Mills Home Baptist church, with eleven churches participating. Our speaker was Sarah Snell.

An abundance os shampoo was collected by our Association for the Women's Correctional Center in Raleigh. Cedar Lodge hosted our Annual Meeting in April, 1994 at which Kim Dickey presented a program on China.

Our WMU Council is very appreciative of each church in our Association, for their prayers and contributions. We are very fortunate to have Dr. Richard Capps as a member of our WMU Council. His expertise in missions has benefited us greatly.

BAPTIST STATE CONVENTION OF NORTH CAROLINA REPORTS

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

No matter how much adults try to convince themselves otherwise, children suffer when parents divorce. Amber suffered. Because she blamed her mother for household turmoil, and because she was young and confused, Amber told her mother she hated her. She stopped communicating and became withdrawn. She chose wrong friends and attempted to take her own life.

In today's atmosphere, when divorce rocks as many marriages as it misses, thousands of children like Amber look for anchors. And in today's atmosphere, just as in the atmosphere of the 1880s, and every year since, Baptist Children's Homes provides that anchor for hundreds of children.

In 1992-93 BCH served 1,469 young people and their families, probably an all-time high. Through services provided at 13 facilities statewide, BCH offered residential care, maternity care, a home for teenage mothers and their babies, therapeutic camping, model day care, emergency care and behavioral change.

Through the Cooperative Program, church budgets and Thanksgiving Offerings, Baptist churches provided about one-third of the $11 million necessary to care for these children. Other revenue comes from payment for services on a sliding scale, foundations and corporations and individual gifts. A significant source of help comes from individuals who remember Baptist Children's Homes, and the children it serves, in their estate planning.

"I couldn't handle what was going on at home," Amber said, after a year in the intensive group process at Kennedy Home. "I wanted a way out. I saw (suicide) as the only way. I had totally turned my back on God."

Under the tutelage of Kennedy Home Baptist Church's pastor, Amber has rededicated here life to the Lord and was baptized. She is now memorizing Scripture and doing devotions.

Between here renewed faith and the peer group process, Amber has begun to resolve the differences with her mother. When she graduates from Kennedy Home, she plans to live with her mother and sister.

"Just being able to talk through it with group and with staff helped make it better," Amber said. "They helped me understand mom and may have moved out, but she never left me. She's always been supportive."

Working through problems at BCH involved identifying your problems, putting a name to them. That helps a child realize he/she is not a "problem child" but is a "child with problems."

"If I was alive with this place, I wouldn't be in a happy life," Amber said. "I'm really thankful there are places like this. Amber's gratitude expresses the feelings of hundreds of children each year, and the staff who serves them. Many young people need BCH. Thankfully, many Baptist adults are committed to providing their needs, for Jesus' sake.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.

*Making Life for Older Adults...**The Best of Times***! As a result of the wonderful support given by North Carolina Baptists, 1994 will be remembered as one of the finest years in the 43 year history of the Baptist Retirement Homes. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirements Homes hired W. Paul Riggs to serve as Chaplain to the residents of the Prince Nursing Care Center in Winston-Salem and the Rickman Nursing Care Center in Asheville. Reaffirming its commitment to the idea that retirement should

be a "step-up" for Older Adults, the renovation of the Taylor House in Albemarle was completed and renovation o the Hamilton Baptist Home in Martin County was begun. When the renovation of the Hamilton Baptist Home is completed in mid-1995, all of the facilities operated by the Baptist Retirement Homes will be "State-of-the-Art." In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), a special small group approach to the care for institutionalized Older Adults suffering from dementia was instituted at the Prince Nursing Care Center in Winston-Salem. Through the implementation of this program, Baptist Retirement Homes once again demonstrated its commitment to the principle that everyone has the right to age with dignity and to enjoy a certain quality of life through the aging process.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem...a unite where frail Older Adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults, Baptist Retirement Homes expanding its nursing services in 1994 to include an additional 100 Older Adults (80% of that group being classified as the poor elderly...men and women who lack sufficient financial resources to pay for the institutional services they receive).

Thank you North Carolina Baptists for helping us make life for Older Adults...**The Best of Times!**

THE BIBLICAL RECORDER

The rapid changes taking place in our world have produced distorted values, violence, threats and uncertainty and the surrender of much that is good and wholesome while creating false heros who fail. Baptists must rise up to face these decisions and issues before our window of opportunity is lost forever. We must not squander our heritage from yesterday and our mission for tomorrow. There is no other way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now, with charges and countercharges flying, with people trying to use and manipulate others. People are reading less than any time in history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help! In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than it cost to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1995 than even when it started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world. "The North Carolina Baptist Way" has become even more important to us than ever before. That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: The Biblical Recorder, 232 West Millbrook Road, Raleigh NC 27609 (919) 847-2127.

CHRISTIAN EDUCATION

One year and 338 days after Pearl Harbor, the Council on Christian Higher Education was created: November 17, 1943. The first Council meeting occurred January 17, 1944, four months and 20 days before D-Day. Reports to the Baptist State Convention in those years contained many references to World War II and its effects upon churches, communities, the colleges and Baptist work in general. It was a time of weakness and confusion. War was raging in Europe and the Pacific, and the outcome was still in doubt.

In such a time there were visionary Baptists who by faith could see beyond the clouds of war to the needs of peacetime. A Convention committee of 64 members labored almost two years before recommending that the Council be established. Chowan College was closed in 1944, Gardner-Webb College was not yet funded by the Convention, and Wingate College received only $5,000. The clear aim was to strengthen the colleges, increase their moral and financial support among Baptists, place Christian Higher Education high on the Baptist agenda, and to organize such efforts on a continuing basis.

In 1994, the Council on Christian Higher Education's 50th year of operation, let us give thanks for those pioneer Baptists whose foresight, insight and good works caused North Carolina Baptists to become leaders in the field of Christian Higher Education.

Respecfully submitted,
Ron Richardson

Offering degree programs exclusively for women, the college added the Master of Arts degree in education, business and music, and the Master of Business Administration degree in 1983. Dr. John E. Weems is president. The college is located in Raleigh.

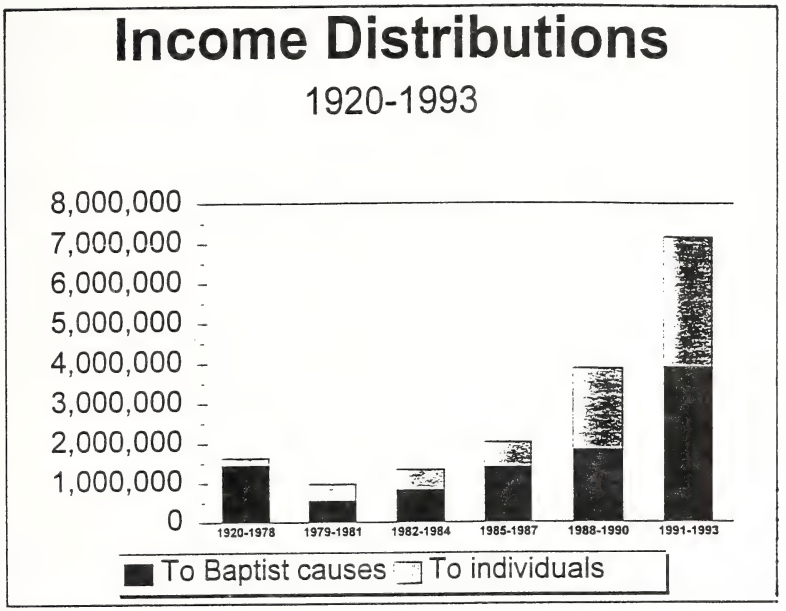
MARS HILL COLLEGE, known first in 1856 as the French Broad Baptist Institute, changed its name to Mars Hill College in 1859 and to Mars Hill Junior College in 1922. With the beginning of its senior college programs in 1962, the name Mars Hill College once again became the official name. Located in the town of Mars Hill, near Asheville, its educational programs are offered in the setting of the Blue Ridge Mountains. Dr. Fred B. Bentley is president.

CHOWAN COLLEGE was the result of the dreams and labors of the Chowan Baptist Association and the education-conscious community of Murfreesboro. Begun as Chowan Female Institute in 1848, three other names were to follow: Chowan Female Collegiate Institute in 1851; Chowan Baptist Female Institute in 1868; and Chowan College in 1910. Long known for its strong preparation of students for senior college, Chowan became a four-year college in 1992 with the admission of juniors, class of 1994. Dr. Jerry F. Jackson is president.

WAKE FOREST UNIVERSITY, begun by the Baptist State Convention in 1834, was first known as Wake Forest Institute. Chartered as Wake Forest College in1838, the college was located in the town of Wake Forest until its move in 1956 to Winston-Salem. The Graduate School of Arts and Sciences, the School of Law, Bowman Gray School of Medicine, the Babcock School of Management, the School of Business and Accountancy, and Wake Forest College combine to form the University. The name was changed from college to university in 1967. Dr. Thomas K. Hearn, Jr. is the president.

The Council on Christian Higher Education, organized in 1943, is an integral part of the Convention's approved program of Christian higher education. The Council, which promotes understanding between the colleges and the churches and encourages cooperation and fellowship among the colleges, is one of the oldest educational cooperatives in America. Four executive directors have headed the Council's operations: Claude F. Gaddy, Harold Cole, Ben C. Fisher and T. Robert Mullinax.

NORTH CAROLINA BAPTIST FOUNDATION



With the 75th anniversary of the chartering of the N. C. Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of December 31, 1993, the Foundation held $45,878,748 under management. In 1993, $1,243,217 was distributed to Baptist work and $1,196,748 was distributed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74 year history of the N. C. Baptist Foundation totals: $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as Western Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area. We encourage western North Carolina Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 201 Convention Drive, Cary, N. C. 27511, telephone 919-380-7334.

NORTH CAROLINA BAPTIST HOSPITAL

Meeting the Challenges of Health Care

1994 Report to the Associations

"Touching Lives With Hope"

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our Hospital healing team now consists of 5,777 employees. The Medical Center (North Carolina Baptist Hospital and Bowman Gray School of Medicine) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,545 inpatient admissions during our fiscal year 1993-94. Our Outpatient Department, physicians' clinics, and other related departments received 523,672 patient visits.

DEPARTMENT OF PASTORAL CARE

Our chaplaincy division joins with our health-care professionals to provide spiritual and emotional healing. With 15 to 35 chaplains present at various times, 58,747 ministries were provided to patients, families, staff and groups. Mission dollars from the Cooperative Program enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of our Department of Pastoral Care, continues to expand and strengthen. To date thru 1993, 40 ministers have completed intentional interim training and 29 are in training. The number of churches calling intentional interim pastors continues to increase. The training of consultants for conflicted churches and leadership training for young ministers were both begun.

The Pastoral Counseling Division now operates 12 counseling centers across the state. These centers provided 26,716 hours, a five percent increase over the previous year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department of Pastoral Care. His eleven years of leadership and ministry have brought quality and expansion in every facet of the department.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $425,734 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

EXCELLENT FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of superb stewardship.

(1) The latest report of the North Carolina Database Commission comparing the average of other state academic medical center charges vs. Baptist Hospital for our most frequent diagnoses reveals our charges are 21% lower.

(2) We are one of only 17 hospitals nationally with a "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1994, the Consumer Price Index will average 2.8% and the Medical CPI for hospitals will average 8.9%. Baptist Hospital rate increases for the same period will average 1.8%, under both the above-mentioned indexes.

MEETING THE CHALLENGES OF THE FUTURE

The health care environment is and will continued to be changing. Baptist Hospital is proactively facing these changes on a daily basis. Below are listed several visions which have recently been or will soon be realized.

Nursing Center at Oak Summit

Opened in July 1993 this 170-bed facility offers four levels of care. It is also one of only a few nursing centers in North Carolina that provides care for ventilator-dependent patients.

Emergency Department/Dietary Building

Progressing toward a late 1995 opening, this facility will expand our ED capacity to 70,000 visits annually. It will also house three floors of patient private rooms, our Pharmacy Department, a new kitchen and 900-seat cafeteria, and a 35-bed Day Hospital.

J. Paul Sticht Center on Aging and Rehabilitation

This building will usher in a new era in rehabilitation at our Medical Center. Housing a total of 128 beds, it will contain a geriatric day hospital which will aid the transition from hospital to home, inpatient rehabilitation nursing units, a psychiatric floor, geriatric research and education. Completion is targeted for 1996.

At home health care

Our Home Health Solutions provides our local region with parenteral nutrition and intravenous antibiotic therapy, chemotherapy and pain management. Home Health Specialists provides nursing care, personal care and physical and occupational therapy.

Center for Research on Human Nutrition and Chronic Disease Prevention

Our continued partnership with Bowman Gray School of Medicine enables our Medical Center to provide the highest quality of research, education, and patient care. Quoting Dean Richard Janeway, "We are trying to prevent the major killers such as cancer, strokes, and heart attacks. With this facility we'll be able to transfer the information straight to the patient's bedside."

COMMUNITY HOSPITAL ASSISTANCE

Developing relationships with community hospitals such as Stokes Reynolds in Danbury and Hoots Hospital in Yadkinville enables us to assist them in lowering costs as well as providing quality hospital and outpatient care. We anticipate expanding this endeavor to include other smaller, outlying hospitals. We also have significant affiliate relationships with hospitals in Wilkesboro, Lexington, and Mt. Airy and are in the process of developing other affiliate relationships.

QUALCHOICE OF NORTH CAROLINA

Joining with BGSM and Wake Forest University, Baptist Hospital has developed a managed care plan. Our design is one which offers affordable quality health care while providing the insured freedom of choice. This plan will be opened for public enrollment beginning January 1, 1995.

A CLOSING WORD

We continue to esteem our heritage, celebrate our current capabilities, and strive to position ourselves for the future. Your partnership, prayers, and utilization of our services inspires our dedication to our mission. We are grateful to God and to the North Carolina Baptist family.

STATE MISSIONS

North Carolina is our primary mission field. The challenges for reaching this mission field are greater than they have ever been. Our state continues to grow in its ethnic population. Asians and Hispanics are the two fastest growing ethnic groups in North Carolina. Most of them come to us without a church background. The number of people living in multi-family housing complexes continues to grow faster than the number living in single-family dwellings. The majority of those in multi-family housing do not attend church. The breakup of families has become epidemic. By the year 2000, one-half of our children will spend part of their lives in a single parent home. The issue of crime continues to plague us. A youth offender reported that he could not get a driver's license, but he could purchase a gun. Those suffering from the HIV virus continue to grow in number. The resort communities of North Carolina continue to attract millions of people every year, many of whom have not heard the Gospel of Jesus Christ. North Carolina has over 21,000 inmates in its prison system. Many thousands of our citizens suffer from hearing or visual impairment. Over 50,000 of our population are in nursing homes.

These and many other issues describe our primary mission field - North Carolina.

The Missions Division of the Baptist State convention works with local churches and Baptist Associations in this mission field to meet these, and many other, human needs. A new mission statement was written by the division staff in 1994 to clearly identify the purposes of the division. The statement reads: *The Missions Division of the Baptist State Convention of North Carolina seeks to direct the missionwork of Baptists in North Carolina and work cooperatively to open windows of opportunity for a worldwide mission program. The work of the division focuses upon (1) New Work Starts and Development, (2) Redevelopment of Existing Churches, (3) Leadership Development for Mission Work, (4) Mission/Ministry Response, (5) Cooperative Planning to assist churches and associations in realizing their vision for missions, and (6) Association Mission Support.*

Behind the statement is our commitment to work with churches and associations in reaching their corner of our mission field. The Missions Division seeks to work with churches and associations in a partnership relationship. The way we achieve the goals of the convention for mission work is to help associations and churches achieve their missions goals in their community.

In 1994 the division will provide $700,000 in funds for mission work in associations. This money is provided through Cooperative Program contributions and gifts to the State Mission Offering.

CHRISTIAN LITERATURE

Choosing the literature which fits best for any particular church or class is not always an easy job and it should not be taken lightly. The right literature in the hands of God's people opens the hearts and eyes of many to the Gospel of our Lord. Thus the choice of Christian Literature for churches and individuals is always a challenge.

For Sunday School the Southern Baptist Convention through the Sunday School Board continues to update

and change its literature. The BSSB is committed to offering materials that will help churches provide "life changing Bible Study experiences for all." They continue to offer churches a choice of Life and Work, Convention, and Bible Book curriculum. These materials are available in all age ranges. Many changes are taking place in all areas, but most noticed is the Life and Work curriculum.

Through Smyth and Helwys Publishing, Baptists also have the opportunity for a Sunday School curriculum. The name of their literature is Formations. The materials are available for all ages. This is a new publisher of Christian literature.

Vacation Bible School is another form of teaching in the church. Both the BSSB and Smyth and Helwys offer various VBS materials for all ages. The BSSB has recently developed new ways to do VBS. Smyth and Helwys has only two VBS resources.

The BSSB continues to offer Christian resources for all areas of the Life cycle. They continue to provide devotional materials and helps for the single adult through the senior adult.

There are two publications which are readily available - the Biblical Recorder and Baptist Today which help churches. Both contain commentaries on each Sunday's Sunday School lesson as well as information every Baptist should be aware of.

Through the Home and Foreign Mission Boards are publications about missions and work of Baptists. The Cooperative Baptist Fellowship also provides materials for missions and ministry. Other publications of Christian literature from the Woman's Missionary Union and The Brotherhood Commission are available.

A wealth of material is also available to all Baptists through the North Carolina Baptist State Convention. To aid churches in the mission and ministry of the church our state office offers a wide range of materials.

All literature and materials are designed as a tool to assist the individual and the church in its mission to make disciples of Christ and to bring up that disciple in the word of God. As we daily use the resources at our disposal, may they strengthen the work of the Kingdom of God.

FOREIGN MISSIONS

The 1993 Liberty Baptist Annual reports that Liberty Baptist churches gave a total of $165,427 to Southern Baptist Foreign Mission in 1993. Total Southern Baptist gifts were over $154 million. This supported 3,954 Southern Baptist Missionaries serving in 127 countries.

In 1993 there was a 7.3% increase in overseas churches. In the past six years, overseas churches grew from 17,769 to 35,188.

Dr. Jerry Rankin was elected president of the Foreign Mission Board in June 1993. He replaces Dr. R. Keith Parks who is now the Global Missions Coordinator for the Cooperative Baptist Fellowship. Several of our churches also support foreign missions through the Cooperative Baptist Fellowship which now has 41 missionaries.

Both the Southern Baptist Foreign Mission Board and the Cooperative Baptist Fellowship feel the need to focus on World A peoples, those who have not had the opportunity to hear about Christ. Thirty of the 73 most urgent missionary job requests for the Foreign Mission Board are for World A.

Many of our churches have sponsored foreign mission trips, giving church members the opportunity to participate in foreign missions. This has been a very positive experience for the volunteers who participate.

Liberty Baptists are asked to pray for missions around the world. Continue to lead your church to give freely to missions.

HOME MISSIONS

Reaching out to communities in the U.S. and other close countries, is the responsibility of our Home Mission Board. We can take pride in the fact that our Home Mission Board is involved in areas like the Caribbean, Guam, American Samoa, Canada, and our own United States. In these areas we have 4,882 mission's personnel working

hard for our Lord. What a job they are doing! We have seen 349,073 baptisms just last year, also 2,300 were involved, along with healthcare agencies, institutions, businesses, the military, and pastoral care roles. Filling some of these positions were 1700 Service Corps volunteers, with 1500 churches started last year.

Where do we get the money to do all this work? From you, our cooperative helpers. Half of the support comes from Annie Armstrong Easter Offerings. In 1993 the offering total $36.31 million, one 3 percent less than 1992. About 36 percent comes from the Cooperative Program. The 1994 Annie Armstrong Easter Offering goal is $40 million. The following is a summary of program/support ministry highlights from 1993:

Chaplaincy Ministries-The 2,325 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith and 4,500 baptisms. **Church Loans**-Approximately 1,056 churches and active loans totaling $131.1 million. The Church Loans Division closed 120 church loans totaling $32 million, including $3.8 million of refinancing. **Language Missions**-Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects. **Evangelism**-During Crossover Houston, the Mas Evangelism Department coordinated 35 street evangelism events, 25 block parties, nine evangelistic rallies, and 68 special Harvest Revivals and events. These activities resulted in 1,253 conversions. The Personal Evangelism Department produced and shipped materials for "Here's Hope, Share Jesus Now." This emphasis will include 60 Days of Soul-Winning, January 9-March 9, 1995. **Volunteers**-More than 74,860 Southern Baptist adults, college students, and youth group members volunteered for long-and short-term projects. In addition, several thousand more were involved in disaster relief efforts in the Midwest. **Church Evangelism Development**-Over 1 million teens participated in "See You At The Pole," gathering at their flagpoles to pray for the schools of our nation. **Administration**-The Home Mission Board broke ground for a new national office building which will be completed in 1995. Customer Services received more than 51,000 calls and shipped almost 5 million pieces of HMB material.

OTHER REPORTS

AMERICAN BIBLE SOCIETY

The mission of the American Bible Society, from its beginning in 1816, has been to "provide the Holy Scriptures to every man, woman and child in a language and form each can readily understand, and at a price each can easily afford."

This challenge is multiplying even faster than the population increase, for new developments in Scripture translation and publications are opening up many new audiences to God's work.

The American Bible Society is an interdenominational and nonprofit organization founded in New York City, with the headquarters still located in New York City. The society is supported principally by gifts from churches and individuals.

On January 17, 1994 residences of the Los Angeles area were stunned by a major earthquake. Damage left a vast number of people without safe shelter and adequate food. Among the group helping to meet the needs of quake victims were American Bible Society Volunteers. Through the efforts of local church members, over 25,000 Scripture portions provided by American Bible Society were distributed to encourage those in need.

God's Word provides a sure foundation for those seeking to rebuild their lives because of many situations in our modern society, and it only takes a moment to give. The Society says, "We ask for your continual prayers, that the Bible Society, in partnership with the Southern Baptist Convention and other willing Christians, may perform even more effectively its task of brings the Work of God to those who ask for it and need it.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

Can God's people make a difference concerning the moral climate of our state? There is no doubt about it! The $300 billion gambling industry has targeted our state for legalized gambling. Why North Carolina? The fact is that N.C. is the largest state in the nation where the gambling industry has not been able to get their foot in the door. Furthermore, NC is the only state in the traditional Biblebelt where the gambling industry has not been able to make any inroads. In order to get their legislation enacted, they hired 14 of the most influential and effective lobbyists that money can buy to sell "their bill of goods" to the member of the N.C. General Assembly.

Is there anyway to defeat such money and power? Yes! Through the prayers and influence of God's people! It happened in 1994.

The legislature has adjourned - the members have gone home - the gambling lobbyists have packed their bags and left town.

How was it done? Baptists and other Christians fulfilled their Biblical responsibilities by influencing their legislators through their prayers, letters, phone calls, and personal contacts.

The Christian Action League along with the Christian Life Council of the Baptist State Convention; N.C. Baptist Men; and Women's Missionary Union, has conducted 36 workshops, THE CHRISTIAN LOOKS AT GAMBLING, to educate and motivate our people into action against this insidious evil. You responded, and now, we can claim victory.

Furthermore, when communities like Asheboro, Albemarle, Concord, Kannapolis, Thomasville, and Manteo, including Hyde and Harnett Counties, faced battles with the powerful $140 billion dollar liquor industry during the year, we were delighted to provide campaign strategy, research documents, and publicity materials. The liquor forces did not win any of these referendums.

We thank God for your support of our Ministry of Applied Christianity, and we stand ready to assist God's people in being the "salt" and "light" that He would have us be.

Proceedings

One Hundred Sixty-Third Annual Session

Liberty Baptist Association

Monday Afternoon, October 2, 1995

JERSEY BAPTIST CHURCH

Linwood, North Carolina

"Churches in Association: Partners in Evangelism" was the theme for the 163rd annual session of the Liberty Baptist Association. Rev. Stuart White, Moderator, called the opening session to order. John Brook led in the singing of hymns "Make Me A Blessing" and "Some Soul For Thee."

The **Theme Interpretation** was presented by **Betty Bradshaw, Director of the WMU Council**. She was assisted by Rebecca Davis and Bessie Blackwell, Women on Mission Consultants.

On behalf of Jersey Baptist Church, Rev. Morris Hollifield welcomed those present and gave directions for the facilities of the church. Rev. Lowell Askins, Chairman of the Annual Session Program Committee, recommended the adoption of the Program for the 163rd Annual Meeting of the Liberty Baptist Association. The motion carried.

Gail Beck, Association Clerk, made a motion that those messengers who had registered, and those who would register constitute the 163rd annual meeting of the Liberty Baptist Association. The motion was seconded and carried. Rev. Lamar Moore, Chairman of the Nominating Committee, recommended the election of Gail Beck as Clerk for the 1995-1996 year. The motion carried.

Dr. Richard H. Capps, Director of Missions, recognized the new staff pastors and staff members for the 1994-1995 year: Rev. C. Edward Stines, Pastor, Trinity, Welcome; Rev. Dan Tilley, Pastor, Cedar Lodge, Thomasville; Dr. Peter Hamilton, Pastor, Liberty, Thomasville; Rev. Bert Holt, Minister of Youth and Music, North Lexington, Lexington; Rev. Lonnie H. Wymer, Jr., Minister of Youth, Music & Education, Thomasville, First, Thomasville; Rev. Joseph N. Soloman, Jr., Pastor, Currytown, Lexington; Rev. Richard C. Ashley, Minister of Outreach/Education, Center Hill, Lexington; Rev. Galen Johnson, Pastor, Victory, Thomasville; Rev. Benn Flemming, Minister of Youth and Children, Churchland, Lexington; Dr. Ronald S. Pierce, Pastor, Thomasville, First; Rev. J. Max Evington, Pastor, Wallburg; and Mr. Hiram (Bud) McCants, Minister of Youth, Coggins Memorial, Lexington.

Mrs. Sandy Motley presented the report for the **Davidson County Medical Ministries Clinic**. The **Treasurer's Report** was presented by Raleigh York, Jr., and it was approved. Larry Yarbrough, Chairman of the Finance Committee, thanked the other members of the committee and presented the **Finance Committee Report**. He stated that much prayer and concern had gone into the preparation of the budget. Rev. Roy Queen, Pastor of Holloways Baptist Church, recommended the following: "Mr. Moderator, I move the proposed Budget of Liberty Baptist Association for the 1995-96 Associational year be amended as follows:

1. Under Item II. Ministries
   a. The allocation for Alpha Pregnancy Center be increased from $1,200 to $1,500.
   b. The Ecumenical Social Ministries be added to the list of Ministries and $1,000 be designated for this ministry.
   c. The total of Ministry allocations should then read $17,800.
2. Under Item III. Administrative Expenses
   a. The allocation for the Newsletter be reduced from $2,100 to $1,600.
   b. The office supplies & postage allocation be reduced from $6,000 to $5,200.
   c. The Sub-Total be reduced from $25,700 to $24,400.

Mr. Moderator, if a second is received, I request permission to speak to the motion." A second was received on Rev. Queen's motion and he spoke to the motion as follows:

1. In 1991 (I believe) Liberty Baptist Association began supporting Alpha Pregnancy Support in the amount of $1,200 annually and this amount of support has never increased. I believe that the practice of unnecessary abortions is one of the greatest evils of modern society. We must adequately support those who attempt to provide alternatives to abortions. 2. The Ecumenical Social Ministries operates the Homeless Shelter in Lexington, maintains a year-round Food Pantry and provides emergency funding for stranded travelers and others in need. This agency deserves our support. 3. Realizing that our financial situation is such that additional expenses are impractical at this time, I feel that we can continue to effective minister if we will make the stated adjustments to our administrative spending. In 1991 we spent $2,148 on office supplies, postage and the Newsletter. In 1992 we spent $2,328 on these items. In 1993 we spent $2,249. the total spent on these items for these three years was $6,725. This amendment would allow spending for one (1) year that comes within $25 of the total spending for the above three (3) years on these items. In order to accomplish our present goals in this area with the above reduced spending I suggest that the Associational Office consolidate mailings to local churches by mailing all Newsletters and other correspondence to the local church office once a month for local distribution. I believe this practice will save more than the money needed to fund the above Ministries." Moderator Stuart White called for a vote on the motion made by Rev Queen, and it was defeated by a large majority vote. The Budget as presented by Chairman Larry Yarbrough was approved.

The **Nominating Committee Report** was presented by Chairman, Rev. Lamar Moore. It was pointed out that we are still in need of a Music Council Director and a Student Ministry Council Director. It was requested that if anyone was willing to fill either of these positions, they contact the Chairman of the Nominating Committee or the Associational office. Rev. Roy Queen asked to be removed as the Chairman of the Hunger Awareness Committee. The Nominating Committee report was approved.

John Brock thanked the pianist, Miss Trisha Vinson and organist, Mrs. Alma Smith. He then led in the singing of hymn "I Love To Tell The Story."

As a part of **Miscellaneous Business**, Dr. Capps presented a plaque of appreciation to Raleigh York, Jr. for his service as Treasurer of Liberty Baptist Association for the 1994-95 year. Rev. Stuart White shared prayer concerns - Debbie Wagner, daughter of Rev. & Mrs. Tommy Wagner; Linda Keen's mother who has suffered a broken leg; and Barbara Queen's mother, who is critically ill.

Brenda Emmons, Director, gave the report for the **Hispanic Ministries Council**. Afterwards, Dr. Andy Royals read scripture from II Corinthians 4: 1-7. John Brock presented inspirations special music, and Rev. Warren Kerr, retired minister, presented the **Annual Sermon**. Rev. Morris Hollifield had prayer for the evening meal.

Monday Evening, October 2, 1995
JERSEY BAPTIST CHURCH
Linwood, North Carolina

Mrs. Mary Martin opened the evening session with an inspirational mini-concert; afterwards John Brock led the congregation in singing of hymns "There's Something About That Name" and " Blessed Be The Name."

Theme Interpretation was presented by **Rev. Daryl Triplett, Director of the Youth Council**. Crystal Samuels, Coggins Memorial Baptist Church, shared her testimony about her experience at the Camp Cheerio Youth Camp. Donald Becker from Southside Baptist Church provided an inspirational solo and youth from Southside, accompanied by Mr. and Mrs. Randy Goins, sang "Will You Be The One." Vernelle Greene presented the **History of Jersey Baptist Church**.

The **Executive Committee Report** was presented by Gail S. Beck, Associational Clerk, as follows:

Executive Committee Report - October, 1994 - September, 1995

During the year many things have been accomplished by our Association and presented by Committee or Council at the Executive Committee meetings.

As a means of being involved in our communities and having a voice in various issues, we have joined the Chambers of Commerce of Thomasville, Lexington and Denton. The Extension Department of the BSCNC is encouraging Associations to become members of local Chambers.

A recommendation was made and approved that we distribute Associational Annuals to the following people at no cost: Pastors, Full-Time Staff members, Church Office/Secretary, Library, Clerk and anyone serving in an Associational position. Any additional annuals may be purchased for $2.75 each. The reason for this recommendation is that we had annuals left over from last year. We want everyone to have an annual who wants them, but we do not want them to be wasted. At one time the annual was the primary means of communication in our Association; however, in the past two years our primary means of communication has become our newsletter which is distributed to almost 1200 people. We do this so that all those who hold positions in the churches will have knowledge of what is going on in our Association. Sometime ago we had to have another drive installed in the computer because of insufficient memory, which resulted in unexpected expenses. All of the information provided at the Annual Meeting is generated in the Associational office; the Book of Reports is completely prepared in our office-printed collated and stapled-275 copies. Last year we saved approximately $500 by having all the materials for the Associational Annual "photo ready." This year we are probably going to save even more because the information will be sent to the printer on computer disk. Anyone who does not know what is done in the Association office, how it is done, and the equipment we have and use, is invited to come for a personal tour and demonstration.

Approval was given for $2,400 from the State Missions Offering to be used to help finance the call of a pastor for the Cambodian Mission in Lexington. Funds were requested through Cooperative Agreements for the following funds this year: Cambodian Ministry-$1,500; Migrant/Hispanic Ministry-$800; Summer Worker for 1996-$2,500; Central Baptist Mission-$5,200 for 1995 and $3,467 for 1996. Recently Central Baptist Mission purchased land and will be receiving assistance from SBC in the form of a worship unit and a Sunday school unit. It is hoped that the NC Baptist Men will soon be approached about constructing a building for their worship needs.

Our Association will be participating in a pilot program for the state convention, which will help us to realize all the potentials we have in our county, the strengths and weaknesses that exist. One church will be chosen in each area to participate in the maps program at a cost of $235. Our future goals will come from these studies. Our churches will be telling the association what we can do to help the churches reach their goals and objectives. Each church chosen to do the study will then share all of the information with other churches in their areas. We will be having a retreat on November 11 at Caraway for the planning stages. The surveys will be done between this time and April, when a second retreat will be held.

We have formed a partnership with the Christian Activity Center in East St. Louis, IL where one of our own, Chet Cantrell is the director. We will be having two one-week mission trips to present backyard Bible clubs, missions VBS and sports programs.

We continue to support our Ukraine partnership and in May through contributions from our churches sent $1,767 for pastor's assistance and $591 for construction supplies. Because of our partnership with Cooperative Services International, we are instrumental in helping to supply Bibles for communist China.

We received information from Rev. Osbert James that he is now the full-time pastor at St. Georges Baptist Church in Grenada. We hope to have a mission trip in the near future to go and help build pews for his church.

An exciting new partnership with Southern Africa for 1996 and beyond, is now being planned.

Our Director of Missions will be going to the planning meeting February 19-29, 1996. His expense will be covered by our State Missions Rebate. The Moderator and Missions Development Council Director are also requested to attend this planning session.

Our Associational Brotherhood has been busy-remodeling Cabin A at Mundo Vista, and also planning to work on other cabins; reroofing houses for those in needs; building handicap ramps; and going to Florida, Massachusetts, and Antigua to help disaster victims.

Our Associational WMU ladies have been extremely busy-for the first year we have an Associational Toy Store Ministry, through their efforts, each prisoner at the Men's Correctional Facility in Davidson County will have a gift bag this year. The response to the "Christmas in August" effort for the Christian Activity Center in East St. Louis, Ill was far more than expected.

At one of our Executive Committee meetings, we did not have a quorum present, so we could not conduct the business of our Association. But, at the last Executive Committee meeting, we had 49 people present, with 29 churches represented. Each church is entitled to have three voting members at the Executive Committee meeting - the pastor, treasurer and one executive lay representative. Wouldn't it be wonderful if all of our churches would respond and send three per church? We would have to find a larger meeting room.

Serving on the Executive Board is no easy task. There are many long and tiring hours, but to see the fruits of our efforts is most rewarding. I appreciate the opportunity to be a part of the vital decisions and realization of dreams of our Association. Motion was made and approved to accept the Executive Committee report. (Minutes of the Executive Committee Meetings are included as a part of the annual.)

Calvin Knight presented the **Baptist Retirement Homes of North Carolina** report. Rev. Gary Myers, Director, commended all who served on the **Missions Development Council** and stated that it has been an exciting year of activities for the Association. He presented highlights of the meetings during the year (minutes are included as a part of the annual). Motion was made and approved to accept the Missions Development Council report. John Brock led in singing hymn "O Zion Haste."

As a part of **Partnership Ministries**, Betty Bradshaw shared about the "Christmas in August" project, sponsored by the WMU. "Chet Cantrell expresses appreciation to LBA for this partnership. As he shared the ministry and potential for involvement in our link-up, many opportunities were presented and I will share a few in this report. The project "Christmas in August" was big. Your contributions supplemented their limited budget a lot. Thank you for Chet and to all who helped to pull this together. Christian Activity Center staff and kids unloaded and sorted the supplies. Getting the supplies to the right storage area was a great blessing to Chet, because it meant scheduled activities could remain the same. Kids are his priority. We did in 2 1/2 hours what would have taken him two weeks. 21 staffers and kids were willing to help us as we sorted and stored the supplies. They work with so little at the center and do so much. The Christian Activity Center is a haven for the kids. The residents we met were willing to work and all of them had a attitude of appreciation. In this area a family of four has an average annual income of $3,900. This situation they are in is not their's by choice. There is nothing in the city for the kids to do-the CAC is their place! The center has $3,000 given them to operate for a year. To date (9-29-95) $200 is left and three months to go. Staffers and the Cantrells take money from their pockets to help meet the ever present needs. Spiritual needs are a great concern. Garland, age 8, made a profession of faith Friday, while we were there. Some needs at the center are: Teams for VBS-construction, maintenance, etc. Finishing the upper addition-many groups from difference places have put this addition together, one nail at a time. General repairs-replacing siding, fence, etc. A gym floor-priority. Bringing the kitchen up to standards. Adopt A Child for Christmas. There will be more children than sponsors. The last meal we ate in the area was enjoyed with Chet and Michelle. A statement they made was 'even when things are not going well, we are where we feel God has called us.' This report was compiled as we

traveled back from East St. Louis, IL. Charlie Foster and Jim Spoon, Summerville Baptist Church; Evva Spurgeon and Lou Schlotfeldt, Abbotts Creek Baptist Church; Goldia Spivey, Denton First; and Betty Bradshaw, Carolina Memorial Baptist Church."

Bill Reece reported on the Handyman Ministry, which is a part of the Brotherhood ministries. This involves the installation of handicap ramps, putting roofs on houses, and furnishing wood to those people in need of it. This provides a witness to these people and at the conclusion of each project, the family is presented with a Bible, which each of the workers has signed. The people who are involved in the handyman ministry also have been working on the cabins at Mundo Vista.

Rev. Jack Rose shared about the latest trip to the Ukraine, through the presentation of slides showing the work at Central Baptist Church in Livi. The church was constructed in 1539 and it has been given to the people with the understanding that it will be restored to its original look.

Special music was presented by the Jersey Baptist Church choir, directed by John Brock. Dr. Roy Smith, Secretary/Treasurer and Executive Director, Baptist State Convention of North Carolina, brought the evening message. Dr. Smith is also a former pastor of Jersey Baptist Church. The message was centered around the theme of the Annual Meeting, "Churches in Association: Partners in Evangelism."

Rev. Byron Barker, pastor of Rich Fork Baptist Church, closed the meeting with prayer.

Alternate will be Rev. Markus Sink, pastor of Park Place Baptist Church, Thomasville. The report was approved as presented.

The **Memorial Service** was led by Rev. Leonard Rollins, who read the names of those who had died during the previous year, made appropriate remarks in their memory and closed with prayer.

During a time of **Miscellaneous Business**, Rev. Roy Cantrell recommended the following: "I wish to place a motion before the group that we request our Finance Committee to prepare for us a report for each Executive Committee meeting and for the Annual Session, a copy of our financial statement that will include the adopted budget and beside each budget item, the amount spent from that line." The motion was seconded and approved by majority vote.

ANNUAL SERMON HIGHLIGHTS - OCTOBER 2, 1995

"The Deadly Danger of the Daily" - II Corinthians 4:1-7

The challenge, vitality, and responsibility of serving the Lord can lose the sharp cutting edge. We can lose heart, as individuals, churches and associations. There are several, what I like to think of as fundamental statements, made by the Apostle Paul:

1. Personal integrity established (verses 1-2);
2. Perception of the need (verses 3-4); and
3. Proclamation of the remedy (verse 5a), "not ourselves but Christ." We can avoid the Deadly Danger of the Daily in our service for Christ with the Servant's Heart, the Savior's Compassion, and the Spirit's Power.

The Servant's Heart:

1. A willing servant. Our example is Jesus, the suffering servant.
2. A working servant. Again we find our example in Jesus who said, "I must work the works of Him who sent me."

The Savior's Compassion:

1. Compassion demonstrated at Garden of Gethsemane, Calvary and Resurrection. Mountain top experience of His transfiguration was a transforming experience for Peter, James and John, as they and Jesus went into the valley of a world in need of Redemption.
2. Ministry to the sick and lost was a result of Jesus' compassion. (Luke 4:18 and Matthew 9:34-38).

The Spirit's Power:

1. We experience the paradox of great spiritual treasure in clay pots. As the clay is made strong in the firing oven, so we are made strong and usable through the fire of trouble, disappointment, and heartache.
2. We are strengthened by the presence of the Holy Spirit who indwells these bodies of dust. Our lives must be yielded to the Holy Spirit and His power than in our own wisdom (I Cor. 2:1-4).

LIBERTY BAPTIST ASSOCIATION REPORTS

ALPHA PREGNANCY SUPPORT, INC.

Jesus said: *"As ye have done it unto the least of these, my brethren, ye have done it unto me...And as ye have done it not unto the least of these, my brethren, ye have done it not unto me."*

. . . . *a place for new beginnings*

Who are "the least of these" as found in the scriptures? They are the HUNGRY, the THIRSTY, the STRANGERS or WANDERERS, the NAKED, the SICK, and the IMPRISONED. We see them all at Alpha Pregnancy Support, and we do our best to assist them in their need. Last year we saw 97 new girls, had opportunity to witness during 274 counseling sessions, gave assistance to 268 girls, made 106 referrals to churches or community agencies. As we head into our fifth year in ministry, we have seen 22 girls give their lives to Jesus Christ. We have seen many more return to the Lord and rededicate themselves to His ways. We've been able to help in the reconciliation of torn families-bringing girls back into fellowship with parents and other family members. We have tried to BE THERE for "the least of them."

Our budget is $35,000-a relatively small budget-just enough to get the job done. There is no income from services rendered, for all our services are free. Our non-profit ministry is dependent on the monthly support of churches and concerned individuals. The summer of 1995 was the leanest we've ever seen financially. In July we went into the red. Thankfully, our Fall Walk for Life pulled us out of the slump with a record $9,500 in contributions.

We deeply appreciate the Liberty Baptist Association and its continued faithful support. And we are so thankful to all the individual churches who see us as Home Missions and send their contributions regularly. Thank you also for the baby showers and gift donations. We need you to continue to reach these girls and their little families for Jesus Christ.

Respectfully submitted,
Marlene Lambeth, Executive Director

BROTHERHOOD

ACTIVITIES:

1. Camp Mundo Vista Renovations

During the past year, God led approximately 50 men from several churches to get involved in this project. Donated labor amounted to about 300 hours. There is an ongoing need for workers during the coming year. The goal for 1995-96 is to complete the bathroom in the cabin we worked on last year and to completely renovate 2 additional cabins. This will involve 2 new bathrooms to be completed by April 30, 1996.

2. Mission trip to Prague, Czech Republic

A team of 16 people from various churches in our association went to help renovate buildings for the International Theological Seminary.

3. Meeting Needs in Jesus' Name

In cooperation with Davidson County Senior Services, firewood was provided for one needy family and food commodities were delivered to other needy families.

4. Roofing Projects

Men from several churches answered to call to help put new roofs on the homes of needy families in Midway and Thomasville.

5. Ministry to the Handicapped

Wheelchair ramps were constructed for families in Lexington and Midway.

6. Disaster Relief in Massachusetts and Pensacola, Florida

One team of men from Liberty Baptist Association travelled to Massachusetts to help with tree removal following a devastating tornado. Two more teams went to Florida to remove downed trees and help families rebuilding following a hurricane.

7. Angel Tree Christmas Program

Assistance was provided to more than 25 children in this outreach to families of prison inmates.

8. Camp Caraway

Camp fees were paid for more than 10 boys who are children of inmates to go to Camp Caraway during the summer.

Brothers working together make a difference in the quality of life for many people and bring honor and glory to the name of Jesus.

Respectfully submitted,
Carl Hunt, Brotherhood Director

CAMPBELL UNIVERSITY UPDATE

Campbell University is a university of the liberal arts, sciences, and professions, which is committed to helping students develop an integrated Christian personality characterized by a wholeness that includes: a method of critical judgment; an appreciation of our intellectual, cultural, and religious heritage; and a sensitive awareness of the world and society in which they live and work with persons.

Campbell University is a Baptist University affiliated with the Baptist State Convention of North Carolina. Both in and out of the classroom, the university endeavors to present Christian principles to students and to foster their application to daily life.

The purpose of Campbell University arises out of three basic theological and Biblical presuppositions: learning is appointed and conserved by God as essential to the fulfillment of human destiny; in Christ, all things consist and find ultimate unity; and the Kingdom of God in this world is rooted and grounded in Christian community.

The mission of Campbell University, as a community of Christian scholars, is to:

Provide students with the option of a Christian world-view;

Bring the word of God, mind of Christ, and power of the Spirit to bear in developing moral courage, social sensitivity, and ethical responsibility that will inspire a productive and faithful maturation as individuals as citizens;

Transfer from one generation to the next the vast body of knowledge and values accumulated over the ages;

Encourage creativity, imagination, and rigor in the use of intellectual skills;

Affirm the university's commitment to the belief that truth is never one-dimensional but in wholeness is revelatory, subject and transcendent as well as empirical, object, and rational, and that all truth finds its unity in the mind of Christ;

Frame university teaching in the context of a liberal arts education seeking to free persons to live more abundantly and securely in an ever-changing social order;

Foster stewardship in nurturing the gifts of the mind and in developing aesthetic sensibilities;

Equip students with superior vocational skills, productive insights, and professional integrity;

Provide a community of learning that is committed to the pursuit, discovery, and dissemination of knowledge to serve the region as well as national and international communities;

Prepare students for purposeful lives through undergraduate, adult and continuing education, graduate, and professional instruction including terminal graduate and professional programs;

Provide services to the general community through research efforts, adult and continuing education, and cultural programs;

Cooperate with other educational institutions for the advancement of mankind.

This university sees the human vocation as living by faith under grace, with no conflict between the life of faith and the life of inquiry.

DAVIDSON MEDICAL MINISTRIES CLINIC

It is again my privilege to address the Liberty Baptist Association on behalf of the work of Davidson Medical Ministries Clinic. We are now in our fourth year of operation, serving the people of Davidson County, with assistance in medical, dental and pharmacy services. As you know, DMMC is a privately funded, non-profit, charitable organization. Persons eligible for our service receive those services free! We function on volunteer staff, and financial support from caring groups like Liberty Baptist Association, individual churches, organizations and persons.

Year to date DMMC has 2830 active clients. We have filled 4,223 prescriptions; we have seen 413 patients in medical clinic; we have seen 175 patients in dental clinic; and we have provided $198,801.33 worth of free medical/dental pharmacy care thus far this fiscal year. Our budget for this year is $216,460 and from this amount we will generate at least $400,000 worth of free care.

But, DMMC is not just about numbers and dollars. What we really try to do is help people. We are not perfect, we are not all encompassing, we are not able to respond to every need, but we do care and we do try!

Actually, I feel our staff and our volunteers go above and beyond the call of duty on many cases. Doctors staying late to see one more patient, or being called at home to give advice to another physician working in the clinic. Mothers taking one night a month away from kids and homework, etc., to be a nurse or social worker, or clerical. Pharmacists working long hours in their store and coming to the clinic to fill an additional 150+ prescriptions free. It's taking the extra time that is needed when you see a young woman that has been abused and needs to know how to get help. It's about volunteers buying groceries for a couple that just found out the husband has cancer. They relied solely on his income and will have to wait several months before disability is able to help, it's smiling and hugging those that probably have not been hugged in a long time.

Most of the time our best medicine does not come in a bandage or in a bottle of pills it comes in a smile, a hug, a kind word, in giving hope when all else seems hopeless. Recently, I received a letter from a lady (in a church) criticizing our work because someone had told her that someone they knew that been turned down. Her comment was that she did not want to support an organization that did not want to help people that really needed it. That lady will never know how that letter hurt. Because until you come to the clinic and see the work and watch what our volunteers do and sometimes endure you can't say we don't care. Reality is some people do get help that could do better. But most that come really need it. Reality also is that more people need our help than we have help to give. We have rules that we must go by, we have limits on the services we can provide, and we on occasion must say no! When what we want to do is say okay!

Our needs are to expand our programs, but to do so, we must have more support, both volunteer and financial. Over the next year to two years I look for such changes as: 1. Hiring a part-time pharmacist so that we can continue to meet the needs of our pharmacy assistance program. 2. Moving-we do not currently own our building. We hope to purchase property and build or renovate an existing building with more space!!!

What can you do? Continue to pray for our work. Volunteer, or help us spread the word that we still need volunteers. Arrange for a speaker from DMMC to come to your church. And pray! Plan a fund raising event for us. Put DMMC in your church budget. Help us with manpower when renovation starts. And pray some more!

Respectfully submitted,
Sandy Motley

DIRECTOR OF MISSIONS REPORT

Thank you to all our churches for your prayer support, cards, and food in the passing of Joyce's mother, Mrs. Leola Wood, in December of 1994. We are grateful to Nolan Reid, member at Wallburg, for help in securing and building our home off High Point-Wallburg Road. We covet your prayers as Joyce and I adjust to Elizabeth at Shorter (Baptist) College School of the Arts in Rome, Georgia; and Hank in Medical School at ECU, Greenville.

II Cor. 1:24a "We are workers with you for your joy." We are laborers together-43 churches-41 in Davidson County, one church in Forsyth County and one in Randolph County. Our challenge and opportunity has never been greater.

BSCNC information tells us every area of our county is to grow by the year 2000. Northeast Davidson-6.1%; Thomasville-6.4%; Lexington 5.4%; South Lexington (Jersey, Center Hill)-7.8%; High Rock Lake/Hwy 8-8.1%: Denton-7.3%. 132,000+ people, 7,000 increase by the year 2000. This averages 175 prospects per church. This means some 60,000+ lost in LBA church fields. We must design ministry to reach the unchurched coming our way.

Associations must go to consultative ministries with churches. Training must be geared to more specific needs. Every ministry we do must have as its goal reaching people for Christ.

I. Strategy Planning (1996-2000) will be as follows:
   1. Ask participating churches to review last 30 years of their ministry.
   2. Each church will do a questionnaire.
   3. Vista Population Study in 5 mile radius of local 9 churches that agree to participate..
   4. Each church will have a special committee to recommend to the Association how we can assist that church and in turn assist all of our churches.
   5. Two Retreats at Caraway to hear information and prepare recommendations.

   We must be maximize the use of our financial and people resources.

II. As we pioneered mission support being the first Association to go to Togo and were a vital part of the bridge construction; worked in Brazil; provided Osbert James with College and Seminary work; we now continue to grow in our support of mission projects through our new partnerships with Christian Activity Center, East St. Louis, Il.; Southern Africa; and St. Georges Church, Osbert James as pastor - as well as some 16 mission concerns in the Ministry Section of our Budget. Financial support is essential in the days ahead.

Our present level of support is 1.84%. Our goal for 1995-96 Budget is 2 1/2% average per church. See Support Chart (page #48) in Finance Report. If every church will seek to increase support by 1/2% for 1995-96, we can do it! Missions here must become a priority! Current needs for future - a video project for us by LBA churches; Handyman ministry funds; Volunteers to go to East St. Louis, Grenada, Southern Africa; Special projects - Toy Store, Migrant Health Kits, Prisoner Gift Bags. Special Events/Festival Ministry, Cambodian Pastor support - mission needs exist now!.

I am grateful to our churches for the involvement of hundreds of volunteers in ministry projects and a total financial support of all ministry efforts for this financial year.

I. During our year 1994-95, I attended and participated in the following activities:
   1. Liberty Baptist Association/BSCNC meetings - 83

DISCIPLESHIP TRAINING

Discipling Believers is the responsibility of every Church, Jesus gave the directions to: *"Go ye therefore, and teach all nations, baptizing them in the Name of the Father; and of the Son, and of the Holy Ghost: TEACHING THEM TO OBSERVE ALL THINGS WHATSOEVER I HAVE COMMANDED YOU..."* Matthew 28:19-20. To fail to disciple Believers is to fail to obey.

In Liberty Baptist Association we had fifteen churches which reported work in Discipleship Training during the last year. We know of One additional church which has started a Discipleship Training Program since the new year began.

May the Lord help us to realize the urgency of assisting Believers in their spiritual growth and development. May the Lord bless as you grow spiritually and assist others in the process of growing.

Respectfully submitted,
Stuart White, Director
Discipleship Training Council

EVANGELISM

Evangelism has been on the front burner during the 1994-1995 Liberty Baptist Associational year. Twenty-seven of our churches participated, one way or another, in the HERE'S HOPE-SHARE JESUS NOW emphasis. Forty-eight precious souls were saved, and at least four hundred and thirty-six personal commitments were made. How exciting to think of almost six hundred of our folks dedicated to witnessing daily for two months. As well as the HERE'S HOPE efforts, the Evangelism Council has continued its leadership efforts in festival outreach, and new possibilities of ministry are being explored. Personally, as new capable leadership plans for the coming year, I want to thank you for the opportunity to serve the Lord through Associational Evangelism, over the past several months.

Evangelism Council Director

EXECUTIVE COMMITTEE MINUTES -1994-1995

November 21, 1994: Stuart White, Moderator called the meeting to order and opened with prayer. Copies of the minutes of the previous meeting had been distributed. Gail Beck, Clerk asked for the approval of the minutes and they were approved as written.

Finance Committee: Larry Yarbrough, Chairman of the Finance Committee, recognized Raleigh York, Jr., to present the Treasurer's Report. Mr. Yarbrough presented a statement of Finance Policy "Any event or activity that in cost would exceed the budget line item should have Finance Committee approval before proceeding with the event." This was made as a motion from the Finance Committee, was seconded, and approved. Dr. Capps stated that this came about as a result of events which turned out to be more costly than anticipated.

WMU/Brotherhood/Evangelism: In the absence of the WMU Director, the Brotherhood Director and the Evangelism Director, Dr. Capps gave an update for these organizations. The renovation of Mundo Vista, Cabin 4, Unit A, is progressing and funds should be directed specifically to this project so our Association will receive credit for this. Chewing gum is being collected for the women's prison in Raleigh and will be sent to them around Thanksgiving. The WMU is currently is the process of preparing a new Constitution and Bylaws for presentation at the fall session. WMU will become Women on Mission as of October 1, 1995. Brotherhood Council is developing plans for Disaster Relief Training and announcements will be made about this soon. The Brotherhood is getting the wood which must be cut from Mundo Vista to use for a project to provide wood for the needy. They are also developing a wood fuel bank to minister to the needs of people who need wood. Log splitters are needed for this project. Seven individuals have committed to go to Prague February 4-18, 1995 and we are looking forward to others going since we can have 13 to go. The New Song Concert was not as successful as it should have been, the auditorium was about half full, with about 10 of our churches participating. A final financial report will be given on this at a later date. However, even though this was not successful financially, twenty young people made professions of faith, and from this standpoint it was successful. This was the kickoff for Here's Hope for the young people. The Here's Hope Prayer Breakfast will be December 3, 1994 at 8:30, Summerville Baptist Church. Twenty people attended the WIN School at North Lexington and January through March will be the witnessing emphasis period in preparation for revivals.

Missions Development: Gary Myers presented a recommendation that $2,400 from the State Missions Offering be used to help finance the call of a pastor to the Cambodian Mission. The person, who would be the pastor, would be working with not only the Lexington area but in other areas along the I-85 corridor from Richmond, Virginia through Rock Hill, South Carolina. The motion was

seconded and passed.
The budget for 1994-95 includes items for partnership and support for Grenada. These funds will be sent to Osbert James. There are still spaces available for the trip to the International Seminary in Prague on February 4-18, 1995. The cost is approximately $950.00 and if there is any interest, notify the Associational office as soon as possible. Gary also asked that the Missions Development Council be remembered in prayer as they try to have a vision for the future of our Association.
Personnel Committee: Bill Morrow, Chairman, recommended the adoption of the Job Description for the Administrative Secretary. The motion was seconded and passed. He also recommended the adoption of the Job Description for the Associational Clerk. The motion was seconded and passed. There being no miscellaneous business or further business, the meeting was adjourned and Jack Rose had the benediction.

January 23, 1995: Stuart White, Moderator welcomed those present, called the meeting to order. Rev. White used Scripture from Jeremiah 33:3 in explaining the importance of prayer in the life of a Christian. After prayer requests, R. N. Hardin led in prayer. Copies of the minutes of the previous meeting were distributed. At this point in the meeting, there was not 25 people in attendance as required by the Constitution to vote.
Finance Committee: Larry Yarbrough, Chairman of the Finance Committee, presented and distributed copies of the annual review, which was prepared by Theresa Matthews, CPA. Raleigh York, Jr., Treasurer, explained that this review is not considered an actual "audit" but is as complete as possible without having an audit which would be rather expensive. Ms. Matthews prepared this report with no charge to the Association. Mr. York also presented the financial report from the beginning of the Associational year through January 16, 1995. Larry Yarbrough brought a request from the Finance Committee that the Association join the Chambers of Commerce of Davidson County: Thomasville-$175.00; Lexington-$125.00; Denton-$75.00, making a total of $375.00 per year. Dr. Capps explained that as a member of the various Chambers of Commerce, we would be able to have a voice in various issues and be involved in the planning stages of happenings in the County. We would be having various people to serve on Chamber committees. The Church Extension Department of the BSCNC is encouraging Associations to become a part of local Chambers. The Finance Committee also recommended the purchase of a cellular phone for office use at a cost of $24.95 per month for 30 minutes and $21.17 for the phone itself. This will be a user contract with Circuit City in Greensboro. Dr. Capps explained this would be used by him and available for use by any group or person traveling on behalf of the Association. Notice should be given to the office for use.
WMU: Dr. Capps reported on behalf of Lynn Garner. The WMU has adopted some important ministries...Toy Store Ministry next December which will provide toys for families or the needy of our churches. Southside has agreed to store the toys and then they will be sorted into bags for distribution prior to the opening of the store. People will be needed to make doll clothes and used toys, books, games, etc. will be accepted if they are "like new" and do not look worn. This will be for children 14 years of age down. Christmas gifts are going to be provided for the prisoners at the Lexington prison which would contain a New Testament, Gospel tracts or religious literature, personal items such as toothpaste, toothbrush, etc. The Lexington prison is the last stop for prisoners before they are returned to public life and we can have an impact on them. There are major changes to take place in the next year for WMU as an organization. The Constitution and Liberty Baptist Association WMU Bylaws have been revised to comply and the new name will be Women on Mission. Dr. Capps also announced that Lynn Garner is expecting another child in December.
Brotherhood: In the absence of Carl Hunt, Dr. Capps reported that the Brotherhood had held it first Listening Session in Lexington and three churches were represented, with about 20 in attendance.

A wood-cutting ministry was suggested to be used for people who have need of wood during the winter. A tentative date of March 23 has been set for the Disaster Relief Recovery Training. A manual will be presented to each person who attends, they will be familiarized with the trailer and will then be fully equipped to go and help form a team. A firm date will be announced in the Newsletter. A second Listening Session will be announced at a later date and each church is encouraged to have representation. The Association hopes to plan an Annual Baptist Mens Convention similar to what the WMU is doing.

Evangelism: Mike Motley reported that the Evangelism Council is presently working on the Here's Hope effort for the Spring. Information will be going out to the churches soon about their scheduled time of revivals and the guest evangelists. The information is needed so that it can be used for joint publicity announcements through the media. Each church has been asked to contribute $1.00 for average Sunday School attendance and we have received contributions from very few churches. The Festival Ministries will be ongoing during the summer and fall. We will possibly be adding an event at the Vietnam Monument on I-85. On behalf of the Association, Stuart White thanked Mike Motley and Summerville Church for hosting the Prayer Breakfast.

Missions Development Council: Gary Myers stated at the previous meeting the Cambodian Mission in Lexington was discussed and he asked Dr. Capps to elaborate on the plans. Dr. Capps said the Cambodian Ministry, in cooperation with North Lexington Church, continues to grow. $1,500 has been received from the State Convention as a part of the Cooperative Agreements for this year and it is being forwarded to them. We are currently negotiating with the State Convention to see if it is possible to call the man who has been serving the mission coming from Richmond once a month. He has finished his theological training and is available for a full-time position. There is a Cambodian fellowship in Greensboro, Charlotte, Rock Hill and in Richmond and they are all connected to I-85. Lexington is right in the middle and we are going to negotiate with the Home Mission Board and the State Convention to see if there is any possibility to call this man as full-time minister. We will approach the other Associations involved with Cambodian Ministries and see if we can work up a salary package. There are over 75 families living in and around North Lexington Church. Dr. Capps asked for continued prayer for this ministry.

Gary Myers stated there had been a discussion about Central Baptist Mission's desire to find property to establish a church building. Dr. Capps stated they had looked at property on Hwy 47, but the individual withdrew the property from the market. About a week ago they learned of property on Old Jerusalem Road which is exactly in the center of the area proposed. It is a fast growing area between the Interstate, Hwy 64, Old 64, and Hwy 47. Dr. Capps stated that the State Convention approved the Cooperative Agreement for Central Baptist Mission and beginning this month they will be receiving $433.33 per month for pastoral assistance. They are currently negotiating with the State Convention to get a worship unit and a Sunday School unit to put on the property they obtain. The SBC will loan at 7% interest for up to 10 years to buy the property and then the mobile units can be put on it. If nothing is put on the property, they can borrow money at 9% for up to 7 years. The mobile units are needed as soon as possible because they have outgrown the house. The NC Baptist Men will be approached about building the first unit for them which will seat up 225 in a worship service. Men from the Association will be called upon to help. The Home Mission Board is aggressively seeking churches to loan money at 9% interest.

Cooperative Agreements for the upcoming year are for the Cambodian Ministry-$1,500; Migrants-$800; and Summer Worker for 1996-$2,500. In the last MDC meeting, the possibility of a truck stop ministry at the Vietnam Veterans Memorial was discussed. The Baptist Men of NC have requested that we host this truck-stop ministry and we talked with the Baptist Men's President to see if we could take this on as a project and it seems that it may be a reality. We are asking the BSCNC for $1,000 to be used for this ministry in the future. Central Baptist Mission's Cooperative Agreement request will be $3,467.00 for 1996.

The DOM is to investigate the High Rock Lake Bass Tournament to see if we may have the opportunity to minister through refreshments, distributions of New Testaments, etc.

The Finance Committee has already proposed that the Association join Davidson County Chambers of Commerce. It is the feeling of the MDC also that this would give us more input into what happens in our County. It would also be helpful to us when we try to host a booth at the special events such as Lexington Bar-be-que, Everybody's Day in Thomasville, Thresher's Reunion in Denton, Davidson County Fair in Lexington and the Bass Masters Tournament in High Rock. We need to represent our Savior in all of these events.

There was another situation which we were made aware of was that at one time Sunday School lessons were being taught for the Firemen in the Thomasville Fire Stations but this is no longer happening. We want to try to get information about this situation and the possibility of having the Sunday School lessons for them on Sunday mornings. Also the EMS stations may be included in this ministry.

We discussed the possibility of churches being active in the local Christmas parades, even the Association helping to sponsor a float. The Christian witness has almost left the parades and we need to promote a viable witness in this area. This would be a good means for us to put the Christian witness and our Association's opportunities before the public.

Dr. Capps encouraged everyone present to go back and promote the Executive Committee meetings to see if we get more representation at the meetings. Stuart White expressed his appreciation to those who came to the meeting.

Director of Missions Report: A Certificate of Appreciation has been received from the Hispanic Mission at Union Cross for appreciation to our Association for helping them to construct their church. Information has been distributed about an urgent request relating to a trip to Haiti. There will be a team going February 24-March 11.

Cooperative Agreements have been received for this year which is from the State Mission Offering- $1,500 for the Cambodian Ministry, $800.00 for the Migrant Ministry and $433.33 per month for Central Mission. These are agreements that we can apply for which is the spending of the State Missions Offerings. This is actually the first year we have benefited from these Cooperative Agreements. Central Mission is to receive two units from the State Convention, free of charge, the cost is moving them to the site and setting them up.

The VCR and TV in the Associational office are going to have to be replaced and Dr. Capps asked that a portion of the State Missions rebate be used. Our Association received $3,200 rebate from the State Missions, which represents approximately 5%, and $2,400 of this was designated for the Cambodian Mission to help provide the full time salary for the pastor. Dr. Capps would like to request that the balance be used for the purchase of a TV and VCR for Associational use and also for use by the churches as needed.

On Sunday, January 29 at 2:30 pm, at Rich Fork Baptist Church, we will have a Commissioning Service for the people who are going to Prague. The team will be presented and will have an opportunity to share their testimonies. Dr. Capps encouraged those present to promote this, especially to the Mission Groups of the churches.

We are also having the Follow-Up Evangelism Conference at the Association Office on February 21 at 7:00 pm. This is an emphasis on Here's Hope Revivals, which will prepare us to disciple and minister to people after the revivals.

The Association will have a VBS Early Bird Clinic on February 28th at 7:00 pm. The 1995 VBS materials will be introduced at this time.

Brochures on the Models for Ministry Conference which will be at Ardmore Baptist Church in Winston-Salem, March 20-22. Dr. Capps stated this is one of the finest conferences available to prepare us for looking toward the new century and the work which needs to be done. This is taking place in our areas, but it is actually a Regional Conference.

The Disaster Recovery Training has been tentatively scheduled for Thursday, March 23, 7:00 pm at Liberty Baptist Church. We will try to get this announcement in the Newsletter, which is circulated to more than 1000 individuals per month. Two people called this week to be added to our Newsletter mailing.

Dr. Capps thanked those present for food and cards which were sent when Joyce's mother died.

Toward the end of the meeting, those in attendance numbered 25, so the following matters were voted upon: Dr. Capps made a request that the office be allowed to spend up to $600 from the State Mission rebate for VCR and TV for the office. Motion was made, seconded and passed.

Gary Myers presented from the MDC the Cooperative Agreements for 1996-Cambodian Mission-$1,500; Migrant Ministry-$800; Summer Work-$2,500; Truck Stop Ministry-$1,000; Central Baptist Mission-$3,467; and the Food Pantry at North Lexington-$2,000. Motion was made and seconded to make these requests to the State Missions Board. The motion carried.

Larry Yarbrough presented from the Finance Committee the review from Theresa Matthews. Motion was made to accept the review and to compensate Ms. Matthews according to what was done in the previous year-$200.00. The motion was seconded and carried. Motion was made jointly from the Finance Committee and MDC to join Thomasville, Lexington and Denton Chambers of Commerce for a total of $375.00. Dr. Capps stated that by being a member of these Chambers, we would be able to have a booth at the various festival events. The motion was seconded and carried.

Larry Yarbrough presented a motion from the Finance Committee to purchase a cellular phone for office use. The motion was seconded and carried.

Motion was made, seconded and carried to accept the minutes from the previous meeting as written. There being no old business or miscellaneous business to be presented, the meeting was adjourned.

May 22, 1995: In the absence of Stuart White, Moderator, who was ill, the meeting was called to order by Vice Moderator, Robert Cook. Mr. Cook asked Morris Hollifield, pastor of Jersey Baptist Church to have devotions. Scripture was taken from Psalm 118: 24 "This is the day the Lord hath made. We will rejoice and be glad in it." Rev. Hollifield pointed out that we could rejoice because of our faith, our families, our friends, and our freedom.

Minutes of the January 23, 1995 were distributed. There being no changes, the minutes were approved as printed. There was no old business which was continued from the previous meeting.

Finance Committee: Presented by Treasurer, Raleigh York, Jr. who distributed a Summary Report for the period 9/1/94 through 5/16/95. Mr. York stated he is in the process of preparing an in-depth report of the designated receipts which will be sent out at a later date. The opening balance at the beginning of this year was $13,526.21; income has amounted to $114,742.09; disbursements have equaled $116,468.90; leaving a present balance of $11,799.40. The Money Market Account balance is $13,689.87. Due to not having a quorum, no vote was taken on the financial report. Mr. Cook expressed his concern about the financial condition of the Association. He stated that it seems we have more going out than coming in and this could only continue for so long and we need to look into the operation and the expenditures. Several years ago the Association had a surplus, but now these funds are reduced considerably. Gail Beck, Clerk of the Association, asked for permission to speak and stated that as secretary of the Association, she is privileged to know what comes in and what the Association is doing. "Right now we are involved in more ministries than we have ever had, and that I am proud to be a part of the Association. The churches do not realize that we will not be allowed to continued these ministries unless they increase the percentage of undesignated offerings which is given to the Association. Sometime ago the MDC and the Executive Committee unanimously agreed to recommend to the churches that they set a goal of giving 5% of their undesignated offerings. Right now there are very few churches who are giving 2%. If each church would agree to give 2%, we could fund everything we are doing now. It is not that it cannot be done. Where are we going to cut...the Cambodian ministry, the Hispanic ministry? We can cut expenses, but what do we cut? For instance, we do not even have a quorum at this meeting, when each church is entitled to have three

representatives. If all the churches sent the representatives they are entitled to have, we would be overflowing. Very few church members know what goes on in the Association and it makes me wonder if they even care. When we think of the things we are doing here, the few people who are involved in doing it, and actually know what is being done, then we should know what we must do to meet our goals. If each of us here tonight would go back and talk to our pastors and church members and encourage them to support Associational missions, then we could do it. If they would give the 5%, just look what it would be possible for us to do."

Larry Yarbrough, Chairman of the Finance Committee, stated that several times the Finance Committee had to meet and discuss where changes could be made to reduce the budget. Mr. Yarbrough asked that those present go back and encourage the pastors, music directors, WMU directors, youth pastors, brotherhood directors, finance committees to be present and get involved. We could get the money if people would respond. The Finance Committee can only work with the funds received and if necessary, cuts will have to be made. With 43 churches and one mission, we should have the funds needed.

R. N. Hardin stated that we should start at home with missions and work within the Association, but we need the funds to continue our Associational missions.

Betty Bradshaw said Dr. Capps had made a statement at their annual WMU meeting that no church finance committee had asked him to come and share with them the importance of supporting the Associational ministries. The churches need to use the resources of the Association.

Larry Yarbrough also stated that Ken Batts of the BSCNC was to consider making a video about church expenses and nothing has been received as yet.

Missions Development Council: Director, Gary Myers, reported that a New Works Strategist from BSCNC was preparing demographics and information which will help our churches meet the needs of the communities. Oak Hill is one of two or three to have a pilot program done which will be shared at a future Minister's Conference. This would open doors for our churches and our Association as far as reaching into the communities and the needs. A copy of his presentation is summarized and is attached.

The MDC discussed the truck-stop ministry at the Veterans Memorial on Memorial Day weekend in conjunction with the Central Baptist Association volunteers and the High Rock Lake Bass Tournament-providing Bible and coffee from 6:30 to 9:00 am. The recommendation which needed a vote was to help with Chet Cantrell, Christian Activity Center in East St. Louis, IL. We wanted to recommend a partnership with them and provide youth groups to work at the center. The remaining item was to notify the churches on Associational Emphasis Sunday of the need for a special offering which will go to Livi Baptist Church in the Ukraine for restoration of a church there. The offering would be taken by a team from Abbotts Creek who will be going to the Ukraine in July. The offerings need to be sent to the Associational office by June 30.

WMU: Betty Bradshaw, Associational Director, asked for prayers as she begins the year in her new position. Even though there have been changes in the WMU structure and some of the names have changed, the heart of WMU is still Missions! The Associational WMU Leadership Team will be meeting next month to set some objectives, goals and action plans; and will be attending a state-led training session on July 14-15 at Caraway. Much study and effort will go into making Liberty Baptist Association's WMU even better. There should be more than 117 women to attend an annual meeting, and we need more involvement. We need more participation in the age-level events. There were three age level events in May. The GAs met on May 6 at Smith Grove Baptist Church for a Mexican Fiesta with about 75 in attendance. At the Baptist Women's Salad Supper at Jersey Baptist Church, there were fewer than 100 women present to talk about Associational missions. The theme was "A Time to Go-A Time to Grow by Lifting Others in Christ". Mission Friends had a "Roundup for Jesus" at Liberty Baptist Church. New By-Laws have been adopted which will help the WMU be more efficient. There is still a lot of work to be done at Mundo Vista. At the Annual Meeting,

churches were asked to send a gift in honor or memory of someone and the money would go to Mundo Vista. The amount obtained that night was $2,101.71, with four churches sending gifts. All gifts were significant but WMU leaders should go back and say "why didn't we give a gift?" Training for WMU leaders and officers will be September 18, 1995 at Liberty Baptist Church.

Robert Cook said he and other members of Jersey were scheduled to return to Mundo Vista to help with the work there and all helpers would be appreciated.

No report was available from Sunday School, Discipleship Training, Brotherhood, Evangelism Council, Music, Student Ministries or Senior Adults.

Hispanic/Migrant Ministries: Brenda Emmons reported that Park Place Baptist Church opened their doors for a rally and 125 participants attended. People came from the Hispanic church at Union Cross to help. Archie Jones preached and music was provided. Brenda said the prospect of a Hispanic ministry at North Lexington and in Thomasville is very exciting and we must not get slack, forget why we are working and why we are called. She said her dream was to see a Hispanic church in Thomasville. This summer a joint venture is planned with the church at Union Cross for the migrant workers. The church there has agreed to let the workers go there for services. Meals will again be served at Abbotts Creek and the WMU will be asked to help with meals and also church vans will be needed, with driver, for transportation to and from the fields. English as a second language will also be provided. God is working with the Hispanic and Migrant ministries.

There was no miscellaneous business to be presented.

Director of Missions: In the absence of Dr. Richard H. Capps, Gail Beck presented the report, a copy of which is attached. Gail also stated that as secretary and clerk, she felt she was called to the position, just as any pastor is called to a church. She also stated that there were mountains of literature going out from the Association office, 1100 newsletters each month, and church members really do not realize all that is done in and through the Association.

Robert Cook encouraged those present to try to get others from their churches to attend the Executive Meeting. Brenda Emmons also said she felt the people present should go back to the churches and ask to speak to the church membership, telling them about Associational work. Charles Penley also asked people to pray for the Bill Sisk family. Gail Beck requested prayer for Polly and Leonard Rollins and for Stuart White.

There being no further business, the meeting was adjourned with prayer by Robert Cook.

September 11, 1995: In the absence of Stuart White, Moderator, whose father had just died, the meeting was called to order by Vice Moderator, Robert Cook. Mr. Cook led in prayer.

Minutes of the May 22, 1995 meeting were distributed. There being no changes, the minutes were approved as printed.

There was no old business which was continued from the previous meeting. The **Treasurer's report** was presented by Treasurer, Raleigh York, Jr. Motion was made by Charles Penley to accept this report, it was seconded by Gary Myers, and the motion passed.

Larry Yarbrough, Chairman of the **Finance Committee**, presented the Proposed Budget, to be presented at the Annual Meeting. Mr. Yarbrough thanked the members of the Finance Committee and the Director of Missions for helping to complete this Budget. In order to reach the accomplishments of the Budget, each church of our association must be willing to contribute 2 1/2% of undesignated offerings. Dr. Capps pointed out that the contribution to CSI is for Bibles which will be distributed to communist China. Mr. Yarbrough expressed the hope that in the future we could add even more ministries, not only in Davidson County but on the Foreign field. The Motion was made, seconded and passed to accept and recommend the Proposed Budget. The following recommendation was also presented by the Finance Committee: Under the present system we ask our churches to make contributions for the costs of the Associational Annuals. Due to the increasing costs of producing the Annual, we recommend the following people receive Annuals: Pastor, Full-

Time Staff Members, Church Office/Secretary, Library, Clerk and anyone serving in an Associational position, at no cost to a church. If a church needs to have more than the allotted Annuals, they will purchase them from the Association. Each additional annual will be $2.75 (to be paid prior to delivery). If this recommendation is approved, we will no longer request contributions from the churches for Associational annuals. The reason for this recommendation is that we had quite a few annuals left over from last year. We want all who want an Associational annual to have one, but not to waste them. The money spent on the printing of these extra annuals could be used in other missions or to present Bibles. Dr. Capps also stated that when he came to LBA, the Associational annual was the major communication to the churches that was being used. In the last two years our primary means of communication has become the newsletter going to almost 1100 people and will probably increase more because when new church leadership is added each year, they also receive the newsletter. This motion is in no way an attempt to keep churches from receiving the annuals they want and need. Motion was made, seconded and passed to accept this recommendation.

The **Missions Development Council** report was presented by Gary Myers and the following recommendation were presented: **1.** Christian Activity Center-East St. Louis, IL.- The MDC proposes an Ongoing Partnership. Chet Cantrell, being a part of our association in years gone by, has expressed several areas in which we may be involved in their work. Dr. Capps stated that this has been a goal, to look at partnerships in our association to relate to individuals who are on the mission field serving from our own churches. We want the people of our churches to actually be able to involve themselves in a Home Mission, Foreign Mission or State Mission endeavors, know the people who serve in our partnership locations who have actually come from within our association. Chet Cantrell is a member of Abbotts Creek, was called to preach, went to college and seminary, and has been appointed by the Home Mission Board to serve as director of this center. East St. Louis is the second poorest city in the United States. The average annual income in this city of approximately 40,000 is about $8,500, which means as many below as above. He is in the middle of a gang community which is filled with all sorts of crime, probably in the most difficult place of ministry in our country. The Home Mission Board has tried to maintain the funding of that institution; however, the Annie Armstrong Offering has not met its goal for the last two or three years and this past year the Home Mission Board had to downsize almost 7%. The money was not there. The contributions made from our association will not decrease the amount they are receiving from the Home Mission Board, but we will be providing materials which they will not have to take from the monies received. Next summer, if this Partnership is adopted, we are planning two (2) one-week mission trips in June of 1996. We will have back-yard Bible clubs, VBS and we will try to develop a basketball team and a Sports Rally. We want volunteers from our association to be a part of a basketball team and we will challenge a team for their center. A future project will be doing gym floors. A motion was made, seconded and passed to accept the Christian Activity Center in East St. Louis, IL as an ongoing partnership.

2. The MDC recommends we become involved in the South African Partnership--1996 and beyond. English language work. Association to Association. Request that DOM go to beginning planning meeting Feb. 19-29, 1996. Cost of $2,000.00 to come from the State Missions Rebate. Dr. Capps stated that one of the greatest needs of Southern Africa is to have Jesus Christ shared with this sub-continent. Our state convention is going to vote in November to proceed with this partnership through the Foreign Mission Board. We will begin with preaching and training and will eventually get into church construction. One of the most significant things this will accomplish is that it will bring together the white Baptist Union and the Black National Baptist Convention to work together to bring us over there. Neither of these are strong enough to accomplish this alone. Any association wishing to participate must notify the state convention by November 1 and will be shared at their meeting. This will not take away from the Ukraine, which is basically a construction project. Dr. Capps stated that his trip to Brazil was a life-changing trip for him and he anticipated the South

African trip would be the same experience. The State Missions Rebate is for 10% of the State Missions Offering and we received $3,400 last year. The amount received this year should more than cover the $2,000 needed. Motion was made, seconded and passed to accept the recommendation to send the Director of Missions to the planning session for South Africa. As a second portion of the recommendation, the MDC requests that the Moderator and/or Missions Development Council Director also go. We will seek to have the churches help provide the cost of $4,000 for the officers of the Association to also go to South Africa. They are asking that we have at least two other people to help develop this partnership. It can be done easily if 43 church would participate, at $100 per church or churches with Sunday School attendance of 100 or over could give $150 and those under 100 could give $50. We could surpass our goal. The trip will consist of preaching and witnessing in addition to planning. Motion was made, seconded and passed to accept the second portion of the recommendation from the MDC.

In the absence of Carl Hunt, **Brotherhood** Director, Dr. Capps stated that listening sessions were completed for the brotherhood throughout the association. As a result of these sessions, we do feel we are headed in the right direction. The men and women of our association will service as volunteer missionaries, with the men focusing their efforts on the recovery trailer, using it as both a ministry through disaster and to meet needs of "handyman" ministry in our county. The trailer has already been used to put a roof on a house and to put in a handicap ramp. A Bible is presented to each family after the work is done as a witness from the Brotherhood. We have a fully equipped trailer and will be used again on September 23 for another project. The Brotherhood/WMU training will be on September 18 at Liberty Baptist Church with Richard Brunson (BSCNC) leading the Baptist Men training. Robert Cook also stated that Carl Hunt has taken a very active roll in helping to refurbish the cabins at Mundo Vista. Work on the one cabin we adopted has almost been completed and we will be working on two more cabins this Fall and Winter..

Freda Tricarico, **ASSISTeam** Director, gave a report. She asked who knew what ASSIST stands for. It stands for A-Associational, SS for Sunday School, I for Improvement, S for Support and T for Team. This year we have a well equipped ASSISTeam and we want to improve and support our churches. But, the team can not assist or support anything if we not invited to do so. We are looking at Towards 2000 materials which will be challenge in Sunday School for the new century and we need to start preparing now. On March 26, 1996 at Coggins Memorial Baptist Church in Lexington there will be a training event for Towards 2000 and we will be encouraging your Sunday School leaders to attend.

Betty Bradshaw reported for **WMU**. For the last four and half months, the WMU Leadership Team has been very active-had a meeting in June, then went to Caraway for a planning session in July. In August the objectives were set for the year because we no longer have an achievement guide, we must decide what we need and what are our priorities. **Our first objective** is to strengthen existing WMU age-level organizations by improving our WMU understanding, performance and communications. Our goals are that each leader would read and study the appropriate guides; to train the WMU leaders in their churches (this will be accomplished in part at our training on September 18); to communicate with church leaders by mail, phone and personal contact. Every pastor in our association has received a letter telling them which WMU Leadership Team Member is to be their Personal Missions Consultant. We want to assist our churches in missions in general and particularly in WMU. Three churches have already contacted us to assist. **The second objective** is to increase churchwide awareness and involvement in mission ministries in church and Association. The goals here are to have 100% of our churches observing the Home and Foreign Missions emphasis; to have specific ministry projects and to conduct training when needed, such as the Toy Store Ministry, Prison Ministry, and "Christmas in August." We had a one time shot at doing something big and right now we have so much we may have to rent a second truck. On September 10, there were 22 churches which brought Christmas in August supplies to Southside, they were sorted and packed.

Some will be leaving for East St. Louis, Il on Thursday, September 28 and the truck will be leaving on Friday, the 29th. Contributions have been made for the transportation of the supplies and so far over $600 has been received. All monies left over will be donated to the Christian Activity Center. Videos have been made and will be continue to be made. We have over 200 Christmas card which will minister to the children there. We have asked the churches to write letters, on their church letterhead, of affirmation and appreciation to Chet and Michelle Cantrell and these will be taken to them. Betty invited anyone who wanted to, to come on the 28th when the truck is being packed. The local papers have been asked to be there to give coverage for what is being done in our association. The third goal under this objective is to target churches without WMU, to make personal contact, to promote the importance of WMU and missions awareness. The next WMU Leadership Team meeting will be on November 4. We will be going to the State office at Cary and will conduct our meeting on the bus as we travel. There will be an Associational Acteens meeting at Jersey on the same day and information will be going to the churches soon on this.

Miscellaneous business: The Nominating Committee report was given for information only. We do need an Associational Music Director and a Student Ministries Council Director. A copy of the Program for the Annual Meeting was also provided for information. Dr. Capps pointed out the theme "Churches in Association: Partners in Evangelism." Speakers for the Annual Meeting will be Warren Kerr, retired pastor of New Friendship, who will present the Annual Sermon; Dr. Roy Smith, Executive Secretary/Treasurer of the State Convention will have the evening message; and on Tuesday afternoon the featured speaker will be Dr. Jerry Wallace, Vice President of Campbell. He will be representing one of our colleges and we are hoping to start a tradition each year to hear from one of our Baptist colleges. Dr. Carl Bates will be the featured speaker on Tuesday evening. In addition, we have our business, reports on different ministries and it is a time of setting objectives and projecting our future. Dr. Capps expressed his hope that as many as could would make every effort to attend. Two afternoon and two evening sessions make it possible for more people to attend.

Director of Missions Report: Dr. Capps asked that we remember Stuart White and his family in the death of his father; Polly Rollins, who lost her brother; and also Rev. Wayne Blevins who has been in the hospital recently. He also expressed appreciation that Gary Myers is improving and able to be at the meeting. People who were present for the first time at the Executive Committee meeting were recognized and welcomed. Mrs. Sarah Snell was recognized and congratulated as the new Director of Pastoral Care at Community General Hospital. In the financial report, $18,500 had to be used from our reserve fund to meet the needs of our ministries this year. We did not overspend the budget, but we did go beyond the resources received to accomplish the ministries we had committed to do. This is positive because God has to do and accomplish all that we are being challenged to do. It is negative that we are not going to be able to do this beyond this year. We only have about $7,000 in our reserve fund and we do not see any of that amount being used next year. We must have funds as a safety net in the event of an emergency or something which is not planned for in the budget. We need to get the word out to our churches about what we are doing in the way of missions in our county. If our resources do not increase to meet the needs of our expenditures, we will have to deal with this and we will have to back down on our commitments. In 1992 we gave $85,000 to Associational Missions; in 1993 we gave $83,500; 1994 we gave $100,769 in support of the budget; and in 1995 we gave $101,113. Our budget increased about 40%. Dr. Capps said he has yet to be invited to any church finance committee to help them understand what the association is trying to accomplish in the way of missions. We gave through our designated and through the general fund offerings $134,543, the most ever given in support of missions in Davidson county.

The WMU in all of their projects is attempting to somehow, someway share the message of Christ. We are trying to touch the lives of people who are not being touched by our churches. The toys will go and be a blessing to some child in this county that would not have a toy unless we did it in Jesus' name. We will have an impact on at least 100-150 families. 300 prisoner gift bags will be given to

the prisoners at the Davidson County Correctional Facility, a major state prison. This will be the first time each man will receive a gift at Christmas. All church groups can participate in this project. New Testaments, Gospel tracts and Christmas cards will also be given to each man. Our next step will be to teach a Bible study and seminary extension course at the prison. Our goal for gift bags is 300. Boxes of Christmas cards and all occasion cards will be given to the Chaplain and he will dispense these to the prisoners when they are requested. This will be a way for the Chaplain to have contact and witness to the men.

We will be doing a different type of strategy planning in our association and will be piloting for the state convention a new type of planning for our association. The population in our county will grow from 5% to 8%. One church will be chosen in each area to participate in the state convention maps program at a cost of $235. This study will help us realize all the potentials we have in our county, the strengths and weaknesses that exist, and all of this will result in our dreams about what we need to do as an association and as churches in each setting. Our goals will come from these studies. The churches will be telling the association what we can do to help the churches reach their goals and objectives. Each of the churches chosen to do the study will share all of the information with other churches in their area. There will be a retreat on November 11 at Caraway for the planning stages, and the survey will be done between this time and April, with our second retreat in April.

As an update on Grenada, Dr. Capps reported that Osbert James is now the full time pastor at St. George Baptist Church. Margaret James is working full time to make this possible. The money we are sending now is going to supplement his salary. He has requested preschool pictures, old sheet music, hymn books, and he would like to have a team come from our association to help build pews for the church, which would double their seating capacity.

Jack Rose gave a report on the Ukraine trip. $1,700 was divided among five pastors who felt it was too much for them and gave it to older members of their churches who were in need. $350 was also taken for construction supplies. The people there were overjoyed at the response from our churches and our association.

Dr. Capps invited everyone to look at the Associational Library as they leave and commended Roxie Beeson for the work she has done in the library. Motion was made, seconded and passed to have Dr. Capps to send a letter of appreciation to Mrs. Beeson on behalf of the Executive Committee.

In closing, Dr. Capps reported that his son, Hank, is to receive the 1995 Student Leadership Award from the National Religious Heritage Foundation of America on October 16, 1995 in San Antonio, Texas. Hank is the only youth/college student to be chosen. There will be ten other honorees in other categories. This is a fine honor concerning church involvement, leadership and Christian ethics.

With no other business, the meeting was closed in prayer by Charles Penley.

Respectfully submitted,
Stuart White, Moderator

HISPANIC MINISTRY

This summer marked the 8th year of ministry to the Migrants/Hispanics who come to our area. Ministry began on July 9, 1995 and ended on September 24, 1995. Rev. Mike & Ethel Ledbetter came on Sunday afternoon each week to do Bible Study and lead in worship. Ms. Pam Harding from Greensboro volunteered to teach *English As A Second Language*; Mrs. Bessie Blackwell coordinated the following church who provided the meals: Tyro, Cedar Lodge, Welcome First, Center, Hill, Lexington First, Carolina Memorial, New Friendship, Abbotts Creek, and Lick Creek. Carolina Memorial served 60 plates on the day of the Medical-Dental Bus.

Transportation was provided by New Friendship's van and driven by Gray Higgs. Mike Rinehardt is coordinator of transportation at Abbotts Creek Church for the ministry with the Hispanics. Abbotts Creek Baptist Church hosts this ministry.

James Emmons drove the van of Roger and Molly Hedgecock to take the men to the zoo at Asheboro. The Hedgecocks also provided the zoo tickets. The men were taken for a buffet meal at the Golden Corral in Asheboro provided by Mt. Zion Wesleyan Church.

Special dental work/cleanings were provided for five men who did not get to be seen by the Medical-Dental Bus, by Dr. Herb Davis at his office in Lexington.

Together, we are PARTNERS IN EVANGELISM, and our thanks go to all the churches and volunteers who make this ministry possible.

Respectfully submitted,
Brenda Emmons, Director

HUNGER AWARENESS

"Behold, this was the guilt of your sister Sodom: she and her daughters had arrogance, abundant food, and careless ease, but she did not help the poor and needy." (Eze. 16:49 NIV) "Because you say, '"I am rich, and have become wealthy, and have need of nothing,'" and you do not know that you are wretched and miserable and poor and blind and naked," (Rev. 3:27 NIV)

From the above texts, it seems quite apparent that God is very concerned that his church becomes involved in ministering to those who are in need of the basic necessities. Such forms of ministry are described as being the proper evidence of "pure religion" as defined in James 1:27.

Deliberately, this report on hunger awareness will omit all references to the vast numbers of persons in our world who suffer the pangs of hunger. Most of us have become somewhat immune to the influence of numbers. We are regularly reminded of the pressing needs of multitudes in our world. Our need is not for additional awareness of the need. Our need is for some incentive to become more committed to the ministering to those who are desperate for help.

If any individual or church needs information, brochures, bulletin inserts, booklets, videos, books, etc. that will provide sufficient information concerning this topic, the Christian Life Commission of the Southern Baptist Convention will gladly provide this. The address is: Christian Life Commission, 901 Commerce Street, Nashville TN 37203-3696.

There are many avenues of ministry open to caring Christians and churches both locally, nationally and abroad. Local Meals on Wheels programs minister to residents of our own communities. The Ecumenical Social Ministry in Lexington, NC operates a Food Pantry that solicits food items from local churches on a continual basis. Churches and individuals may provide the evening meal for the homeless at the Homeless Shelter in Lexington NC as scheduled. Volunteers are needed to help with food preparation in times of natural disasters through the ministry of the N. C. Baptist Men in the Disaster Relief ministry. Funds can be given through the Cooperative Program to support both Home and Foreign missionaries who minister to the hungry. World Hunger Day (second Sunday in October) is designated for a special offering to help with hunger needs.

May God bless you richly as you help provide the basic needs to a hungry and hurting "Jesus".

Roy Queen

ANNUAL SESSION HOST CHURCHES HISTORIES

Jersey Baptist Church History

Updated - 1968-1980 (By Rev. Morris Hollifield)

Updated - 1980-1995 (By Carolyn Smith, Clerk)

Liberty Baptist Association met previously with Jersey Baptist Church on September 5, 1968 and September 30, 1980. An abbreviated history was included in the minutes in 1968 and an update was printed in 1980; therefore, this account provides an update from 1980 to the present including listing of the following fourteen people who were charter members of Jersey: *Drury Sims, Joseph Todd, Anney Todd, Joseph Cox, Elizabeth Cox, Mary Miller, Mary Smith, Robert McKee, Thomas Adams, William Denham, Abraham Lewis, Easter Lewis, James Owen and Hannah Beird.*

Jersey celebrated its 225th anniversary in 1981 with people wearing costumes of earlier days. The Historical committee of the Baptist State Convention of North Carolina sponsored "Heritage Day" in commemoration of the 230th anniversary of Jersey on September 14, 1985. Members of the congregation were characters in *"The Mirror of Our Past,"* a historical drama depicting events in the life of the church since 1755. Church families hosted a picnic dinner on the ground for Baptist leaders and friends of Jersey Church from all over North Carolina. Certificates have been received from the State Historical Committee acknowledging that Jersey Settlement Meeting House and Jersey Cemetery have been entered on the National Historical Registry.

Stewardship faithfulness has been exemplified by Jersey members through the years with recognition being received in 1981 for Cooperative Program gifts ranking fifth from the top in the state. Jersey was also recognized by Home Mission Board for being one of the top ten churches in North Carolina in contributions to the Annie Armstrong Offering. Special emphasis is always given to the Lottie Moon Christmas Offering. In 1987 an all-time high was reached with a goal of $10,000 and total receipts of $12,950.27.

Vacation Bible School has been a important part of each summer with Jersey earning the Advanced VBS Achievement Recognition Awards. "Terrific Tuesday" programs have been held the past two summers.

Jersey has maintained a strong WMU program through the years, and in 1995 received the Distinguished Achievement Recognition for the 26th consecutive year. In 1993 the Deacons honored the WMU for 105 years of service by presenting a *"Resolution of Tribute to WMU."* Charlotte Cook served a four year term as Assistant Secretary and is now serving a four year term as Secretary for WMU of North Carolina. Hazel Fritts serves on the State WMU Camp Committee. It was a distinct honor to have Rev. Hollifield participate in the National WMU Centennial Celebration in Richmond, VA in 1988.

During the last fifteen years, Jersey youth have been very active, participating in many phases of church work. In 1985 Glenn Penninger led the Pioneer RA's in a project to map and identify graves in the cemetery. Under the leadership of Becky Myers, the youth have presented various musical presentations and been involved in many mission projects, such as the West Virginia missions, backyard Bible Clubs, Bible Schools for migrants in Warsaw, North Carolina, and World Changers in Canton, North Carolina.

As a carry-over from their youth group involvement, Jersey college students have participated in Baptist Student Union work at Caswell, Mundo Vista, the Youth Corps, and served as student summer missionaries in Brazil, Kentucky, North Carolina and South Carolina.

The following Jersey members volunteers in July, 1988 to join a team from Liberty Association conducting Vacation Bible Schools in Nevis and Antigua: Becky Myers, Wendy Myers, Mickey Sharpe, Carolyn Smith, Missy Smith, Angie Smith and Amy Sharpe. Later that year Rev. Hollifield served ten days on a mission endeavor in Brazil. Others from Jersey serving on mission teams include Malcolm Myers' service in Togo, Africa; Robert and Sara Knapp's involvement with the Christian Service Corps of the Home Mission Board; and Helen Hodge serving on a team to

Prague. Through each experience the Lord has graciously blessed those who are ministered to as well as those who served.

Local mission work with which Jersey continues an on-going involvement includes teaching the Sunday School lesson at the North Carolina Correctional Center, at PPG Industries, and at the Golden Age Nursing Home, as well as at the homes of shut-ins.

Jersey was proud to have its minister serve on the General Board of the Southern Baptist Convention, as Chairman of the Missions Committee, and as a member of the Executive Committee. Rev. Hollifield was also honored in 1985 when the annual of the Liberty Baptist Association was dedicated to him. It was also an honor to have the Annual dedicated to Sara Knapp in 1987. We also appreciate having Charlotte Cook serve on the General Board and the Executive Committee of the North Carolina Baptist State Convention, and David Smith serving on the Board of Directors for the North Carolina Baptist Foundation.

Mr. and Mrs. Harry Crowell began the first Jersey Baptist Church Scholarship in 1989 to assist Jersey college students.

The "Challenge to Build" Program was adopted in January of 1990; thereby making the dream of a multi-purpose building a reality. Groundbreaking was held May 26, 1991. The building was completed and dedicated May 24, 1992. A note-burning service was held in May, 1995 signifying the building as debt-free, far ahead of schedule. This facility has enhanced the program of the church in may areas.

In recent years Jersey has employed a part-time secretary. In 1994 John Brock joined the staff as a full time Music and Activities Director. His leadership and talent are most appreciated as well as his sincere devotion.

Jersey has published an update to Saints and Sinners at Jersey Settlement, a cookbook titled Dinner on the Grounds, and has a pictorial church directory. A Deacon Family Ministry Plan has been adopted whereby each member is assigned a deacon to assist in case of sickness, death or any other type ministry as needed.

In February of 1995 the church elected a Building Steering Committee to study church needs regarding a new sanctuary, as the worship service each Sunday morning usually hosts a full house.

On May 13, 1995 the church worked together in a remarkable way holding *"Carolyn Tutterow Benefit Day"* at which time in excess of $15,000 was raised. Carolyn had been injured in a church related accident resulting in the amputation of a leg.

Following worship service on Sunday, June 25, 1995, Rev. Morris Hollifield presented his notice of resignation as pastor due to his approaching retirement after 25 years of service.

As Jersey looks ahead with dreams and visions for the future, our prayers are with the Pastor Search Committee as they seek the Lord's will and direction in securing the leader to guide with wisdom in accordance with His plan for Jersey Baptist Church.

Thank you Carolyn Smith for your help in compiling this history.

Summerville Baptist Church History

(Prepared by Alma Buie, Church Historian of Summerville Baptist Church)

In Davidson County, North Carolina at the base of Grice Mountain, there flows a spring of excellent mineral water. People from nearby towns came to the area for rest and health during the summer. They built cottages and the little community was designated "Summerville." Rev. A. P. Stoker, a baptist preacher arranged for preaching services. A small house was built in which to hold these services and on July 6, 1873, a church was organized. The following brethren and sisters presented letters and became the charter members: John Bean, Joseph R. Doby, James Doby, Nancy Bean, Catherine Daniel, Mary Frank, Honor Garner, Martha Peterson, Elizabeth Davis, Selia J. Buie, Mary Peterson, Sally Davis, Angeline Davis, Salomy Shipton, Celearinda Bean, Nancy Grist and Selia

Grist, making a total of 17 members, 3 males and 14 females.

Rev. A. P. Stoker was the first pastor and served nineteen years in two different terms. The early church was very strong in the discipline of its members.

The most fruitful years of the church began in 1919, when Rev. D. P. Morris came as pastor. His first revival in July was the greatest revival of the church. At the close of one week, fifty people were baptized. The oldest was 84 and the youngest was 16. A total of one hundred eighty seven people were baptized during Rev. Morris' pastorate. On May 14, 1944, Rev. Morris gave a wall clock to the church. It is still used today in our sanctuary.

In the 1920s several members were charged with walking disorderly. Some asked forgiveness, but others requested the church to withdraw fellowship with them. The church was having financial troubles in 1930. A severe depression had affected farm prices.

August 19, 1958, groundbreaking ceremonies for a new church and educational building were held. Rev. I. L. Stewart was pastor. this would be the fourth building the congregation has occupied. The church debt of $76,000 was paid off on June 12, 1966. In 1967 the church voted to build a parsonage. The 100th anniversary celebration was held August 12, 1973.

God has called three young men from our congregation to preach the Gospel. Johnny Daniel and Clint Scott, now serving as pastors and Trevor Foster, who is at Fruitland Bible College. The church paid for their tuition.

Rev. Mike Motley is currently pastor. Improvements have been made. A choir room and Sunday School office have been built. New hymn books purchased, van ministry and youth program started, fellowship hall debt paid and a new church directory, along with many other improvements. Since June 1989 there have been 101 additions to the church membership, making a roll of 304.

The people of Summerville continue in their struggle against sin. They serve the Lord and the pastor interprets God's word so as to offer food for thought and inspiration for righteous living.

MISSIONS DEVELOPMENT COUNCIL MINUTES -1994-1995

November 7, 1994: Gary Myers called the meeting to order, asked for prayer requests and prayer was offered. Richard Capps welcomed those new members to the Council and gave an introduction to the work of the Council.

Central Baptist Mission is considering the purchase of land located on Hedrick's Mill Road, 2.8 miles South of Central High School-Hwy. 47; 5.4 miles from NC 47/NC 8; 8 miles from Center Hill Baptist Church. The land consists of 8 acres (5 acres field and 3 acres wooded). The following recommendations and alternatives were discussed: (1) Encourage to proceed with purchase of at least 8 acres if available. (2) Request a one year option on the property with minimum down payment. (3) Consider whatever necessary to secure a property loan from Home Mission Board -18 mos.-no payment.

In a discussion of the Cambodian Mission Pastor, the members of the MDC agreed to recommend to the Executive Board that we use $2,400 from State Missions Rebate to go towards the support of the pastor. Funds would be set forth as follows:

Current	$3,600 - North Lexington & Liberty Baptist Association
State Missions	2,400
	$6,000 - Commitment

Mike Lee will report on this; (8) Camping/Marina Ministry-High Rock Lake/Thousand Trails Campground, Yadkin Assoc.; (9) Street Rod Christian Club-National Street Rodders of NC - Gary Myers, contact.

There was no further business, the meeting was adjourned and the Council was dismissed with prayer.

January 9, 1995: Gary Myers called the meeting to order, asked for prayer requests and Mike Motley led in prayer. All members of the Missions Development Council were present, except Gail Beck who was ill. Minutes of the previous meeting were distributed and approved.

Mission Updates: Richard Capps stated the response to the Cambodian Mission sponsored by North

Lexington is still good and are currently negotiating with State Convention about bringing Samuel Nuon as Pastor. This would have to be worked out between our association, Greensboro, Mecklenburg and Rock Hill, SC to have him based in Lexington but to work in all these areas. State Convention has given the tentative go-ahead, that they are willing to give support. This came at a transition time with Burke Holland retiring, but now John Jones is the Director of Language Work in the state. We will continue to pursue this assistance. $1,500.00 (requested last year) has been received from the State Convention for the yearly support of the mission and this full amount will be sent to the church to be used in the way it is needed most. With this $1,500, the total amount now to go to the pastor's salary is $7,500. Hopefully, these other associations will contribute a similar amount.

The Central Baptist Mission has contacted the man who had the land for sale, but he backed out. They have now located another eight acres and Dr. Capps is to meet with them Sunday night, will see the property, and tell them what their options are to purchase the property and the assistance they may expect. The Home Mission Board will provide a loan for 18 months, interest free, if no building is done on the property in order to secure the land. The State Convention, if its available, will provide a mobile double-wide unit to be used as church. NC Baptist Men will come in and build the first unit so that if you build according to their plan specifications, you could have a $100,000 building for about $40,000 to $50,000. They are anxious to get out of the house and into permanent location. They are currently averaging about 50.

Cooperative Agreements: $1,500 has come for the Cambodian Mission; $800 for the Migrant Ministry; and the first installment of the year for pastoral assistance to Central Mission has arrived- $433.00 a month (request was granted for $5,200 a year.

1996 requests: Cambodian Ministry - $1,500.00- motion was made, seconded and passed to make this request. Migrant Ministry - $800 and summer worker at $2,500. Motion was made, seconded and passed to request these amounts. The request was made for a summer worker for 1995, but there were not enough students from the Seminary in San Antonio to grant the request. Hopefully our request will be made early enough this year that we will be able to obtain the worker for 1996. Perhaps if the worker is not available we could pursue this through our Association in another direction. North Lexington Food Pantry - $2,000.00 - Motion was made, seconded and passed. Each Tuesday they provide $40-50.00 in food, clothing and other articles which families might need who are burned out. It is well monitored and maintained. Seed Money for Truck Stop Ministry - $1,000.00 - Motion was made, seconded and passed. NC Baptist Men want to host a Truck Stop Ministry at the Vietnam Veterans Memorial on Memorial Day-May 29-30, 1995. Hopefully have a worship service on Veterans Day. The money would be for Bibles and materials for the ministry. Central Baptist Mission - $3,467.00 for Pastoral Assistance - Motion was and passed.

Dr. Capps stated that up to $1,000 is available to any church that has a food or hunger ministry. The church must buy the food and distribute. George Reed's office at the State Convention can be contacted for this purpose. Reports have to be made about the distribution.

State Missions Rebate: Received $3,185.46 of which $2,400.00 is committed to the Cambodian Ministry. This leaves $785.46 which will available to be used for some specific ministry when the need arises. R. N. Hardin mentioned the probe which had been previously discussed. Dr. Capps stated that the probe was just about paid for because of a significant contribution made by the WMU, but he has not heard specifically about the probe. If no other needs arise, the extra funds could be used for the Migrant Ministry.

Truck Stop Ministry: Jimmy Hoffman called and said the NC Baptist Men are wanting to target at least four truck stop ministry areas this year that have never been done before. They want to do it on Veterans Day, May 29-30, 1995. He asked if LBA could host the ministry at the Vietnam Veterans Memorial at this time. Brotherhood Director, Carl Hunt, agreed this would be a worthwhile ministry. Motion was made, seconded and passed that this matter be pursued.

High Rock Lake Bass Tournament Ministry: Dr. Capps contacted the Greensboro Sportsman Commission to obtain the dates-August 3-5, 1995. Bobby Stafford of the State Convention has offered to help us obtain New Testaments which would be oriented towards fisherman. We could have a early morning coffee booth for three days and dispense the Testaments. Mike Motley stated the access area was closed off only to participants last year. Dr. Capps said he has been a Bass Master member for about 30 years and maybe he can use his membership this year. This again is the world championship tournament for the second year. Motion was made, seconded and passed to have Dr. Capps try to obtain information and permission to have a refreshment booth with distribution of the New Testaments and tracts.

Chamber of Commerce Fees: (1) Lexington - $125.00; (2) Thomasville - $175.00; (3) Denton - $75.00. In the last meeting discussions were held about memberships in the local Chambers. This would give us a voice in the Chamber and on various committees. This would also give us an entree into the various festival events. Motion was made, seconded and passed to contact the Finance Committee about these fees and then if the Finance Committee approves, make a joint recommendation to the Executive Committee. Finance Committee will meet on Monday, January 16 and the Executive Committee meets January 23.

Special Event Ministries for 1995: (1) Lexington BBQ Festival-October 29, 1995 (Last Saturday of Oct.); (2) Everybody's Day, Thomasville-September 30, 1995 (Last Saturday of Sept.); (3) Thresher's Reunion, Denton-June 30-July 4, 1995; (4) Davidson County Fair, Lexington-September 18-23, 1995; (5) Bass Masters International Tournament-High Rock Lake-August 3-5, 1995.

We need to decide how we can do these ministries most effectively. Summerville has had the primary responsibility for the Thresher's Reunion. We can do this on an Area Church Group arrangement or Host Church concept. Oak Hill was to be the Host Church for Everybody's Day but we were unable to get a booth. Bob Floyd at North Lexington was to see about the BBQ Festival but all spaces were filled. It was agreed that the Area Church Group concept was good and one church of the group would be considered the Host Church. Mike Motley suggested that the Association office be responsible for making the contacts with Lexington and Thomasville.

Miscellaneous Matters: Richard Capps said he learned through the death of Tommy Wagner's child that at one time the Sunday School lesson was taught to the local firemen but this has ceased.. The fireman he discussed this with, who would be the contact, would like to see this begin again, either with a volunteer chaplain or other means. Dr. Capps would like to contact the Fire Chiefs of Thomasville and Lexington to see if this could be started again, either as Sunday School lessons or devotions. This would also include the EMS stations. Motion was made, seconded and passed to have Dr. Capps contact the Fire Chiefs to see what can be done about this.

North Lexington Baptist Church had a float in the Lexington Parade, which said "We Care About the Children." Dr. Capps said we should challenge the Youth Council, WMU and Brotherhood to have a float which could be used in all the area parades for a Christian witness. If the parade was in Thomasville, the Thomasville area churches would man the float, if in Lexington, the Lexington churches would man the float, etc. Mike Motley said in Denton, a good number of the floats are sponsored by churches. We could use a Gospel tract with a piece of candy to give to the crowds. Gary Myers suggested we get some feedback from the Youth Council, possibly have them challenge their churches.

Future meeting dates: March 13, 1995 (meeting before May Executive Committee); June 5, 1995; September 5, 1995 (Executive Board on September 7, 1995); and last meeting will be November 6, 1995. Each meeting will be at 7:00 pm.

There being no further business, the meeting was adjourned with prayer by Stuart White.

June 5, 1995: Gary Myers, Director, could not be present for this meeting. Dr. Capps was delayed, so the meeting was called to order by Clerk, Gail Beck. R. N. Hardin led in prayer. Those present

were Robert Knapp, Jane McCants, Janet Sharpe, R. N. Hardin, Stuart White, Brenda Emmons, Richard Capps and Gail Beck. Minutes of the previous meeting were distributed and approved as written. Dr. Capps stated as a matter pertaining to old business, that the Association has received only one check in the amount of $25.00 for Livo church in the Ukraine. He also suggested that the monies which have been accumulated for a Ukraine pastor be sent to Livo church since we have not been assigned a Ukraine pastor as yet. R. N. Hardin made a motion that this be done, Robert Knapp seconded and the motion carried.

Dr. Capps presented information about the **Probe/Demographic-Vista and Strategy Planning** program which is prepared by Charles Fox of the BSCNC (copy attached).

Special Ministries: High Rock Lake Bass Tournament Ministry-August 3-5, 1995-It is the plan now to have people on the scene by 6:30 am each morning to share tracts, coffee and New Testaments. Information has been sent to the churches asking for volunteers and we are awaiting response. It may be that we will be ministering primarily to the accumulated people there with coffee, rather than to the fishermen. We do hope to be able to give the fishermen New Testaments and tracts.

Children's Day Camp-For the first time, LBA will be sponsoring a Children's Day Camp at Churchland Baptist Church, Lexington, August 14-17, 1995. Cost will be $18.00. There will be various sports activities, Bible study, games and missionaries. This will be for the grades 4-6.

Youth Retreat-the Youth Council is sponsoring a Youth Retreat, September 8-10, 1995, to be held at Camp Cheerio in Sparta, NC. Cost will be $75.00 each. This will be for grade 7 up, and limited to 110 people.

Mission Update: Central Baptist Mission had found four tracts of land which they felt they would be able to purchase, but these purchases fell through. They have now located a 14 acre tract at Feezor Road, near High Rock Lake, on Highway 8. They want to do a resort ministry for the High Rock Lake area and they have already received notice that they will have to move from their present location.

Brenda Emmons, Hispanic Ministry County Director, gave an update of their work. 130 people turned out for a meeting at Park Place Baptist Church for a Mexican Fiesta. The members of the Union Cross Hispanic Church prepared the food, Archie Jones preached, and music was presented. Another event will be planned as soon as possible. Hispanic Bible study is already taking place in Lexington and hopefully, a Bible study can be started in Thomasville soon.

Partnership Relationship with Rev. Chet Cantrell, Christian Activity Center-Due to not having a quorum at the last Executive Committee Meeting, this has not officially been adopted; however, Dr. Capps has talked with Chet Cantrell about the proposed plans for next summer. Rev. Cantrell has agreed to have the first team come June 14-22, 1996, and the second team will go June 21-29, 1996. The first group will be primarily a sports ministry, with a team of boys and girls who will play basketball with a team of inner city kids, and possibly teams from the Christian Activity Center. We will be providing trophies and recognition. We also have a member from Oak Hill who will be teaching Ju-Jitsu, the art of self defense, and the discipline of being a Christian. We will try to have a basketball coach who will teach basketball clinics during the day. Dr. Andy Royals has tentatively agreed to work with Dave Tricarico and be the coach of the team. Between now and June, 1996, we will be working on developing a team. During the week of June 21-29, Chet has asked that we do a Missions VBS, Monday through Friday. We will be looking at literature for this and will be training a team for this purpose. Twenty people, which includes chaperons, will be able to go on each trip. Anything we can do in the meantime, such as Christmas in August, will be appreciated. Chet Cantrell will be the speaker at the WMU Annual Meeting in June of 1996.

Miscellaneous Matters: As a special prayer request, Brenda Emmons asked for prayer that transportation needs might be worked out for the migrant workers this summer. They will be transported from Abbotts Creek Church, after the evening meal, to Union Cross Hispanic Church in Kernersville, so they will be able to hear messages in their own language. The people at Union Cross

will transport them back to the farms. The transportation needs is one of the biggest challenges of the ministry each year. Dr. Capps suggested that it would be easier if the people from Abbotts Creek would pick up the workers from the farms and then have Association people take them to Union Cross. It was suggested that Wallburg and New Friendship be contacted to see if their vans could be used to transport migrants from Abbotts Creek to Union Cross. Bessie Blackwell, Center Hill Baptist Church, is in charge of providing the meals each day. The Hispanic/Migrant Orientation is on Thursday, June 8, 1995 at Abbotts Creek Baptist Church.

Stuart White shared that his church for the past several years has used a half-page insert in their bulletins about Volunteering for Missions in one of three ways: 1. Through praying; 2. By giving; 3. By going. A master sheet is then made and the information compiled so it is known where people will be willing to work. Rev. White also shared that on the day of their building dedication, they had 391 people in the service.

Dr. Capps said Gary Myers had asked him to apologize for not being at the meeting because he had a conflict with the Deacons/Building Committee meeting concerning the construction of their new church.

R. N. Hardin reported that Stoner's Grove has had ten new members in the past four months. The church is growing, but is not yet able to support a full time pastor. There being no further business, Dr. Capps closed the meeting with prayer.

September 5, 1995: Dr. Richard Capps opened the meeting in the absence of Director, Gary Myers, who was ill. Those present were Stuart White, Janet Sharpe, Betty Bradshaw, Carl Hunt, Jane McCants, Coley Rimmer, Jr., and Richard Capps.

Minutes of the previous meeting were distributed and approved as written. Dr. Capps pointed out that we were unable to do anything for the Bass Tournament because whatever was done would have needed to be done in Greensboro. Ministry should have been provided by Piedmont Association at the exhibition. Only three children registered for the Children's Day Camp, therefore it had to be cancelled. The Youth Retreat at Camp Cheerio in Sparta, NC had about 45 people registered. The information which had been passed on to the Executive Board could not be acted upon because a quorum was not present, therefore it will be presented at the next Executive Board meeting.

Mission Updates: Central Baptist Mission in Lexington has now made the decision and is proceeding to purchase property that is just off Highway 8, on Feezor Road, right at the High Rock Lake area. They are currently meeting in a fire station, are limited in space, but have a continued good spirit. BSCNC will be providing funds and a mobile unit for them. The Brotherhood will be contacted later to help build their first permanent structure. They will have two mobile units to start with. Cambodian Mission, Lexington: Missionary Kim, the state missionary who works with Cambodians, called and said he has located a prospective pastor for the Mission. He is from Chattanooga, TN and will visit our area on September 21-24. Mr. Kim has also talked with the Metrolina Association, Charlotte, about his working with their Cambodian population and plan to do a study of the Greensboro area to see if that would also be a potential area of ministry. LBA will be providing $150 towards the expense. This ministry is hopefully coming together and appeals may be made to the churches of the associations involved and to BSCNC to provide his salary. We may ask 4-8 churches to help with funding the Cambodian pastor's salary for three years. The council agreed.

Probe/Demographic-Vista and Strategy Planning: Our association is going to be a "pilot" association of doing a different approach to strategy planning. Our key dates will be November 11, 1995-10:00 am-9:00 pm, Beginning/Orientation Retreat, Caraway Conference Center. This will be the first orientation with the following contents: Vista Study for each church; 10 year review of church statistics; church questionnaire; committee from each church to digest this information and discover ways the Association can assist them in their work. Members of the Missions Development Council; pastors and chairpersons for churches in the process of the Vista study; Associational

Council and Associational Officers will be asked to participate in this Retreat. The Implementation Retreat will be on April 13, 1996-10:00 am-9:00 pm at Caraway, which will be the time of evaluating all of the information received. After the churches which have chosen to participate in the Vista studies have received their information, it will be shared with all the churches in the specific areas. The churches which have been discussed as being the one to do the Vista studies are Reeds, Churchland, Trinity, Wallburg, Coggins Memorial, Jersey, Oak Hill Memorial, Liberty and Summerville. These are all geared to the population areas. Churchland and Trinity are on their on, in areas that are not heavily populated enough for a population designation. The cost of the Vista (Maps) Study is $235.

Partnership Ministry Update: Grenada-(see attached two letters). We may want to consider a later trip to build pews for the Osbert James' church in Grenada. This will be brought up at a later time and discussed in more detail. Motion was made, seconded and passed that we get involved in a project to go physically and assist in Grenada in any way needed. In the 1995-96 ministry section of the budget, we have recommended that the Grenada partnership continue at $2,400, especially with Osbert James going full time. Other areas of our ministries are noted in the proposed budget. We are trying to do ministries with people who are related in some way to our association. If our churches are not willing to support these ministries, we will have to make decisions as to which ministries are most important. Christian Activity Center, East St. Louis, IL-we have set tentative dates for two one-week mission trips in June of 1996. This may have to be cut back to one week. We had hoped to have a basketball team from our association go, but so far no one has volunteered. Andy Royals has agreed to coach the team and Dan Tricarico can possibly go. We had hoped to do a tournament there with teams from the area. Also someone would teach a martial arts class and we would have a Sports Rally. A future project will be doing the gym floors and Dr. Capps has a contact who may be able to help with this work. The "Christmas in August" project for East St. Louis has exceeded our expectations and a larger Ryder truck (24 ft.) had to be obtained for the materials received. Four people are planning to go to takes these supplies, which will be packed on September 28. Cost of renting the truck will be $210, including insurance. Contributions are being made to cover the cost of gas for the trip. South Africa Partnership-1996 and beyond, a five-year partnership. English language work-Association to Association. The partnership will involve primarily training and preaching, possibly some construction. We request that the DOM go to the beginning planning meeting February 19-28, 1996 at a cost of $2,000, which will come from the State Missions Rebate. Requests will also be made that the Moderator and/or Missions Development Council Director also go. We will be contacting the churches to ask for assistance in raising the money ($4,000) for these people to go. Motion was made, seconded and passed to recommend this partnership to the Executive Board, to have the DOM go with cost being covered by the State Missions Rebate, to also have the Moderator and MDC Director go, and to request assistance from the churches for the expenses. Hispanic Ministry-has had a wonderful summer of ministry. Because of the working schedules of the migrants, they could not attend all of the services which we had hoped to provide for them. The Medical/Dental van had more people turn out than expected.

Other Matters: After the annual meeting a letter will be written to Walter's Grove Baptist Church formally ending our relationship after one year. Dr. Capps announced that Robert Wilson has resigned as pastor of Hasty Baptist Church and he is working with the people there to help resolve problems. Bill Morrow is currently serving as Supply pastor.

Future meeting dates: October 26, 1995; January 18, 1996; March 21, 1996; May 16, 1996; September 12, 1996 and October 24, 1996. All meetings will begin at 7:00 pm.

There being no further business, the meeting was adjourned and Carl Hunt had the benediction.

Respectfully submitted,

WOMAN'S MISSIONARY UNION

Each age level-Mission Friends, Girls in Action, Acteens and Women on Mission had one or more Associational events/activities this year. WMU's Annual Meeting was May 2, 1995 at Abbotts Creek Baptist Church. WMU Leadership Training was September 18th at Liberty Baptist Church.

WMU promoted Christmas In August for the Christian Activity Center in East St. Louis, Illinois. This year Woman's Missionary Union will experience some changes. Our purpose remains the same - MISSIONS!

A primary change in WMU was to set our own objectives for the year. They are: (1) To strengthen existing WMU age level organizations by improving our WMU understanding, performance and communications. (2) To increase churchwide awareness and involvement in missions ministries in church and association. Goals and action plans were decided by the Associational WMU Leadership Team.

Volunteers from ten of our churches have worked at Camp Mundo Vista. More volunteers are need to finish the camp's improvements. You Can Help! Contact Carl Hunt or Hazel Fritts. $14,373.97 has been given toward our Associational goal of $20,250.00. Continue to promote both contributions and volunteers for Camp Mundo Vista.

BAPTIST STATE CONVENTION OF NORTH CAROLINA REPORTS
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.

For six year old Malinda, darkness brought sleepless nights listening to her mother's boyfriend beat her brother and sister-and praying she wouldn't be next, watching her mom choose her lover's whims over her children's needs, and finally, being abandoned on Christmas Eve in pouring rain on a dirt road. Her darkness, more than just a light switch clicked off, swirled with pain, fear, confusion and despair. Today, a bright-eyed teenager living at Broyhill Home, one of four Baptist Children's Homes residential campuses, Malinda finally sees light. After becoming a Christian in 1992, she can forgive her mom and let go of her painful past. "Learning to deal with my issues is a lot easier since I became a Christian," said Malinda. "I'm happy here at Broyhill. The people believe in me, support me and are here for me."

Believing in children and families, offering light to pierce their darkness has been Baptist Children's Homes' goal since its beginning 110 years ago. Serving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies, model day care and behavorial change for girls.

Commemorating 110 years of ministry, BCH published *Intent to Serve*, a history depicting the last decade of BCH's child-centered, family focused services. Each church was to receive a complimentary copy in the Fall of 1995.

Founded in 1970, the Baptist Maternity Home in Asheville celebrated in October 25 years serving over 900 young, unmarried, pregnant women who were given a quiet, supportive atmosphere to makes decisions about their future.

A chapter of BCH life closed with the death of alumni, employee and friend Bill Sisk. Investing 52 years of himself, Sisk, who came to Mills Home at age 8 and returned to work on staff 42 years, died May 21, 1995. "An era has passed," said BCH President Michael C. Blackwell. "It's extremely unlikely Baptist Children's Homes will ever see another individual who invests himself so fully in this place as did my friend Bill Sisk."

Adding to the light, Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one fourth of BCH's $12 million budget with gifts totaling $2,934,304. Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising $28,633. "There is nothing more important in this life than children," said Goldston. "This is just one thing we can do to show our commitment, to put feet to our prayers."

This year, the Friends of Children committee added a twist to their annual spring bus tour by pulling on gloves and work clothes to help beautify Odum Home in Pembroke and Cameron Boys Camp near Southern Pines. A team of volunteers from Denver Baptist Church worked at Broyhill Home clearing brush, painting inside a cottage and building a storage shed; and at Kennedy Home tearing down an old gym built in the 1930's, restructuring an old picnic shelter into an arts and crafts center, removing old heating equipment from Biggs cottage and renovating family conference rooms in the new gym.

"We pray about these kids, and we pray that we will be an example," said Allen Holmes, Denver Baptist's mission trip coordinator. "This is more important than any building or construction work."

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a $10.1 million campaign, "Light Their Way," (September 1995-May 1997) to raise money for special projects, operational needs and endowment.

Many children, like Malinda, suffer in darkness. Many families linger in pain waiting for answers, waiting for help. Because of Baptists' support, BCH is able to "Light the Way," offering hope, security and love.

Michael C. Blackwell, President - H. Lee Davis, Jr., Chairman of Trustees

Making Life for Older Adults - *The Best of Times*

As a result of the wonderful support given by North Carolina Baptists, 11995 will be remembered as one of the finest years in the forty-four year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, North Carolina as its first full-time Chaplain. Reverend Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston-Salem and the Western North Carolina Baptist Home in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."

In recognition of the changing profile of institutional Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem. . .a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc. . . . the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

Thank you North Carolina Baptists for helping us make life for Older Adults . . . **The Best of Times!**

Baptist Retirement Homes of
North Carolina, Inc.

BIBLICAL RECORDER

The headlines each day--Bosnia, O. J. Simpson, interest rates, tax overhaul, etc.--often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing. The Biblical Recorder tells the whole story--the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 162 years of state Baptist papers in North Carolina, never as the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; and uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1995-96 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

BAPTIST COLLEGE/UNIVERSITY REPORT 1995

The Baptist State Convention is 165 years old. For 161 of those years the Convention has been in the business of founding, adopting, supporting and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian higher education. Our seven Convention-related education institutions are: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wingate University and Wake Forest University.

For 1995 the Convention's Christian higher education budget is $6,000,540, or 20.41 per cent of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473, with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chose by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church", was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, North Carolina 27511. Personal and confidential assistance is available by calling our office at 919/380-7334 or written request as directed to the above address.

Meeting the Challenges of Health Care

1995 *Report to the Associations*

"Touching Lives With Hope"

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

"THE BAPTIST"

Affectionately known to many simply as "The Baptist", our hospital now employs 5,544 members who comprise our healing team. We are joined with Bowman Gray School of Medicine and thus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1994-'95, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

A NEW DIVISION: PASTORAL CARE AND CHURCH RELATIONS

In May restructuring created a new division with the consolidation of the departments of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis:

DEPARTMENT OF CHAPLAINCY AND PASTORAL EDUCATION

Through spiritual and emotional healing to patients, families and staff, approximately 55,000 ministries were provided by our chaplains.

THE CENTER FOR CONGREGATIONAL HEALTH

This rapidly expanding ministry to churches, pastors and staff, and congregational leaders also enables the training of intentional interim pastors. Also, training is provided for leadership and church consultants. Workshops and other events are held as well.

DEPARTMENT OF CHURCH AND DENOMINATIONAL RELATIONS

This department serves as the liaison between Baptist Hospital and the churches, associations, and convention, as well as other church groups. By facilitating appointments, policy interpretation, understanding of our health care services, this function helps keep our vital bond with North Carolina Baptists strong. Mission dollars for benevolent care through this department in excess of $452,000 were given by Baptists to the Mother's Day Offering. This mission effort helps relieve the financial burdens of patients who have little or no healthcare insurance. This is truly a ministry of renewing hope in their lives and is a source of great joy for us.

PASTORAL COUNSELING

With increasing requests from churches and associations across the state, this ministry continues to expand. Our thirteen strategically located counseling centers provided 27,000 ministry hours last year.

Thank You Letters From Mother's Day Offering Recipients

"I would like to take this opportunity to tell you how grateful I am for the generous contribution made to help me with my recent medical expenses. I have been extremely concerned as to how this account would be settled. I never dreamed that such a fund was available. To all Southern Baptists across the state of North Carolina, I sincerely thank them for their generosity and concern for my well-being. This gift has definitely lightened my life's load. The gratitude I have in my heart is difficult to express on paper, but truly one deeply appreciated."

"Please accept my sincere appreciation for the financial assistance you and Southern Baptists contributed toward my late husband's hospital bill. This was a gracious gesture on your part that truly helped lighten the financial burden left to me due to his extended illness. A gift of this magnitude will not be forgotten by me or my family. Through all this ordeal my faith in God has been unshaken, and your kindness only strengthens that faith."

POINTS OF EXCELLENCE AND PROGRESS

- FINANCIAL STEWARDSHIP - Annually Baptist Hospital's rate increases consistently are less than both the medical consumer price index for hospitals and general inflation. The most recent North Carolina Database Commission report comparing the average of charges at other instate academic medical centers for our most frequent diagnoses reveals our charges are 21% lower. For all hospitals statewide we are 7.7% lower on those same charges, despite treating the most critically ill patients from across the state.
- QualChoice OF NORTH CAROLINA - A managed care plan providing quality healthcare and patient physician choice. Established by The North Carolina Baptist Hospitals, Incorporated and Bowman Gray School of Medicine and Wake Forest University, QualChoice is now expanding to employers in our region.
- ACCREDITATION WITH COMMENDATION - This distinction was awarded us by the Joint Commission of Accreditation of Healthcare Organizations. With a grade of 96 we earned the distinction as one of America's most highly rated hospitals.
- EMERGENCY DEPARTMENT/DIETARY BUILDING - With a Fall 1995 opening date this 300,000 square foot facility will expand our Emergency Department capacity to 70,000 visitors annually. It will also house a 35-bed Day Hospital, as well as a 900-seat cafeteria, and will double the proportion of private beds available to patients.
- COMPREHENSIVE OUTPATIENT REHABILITATION FACILITY - A 64,000 square foot facility scheduled for completion in the Summer of 1996.
- STICHT CENTER ON AGING AND REHABILITATION - Housing a geriatric research and education center, geriatric day hospital and inpatient acute rehab beds, geropsychiatry, and adult acute psychiatry, a planned completion and opening date for this center is the Spring of 1996.
- HOME HEALTH SOLUTIONS AND HOME HEALTH SPECIALISTS - Specialists provide at home care such as intravenous chemotherapy, pain management, nursing care, and physical and occupational therapy.
- COMMUNITY HOSPITAL ASSISTANCE - Baptist Hospital continues to develop relationships with hospitals and physicians in other communities inviting them to join our expanding healthcare delivery system.

A CLOSING WORD

Historical methods of delivering healthcare are changing in significant ways. We are constantly seeking to position ourselves to develop the methodologies, services, and delivery systems to meet these challenges. In the midst of the multiplicity of changes remain several treasured, time tested constants. Among these are our commitment to excellence and compassion in providing care, the demonstrated support of North Carolina Baptists, and most significantly, the providence of our Lord. Trusting in these, we move forward boldly and confidently into the future.

STATE MISSIONS

The Mission Statement for the Missions Division of the Baptist State Convention of North Carolina is: *The Missions Division of the Baptist State Convention of North Carolina seeks to direct the mission work of Baptist in North Carolina and work cooperatively to open windows of opportunity for a worldwide mission program. The work of the division focuses upon (1) New Work Starts and Development, (2) Revisioning of Existing Churches, (3) Leadership Development for Mission Work, (4) Mission/Ministry Response, (5) Cooperative Planning to assist churches and associations in realizing their vision for missions, and (6) Associational Mission Support.*

In 1994 the division fulfilled its mission through starting over 50 new churches. Many of them were language churches that offer the Christian Gospel to the multi-ethnics who live among us. Four of the churches we helped start in previous years in predominantly Black communities were among the top 100 churches in baptisms last year. We must continue to start new churches to reach the more than 2.5 million people in our state who are un-churched. Currently, we have one Baptist church for every 2,034 people in our state.

North Carolina has more people living in our cities than in the rural areas. Yet, we Baptist have more churches in the rural areas than in the cities. Seventy-five percent of our churches are scattered among places where one-third of our population lives. The great cry for Baptists in North Carolina is to reach our metropolitan areas.

At the same time, the rural churches of our state are finding themselves in an ever-growing missions field. The Missions Division leads the convention in understanding that our primary mission field remains close to us - it is North Carolina.

In addition, the division worked with many existing churches to help them develop a new call to mission, a new vision for reaching their communities. Materials and data offered by the division for local churches enable them to have an accurate "snapshot" of their communities. This information helps churches to reach across the gap that may exist between them and their changing communities. Various consultant led processes help to stimulate a church's growth.

The division worked with the eighty Baptist associations to help them fulfil their mission. Over $700,000 was invested by the division in mission work in the Baptist associations during 1994, much of that money coming from the annual offering, the North Carolina Missions Offering. The division assists associations in developing strategic planning that will enable the association to reach its community in the most effective and timely manner possible.

The Missions Division helps Baptists in North Carolina to be aware of the various "people groups" that are found in our state. Among the people groups are the mentally retarded, the blind, the deaf, more than 20,000 prisoners, the tourists (more than 40,000,000 in our state each year), the millions who dot our resort communities, the millions who live in multi-housing communities, the homeless, the drug addicts, the institutionalized, the ethnics. The dream of the Mission Division is that we might identify every people group in North Carolina and take the gospel of Jesus Christ to them. That's the mission agenda of the Great Commission; that's the task of Baptists in North Carolina.

SOUTHERN BAPTIST CONVENTION REPORTS

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

As the Southern Baptist Convention celebrated its 150th anniversary this June, the Annuity Board felt proud of its more than 77 years of serving those who serve the Lord. The Annuity Board offers security for pastors, other ministers, eligible church and denominational employees and their families. Operating within its approved budget, the Annuity Board continues to fund its operations without subsidy from the Cooperative Program. All Cooperative Program money received is allocated by the Trustee Relief Committee to needy ministers and their widows. The operating budget is funded from earnings on assets.

The Church Annuity Plan provides financial security both before and after retirement. Its Protection Section, funded by state convention Cooperative Program dollars, includes supplemental disability and survivor benefits. State conventions also provide matching retirement dollars for eligible participants. This Plan, designed by Southern Baptists for Southern Baptist churches and associations, provides opportunities for tax savings, competitive investment returns and the flexibility to meet each participant's special concerns. At the end of May 1995, 37,076 participants serving 20,231 churches and associations were active in the Church Annuity Plan.

The Personal Security Program offers up-to-date insurance products to protect against the large and small bumps and scrapes of life. The program includes a Term Life Plan, Personal Accident Plan, Disability Plan and a choice of medical plans. This is a flexible program; coverage can be tailored to meet each family's unique needs. Each plan is available alone or in combination with other plans. Nearly 22,000 church and Associational staff members participate in the Term Life Plan. They have found this Plan provides the protection they need at a cost competitive with comparable plans in the marketplace. In this era of rising medical costs, Personal Security Program medical rates have not increased since 1992. Over 20,000 Southern Baptist church and Associational workers enjoy the protection the medical plan provides.

With $4.8 billion in assets and over 77 years of experience, the Annuity Board offers its participants security and stability. The Annuity Board recognizes each dollar represents retirement income or life and health protection for a Christian servant in a Southern Baptist church, association, state convention or agency. The Annuity Board's mission is unchanged; it exists to serve those who serve the Lord.

FOREIGN MISSIONS

The spirit of God is moving in the world and Southern Baptist foreign missionaries report remarkable progress in starting churches, discipling believers and training leaders in 1994. Southern Baptists support about 4,100 missionaries in 132 countries (with work in 25 others) through contributions to the Cooperative Program unified giving plan and to the Lottie Moon Christmas Offering. Overseas Baptists affiliated with Foreign Mission Board missionaries started 2,162 new churches, continuing a surge of church starts that has more than doubled the number of overseas congregations since 1987. Membership in those churches pressed close to the 4 million mark, discipleship training enrollment almost doubled and enrollment in residential Bible schools and seminaries increased 18.6 %.

Among unreached peoples in highly restricted areas of the world, the number of congregations to which Southern Baptists relate more than doubled, from 131 in 1993 to 299 in 1994. the number of new churches started by Southern Baptist work quadrupled, from 37 in 1993 to 144 in 1994.

The solid 7.1 % increase in church starts continued a level of growth evident in 1993, when overseas Baptist broke the 2,000 new church mark for the first time. After almost 40 years of 3 % to 4 % annual growth, Southern Baptists have moved into a range of 7 %. The goal is 10 % annual growth by A.D.2000. By comparison, 878 new churches were organized in 1987. Membership in

affiliated churches grew 4.9 % to 3,918,915 during 1994. Enrollment in Bible teaching ministries grew 6.3 % to 2,371,215. Enthusiasm for those gains, however, is tempered by the fact that church membership grew only 182,966. But baptisms increased by a remarkable 15 % in 1994. Southern Baptist missionaries reported 302,132 baptisms--the first time annual baptisms have ever topped 300,000. In 1994, the **Lottie Moon Offering** goal was $86 million-when the books closed on May 31, giving stood at a record $85,932,597.88--99.92% of the goal.` The 3.66 increase over 1993 represents the largest annual jump since 1988 and the closest Southern Baptists have drawn to the goal since they met it in 1981. The offering will provide about $2.6 million in capital funds for the field, compared with $1.9 million it supplied last year. Such expenses include equipment, autos and housing. About $83.4 million of the offering will go to the board's overseas operating budget, which provides missionary support. The goal for 1995, Southern Baptists' 150th year, will be $100 million, a 16.4% increase.

HOME MISSIONS

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1994, there were 4,913 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. This is only 87 short of the Bold Mission Thrust (BMT) goal of 5,000 home missionaries. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,000 Missions Service Corps volunteers were serving on home mission fields, exceeding another BMT goal six years early. During the year there were nearly 1,300 church starts. Southern Baptist churches baptized 378,463 people in 1994, an increase of nearly 30,000 over 1993.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1994, gifts to the offering totaled $37,177,500, about 2 percent more than the 1993 total and the second largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1995 Annie Armstrong Easter Offering goal is $50 million, in commemoration of the HMB's 150th Anniversary. About 35 percent of the HMB's income comes from the denomination's Cooperative Program. The following is a summary of program/support ministry highlights from 1994:

Chaplaincy Ministries-The 2,364 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith. **Church Loans**-The Church Loans Division closed 107 church loans totaling $21.5 million, including $3.9 million of refinancing. **Language Missions**-Home missionaries in the Language Church Extension Division serve among 102 ethnic groups and 97 American Indian tribes, using 102 languages and dialects, in addition to sign language. **Volunteers**-Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. In 1994, nearly 80,000 persons serves as volunteers, about 5,000 more than in 1993. Missions Service Corps missionaries, numbering 2,016, and serving in 1,385 locations, represent a cadre of committed people responding to God's call to be personally involved in home missions. **Christian Social Ministries**-More than 2,500 volunteers were trained to teach English as a second language, tutor children and youth, and assist adult non-readers. **Church Extension**-Through Praxis, 47 men and 31 women from six Southern Baptist seminaries participated in church planting during the summer. **Special Ministries**-International ministries were conducted at the United Nations, in Washington D.C., in 40 port cities, and among international students. **Prayer and Spiritual Awakening**-The Home Missions Intercessory Prayerline received 82,000 calls in 1994.

OTHER REPORTS

AMERICAN BIBLE SOCIETY

The work of the American Bible Society is built around partnerships.

In partnership with churches throughout the United States, ABS is making God's Word available to millions of people who are eager to receive it.

Through our partnership with the United Bible Societies, we are placing Bibles in almost every nation of the world-including countries where the Christian faith is under rigid controls or even persecution. And through UBS, we are helping translate the Bible into dozens of languages for people who are still waiting to receive it.

Readers of English are receiving the most dynamic Bible translation in decades- the *Contemporary English Version*-because of our partnership with a dedicated network of translators, scholars and theologians. We are also producing Bibles on CD-ROM and exploring the future of Scriptures on-line for the exploding number of people with computers.

But there are two partnerships which make all of these efforts possible-and which sustain each of us in our work at the Bible Society.

One is our partnership with those who purchase and use our ABS materials. The second is our partnership with those who pray and give to this work.

Our historic commitment is to "provide the Holy Scriptures to every man, woman, and child in a language and form each can readily understand, and at a price each can easily afford."

Producing Bibles is only half of the job. The other half is accomplished when men and women read those Scriptures-whether they purchase them or receive them free thanks to the help of a caring ABS partner.

So I want to say a special word of appreciation to the many people who are helping us extend the reach of the gospel through their gifts. I trust that this Annual Report will both enlighten and encourage you as you continue to stand with us.

But we also need to remember that the task is not complete. There are still speakers of more than 4,000 languages without any portion of the Bible in their own tongue. And there are millions of people who, because of economic and other hardships, do not have access to translations that do exist in their languages.

Please continue to partner with us as we continue to place the Holy Scriptures in the hands of a waiting world.

Dr. Eugene B. Habecker
President

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

This year has been a significant one for the Christian Action League of NC as we gave leadership and support to local communities in their battle against the proliferation of alcohol, provided a voice for Christian morals and ethics in the halls of the legislature and continued our battle against on-going legislation concerning the lottery and other anti-family issues.

1. ***Legislative Issues:***

A. Alcohol - The alcohol industry sought to implement state-wide Liquor-By-the-Drink and beer/wine sales through legislative action. House Bill 599 would have implemented LBD without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state, the bill was withdrawn and died in committee.

B. Lottery - In the 1995 Session of the General Assembly, there were four lottery bills introduced. Several times in the past decade, gambling forces were able to secure the passage of a lottery measure in the Senate, but not in 1995. Lottery legislation was defeated in the Senate by a 28-30 vote. In the House, HB 838 (Lottery for School Buildings) was brought out of committee by an unusual parliamentary move and placed on the House calendar. Calls and Prayers from CAL members and the Christian community were honored when the measure was sent back to committee where it remained until the end of session.

C. Abortion - The Christian Action League and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will **cut** the **abortion funding** from $1.2 million to $50,000 and then to be used only in cases of rape or incest. For many years we have been working for legislation requiring **Parental Consent** before a minor can obtain an abortion. House Bill 481 was adopted this year providing this "common sense" legislation.

D. Abstinence Education - Another proposal that the Christian Action League has been working on became law this year. House Bill 834 (Teaching Abstinence Until Marriage) is pro-family and supports biblical and moral values. This bill requires schools to offer a program encouraging abstinence until marriage and also provides for parental review of teaching materials before comprehensive sex education instruction can be implemented.

2. ***League Leadership:*** Reverend Johnny R. Henderson became the League's Executive Director in July upon retirement of Coy C. Privette. Johnny brings a wealth of experience to this position. A trustee since 1977, he is the North Carolina Baptist Men's Correctional Ministries Coordinator and serves on the Executive Committee of Prison Fellowship of North Carolina. Also, his church was featured on ABC News last year for its outstanding prison ministry.

We are grateful to God for the prayer and financial support that the League receives from the churches of your association. May others join you as we seek to be the "Salt and Light" in a world hostile to Biblical ethics and morality.

Respectfully submitted,
Joe S. Lennon, President
